CROSS-CULTURAL BUSINESS MANAGEMENT

The Cross Cultural Business Management major is a Bachelor of Science in Business degree conferred by the William Carey School of Business. This major is designed to prepare missionaries for overseas service in economic development, business management, and marketing while also preparing them for ministry. The CCBM major combines the general education requirements for a Bachelor of Science in Business (B.S.B.) with 48 hours of business courses and 30 hours of Intercultural Studies to meet the growing need for entrepreneurial mission work. Graduates may also choose to pursue an MBA.

INTERCULTURAL STUDIES

Our Intercultural Studies (ICS) major is the most flexible major we offer. Students may earn 15 credit hours through practicums and internships (mission trips). This allows students to double major in ICS and another discipline such as business, education, health profession, or another area that will prepare them to be marketplace professionals. Students may choose between the Bachelor of Science or the Bachelor of Arts degree while majoring in ICS. Students may choose ICS as a major or minor.

INTERNSHIP PARTNERS:
- International Mission Board (IMB)
- North American Mission Board (NAMB)
- Baptist Medical Dental Mission International (BMDMI)
- Mississippi Baptist Convention (MBC)
- Consortium for Global Education (CGE)

COURSES:
- World Religions
- Christian Theology
- Evangelism and Church Growth
- Life and Work of William Carey
- Intercultural Field Experience (mission trip)
- Practicum (local or overseas mission work)
- Internship in Missions (9 hours working with an established missionary for 10 weeks anywhere in the world)

GLOBAL Missions

Medical Missionary

William Carey University can help you prepare to be a medical missionary. Students would double major in Intercultural Studies and Biology or Chemistry. The Intercultural Studies degree introduces students to historical and contemporary mission paradigms, theology, and various world religions. Students will receive academic credit for medical mission trips as well as the opportunity to serve 10 weeks in a medical facility either in the US or abroad. Receiving a Biology (Pre-med) degree would qualify students to apply for medical, dental, or veterinary school. Additionally, students may choose our Physical Therapy degree, Pharmacy degree or Nursing degree as a means to prepare for medical missions.
