

## High School Dual Credit

William Carey University offers a cooperative program in area high schools where specific courses may be offered for college credit in addition to high school credit. Approval of courses for college credit is based on criteria including teacher qualifications, curriculum, and instructional methods. Admission as a dual credit student is only available to qualifying students at cooperating high schools.

## About Carey

William Carey University is a community of learners which seeks to blend faith and learning with living. Within this unique, nurturing, and challenging environment, students prepare to fulfill their diverse callings in the larger global community.

Established in 1892, the university has two campuses, including a main campus in Hattiesburg, Mississippi, and the Tradition campus on the Mississippi Gulf Coast in Biloxi.

The university is named after William Carey, D.D. (1761-1834), known as the “Father of Modern Missions” for his contributions to mission work, particularly in India.

### Teacher Qualifications

- Master's degree or higher in the subject area
- If one's master's degree is in another area, he/she must have at least 18 graduate hours in the field he/she wishes to teach.

### Required Credentials

William Carey University requires that all instructors meet the teacher qualification standard.

Once the instructor is selected by the participating high school, Carey will need the proposed instructor's official transcript showing the degree awarded his/her current résumé showing teaching experience.
