

# Doctor of Physical Therapy

**The CAPTE-accredited Doctor of Physical Therapy Program offers a challenging and caring academic community that prepares students to become compassionate and competent entry-level physical therapists.**

## The DPT program is well-suited for:

- Individuals who have a passion for the rehabilitation of people with functional limitations, wellness challenges, injury, and illness
- Individuals who have demonstrated mastery of human science prerequisite coursework, dedication to success, and excellence on the GRE
- Preparation to work as a licensed physical therapist in all therapy settings, including acute care hospitals, outpatient clinics, schools, and other rehabilitation settings, serving people of all ages with functional limitations, wellness challenges, injury, and illness

## Program Highlights

- Smaller class sizes
- No out-of-state tuition
- No Admission Interview Required

## Admission Requirements

*Admission to the DPT program is competitive in nature, and students with strong academic background are encouraged to apply. Students will be admitted to the program in the Fall semester of each year, based on the following requirements:*

- Completion of a **Baccalaureate Degree** (applicant's choice) from an accredited college or university OR be in the final year of undergraduate study
- Completion of **Prerequisite Courses**
- **Minimum overall 3.0 GPA OR on the last 60 hours of graduate/undergraduate coursework**
- Complete **40 total hours of observation** under a physical therapist in two distinctly different settings. One of the settings must be an inpatient setting (acute care, inpatient rehabilitation, nursing home, and/or skilled nursing). Must be verified and submitted electronically to PTCAS.
- **Official GRE scores** (within last 10 years) including verbal, quantitative, and analytical
  - **Minimum score of 290 required for combined verbal/quantitative.** Submit to PTCAS using Institutional Code 7400.

**The Admissions Committee is seeking well-rounded applicants with good time management skills. Complete all sections of the PTCAS application.**

**Interviews** - The William Carey University DPT program does not require an interview as part of the admissions process. Prospective students are encouraged to schedule campus visits and attend DPT2B informational sessions to learn more about the program. Please contact us at [physicaltherapy@wmcarey.edu](mailto:physicaltherapy@wmcarey.edu) or 601-318-6584 for an appointment if desired.

**Applications and all supporting documents must be submitted through the Physical Therapy Centralized Application Services (PTCAS) at [www.ptcas.org](http://www.ptcas.org) by October 15, 2025 for early consideration or by the final application deadline of March 16, 2026. Use Institutional Code 7400. No documents should be sent directly to William Carey University.**

## Prerequisites

- Psychology – 1 course
- Statistics (math, psychology, or education) – 1 course
- Two biological science courses (*excluding botany and zoology*)
- Chemistry I and II – 2 courses in sequence
- Physics I and II – 2 courses in sequence
- Human anatomy (preferred) – 1 course
- Human/General Physiology (preferred) – 1 course  
**OR** Anatomy and Physiology I and II – 2 courses in sequence
- Medical Terminology (encouraged)

- \* Business Statistics will not fulfill the statistics course requirement.
- \* All science prerequisite courses must be for science majors and require a lab. All prerequisite courses must have been completed within 10 years prior to application.
- \* No more than 2 prerequisite courses can be outstanding before the beginning of the Spring term during the application cycle.
- \* Applicants must have a grade of C or better in all prerequisite courses.
