Celebration of 250th Birth Anniversary
of
Rev. WILLIAM CAREY
(Founder of The AGRI – Horticultural Society of India)

Dr. William Carey, known as the “father of modern missions” was born on 17th August, 1761, had established The AGRI – Horticultural Society of India in 1820. This year we are paying our sincere homage to this great soul through various programmes to celebrate his 250th Birth Anniversary.

On 22nd September, 2011 we are organizing a Panel discussion and Interactive session on Rev. Carey’s various aspects of life. Students and teachers are welcome to participate in the Interactive session.
