REQUIREMENTS

A minimum of 120 hours are required, 100 of which must be onsite. A minimum of 1 hour a week of site supervision and 20 hours of class seminars each week at WCU are required.

REQUIRED ACTIVITIES:

1. Follow one initial case through the entire Special Education process to IEP completion and placement. Ideally this would involve serving as the case manager for a case. If you practicum site does not permit this then you may “shadow” the case manager for a case. Write a case report.

   __________________________ On-site supervisor signature   __________ Date

2. Follow a re-evaluation case, preferably one that requires additional testing. Write a case report.

   __________________________ On-site supervisor signature   __________ Date

   __________________________ On-site supervisor signature   __________ Date

4. Assist in developing and implementing an academic intervention for Math, Reading and one other academic area and a behavioral intervention. Turn in written interventions and outcome.

   __________________________ On-site supervisor signature   __________ Date

   __________________________ On-site supervisor signature   __________ Date

6. Do a minimum of five achievement tests, five adaptive behavior measures and five IQ tests.

   __________________________ On-site supervisor signature   __________ Date

7. Compile an Assessment Report and write a diagnostic summary.
