The picture is a chapel  
with a thatched roof. It  
was built long ago by  
a man named John, and  
so the place is called John-  
nagar or John's town. The  
man's full name was  
John Clark Marshman, the  
son of Dr Marshman - a  
famous missionary. How would  
you like to have ~~it~~ named  
after you, & called Winifred Nagar  
with much love - xxx Papa
