** The purchase and activation of a TK20 account is a requirement for any student taking Education courses at William Carey University. Uploading one or more assignments in this course is a requirement of this Education course. The neglect to upload the required assignment to your TK20 by the specified deadline will result in receiving an “I” (incomplete) or a grade of an “F” for this course at your instructors’ discretion. If they choose to give you an “I”, you will then have one term to complete the upload to receive a reduced grade, preventing the “I” from turning to an “F” automatically. If you have questions about what TK20 is or how to purchase your account, contact your TK20 Administrator at tk20@wmcarey.edu.

The university uses the following grading system for graduate students:

- **A** is reserved for work which is definitely superior in quality
- **B** is given for work which is consistently good and would be considered above average.
- **C** is given for minimal work and shows that basic requirements in class assignments have been met, but is not considered standard work for graduate students.
- **F** is below the acceptable standard for graduate work.

METHOD OF EVALUATION

Final grade will be determined by the consistent quality of work completed on the basic requirements in class assignments and in meeting course goals. (See Course Requirements and Course Goals.)
