WILLIAM CAREY BIRTHDAY PARTY

The Office of Alumni Relations invites alumni all over the world to celebrate the birthday of our namesake, William Carey, on August 17. This will be an opportunity for alumni in your community to gather together for fellowship around our commonality as graduates of WCU. The gathering could be as simple as enjoying a cup of coffee together or even sharing a meal. We would like to have as many celebrations as possible where two or three Carey grads are found.

If you are willing to host an activity on August 17 or the weekend after, please contact the alumni office at ccofield@wmcarey.edu or 601-318-6561. I will send an additional email on Thursday, August 16, with information for you to share with your group. Or, if you decide to do it on the spur of the moment send us a picture and identifying information. Please email photos of your event to ccofield@wmcarey.edu for publication in the Carey Magazine!
