

2011–2012 International Student Certification of Finances Guidelines Graduate Admissions

Please read prior to completing this form.

The purpose of the Certification of Finances is to help William Carey University obtain complete and accurate information about the funds available to international applicants who wish to study in the United States. Strict governmental regulations, rising educational costs, and economic conditions have made verification of financial resources of international applicants essential. Institutions do not have the option of deciding whether or not to verify the financial resources of their international applicants; financial verification must be made prior to institutional issuance of Certificate of Eligibility (Form I-20).

Currently the yearly cost of attending William Carey University is US\$13,000. International applicants should list enough financial resources on the Certification of Finances to pay the balance for each year they plan to attend William Carey University.

This form is designed to standardize financial information provided by applicants to William Carey University. By completing and returning this form, an applicant, if admitted, may obtain a Certificate of Eligibility (Form I-20).
