Mission Statement

As a Christian university which embraces its Baptist heritage and namesake, William Carey University provides quality educational programs, within a caring Christian academic community, which challenge the individual student to excel in scholarship, leadership, and service in a diverse global society.

Vision

William Carey University is a community of learners which seeks to blend faith and learning with living. Within this unique nurturing and challenging environment, students prepare to fulfill their diverse callings in the larger global community.

The Carey Creed

“Expect great things from God; attempt great things for God.”

Theme Verse

Each year William Carey University chooses an annual theme which is designed to focus the university on a biblical concept. The theme for 2015-2016 is “Going the Extra Mile” and is based on Matt. 5:41. In the Sermon on the Mount, Jesus describes the attitudes and actions expected of Christians. As William Carey University provides quality educational programs within a caring Christian academic community, this theme motivates the university and its students to go the extra mile in service, discipleship, and in the pursuit of education.

WILLIAM CAREY UNIVERSITY HISTORY

William Carey University had its earliest origins in Poplarville, Mississippi, when the noted educator W. I. Thames opened Pearl River Boarding School in 1892. A disastrous fire destroyed the school in 1905. Professor Thames moved to Hattiesburg where he opened South Mississippi College in 1906. South Mississippi College, under the leadership of Professor Thames as its president, quickly gained a reputation for having a strong faculty, especially in art, music, history, and home economics. After a fire destroyed the immense administration building, including classrooms, library, and a 1500-seat auditorium, the young institution was forced to close.

In 1911 W. S. F. Tatum, wealthy lumberman and Methodist layman, acquired the property and offered it as a gift to the Baptists. He set two conditions: successful operation of a Christian school for girls for five years and an enrollment of at least 100 students the first year. In September, 1911 the school opened with a new name, Mississippi Woman’s College, under the leadership of President W. W. Rivers. In November, 1911 the debt-free college was offered to the Mississippi Baptist Convention and was accepted.

The growth of Mississippi Woman’s College was a source of pride for Mississippi Baptists. Under the leadership of President J. L. Johnson, Jr. from 1912 to 1932, a splendid new administration building was completed in 1914 and named Tatum Court in honor of the college’s major benefactor. New brick dormitories were added (Ross and Johnson Halls) as well as an infirmary and a model home, which was used as a laboratory for domestic science classes. During this period, the campus expanded to 40 acres.

An early objective of Mississippi Woman’s College was to train intelligent, concerned citizens who could establish Christian homes. By 1925 college stationery boldly proclaimed on its letterhead, “Mississippi Woman’s College: The School with a Mission.” The student body dedicated itself to the mission of the college. Such dedication accounts for Mississippi Woman’s College becoming known by the late 1920s as one of the South’s outstanding Christian colleges for women. Continued growth and an emphasis on missions characterized the presidency of Dr. W. E. Holcomb from 1932 to 1940.

When the exigencies of the depression era forced the college to close in 1940, its facilities were used as housing for army officers from Camp Shelby. In 1946 Mississippi Woman’s College underwent major renovations and re-opened. Dr. I. E. Rouse was elected president in 1946 and served until 1956. In 1953 the Mississippi Baptist Convention voted to move the college into coeducational status after more than four decades of serving as a female institution. This vote necessitated a new name for the institution. In 1954 the board of trustees selected the name of William Carey College in honor of the eighteenth century English cobbler-linguist whose decades of missionary activity in India earned him international recognition as the “Father of Modern Missions.”
Under the leadership of Dr. J. Ralph Noonkester as president, William Carey College enjoyed significant growth. In 14 years, a total of 14 new buildings rose on the Hattiesburg campus. The college attracted national attention with baseball, basketball, and tennis teams, the traveling chorale, the theatre performance groups, scientific honor societies, student mission efforts, a large number of mission volunteers, and a high percentage of acceptances to medical school. Dr. Noonkester served as president from 1956 to 1989.

In 1968 William Carey entered a new era when it announced a merger with the prestigious Mather School of Nursing in New Orleans. Another dimension opened for the institution in 1976 with the purchase of the Gulf Coast Military Academy campus in Gulfport. Known as William Carey College on the Coast, the 20-acre beachfront property was devastated by Hurricane Katrina in August 2005. Thirty acres were purchased in the Tradition Planned Community, and William Carey University–Tradition Campus opened in 2009.

In June 1989 Dr. James W. Edwards was elected as the seventh president and served until 1997. Under his leadership, enrollment in church-related vocations increased, the art program at Carey on the Coast was upgraded, the college debt was restructured, and a trimester system was inaugurated. The Lucile Parker Gallery was opened on the Hattiesburg campus, and the Sarah Gillespie Art Gallery was upgraded. A campus beautification project was inaugurated.

Dr. Larry W. Kennedy served as president from 1998 to 2006. Many physical improvements were made to existing facilities. New construction on the Hattiesburg campus included the nursing building, Fail-Asbury Hall; the education classroom building, Lorena Roseberry Smith Hall; Donnell Hall, which houses the Center for the Life and Work of William Carey; soccer fields; an intramural field, and the Milton Wheeler baseball field. The college’s $7.5 million debt was paid off ahead of schedule. In 2005 all three campuses were affected by Hurricane Katrina, with the Coast campus being completely destroyed. In 2006 the status of the institution was changed from college to university to honor its growth and enhance its potential in an increasingly global environment, thus the name was officially changed to William Carey University.

In February 2007, Dr. Tommy King was named the ninth president of the university, the first alumnus to serve in this position. Under his leadership, the university completed the Larry Kennedy Sports Complex, the Milton Wheeler Baseball Field, the Joseph and Nancy Fail Softball Field, and Byrd and Braswell residence halls. In 2009 the Coast campus was relocated to the newly built Tradition campus, Smith/Rouse Library was expanded, and the Sarah Ellen Gillespie Museum of Art was dedicated. In 2010 the Joe and Virginia Tatum Theatre and the first buildings of the College of Osteopathic Medicine (COM) were completed. In 2011 the Asbury Administrative Center, the third building in the medical school complex, was completed. Also, the former facilities building was renovated to become the Old Cobbler Shop, Hackelton, Student Center. In 2012 McMillan Hall underwent major renovations and an expansion.
that doubled its size. In 2013 the 92-bed Davis Hall was completed, bringing residential occupancy up to 750 beds. In 2014 the Randy and Brenda Ross Anatomy Wing of the COM, the Bass Memorial Chapel, the Warren prayer garden, and the new School of Business Building were completed.

Dr. King led the university to establish new academic programs and to add new athletic teams. In 2008 the Southern Association of Colleges and Schools raised the institution to Level V status, which permits the granting of doctoral degrees. A Master of Biomedical Science degree was added in 2009. In 2010 the inaugural class of the College of Osteopathic Medicine began, the specialist degree in higher education administration was offered. The Bachelor of Music in contemporary worship degree was added in 2011. The M.Ed. in educational leadership, Ed.D. and Ph.D. in nursing education and administration, and department of criminal justice began in 2012. The intercultural studies major was first offered in 2013. An additional education doctoral degree, the Ed.D. in educational leadership K-12, was first offered in 2015. The Doctor of Physical Therapy program, established in 2014, is expected to admit its first students in the fall of 2016. Tennis was reinstated to the athletic program in 2009, with cross country and women’s golf added in 2010-2011. Track and field for men and women began in fall of 2012.

The university has been recognized by U.S. News & World Report as a “Great School, Great Price” and as a “Top Tier Regional University,” as well as a “Military Friendly School” by Victory Media for six consecutive years. The university has also been ranked in the top 100 “Best Value” in the United States by Educate to Career’s College Rankings Index.

The university is organized into the following academic units: the Ralph and Naomi Noonkester School of Arts and Letters; the School of Natural and Behavioral Sciences; the School of Business; the School of Education; the Donald and Frances Winters School of Music and Ministry Studies; the College of Health Sciences; and the College of Osteopathic Medicine. In 2015 the College of Health Sciences was formed consisting of the Fail School of Nursing, the Department of Physical Therapy, the Department of Health Information Management, and the Department of Health Administration and Education.

The dramatic developments over the years demonstrate that William Carey University has accepted William Carey’s challenging motto:

“Expect great things from God; attempt great things for God.”

GOVERNANCE

William Carey University is a nonprofit corporation operating as an institution of higher learning from its domicile in Hattiesburg, Mississippi. The university operates under the governance of a board of trustees elected by the Mississippi Baptist Convention.
LOCATIONS

William Carey University has two campuses:

Hattiesburg is the home of the main campus, founded in 1906. On 150 acres, the university is conveniently located on the south side of the city. Hattiesburg is known as the "Hub City." The city is centrally located less than 100 miles from the state capital of Jackson, as well as the Gulf Coast, New Orleans and Mobile. With a population of nearly 80,000 in the Hattiesburg area, it is the educational, retail, and medical center for the southeast Mississippi region.

The William Carey University—Tradition Campus is located on Highway 67 in Biloxi. The 50-acre campus has two state-of-the-art buildings housing administrative and academic offices and classrooms equipped with the latest technology, a guard house and facilities building. This campus opened for classes in the fall of 2009.

ACCREDITATION

William Carey University is a level 6 institution accredited by the Southern Association of Colleges and Schools Commission on Colleges to award bachelor, master, education specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of William Carey University.

The School of Education at William Carey University is accredited by the National Council for Accreditation of Teacher Education/Council for the Accreditation of Teacher Preparation (NCATE/CAEP), www.ncate.org / http://caepnet.org. This accreditation covers initial teacher preparation programs and advanced educator preparation programs at Hattiesburg and Biloxi.

INSTITUTIONAL EFFECTIVENESS

Engaging in a continual quest for quality, the university maintains a comprehensive system of planning and evaluation in all major aspects of the institution. The university uses the institutional mission statement as the foundation for evaluation. By using a variety of assessment methods, the institution implements its evaluative results to improve the education programs and support activities. The institution's effectiveness in achieving its established goals determines educational quality. As part of its annual planning process, the university uses assessment results for continual improvement of academic programs, student learning, and support services.

NONDISCRIMINATION STATEMENT

In compliance with federal law, including provisions of Section 504 of the Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972, and the bylaws of the university, William Carey University does not discriminate against any person on the basis of race, color, national or ethnic origin, sex, gender, age, or disability in admissions or in the administration of its education policies, scholarships, loan programs, athletic and other school-administered rights, privileges, programs, and activities generally accorded or made available to students at the school.

William Carey University College of Osteopathic Medicine (WCUCOM) will not discriminate on the basis of race, gender, sex, color, religion, creed, national origin, age or disabilities.

The following person has been designated to handle inquiries regarding the non-discrimination policies: Vice President for Academic Affairs, 498 Tuscan Avenue, Hattiesburg, MS 39401 (601) 318-6101.

PRIVACY OF STUDENT RECORDS

(The policy in its entirety can be acquired from the registrar's office.)

Under the "Family Educational Rights and Privacy Act of 1974 As Amended," William Carey University accords all rights to students who are declared independent. No one outside the institution (other than those exceptions permitted under the Act) shall have access to, nor will the institution disclose any information from, students' education records without the written consent of students. Students wishing to give their parents or a
third party access to their academic and financial records should complete the disclosure form located in the registrar’s office, the business office, or on the WCU website. This release will remain in effect until rescinded by the student.

At its discretion, William Carey University will release "directory information" in accordance with the provisions of the Act. This information includes: student name, address, telephone number, date and place of birth, major field of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams, and other similar information. Students may withhold directory information by notifying the registrar’s office in writing on or before the first day of classes of each trimester. Forms for this purpose are available in the registrar’s office. In the event a refusal is not filed, the institution assumes that a student does not object to the release of the directory information designated. Request for non-disclosure will be honored by the institution for only one academic year; therefore, authorization to withhold directory information must be filed annually.

The law provides students the right to inspect and review information contained in their education records.

Students have the right to seek to have corrected any parts of the education record believed to be inaccurate, misleading, or a violation of their rights. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the education records according to request.

Corrections of inaccuracies to records will be made upon request, accompanied by appropriate documentation, to the satisfaction to William Carey University that the records were in error during the time period covered by the records. Records will not be changed to reflect changes that have occurred subsequent to the student’s attendance at William Carey University if such records were accurate at the time of attendance.

Students have the right to file a complaint with the FERPA Office; Department of Education; 400 Maryland Avenue, S.W.; Washington, D. C.; 20202.

Students have the right to obtain a copy of the written institutional policy adopted by this institution in compliance with FERPA. A copy may be obtained in person or by mail from: Registrar, William Carey University, WCU Box 4, 498 Tuscan Avenue, Hattiesburg, MS 39401.
HATTIESBURG CAMPUS FACILITIES

- **512 TUSCAN**—This historic building, located at 512 Tuscan Avenue at Cherry Street, was originally built in 1924 and completely renovated in 2013. The two-story building contains five apartments for married couples’ housing and also houses the Lucile Parker Gallery.

- **BASS HALL**—Bass Hall is a three-story building that accommodates 143 female residents. Built in 1963, the building has a large lounge and a resident manager’s suite. Interior renovation was completed in the summer of 1999, and exterior renovations accomplished in 2006.

- **BASS MEMORIAL CHAPEL AND WARREN PRAYER GARDEN**—Dedicated in 2014, Bass Memorial Chapel is the first chapel on campus, and it provides sacred space for prayer, worship, and small group gatherings. The prayer garden is a place for meditation.

- **BRASWELL AND BYRD HALLS**—These twin dormitories were constructed during 2006 and 2007. Each dormitory is comprised of three levels with 89 resident rooms and resident director apartment. Braswell Hall (the male dorm) and Byrd Hall (the female dorm) share a common lobby with a computer workstation area, TV viewing area, and lounging areas. The resident rooms are suite arrangements with two rooms sharing a semi-private bathroom.

- **BRYANT HALL**—Completed in 1966 and renovated in 1998, this building accommodates 103 male residents.

- **CAMPUS FACILITIES BUILDING**—A new building, constructed in 2010, houses the offices and equipment of the physical facilities department.

- **CHAIN GARDEN**—This area of the campus was originally dedicated in 1992 in honor of Bobby and Betty Chain. In 2006 the garden was completely renovated by the Bobby L. Chain family to include the six foot bronze statue, “The Risen Christ.”

- **CLINTON GYMNASIUM**—Constructed in 1961, this building includes a gymnasium, offices, and locker rooms. Interior and exterior renovations were completed in 2004 and 2006.

- **COLLEGE OF OSTEOPATHIC MEDICINE ACADEMIC BUILDING**—The first of four buildings in the COM complex was completed in the summer of 2010 and houses two lecture halls, classrooms, study rooms, and laboratories.

- **COLLEGE OF OSTEOPATHIC MEDICINE MEDICAL ARTS BUILDING**—This building was completed in the fall of 2010 and houses faculty offices, clinical diagnostic and treatment rooms, eight student conference rooms, study areas, and student lounge.
• **COLLEGE OF OSTEOPATHIC MEDICINE ASBURY ADMINISTRATIVE CENTER**—Completed in the spring of 2011, this building houses administrative offices, faculty offices, and conference rooms.

• **COLLEGE OF OSTEOPATHIC MEDICINE RANDY AND BRENDA ROSS ANATOMY WING**—Completed in 2014, the anatomy wing houses the anatomy lab for the WCUCOM.

• **COMMON GROUNDS**—Created in 1997 from a former carriage house, this facility houses a student-operated coffee house.

The seven-foot tall stature is titled “Carey Turns to the World” and was crafted by Ben Watts of Columbia. It is located in front of the Sarah Ellen Gillespie Museum.

TRADITION CAMPUS FACILITIES

In 1976 William Carey College on the Coast opened on 20 acres on Beach Drive. In August 2005 Hurricane Katrina devastated the property and all buildings were condemned. William Carey University on the Coast was relocated to the Tradition community on Highway 67 in Harrison County during the summer of 2009. The William Carey University—Tradition Campus has two state-of-the-art buildings housing administrative and academic offices and classrooms equipped with the latest technology. The 50-acre campus opened for classes in the fall of 2009.

- THE TRADITION CAMPUS LIBRARY—The Tradition campus library, completed in 2009, houses books and DVDs supporting the requirements of Tradition students. A library computer lab is also available for patrons at Tradition, as well as three group study rooms for two-to-six persons. The WCU Libraries’ electronic collection, including 65 research databases, is easily accessible from Tradition library computers. A campus-to-campus loan service provides quick access to all print materials in the William Carey University Libraries collections.

GENERAL REGULATIONS FOR STUDENTS

HEALTH SERVICES

On the Hattiesburg campus, students have access to immediate care clinics and two hospital emergency rooms that extend 24-hour care. The clinics and emergency rooms are provided on a fee-for-service basis.

Medical service for students on the Tradition campus is provided by an arrangement with UrgiCare on a fee-for-service basis.

Information about health insurance is available to students in Hattiesburg in the office of student life, and in the administrative dean’s office on the Tradition campus.
IDENTIFICATION CARDS

Every student should secure an identification card (ID) from the office of student life on the Hattiesburg campus and the Office of Student Services on the Tradition campus. Students must present their copy of the registration form in order to be issued an ID card. The ID card is the student’s official university identification and should be carried at all times. University officials, including faculty, staff, and security officers may ask students to present a valid WCU student ID at any time. Failure to present one’s ID will result in severe disciplinary action. Full-time students use the card for admission to school-sponsored activities, as a voting permit during student body elections, for securing a copy of the Crusader, and for library privileges. Part-time students have library privileges through the use of their ID card.

Misuse of ID cards subjects the user to disciplinary action.

A fee of $10.00 is charged for the replacement of ID cards. Only one free ID card will be issued to a student during a five year period.

Student life office hours are 8:00 a.m.–5:00 p.m. Monday-Thursday; 8:00–4:30 Friday; 8:00 a.m.–6:00 p.m. the first week of each trimester.

VEHICLE REGISTRATION

Registration of motor vehicles is a part of the academic registration procedure at the beginning of each year for all students who are permitted to bring cars on the campus. Students who bring unregistered vehicles on campus after any registration period must register them immediately after arrival on the campus. All university employees and students shall register their vehicles and secure a registration decal from the student life office. Failure to register a vehicle, to use the proper decal, or to observe all traffic regulations will constitute a violation and subject the violator to certain penalties.

CAMPUS SAFETY AND SECURITY

Campus security personnel on the Hattiesburg campus are available 24 hours a day. Security personnel at Tradition are located at the campus security station. Any crime or suspicious activity should be reported promptly to campus security: Hattiesburg (601) 318-6300; Tradition (228) 223-1807.

STUDENT RIGHTS AND RESPONSIBILITIES

Every student is expected to display proper conduct. Violations of the student code of conduct will be dealt with according to the policies and procedures outlined in The Translation. The university reserves the right to require at any time the withdrawal of a student whose conduct or academic work does not meet university standards. Students have the right to appeal decisions through appropriate channels as outlined in The Translation.
STUDENTS WITH DISABILITIES

Every reasonable effort will be made to meet the special needs of students who qualify under Section 504 and ADA disability criteria. Eligibility for special accommodations will be available to students who are officially enrolled at William Carey University, who meet all university program requirements, and who meet the definition of disability as defined by the Rehabilitation Act of 1973 and the Americans with Disabilities Act. The definition of disability includes any person who "has a physical, emotional, or mental impairment which substantially limits one or more of life's major activities; has a record of disability, or is regarded as having a disability" (P. L. 101-336).

To obtain service or for more information, contact the office of student support or refer to the policies and procedures outlined in The Translation.
ADMISSIONS

APPLICATIONS FOR ADMISSION

The prospective student must file a complete admission application and request the officials of schools previously attended to mail or eScript transcripts to the university as soon as the decision to apply has been made. Both freshmen and transfer students may enter the university's trimester system in August, November, February, or June. The application for admission can be completed on the Carey website (www.wmcarey.edu).

There are separate requirements for admission to the School of Nursing and to the teacher education program of the School of Education. The student should consult program descriptions for those admission requirements.

The university reserves the right to deny admission to any applicant or forbid any student's continued enrollment without assigning a reason.

STANDARDS FOR ADMISSION

FRESHMEN

The university solicits applications from individuals who desire to study in a learning environment committed to the achievement of personal and professional excellence and committed to traditional Christian values. Each freshman applicant for admission must file with the office of admissions a complete application consisting of the following:

1. A completed application for admission (available at www.wmcarey.edu).

2. An official high school transcript, an accredited or notarized home school transcript, or GED score report (minimum score of at least 150 on all four content areas with a total score of 600). A final transcript showing grades on all courses completed is required. An official transcript is defined as one mailed or eScripted directly from one institution to another.

3. A $40 nonrefundable application fee.

4. Documented proof of two immunizations for measles, mumps, and rubella (MMR) if born on or after January 1, 1957.

5. Score reports on the American College Test (ACT) or the College Entrance Examination Board Scholastic Aptitude Test (SAT). A student who has not had one of these tests must complete the residual ACT prior to being considered for admission. The cost of the ACT will be collected at the time of testing.
The admissions committee uses the "whole student" concept in selecting applicants for admission to the university. The committee considers the following factors in its decisions to accept or reject applications of individual students:

1. **Grades and College Preparatory Subjects**
   Students must present official transcripts indicating they have achieved a minimum high school grade point average (GPA) of 2.0 on a 4.0 scale.

2. **Test Scores**
   First-time freshmen applicants are required to submit official ACT or SAT test scores (minimum score of 20 on ACT or 950 on SAT, critical reading and math only). Home schooled students are required by the Department of Education to have a minimum ACT English subscore of 14 and a math subscore of 15 on the same test to be eligible for financial aid.

**ACADEMIC ADVISING FOR FRESHMEN**

All new students are assigned an academic advisor in their major area of interest. The academic advisor will assist the student in designing a program of study that leads to the desired degree; however, the ultimate responsibility in the selection of courses that satisfy degree requirements rests with the student. Course placement in English and math will be based on ACT/SAT subscores. Students who are accepted to the university with an ACT composite score below 20 or 950 SAT (math and critical reading) will be assigned for special academic advising.

**EARLY ENTRANCE PROGRAM**

The following requirements are used to determine admissibility of a student at the end of the junior year of high school. Students meeting these requirements are admitted to the freshman class without reservation and are not required to complete the senior year of high school. However, Federal regulations require proof of high school graduation or equivalency (GED) in order for students to receive Federal financial aid.

1. Fifteen units of credit must be earned by the completion of the high school junior year.

2. A qualified student must have at least a 3.5 grade point average on the 4.0 system.

3. An ACT composite score of 25 or SAT score of 1130 (math and critical reading only) or the equivalent.

4. The applicant must have a personal written recommendation from his or her high school principal specifically recommending for early entrance.
STEP-AHEAD

Step-Ahead is a program for high school students or home school students who wish to enroll in college courses before completing high school. The program is offered on the William Carey University Hattiesburg and Tradition campuses. Admission as a Step-Ahead student requires a minimum ACT score of 20 or SAT score of 950 (math and critical reading) and approval from their high school counselor or home school coordinator. Students wishing to take mathematics must have ACT subscores as follows: for College Algebra (MAT 131) 20+, Trigonometry (MAT 142) 20+, Pre-calculus (MAT 150) 25+, and Calculus with Analytic Geometry I (MAT 151) 26+. An official high school transcript and official ACT or SAT scores must accompany the registration form.

DUAL CREDIT

William Carey University offers a cooperative program in area high schools whereby specific courses may be offered for college credit in addition to high school credit. Approval of courses for college credit is based on criteria including teacher qualifications, curriculum, and instructional methods. Admission as a dual-credit student is only available to qualifying students at cooperating high schools. Admission requires a minimum ACT score of 20 or SAT score of 950 (math and critical reading) and approval from their high school counselor. Students wishing to take mathematics must have ACT subscores as follows: for College Algebra (MAT 131) 20+, Trigonometry (MAT 142) 20+, Pre-calculus (MAT 150) 25+, and Calculus with Analytic Geometry I (MAT 151) 26 for Calculus I and Statistics. An official high school transcript and official ACT or SAT scores must accompany the application form.

FREE THROW

William Carey University provides an opportunity for first time freshmen students who do not meet regular admission requirements to demonstrate their ability to succeed at the university level by completing a term of courses prior to regular admission. Students with an ACT score of 16 or SAT score of 790–810 (math and critical reading) are required to participate. Students with ACT scores of 17-19 or SAT scores of 820-930 (math and critical reading) may participate. First time freshmen students with ACT scores of 20-23 or SAT scores of 950–1080 (math and critical reading) may also participate in order to qualify for a higher scholarship level. Students must successfully complete the Free Throw program in order to gain admission to WCU.

CREDIT BY EXAMINATION

Advanced placement and college credit are awarded to students who have college-level subjects in high school and who have earned the minimum score required by the university on the College Entrance Examination Board Advanced placement tests. No credit will be awarded for scores less than 3, and some academic departments may require a score higher than 3. Credit for
knowledge gained by nontraditional means may be substantiated by certain minimum scores on some of the CEEB College-Level Examination Program tests or the American College Test Proficiency Examination Program tests. For more detailed information, see Credit by Examination, under General Academic Regulations. For credit to be given, an official advanced placement transcript must be submitted.

TRANSFER STUDENTS

The university solicits applications from transfer students from junior or community colleges, senior colleges, and/or universities. Students must possess a minimum grade point average (GPA) of 2.0 on a 4.0 scale on all college work previously attempted and be in academic good standing from the last institution attended. For students with fewer than 12 transfer hours, requirements for first-time freshmen students must also be met.

An applicant who has college level work must submit the following:

1. A completed application for admission (online at www.wmcarey.edu).
2. A $40 nonrefundable application fee.
3. An official academic transcript from each college or university previously attended. An official transcript is defined as one mailed or eScripted directly from one institution to another. It bears the institution’s seal, the signature of the registrar, and the date of issuance.
4. Documented proof of two immunizations for measles, mumps, and rubella (MMR) if born on or after January 1, 1957.

NONDEGREE STATUS

If a student wishes to complete certain undergraduate courses and not pursue a degree, the admissions committee may grant that person nondegree status provided the applicant submits the following:

1. Proof of high school graduation or the equivalent (GED).
2. Proof of eligibility to return to the last school attended by means of an official transcript.
3. A $40 nonrefundable application fee.
4. Documented proof of two immunizations for measles, mumps, and rubella (MMR) and rubella if born on or after January 1, 1957.
The student registered in nondegree status is subject to all university regulations governing registration, attendance, and academic standing. Credit earned in nondegree status is recorded on the student's permanent record and may be applied in an undergraduate degree program when the student has satisfactorily established degree status by meeting entrance requirements to the university.

Nondegree status students are not eligible for Federal financial aid or institutional scholarships.

READMISSION

A former William Carey University student (one who was not registered during the preceding trimester) must submit a completed application for readmission to the office of admissions. The applicant for readmission should meet the minimum academic standards required of current students. Those not meeting minimum academic requirements are evaluated for admission by the admissions committee. All decisions of the admissions committee are subject to appeal. A student who has been out of school only during the summer does not need to apply for readmission.

INTERNATIONAL STUDENTS

William Carey University is authorized by the Department of Homeland Security (DHS) to enroll nonimmigrant alien students on the Hattiesburg campus.

International students who wish to be admitted to William Carey University must meet the requirements listed below. They must also meet additional requirements listed in either the freshmen or transfer subsections. Freshmen students are those students who have attempted less than 12 hours of credit at an institution of higher learning (college or university), and transfer students are students who have attempted 12 or more hours of credit at an institution of higher learning.

1. Application—Application for admission can be downloaded from the Carey website (www.wmcarey.edu). Applications may also be requested by mail through the office of international admissions on the Hattiesburg campus. A US$40 application fee, which allows for a student’s application to be processed, should be mailed to the Office of International Admissions at WCU Box 13, 498 Tuscan Avenue, Hattiesburg, MS, 39401.
2. **Academic Records**—The following information is required for consideration for undergraduate admissions.

- **Freshmen Students (first time college students):**
  Official academic records indicating the level of secondary completion or course work completed at a foreign institution(s) must be provided. Properly certified English translations must accompany each transcript.

Scholastic Testing—A minimum American College Test (ACT) score of 20 or Scholastic Aptitude Test (SAT) score of 950 (Critical Reading and Math) is required. Copies of these scores must be mailed to the office of international admissions.

- **Transfer Students:**
  Official academic records indicating course progress from any institution(s) of higher education or official transcript(s) from the U.S. institution(s) attended are required. An official transcript is defined as one mailed directly from one institution to another. All records must be in English before an I-20 from William Carey University is issued.

- Transcripts from foreign institutions must be submitted to one of two foreign credential evaluation agencies: World Education Services (www.wes.org) phone: 212-966-6311 or AACRAO Foreign Credential Services (www.aacrao.org/credentials) phone: 202-296-3359. The results from the evaluation must be mailed to William Carey University. This process takes between 30 to 60 days.

- Students transferring from any American college or university must coordinate the transfer of their I-20 record from their current institution to William Carey University. The requirements for obtaining such transfers are established by each individual institution.

3. **Language Proficiency**—Students who are not from nations where English is considered the official or second language are required to take either the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS). A minimum score of 523 is required on the paper-based TOEFL; a minimum score of 193 on the computer-based TOEFL; or a minimum score of 70 on the internet-based TOEFL. Students who wish to take the IELTS must meet the minimum requirement score of 5.5. Students who do not meet the minimum English proficiency required are invited to apply for admission to the William Carey University English Language Center.

4. **Certification of Finances**—Proof of financial support for the duration of the international student’s stay in the United States is required. This document can be downloaded from the Carey website (www.wmcarey.edu).
5. **Proof of Immunizations**—Documented proof of two immunizations for measles, mumps, and rubella (MMR) if born on or after January 1, 1957.

6. **Major Medical Coverage**—Proof of medical coverage while attending an institution of higher education in the United States is required. All international students are required to have a policy with the university. Students will be assessed for the policy coverage at the beginning of each trimester. More information on the health insurance policy adopted by William Carey University is available online (www.wmcarey.edu).

7. **Advance Tuition Payment**—An advance tuition payment of US$500.00 is required before an I-20 from William Carey University will be issued. This advance covers the on-campus housing prepayment (US$150.00) and any other initial or miscellaneous expenses associated with the first academic term at William Carey University. This advance payment is nonrefundable.

**Additional Information**—In order to receive an F-1 VISA, international students must schedule an appointment with the nearest U.S. consulate or embassy in their country within 90 days of departure. They must take along their documentation, letter of acceptance, and I-20 for presentation and review. The Department of Homeland Security (DHS) recommends the entering student be honest and have copies of all documentation sent to William Carey University available for review by the U.S. custom official at the consulate, embassy, or U.S. port of entry. Custom officials may at any point of the student’s travel to the United States deny him/her entry into the country.

Although international applicants meet current English language proficiency requirements prior to their admittance to William Carey University, some may still require additional language assistance during their transition period to the U.S. education system. Individualized tutoring sessions, English classes, and learning workshops have been established to promote, support, encourage, and strengthen these students’ English language skills.

International students should refer to the university calendar for dates of trimester breaks and religious and national holidays (i.e. Thanksgiving, Christmas) in preparation for holiday travel.

Questions or concerns should be directed to the director of international admissions on the Hattiesburg campus, 601-318-6103, 800-962-5991 (toll free), or admissions@wmcarey.edu

**ADMISSION STATUS**

Students may attend William Carey University under several status categories depending upon the level of compliance with published admissions requirements.

1. An *accepted student* is one who has been officially accepted for admission, whether freshman, transfer, or readmission.

2. A *conditionally accepted student* is a freshman with a 17, 18 or 19 ACT score. The student must be advised by student support services staff.

3. A *probational student* is one who does not meet the minimum admissions standards but is allowed to attend William Carey University by action of the admissions committee. The student must meet the minimum academic standards required of current students on a minimum of six semester hours and a maximum of two trimesters.
4. An **accepted lacking student** is one who has been provisionally accepted based on preliminary coursework and is awaiting acceptance pending receipt of all official supporting documents.

5. An **incomplete student** is one who has not supplied all necessary documents to be complete in admissions.

Students in an accepted lacking status may be allowed to register. The students must be prepared to pay at least 50% of all charges by the end of the first week of class and provide all documents required for admission by the end of the first term of attendance. No financial aid will be processed or paid on students who have not been officially accepted. Students who do not comply with the admission requirements, or who, upon receipt of official documents, do not meet the minimum standards for admission will be removed from classes, will receive no grades, and will be refunded according to the tuition refund policy. Permission for registration does not indicate official acceptance to William Carey University.

**NONDISCLOSURE**

A student must certify that he or she is not under suspension from any college or university. Nondisclosure or misrepresentation when completing the application for admission may result in disciplinary action taken on the student, including possible dismissal from the university. In addition, students who find after enrollment that they are ineligible to return to the last institution attended and fail to report this immediately to the office of admissions will be subject to disciplinary action, including possible dismissal.

**ACADEMIC RENEWAL**

Academic renewal is provided for qualifying undergraduate students who were not successful with their initial college experience and who have not attended college for the previous five years. The policy allows the student to have one or more terms of previous college work forgiven. More information is available in the admissions office.

**APPLICATIONS FOR HOUSING**

The residential housing status form must be returned to the student life office. A $150 prepayment is required to reserve a room in a residence hall in Hattiesburg. The deposit is refundable if a written request is made 30 days prior to the first day of classes.
HOUSING POLICY FOR SINGLE STUDENTS

PHILOSOPHY FOR RESIDENTIAL LIFE

The university holds to the philosophy that living on campus provides an increased opportunity for developing better student relationships, encourages the exchange of cultural and intellectual thought, and promotes an environment for living and learning as part of the overall educational mission of the university.

RESIDENCE REGULATIONS

All full-time undergraduate students on the Hattiesburg campus are required to live on campus and participate in a university meal plan unless they meet one of the following criteria: age 21, commute from home of parents (50 mile radius), are married, or have children. Residence hall students who turn 21 by the start of the term in which they wish to live off campus, have senior classification, and are in good standing with the university may apply to live off campus. Any unmarried student under age 21 living off-campus without official approval will be required to pay full room and board charges for the trimester in which the violation occurs.

Students must furnish their own linens, pillows, and, if desired, window curtains. Mini-blinds are furnished.

Housing is not provided on the Tradition campus.

The university reserves the right to inspect rooms and to move any student to another assignment for reasons of space management or for the maintenance of order. At the beginning of each school term, students without roommates may choose one of three options: 1) move together voluntarily with another student who is without a roommate, 2) be reassigned with another student who is without a roommate, or 3) pay the private room rate. Whatever the option chosen, the student must coordinate his or her actions with the resident hall director on the Hattiesburg campus.

Students will not be allowed to remain in student housing for any period of enrollment in which they are not registered for course work.

The university has a zero tolerance policy for theft and illicit drugs in university housing.

TERMS OF PAYMENT

All fees are due and payable upon registration prior to the beginning of each trimester. Returning students who pre-registered must make payment arrangements with the business office by the end of the day on Thursday before the start of each term in order to avoid a $50.00 late payment fee, unless otherwise stated. Returning students who fail to register for the next trimester during the pre-registration period will be assessed a late registration fee of $50.00. New students who register on general registration day must make payment arrangements at the time of registration in order to avoid a $50.00 late payment fee. After registering, all students should access their schedule of classes and charges through their current ledger on the Indigo portal to ensure that all information is correct.

The university offers a deferred payment plan for students who elect not to pay in full at the time of registration. There is a $35 fee assessed each trimester for the privilege of using the deferred payment plan. In order to register under this plan, a student must pay all remaining balances from previous trimesters and a minimum of one-half the tuition, fees, room, and board charges after deducting any student loans, grants, and scholarship amounts. The remaining trimester balance can be divided into two equal payments with payments due at the times specified in the business office and on the university website. Students with a balance owed who fail to set up on the deferred payment plan by the end of the first week of class will be automatically charged an additional $50 late payment fee. Failure to make payments by the due dates specified will result in a $15 late payment charge the following day. If a student is more than 15 days late in making payment, the university reserves the right to terminate the student's enrollment.

Student statements will not be mailed but will be available online via the Indigo student portal. A statement can be printed from the Indigo student portal, or the student may request a copy in the business office. Throughout the trimester, the business office will send billing notifications to each student's WCU email address. Upon notification, the student is responsible for accessing his/her statement.

An account becomes delinquent after the second deferred payment due date has passed. If satisfactory payment arrangements cannot be made, the business office will send a letter to the last known address with a final request for payment. If no response is received within ten days, the account will be sent to a collection agency. The collection agency will bill for the balance owed to WCU, plus up to an additional 50% for their fee. The student will be responsible for paying the collection costs as stated on the Registration Form in the section "Acknowledgement of Financial Responsibility."

When an account is not paid in full by the final deferred payment due date, the business office will place a "HOLD" on a student's record. This "HOLD" restricts the student's ability to receive transcripts, diploma, and to register for
future academic terms. Once established, the "HOLD" will remain in place until the debt is paid in full. For the security of our students’ financial information, credit/debit card payments are not taken by phone. Students may pay by card through the Indigo portal.

**WITHDRAWAL AND DROP/ADD REFUND POLICY**

A portion of tuition and fees may be refunded to students who officially withdraw from the university or officially drop a course. Any claim for such refund will be based on the date on which the student files a completed request with the registrar’s office for official withdrawal or dropping of a course. No refund is made when a student is dismissed for reasons of misconduct. The general tuition refund policy is applied as follows:

- During the first week of class ..............................................100% less $75/$50*
- During the second week.........................................................70% less $75/$50*
- During the third week ............................................................40% less $75/$50*
- After the third week.........................................................................None

*$75 fee for dropping a class/$50 fee for complete withdrawal

For classes offered on a schedule shorter than a 10-week term, the refund period will be reduced in proportion to the length of the course. The effect of holidays on this schedule will be determined by the business office.

**STUDENT CREDIT BALANCE REFUND POLICY**

Refund checks are not available for pick-up on campus. Refunds for students with credit balances are issued through Higher One beginning on Wednesday of the fifth week of the term and continuing every Friday after that until the end of the term. Financial aid, payments, or adjustments must be received in the Hattiesburg business office by the cut-off date to be considered for refunds the following week. If a student has not received his/her Higher One card within one week of refunds being disbursed, he/she should contact the business office so that another card may be ordered.

Student refunds for credit balances will be disbursed each trimester according to the dates listed in the student refunds link on the WCU website and in the business office information packet. Refunds take at least one week to process; therefore, after the first refund date, refunds will be disbursed every Friday for financial aid or payments that have been received in the Hattiesburg business office by the previous Friday.
Students who will receive a refund must indicate their preferred method for receiving funds by logging onto the website appearing on the Higher One Crusader Card received by mail. Refund methods are:

1. Direct deposit into an existing checking or savings account
2. Activation of a Higher One account
3. Paper check

If a student fails to log in and make a refund selection, a paper check will be mailed. The check may be received up to 30 days after the initial refund date of the term.

**ROOM AND BOARD REFUND POLICY**

Students withdrawing from the university after the start of classes will not receive a refund for residence hall or board fees.

**BOOKSTORE AND SUPPLIES**

The university maintains a bookstore on the Hattiesburg campus only, through which books, class supplies, gift items, clothing, and other items may be purchased. Students on the other campuses can order textbooks online through the university bookstore.

**FINANCIAL AID TO STUDENTS**

Scholarship, grants, work study, and loan funds at William Carey University are administered in conjunction with a nationally established philosophy of distributing financial aid. The basis of this philosophy is the belief that the student and parents have the primary responsibility for paying the cost of education and that financial aid from the university is available only for meeting the difference between the cost of education and the amount the students and parents can reasonably be expected to contribute. A student’s expected family contribution is determined by the Department of Education once a student has completed the Free Application for Federal Student Aid (FAFSA). William Carey’s federal school code is 002447.

The purpose of William Carey University’s financial aid program is to provide assistance to students who would be unable to attend college without such aid. Financial aid includes scholarships, grants, work study, and loans. These types of assistance are extended either singly or in combination. The financial aid award or “package” offered depends upon the student’s academic record and need for assistance. It is understandable that most students would prefer assistance through a full scholarship or gift program, but the packaging concept enables William Carey to assist more students, thereby making it possible for larger
numbers to attend. Each aid applicant will be considered for all aid programs administered by the office of financial aid.

The institution requires that an online FAFSA be completed by any student who will be receiving a scholarship, loan, work study, grant or any other form of financial aid. Also, any student who receives a scholarship at William Carey University must early register each trimester in order to retain the scholarship.

FINANCIAL AID GENERAL REGULATIONS

1. Financial aid applicants must be accepted for admission to William Carey before financial assistance can be awarded.

2. Generally, financial aid is offered to the full-time student working on his or her first baccalaureate degree. If a student drops below half-time status, that student automatically becomes ineligible for most financial aid.

3. Ordinarily financial aid is awarded once per trimester of the regular academic year.

4. In order to receive financial aid, students must maintain “Standards of Satisfactory Academic Progress” toward their degrees and remain in good standing. Financial aid may also be withdrawn from students who are penalized by William Carey University for serious breaches of discipline. The financial aid office reserves the right to withhold further assistance at the time it becomes evident that a student has abused or is abusing the financial aid programs.

5. Students receiving financial aid from sources other than William Carey University must advise the director of financial aid of the amount and source of such aid.

6. An application for financial aid must be completed annually. Financial aid is NOT automatically renewed.

7. This institution is in compliance with Title VI of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972 and does not discriminate against the handicapped or on the basis of race, creed, color, sex, or national origin.

8. Nondegree students are not eligible for federal financial aid.

9. Any student receiving all F’s or I’s in any trimester will lose all institutional scholarship aid for the next trimester of attendance.
TYPES OF FINANCIAL AID

The following financial aid programs are available to students who enroll at William Carey University. Specific eligibility criteria and application procedures for each program are available at the office of financial aid.

- **STUDENT EMPLOYMENT:** College Work Study Programs
- **FEDERAL GRANTS:** Pell Grant, Supplemental Education Opportunity Grants (SEOG), and Teacher Education Assistance for College and Higher Education Grant (TEACH).
- **STATE GRANTS:** Mississippi Tuition Assistance Grant (MTAG), Mississippi Eminent Scholars Grant (MESG), Teacher Education, Nursing Professional, and Psychology Grants are available through the Institutions of Higher Learning of Mississippi/Mississippi Office of State Student Financial Aid.
- **REGULAR LOANS:** Federal Stafford Loan, Federal Unsubsidized Stafford/PLUS.
- **EMERGENCY LOANS:** Bass Loan Fund (short term emergency loans), Bobby Wingo Memorial Loan Fund (seniors only), Otis Seal Loan Fund (ministerial students only).
- **INSTITUTIONAL AWARDS:** Scholarships based on academic, talent, alumni, and church vocations.

ADDITIONAL INFORMATION ON FINANCIAL AID

The director of financial aid and appropriate staff members are available to provide additional information regarding the financial aid program of William Carey University as required by the Student Information Requirements as stated in Title I of the Education Amendments of 1976. For further assistance, please call (601) 318-6153.

William Carey University participates in all programs of the Veterans’ Administration. Information and assistance with applications may be secured from the V.A. certifying officials on the Hattiesburg and Tradition campuses. V.A. officials are located in the business office or the registrar’s office.

INSTITUTIONAL SCHOLARSHIPS AND AWARDS

William Carey University makes financial aid commitments to qualified full-time undergraduate students based on academic achievements, special talents, and dependents of groups related to its institutional mission. Aid may also be based on special talent such as art, music, theatre, science, and other academic areas. Scholarships funded directly by the university from endowment, memorial gifts, and annual gifts are contained in a publication available in the financial aid office or on the university website.
All scholarship commitments are made through the office of financial aid based on recommendations from the scholarship committee, department chairs, deans of schools, and the athletic director. All applications will be considered on a funds-available basis. All scholarship recipients must complete a minimum of 9 credit hours each trimester.

**PHI THETA KAPPA SCHOLARS**

Members of Phi Theta Kappa are eligible for a $6300 scholarship on campus or $4500 off campus. Should the Phi Theta Kappa member be offered a greater scholarship, WCU will honor the highest offer. Proof of membership is required.

**ALUMNI DEPENDENT SCHOLARSHIPS**

Children, grandchildren, siblings, and spouses of alumni of William Carey University may qualify for scholarships of up to $300 per year.

**TALENT SCHOLARSHIPS**

William Carey University offers talent scholarships in vocal music, instrumental music, theatre, forensics, journalism, and art. For all talent scholarships, auditions or portfolio viewing must be arranged with the appropriate dean or department chair.

**CHURCH-RELATED VOCATION (CRV) SCHOLARSHIPS**

**Baptist Student Scholarships** of up to $300 per year are available for students who are recommended by a pastor of a Southern Baptist church. This amount may be added to academic scholarships. Requires pastor nomination.

**CRV Dependent Student Scholarships** of up to $500 per year are available for sons, daughters, and spouses of pastors, and other full-time ministerial employees of local Southern Baptist churches, Southern Baptist Associations, or other Southern Baptist agencies. This amount may be added to academic scholarships.

**CRV Scholarships** of up to $6,400 of the cost of tuition on 30 hours per year for on-campus students and up to $4,800 of the cost of tuition on 30 hours per year for commuting students are available for qualifying students. A CRV student is defined as one who has made a public commitment (requires letter from church or license/ordination certificate) to a church-related vocation (ministry or missions) in a church affiliated with the Southern Baptist Convention.

Southern Baptist CRV students may also apply to the Board of Ministerial Education of the Mississippi Baptist Convention for additional financial aid. This aid is applied for in a separate process through the Department of Biblical Studies and Philosophy at William Carey University.
Scholarship opportunities for qualifying International Mission Board missionary dependents are available through the Margaret Fund of the Southern Baptist Convention.

ATHLETIC SCHOLARSHIPS

For all athletic scholarships, tryouts must be arranged with the appropriate coach.

ENDOWMENTS

CHAIRS AND PROFESSORSHIPS

THE GILLESPIE CHAIR OF ART was established and endowed by Miss Sarah Gillespie in honor of her parents, Mr. William Gunn Gillespie and Mrs. Sallie Keith Gillespie.

THE HARRIET MATHER PROFESSORSHIP IN NURSING was established and endowed by a grant from Baptist Community Ministries in New Orleans. In honoring Harriet Mather, long-time dean of nursing at Mather School of Nursing in New Orleans, William Carey University has provided matching endowment income to join BCM and the contributions of the Southern Baptist Hospital League in their support of health care in Louisiana.

THE J. RALPH NOONKESTER ENDOWED PROFESSORSHIP OF HISTORY was established by a gift from Mr. Wiley Fairchild to honor the president emeritus of William Carey University.

THE J. D. SIMS CHAIR OF BUSINESS ADMINISTRATION was established and endowed by gifts through the First Mississippi Corporation to honor the exemplary service of Mr. Sims as longtime business manager of the college.

THE THOMSON CHAIR OF BUSINESS ADMINISTRATION was established and endowed by Mr. R. S. (Dick) Thomson in honor of his parents, Mr. and Mrs. W. A. Thomson, Sr.

THE WILLIAM CAREY ENDOWED CHAIR OF MISSIONS was established in 2006 to reaffirm and encourage the commitment to Christian missions among the administration, faculty, staff, and students of William Carey University and to honor the legacy and impact of the missionary activity of the university’s namesake. Interest and earnings from the fund shall be used for the primary purpose of supporting the salary of an instructor teaching missions at the university. Secondarily, interest and earnings may be used as an honorarium to Baptist missionary speakers during special events with a missions focus.

THE WINTERS CHAIR IN MUSIC was established and endowed by the McCarty Farms Company in memory of Dr. Donald Winters, long-time dean and professor of music.

THE WILLIAM CAREY MISSIONS LECTURE ENDOWMENT was established in 2007 to support the annual William Carey Missions Lecture. The fund provides honorariums to lecture speakers highlighting the centrality of Christian missions in God’s Kingdom and in the history and life of William Carey University.

THE CHRISTIAN LEADERSHIP LECTURE SERIES was begun in 2007 in order to support the mission of the university to develop each student’s potential in scholarship, leadership, and service. This series brings outstanding Christian leaders each trimester to share the impact of Christian principles on his or her success.

ENDOWED SCHOLARSHIPS

A complete listing of the endowed scholarships can be found on the university website (www.wmcarey.edu/scholarships).

MISSIONS FUNDS

THE BYRD SISTERS FUND FOR STUDENT MISSIONS was established in 2005 by the Byrd family to honor five sisters with a passion for foreign missions and who are alumnae of Mississippi Woman’s College: Melissa Corinne Byrd ’22, Juanita Caroline Byrd Huang ’24, Annie Ward Byrd ’27, Mary Hasseltine Byrd Ball ’30, and Leona Valois Byrd ’40. Awards are granted to deserving students for the purpose of serving in missions during their study at William Carey University. Preference is given to students with an interest in serving in China.

THE STEVE FORD MEMORIAL FLORIDA ACTEENS SCHOLARSHIP was established by Allison Chestnut of Hattiesburg to honor Patricia and Al Ford of Pensacola, Fla., who have been instrumental in the lives of Florida Acteens. Steve, their son, was killed in a construction accident.

THE INTERNATIONAL MISSIONS SCHOLARSHIP was established by an anonymous Southern Baptist missionary to support mission volunteer students.

THE KATHY WEBB RANDOLPH STUDENT MISSIONS ENDOWMENT was established in 2005 by the Hon. Mike and Kathy Randolph in her honor and in support of Christian missions. Awards are granted to deserving students for the purpose of serving in short-term missions during their study at William Carey University.

THE GILLESPIE MISSION FUND was established by Mr. and Mrs. Robert Gillespie to bring the Christian religion, Christian values, and Christian principles to the countries of the world. The fund is owned by The Foundation of the First Baptist Church of Hattiesburg and is administered through the Mississippi Baptist Foundation for the support of the student mission endeavors of William Carey University.
STUDENT LIFE AND CAMPUS ACTIVITIES

Student life at William Carey University is an experience in community Christian living. All student life, all organizational life, and all social life is directed to the ultimate purpose of preparing a person for well-balanced vocational and social life. The university strives to give all students the opportunity to grow creatively in all aspects of personal and community life.

All students are expected to assume responsibility for their own affairs and to respect the rights and privileges of other members of the campus community. Faculty and administrators of the university are interested in students and seek to help them to achieve mature, personal, responsible objectives.

Students' spiritual, social, moral, intellectual, and vocational maturity is increased through their participation in community housing, organizational activity, their assumption of responsibilities for campus life, and the availability of many forms of student and staff guidance.

Rules and regulations related to student campus life are set forth in The Translation, a publication of the office of student life. It governs matters of conduct and residential life and is distributed annually to all students. In addition, some academic programs provide separate handbooks related to the particular programs. These documents collectively set forth the various rights and responsibilities of students, both academically and in other matters related to matriculation. Procedures related to these rights and responsibilities, including appeals related to academic and conduct matters, are set forth in these documents.

RELIGIOUS ACTIVITIES

CHAPEL

The purpose of chapel is to provide, through the regular assembly of the entire university family, an opportunity for worship and inspiration, for learning in an inspirational context, and for the creation of community. This will contribute to spiritual development of the student as a significant part of preparation for meaningful life. With certain exceptions, all undergraduate students on the Hattiesburg campus are required to attend. Chapel is held on Wednesdays at 9:20 a.m. in Smith Auditorium during the fall, winter, and spring trimesters. Requests for exemptions from the chapel requirement may be made by completing an exemption request form, which is available in the Department of Biblical Studies and Philosophy, Room 112 of Lawrence Hall on the Hattiesburg campus.

Chapel is held on the Tradition campus on Mondays at 11:30 a.m. and on alternating evenings of each trimester at 5:30 p.m.
WILLIAM CAREY LECTURE AND RELIGIOUS EMPHASIS DAY

The William Carey Lecture is held annually on the Hattiesburg campus, honoring the university’s namesake and the Christian missions effort. A Religious Emphasis Day is held on the Tradition campus. Outstanding leaders and scholars from the Christian community are brought to the campuses for these emphases.

BAPTIST STUDENT UNION

The Baptist Student Union (BSU) is a ministry for the campus which is designed to facilitate and enrich spiritual growth, to share Christ with all students, to encourage individual and group Bible study, to encourage church membership and loyalty, and to learn about and be involved in mission projects. The BSU seeks to provide a wholesome Christian fellowship through which all students can involve themselves in ministry, personal growth, and activities.

The BSU is supported by area churches and affiliated with the Collegiate Ministry of the Mississippi Baptist Convention Board and the National Collegiate Ministry, a ministry of Lifeway Christian Resources of the Southern Baptist Convention.

STUDENT GOVERNMENT ASSOCIATION

William Carey University has adopted student government because of its democratic and creative implications. Each student who enrolls in the university automatically becomes a member of the Student Government Association. Each member is given an opportunity to participate in student government by voting in SGA elections, by the voice of representatives in the Student Government Council, and by the right of personal petition. The officers of the SGA work closely with the director of student activities in planning and implementing student programs and activities. The Tradition campus has an autonomous Student Government Association.

INTERCOLLEGIATE ATHLETICS

The intercollegiate athletic program consistently produces nationally ranked teams in several sports. These athletic teams are a focal point for school spirit and provide students with an excellent opportunity for sports entertainment.

The university fields men’s and women’s teams on the Hattiesburg campus. Intercollegiate basketball (M & W), baseball (M), fast-pitch softball (W), golf (M & W), soccer (M & W), tennis (M & W), cross country (M & W), and track and field (M & W) are available. The athletic program is a highly respected
member of the National Association of Intercollegiate Athletics (NAIA). The institution is a member of the Southern States Athletic Conference (SSAC). Other SSAC institutions are located in Mississippi, Louisiana, Alabama, Georgia, Tennessee, and South Carolina.

CAREER SERVICES

Career Services at William Carey University is designed to facilitate the transition of students from academic life into a rewarding career experience. Career Services offers assistance aimed at the improvement of job search skills in areas such as resume preparation, interviewing techniques, and networking. The career library includes information about employment opportunities, career choices, and career planning. In addition, Career Services offers assistance to help students identify career interests, which can be beneficial in determining a course of study. Services are available for students and alumni of William Carey University.

Career Services is located in Lawrence Hall, Room 122 in Hattiesburg.

STUDENT PUBLICATIONS

*The Cobbler*, the student newspaper, is a university-sponsored publication designed to report on current and future campus events. It is produced by a staff of students under the direction of a staff advisor. For more information, contact Joshua Wilson, advisor, at jwilson@wmcarey.edu.

*The Crusader*, the university yearbook, is an annual publication of Carey’s journalism program that depicts and preserves the events that influence and shape the lives of the students during the course of a year. It is produced by a staff of students under the direction of a faculty advisor. For more information, contact the chair of the Department of Theatre and Communication.

ADMINISTRATION OF THE ACADEMIC PROGRAM

William Carey University offers a variety of academic programs at the undergraduate level and at the graduate level. This catalog sets forth the general academic regulations which the university follows as well as specific regulations and policies regarding the undergraduate program. Undergraduate programs may be completed by successfully earning at least 120-128 semester hours of specified credit.

The time period within which these programs may be completed varies, but is usually four years. That period may be shortened for students with outstanding records who are allowed to take higher course loads or who attend summer classes. It may also be longer for students who experience academic difficulty or attend on a part-time basis.

ACADEMIC ORGANIZATION OF THE UNIVERSITY

The university is organized into the College of Osteopathic Medicine, the Ralph and Naomi Noonkester School of Arts and Letters; the School of Business; the School of Education; the Donald and Frances Winters School of Music and Ministry Studies; the School of Natural and Behavioral Sciences; and the Joseph and Nancy Fail School of Nursing. Each of these schools has a dean responsible for its direction.

ACADEMIC GUIDANCE PROGRAM

William Carey University provides a guidance program for students through faculty conferences. Conferences are designed to assist students in the choice and mastery of academic subjects.

1. Each student is assigned to a member of the faculty who serves as advisor. Chairs or deans of the various departments or schools of the university are responsible for assigning advisors for their major students.

2. A program of orientation for new students is provided.
   (a) An introduction to student life is provided by the vice president of student services.
   (b) Diagnostic tests are administered to new students prior to registration. Tests are administered in the following areas: English composition, reading, and mathematics.
   (c) Results of the required placement tests are used to recommend appropriate courses for students.

CLASSIFICATION OF STUDENTS

The undergraduate academic work of William Carey University is organized into four classes: the freshman class (29 semester hours or less), the sophomore class (30-59 hours), the junior class (60-89 hours), and the senior class (at least 90 hours or graduating the following summer).

GENERAL ACADEMIC REGULATIONS

REQUIREMENTS AND REGULATIONS FOR ALL DEGREES

1. **Computer proficiency.** All students must demonstrate computer proficiency by passing a computer skills proficiency examination or by completing at least one computer course. The computer course must focus on some aspect of computing that requires knowledge and skills in the basic use of computers.
2. **Writing intensive courses.** All students must take a minimum of three hours of courses at William Carey University that are designated as writing intensive. Writing intensive courses are listed on page 89.

3. **Service Learning Requirement.** All students must complete an approved service learning activity in order to graduate.

4. **Graduation requirements may be met under any catalog in effect during the student’s enrollment within six years of graduation.** Community/junior college students transferring directly to William Carey University under admissions standards in the current catalog may elect to follow the academic policies in the immediately preceding catalog, provided they were enrolled at the community/junior college at that time. Students seeking teacher or nursing licensure should follow currently approved programs.

5. Students who earn a degree at WCU may earn a second degree by completing the following: any remaining degree requirements, a second major (and a second minor, if the major requires one), any current core requirements not fulfilled in the first degree, and all graduation requirements, including the residency requirement.

Students who hold a baccalaureate degree from another accredited college or university may earn a degree at WCU by completing all course work for the degree including core courses, a major (and a second minor, if the major requires one), and all graduation requirements, including the residency requirement. Courses in the prior degree that match WCU requirements will be waived.

6. Courses used to satisfy requirements in one category (core, major, minor) may be used to satisfy the requirements in another category, but the hours only count once. This applies to earning a single degree, major, and minor or any additional degrees, majors, or minors. However, courses used in one degree cannot be used to satisfy major or minor requirements in a second degree.

7. **Upper-level hours.** Forty hours in courses numbered 300 or above are required. (Courses transferred from community/junior colleges will not be counted as upper-level hours.)

8. **Upper-level hours in the major field or concentration(s) field.** At least 50% of the required hours in the major field or a B.G.S. concentration must be upper-level hours.

9. The **residency requirement** consists of the last 25% of course credits required for a degree, which must be earned at William Carey University. Most degree programs require 128 semester hours, thus the residency requirement is 32 semester hours. Degrees that require 120 hours have a residency requirement of 30 semester hours.
10. **A minimum of 25% of the course credit** required for a degree must be earned at William Carey University.

11. **Upper-level hours in the major or concentration(s)** earned at William Carey University must total at least 12; students with two concentrations in the B.G.S. may achieve this upper-level requirement through any combination of the 12 hours.

12. **Hours in each minor or each concentration** earned at William Carey University must total at least six.

13. **A minimum GPA of 2.0** is required in each of these categories: total academic hours attempted, all work done at William Carey University, courses in the major and in the minor. Individual programs may require a higher GPA.

14. **Application for degree.** Students who are candidates for May degrees are required to file applications for their degrees in the registrar’s office by October 15 prior to graduation. Candidates for August graduation must file application for their degrees by March 31. Late applications may be taken within 30 working days of these deadlines. There will be a $100 late fee in addition to the graduation fee.

15. **Graduation ceremony.** Degrees are not conferred in absentia, except by special permission of the registrar.

16. **A maximum of nine hours in directed readings and independent study courses** may count toward a baccalaureate degree.

17. **Only eight activity credit hours** from PEG courses may count toward a degree. Activity credit for PEG courses are those semester hours awarded for participation in cheerleading, intercollegiate baseball, softball, basketball, golf, and soccer.

18. Nursing students must have a grade of C or above in all nursing courses. Education students must have a grade of C or above in all education courses.

19. The **first eighteen hours** of repeated courses, including those transferred and taken at William Carey University, will count as grade replacements and will not count in the grade point average. Thereafter, all grades will be calculated in the grade point average.

20. **A maximum of 50% of community/junior college hours** may be applied toward a bachelor’s degree at William Carey University. The maximum community/junior college hours that may be applied to a 128-hour degree is 64, and to a 120-hour degree, 60.
21. Students who wish to repeat courses taken at William Carey University must repeat those courses at the university in order to receive the repeated course’s credit and quality points. The last William Carey University grade earned on a repeated course is the grade counted toward the degree requirements and in the grade point average.

22. When courses are repeated, whether resident or transfer credits, the last grade earned is the one that is counted for degree requirements, but previous grades will remain on the record, even if they have been marked as repeated.

TRIMESTER CALENDAR

*William Carey University operates on a trimester calendar. The semester hour is the unit of credit.*

All courses meet one hour and 15 minutes per week for each semester credit hour unless different meeting hours are specified in the course descriptions. The trimester is 11 weeks long, consisting of ten weeks of class followed by final examinations, except during the summer when the term consists of a total of ten weeks.

TRANSFER CREDITS

A maximum of 64 semester hours (60 for 120-hour degrees) earned in a community/junior college may be applied toward a degree at William Carey University. Once students have enrolled at William Carey University, they may not transfer a course from any other senior or community/junior college except by special permission of the vice president of academic affairs. William Carey University will accept transfer credit only from regionally accredited institutions or from a recognized accrediting agency.

Students enrolled at William Carey University who wish to earn credits at another college must make an application in advance to the vice president for academic affairs through their dean/advisor. The student must be in good standing at William Carey before permission will be granted to take a course elsewhere during any term.

Grades of D will not transfer if the student has a cumulative grade point average on all transfer credit for all college work attempted of less than 2.0.

William Carey University has an articulation agreement with Mississippi Gulf Coast Community College. Graduates from MGCCC interested in pursuing a bachelor’s degree at William Carey should contact the admissions office at the Tradition campus for more information.
TRANSFER OF CREDITS PROCESS

Upon official acceptance, registration, and confirmed attendance of a student to William Carey University and upon receipt of official transcripts from all other institutions attended prior to attending William Carey, a transcript evaluation will be done for the student in the registrar’s office.

Each course will be evaluated and those determined to be equivalent to WCU courses will be marked with the equivalent WCU course numbers.

All credits earned at other institutions will be entered into the student’s record, and a William Carey University transcript generated. All transcripts from other institutions will be entered as transfer work with the name of the institution and date(s) attended. All coursework will be combined, resulting in an overall GPA for the student. Due to this process, it is very important that all coursework from all institutions is reported upon making application for admission to WCU.

The student has the right to appeal (in writing) the transfer of any course equivalency. The student may then be asked to provide further information (as before mentioned) that will be sent to the various department chairmen/deans for further review.

CREDIT BY EXAMINATION

William Carey University awards college credit to students through CLEP examinations and Advanced Placement Testing. Requirements are listed below.

Credit obtained by any combination of CLEP, Advanced Placement examinations, and International Baccalaureate (IB) higher level course scores may not exceed 30 hours. Credit by CLEP may not be earned for a subject in which more advanced credit has been earned. Credit by CLEP may not be earned for a course if the prerequisite courses have not been taken. Decisions regarding IB credit are made on a case-by-case basis for each applicant by the appropriate academic department. A minimum score of 5 is required for consideration.

**CLEP Examinations**—Humanities, college mathematics, natural science, social science, and history examinations are elective credit only. Students may, prior to or during their first term of enrollment (for part-time or summer students prior to having completed 15 hours), obtain degree credit for satisfactory performance (minimum score—scaled score of 500) on one or more of the exams named above, provided the student has not been enrolled in a comparable course for more than 30 calendar days. Six semester hours of credit may be obtained for each of the four examinations areas: humanities, mathematics, natural sciences, and social sciences/history.
**CLEP Subject Examinations.** William Carey University grants credit for CLEP Subject Examinations in lieu of enrollment in equivalent courses which are applicable to the degree program in which the student is enrolled. The acceptable scaled score for each subject examination is determined by the appropriate academic department, but must be a minimum of 50. Students may take subject examinations at any time during their college career, provided they have not been enrolled in the equivalent course for more than 30 calendar days. Credit may not be received for both the subject examination and its equivalent, either in another examination or in a course taken for credit. To receive credit for Freshman English 101, a student must take Freshman College Composition with essay. The essay portion of the CLEP Subject Examination will be graded by the department of language and literature at the university.

Credit by examination may not exceed eight semester hours in any area or discipline except in foreign language which has a maximum of 12 hours. Such credit may be entered on a record only after the student has earned 12 hours of credit in classroom courses at William Carey University.

**Advanced Placement.** Credit may be granted by examination on the College Board Advanced Placement Testing Program. No credit will be awarded for scores less than 3, and some academic departments may require a higher score than 3.

**CORRESPONDENCE CREDIT**

Correspondence credit will not be accepted in the department of the student’s major unless it is in addition to the minimum credit required for the major. All correspondence credit must be approved by the chairman of the major department and the vice president of academic affairs and must carry a grade of at least C. Transcripts for correspondence credits to be used to meet graduation requirements must be received by the registrar at least two weeks prior to the date of graduation. Correspondence credit is limited to six semester hours for a degree.

**TECHNOLOGY RESOURCES**

William Carey University provides a variety of technology resources to support student learning. These resources include the Indigo Student Self Service Portal, the Desire2Learn (D2L) learning management system, student e-mail accounts, remote access to library database resources, and “Carey Air” a university-wide unified wireless network.

The Indigo Portal allows students to access their campus information including course registration, course offerings, unofficial transcripts, job searches, billing information, schedules, financial aid information, and grades. The portal also allows students to pay tuition and fees online. William Carey University does not mail individual grade reports.
Many courses incorporate information technology both within the classroom and remotely through the internet. The university uses D2L for communicating vital course information to students, including course content, assignments, discussions, and more. Students are required to establish their WCU email and D2L accounts as quickly as possible so that faculty and administrative offices will have a reliable means of communication with the student.

A student technology guide is available for download at http://indigo.wmcarey.edu/help/guide. This guide is constantly updated to reflect any changes as the office of information technology is constantly working to bring new and improved services.

DIRECTED READINGS AND INDEPENDENT STUDY

Directed readings courses are available for superior, responsible students interested in reading beyond the usual course offerings at the university. Independent studies may be used with appropriate courses in situations where the required course is not otherwise available. A learning contract, signed by student, instructor, and dean is required for all directed study and independent study courses. A maximum of 9 hours of directed readings and/or independent studies may count toward a baccalaureate degree. An additional fee is charged.

AUDITING COURSES

A student who does not need or wish to obtain credit may attend a class as an auditor. Students who audit a course are expected to attend class on a regular basis and meet other requirements prescribed by the instructor. The credit option (audit to credit or credit to audit) may not be changed after the deadline for adding courses for credit (the first week of classes). The fee for auditing is one-half the regular tuition. The student must apply and be admitted to the university and should declare the desire to audit a class upon registering for the course. A grade of AU will be noted on the transcript upon completion of the course.

LISTENER’S LICENSE

With permission of the instructor using the appropriate form from the registrar’s office, regular classes may be taken as a listener. Class participation is limited, and the course does not appear on the transcript. There is no fee to be a listener at William Carey University.
EXAMINATIONS, GRADES, AND QUALITY POINTS

1. Examinations are given during the last week of each trimester.
   a. No final examination may be held at any other time than that
designated by the administration. A final examination by special
arrangement may be given only by permission of the vice president of
academic affairs.
   b. All fees must be paid before examinations may be taken.

2. No student will be granted a transcript of any kind until his or her account
is settled in the business office.

3. Grades are issued to students only.

A grade of “I” (incomplete) will be assigned only when unavoidable
circumstances prevent completion of the work of the course on schedule. In
order to be eligible for a grade of “I,” a student must be doing passing work,
must have completed 80% of the required work for the class, and must provide
appropriate documentation for requesting the incomplete. Requests are made
using the Incomplete Grade Request Form obtained from the registrar’s office
and must be approved by the instructor and academic dean. When the work is
completed satisfactorily, the “I” may be changed to any grade by the
instructor. If a grade of “I” is not changed to a passing grade by the end of the
next trimester, it will automatically be changed to “F.”

Any junior or senior student is permitted to take one course each trimester
on a pass/fail basis. Approval of the instructor, using the appropriate form
from the registrar’s office, is required. The course must be selected at the time
of registration, and it must not be in the student’s major or minor fields or in
the core curriculum requirements for any degree. A total of four courses may
be taken on this basis.

Students taking developmental courses (English 100, Mathematics 100 or Study
Skills) will receive grades of “P” for passing and will receive credit for the course,
or a grade of “F.”

A notation of “R” will be placed beside the grade for a course that is repeated.
COMPUTATION OF GRADES

Grade point averages are based on the number of hours in the GPA attempted rather than the number of hours passed. This will include all hours attempted at William Carey University and all transfer credits. Grades of “I” (current) “P,” “W,” and “WP” will not be counted in the total hours attempted. Also, for a course that is repeated, the most recent grade for the course will be counted in the hours attempted.

Example of grade computation. At the end of each term’s entry on the transcript are found notations for that term and also cumulative information giving the attempted hours (ATT), earned hours (ERN), hours (HRS), quality points (PTS), and grade point average (GPA). To calculate the GPA, divide the number of quality points (PTS) by the number of hours (HRS). For example, someone taking 4 courses for 3 credit hours each, with grades (and quality points) of A (12 pts.), B (9 pts.), C (6 pts.), and F (0pts.) would have the following notations (based on 27 pts./12 hrs. = 2.25 GPA):

<table>
<thead>
<tr>

<th>GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>12</td>
<td>9</td>
<td>12</td>
<td>27</td>
<td>2.25</td>
</tr>
</tbody>
</table>

ACADEMIC DISCIPLINE

Academic standing is determined at the end of each trimester and is based on cumulative grade point average. The following table shows the cumulative grade point average (CGPA) required to be in good standing, based upon the number of hours attempted.

<table>
<thead>
<tr>
<th>Total Hours attempted</th>
<th>CGPA required to be in good standing</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
<tr>
<td>15-29</td>
<td>1.75</td>
</tr>
<tr>
<td>30 and above</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Students not meeting the minimum CGPA for good standing will be assigned one of the following designations.

Probation—Upon initially failing to achieve good standing, the student is placed on probation and is limited to a load of 10 hours for the subsequent trimester.

Continued Probation—If a student has not achieved good standing after a trimester on probation but has a term grade point average (GPA) that is above 2.0 and shows significant progress toward good standing, the student may be continued on probationary status.
Suspension—If, after one trimester on probationary status, the student fails to make significant progress toward good standing and has a term GPA below 2.0, the student is subject to suspension.

Letters of probation and suspension will be mailed shortly after the end of each trimester. Suspended students who feel they have extenuating circumstances may appeal to the academic appeals committee. A student who is suspended may apply for readmission after one academic trimester. The applicant for readmission should meet the minimum academic standards required of current and transfer students (see Standards for Admission—Readmission).

Students who attend another institution while suspended from WCU may not transfer those credits to WCU if readmitted; however, the achievement of the student at the other institution may be considered in the admission decision if the student reapply to WCU.

GRADE APPEAL

A student who believes that a final course grade is unfairly or incorrectly determined and who wishes to appeal the grade should request a “Form for Grade Appeal” from the academic affairs office (or comparable office on the Biloxi campus).

The form is used to guide the grade appeal process through successive reviews, as needed, by the instructor, department chair, campus director or dean, academic appeals committee, and vice president for academic affairs. The appeal may be resolved at any level or withdrawn by the student at any time.

The appeal must be initiated within 10 working days (excluding official student holidays) of the beginning of the subsequent term.

This procedure and deadline is to be followed for all grade changes, including changes to “W” and “WP/WF.”

Failure to carefully follow the instructions included with the Form for Grade Appeal may invalidate the student’s right to appeal.
SCHOLASTIC HONORS

President’s List and Dean’s List. Those meeting the following requirements are included in the President’s List and Dean’s List:

1. The student must carry no less than nine semester hours of work exclusive of MUG, PED activity courses, PEG courses and THE 160, 260, 261, 360, and 361 during the trimester on which the scholastic average is based.
2. The scholastic average must be 4.0 for the President’s List and at least 3.5 for the Deans’ List.
3. The grades for the trimester on which the scholastic average is based must include no grade lower than C or an incomplete.

Graduation Distinctions. To receive graduation distinctions, a student must earn grades on at least 60 hours from William Carey University.

1. A student who has earned a 3.6 grade point average graduates cum laude.
2. A student who has earned a 3.8 grade point average graduates magna cum laude.
3. A student who has earned a 3.9 grade point average, with no grade below B, graduates summa cum laude.

Class Rank. Placement in each graduating class is determined for students who have completed a minimum of 64 hours at William Carey University (or 60 hours for degrees requiring 120 hours).

Graduation Honors. To receive graduation honors, students must complete an honors thesis in their major area of study. A student may register for an honors thesis only by invitation of a faculty member who wishes to supervise the thesis. Faculty supervisors should consult with the honors committee for specific procedures and scheduling requirements. Students must register for the honors course numbered 499 in their major area. Students may register for the thesis course one or two times, and only in exceptional circumstances three times, if their work on the thesis continues for up to three trimesters. A passing grade in the thesis course does not grant graduation honors because the thesis must be approved by both the major department faculty and the honors committee.

The number 499 is used to designate an honors thesis or a leadership project. If the thesis is approved by the student’s major department and the honors committee, the student is entitled to graduate with honors in the major subject.
ACADEMIC CREDITS AND COURSE LOADS

The maximum course load on the trimester system is 12 semester hours. Students on the Dean’s List (scholarship average 3.5 or better) may take up to 15 semester hours with the approval of the appropriate dean. No student may take more than 15 hours during any trimester from any combination of courses.

A full-time student is one taking a minimum of nine semester hours during a trimester. A half-time student is one taking a minimum of five semester hours but less than nine during a trimester.

The maximum amount of work which may be earned in one five-week term of the summer session is seven hours. Loads for mini-term and specially scheduled courses vary with length of courses.

A student should attempt to complete all core curriculum by the end of the second year in college. First-trimester freshmen and transfer students must take ENG 101-102 consecutively and sequentially.

ATTENDANCE REGULATIONS

Students are expected to attend classes. Excessive absences may seriously affect the work of the whole class as well as that of the individual students who are absent. Individual faculty members set their own attendance regulations for their classes and inform their students of them; however, students must attend a minimum of 75% of the class meetings in order to receive credit for the course. The total number of absences of each student shall be reported for each class by each faculty member at the time of filing trimester grade rosters.

CHANGE OF CLASS SCHEDULE (Dropping and Adding Courses)

1. No change of schedule, either in dropping a course or adding a course, may be made except by permission of the student's academic advisor and dean. Schedule changes that affect total hours may impact financial aid. Schedule changes require submission of a completed drop/add form in the registrar’s office. Students who register for classes online are allowed to make schedule changes online during specified registration periods.

2. No student may register for a course after 10% of class meetings have occurred.

3. Courses dropped within the first three weeks of a trimester will be recorded as “W” (withdrawn). Courses dropped after three weeks and before the middle of a trimester are recorded as “WP” (withdrawn passing) or “WF” (withdrawn failing), and courses dropped after the midterm will receive a grade of “F.” Any student dropping a course at any time without the required approval receives an “F” in that course.
4. Courses offered in mini-terms or with special schedules will have add/drop dates proportionate to length of course.

5. For related fees/refunds, see Financial Information—Student Expenses and Tuition Refund Policy.

WITHDRAWAL FROM THE UNIVERSITY

1. All students who desire to withdraw from the university must file a written request form from the registrar’s office and obtain permission from the vice president of academic affairs. Resident students must also obtain permission of the vice president of student services.

2. Refunds upon withdrawal will be made only on condition that official permission has been granted. (See Tuition Refund Policy.)

COURSE NUMBERING SYSTEM

Each course is identified by a three-digit number. Generally, the first digit indicates the level of instruction: “1” for freshman, “2” for sophomore, “3” for junior, and “4” for senior.

The numbers 190, 290, 390, and 490 are used throughout the university’s curriculum to designate courses that are named when taught. These numbers may be repeated within an academic area as long as the content/title is different.

The numbers 193, 293, 393, and 493 are used in some departments to designate workshops that are named when offered. A workshop numbered in this manner gives one to three hours of credit.

The numbers 149, 249, 349, and 449 are used to designate courses in independent study or directed readings. Only nine hours of such numbered courses may be used toward a degree.

The number 480 designates courses in curricular practica.

The number 497 designates courses in curricular internships.

The number 499 is used to designate an honors thesis or a leadership project. A student may register for it only on invitation of a faculty member who wishes to supervise it. Normally the student registers for 499 one or two times, and only in exceptional circumstances three times, as work on the thesis or project continues for up to three trimesters. If the thesis is approved by the student’s major department and the honors committee, the student is entitled to graduate with honors in the major subject.
TRANSCRIPTS

Transcripts are issued by the registrar’s office.

1. An official transcript is one bearing the signature of the registrar and the seal of the university and is mailed directly or sent electronically to whatever official may be designated by the student.

2. When a transcript bearing the stamp “Issued to Student” is given to the person whose credits are transcribed thereon, the university assumes no responsibility for its accuracy after it leaves the registrar’s office.

3. Transcripts of credit will not be issued for those students who have any type of administrative holds on their records.

4. There is a per transcript issued fee. See Financial Information—Student Expenses.

VOCATIONAL/TECHNICAL COURSES

Vocational and technical courses cannot be used toward a degree except in certain cases where technical courses may be used toward a Bachelor of General Studies degree. Developmental/remedial courses may be considered for use as general elective hours.

UNDERGRADUATE DEGREES

William Carey University offers seven undergraduate degrees: Bachelor of Arts (B.A.), Bachelor of Fine Arts (B.F.A.), Bachelor of Music (B.M.), Bachelor of Science (B.S.), Bachelor of Science in Business (B.S.B.), Bachelor of Science in Nursing (B.S.N.), and Bachelor of General Studies (B.G.S.). All degrees require the successful completion of at least 120-128 hours.

University Core Total 37-39 hours

NOTES:

* BA students must take HIS 101-102.

** BS students must take a 4-hour lab science course. Students in other degree programs may choose either a 3-hour, non-lab course or a 4-hour lab course to meet the requirement. B.A. students seeking teacher certification must also take a 4-hour lab science course.

*** Students majoring in one of the fine arts must take a course in one of the other two areas.

**** Activity courses (1-2 hours) or Health and Exercise for a New Lifestyle (3 hours); minimum for BSN, 1 hour; all other degrees, 2 hours; Health and Exercise for a New Lifestyle (3 hours); military science, varsity sports, marching band, and cheerleading may be used to satisfy this requirement.
**ADDITIONAL REQUIREMENTS:**

The requirements for specific degree programs listed below are in addition to the university core.

B.A. degrees require 6 hours of foreign language at the intermediate level. Students with no foreign language proficiency are required to take 12 hours in one foreign language. Six hours of English literature, history, or philosophy (3 of these hours must be in English literature) are also required.

B.F.A. degrees require 6 hours of English literature.

B.S. degrees require 3 hours of English literature and 12-14 hours of natural/physical science, mathematics, or computing.

Specific courses to meet some core requirements may be specified by the student’s major.

**DEGREES OFFERED:**

The **Bachelor of Arts (B.A.)** degree is required for a major in art (with a concentration in art or art education), English, history, religion, Spanish, or speech communication and theatre. With the exception of biology, health related professions, and nursing, the B.A. may be earned for any other major, specifically including communication and music.

The **Bachelor of Fine Arts (B.F.A.)** degree is the required degree for art majors concentrating in painting, graphic design, or combined studio.

The **Bachelor of Science (B.S.)** degree is required for a major in biology (including pre-professional curricula) and health related professions (including medical technology). The B.S. may be earned in business administration, chemistry, Christian ministry, communication, criminal justice, elementary education, health administration and education, gerontology, health information management, intercultural studies, mathematics, physical education, psychology, and social science.

The **Bachelor of Music (B.M.)** degree may be earned only by contemporary Christian worship, music education, music therapy, and performance majors.

The **Bachelor of Science in Business (B.S.B.)** degree may be earned only by business administration majors.

The **Bachelor of Science in Nursing (B.S.N.)** degree may be earned only by nursing majors.

The **Bachelor of General Studies (B.G.S.)** degree may be earned by any student, particularly a nontraditional student, who wants one or two areas of concentration.
**MAJORS, MINORS AND CONCENTRATIONS**

The major represents the primary area of academic emphasis. With the exception of the Bachelor of General Studies degree, majors are required in all academic programs. Academic majors have a maximum of 42 semester hours except for those majors affected by accreditation standards (i.e. education, music, nursing) or professional competency expectations (i.e. art, business, theatre). A minor is a secondary area of emphasis outside the major, and minors are required of all students whose majors have 42 hours or less. Students who complete a double major may use the second major in the place of a minor. A concentration is an area of emphasis within a major. Concentrations are not offered in all academic programs. The number of hours required in majors, minors, and concentrations vary, and specific requirements are listed by school and department.

The Bachelor of General Studies degree requires either one 36-hour or two 18-hour emphasis areas. The emphasis areas within the Bachelor of General Studies degree are also called concentrations and courses may be taken from any major, minor, or departmental concentration except for education, nursing, and supervisory management. No minor is required for this degree.

The following majors, minors, and concentrations are offered.

ACADEMIC PROGRAM FOR THE TRADITION CAMPUS

William Carey University—Tradition campus offers all of the university’s undergraduate degrees except the Bachelor of Music (B.M.). All academic programs are designed to prepare graduates for positions of leadership in their communities and entry in their chosen professions. Majors currently offered on the Tradition campus include art, business administration, criminal justice, elementary education, health related professions, nursing, and psychology. Licensure to teach in the State of Mississippi is available on the Tradition campus in elementary education, secondary education, and art education.

The Bachelor of General Studies (B.G.S.) degree program is also available for students desiring a nontraditional blend of studies. The B.G.S. degree offers more flexibility in the core requirements, and dual areas of concentration from approved academic or technical courses of study may be selected in the B.G.S. degree.

The following graduate programs are offered at the Tradition campus: Master of Education (M.Ed.), Education Specialist (Ed.S.), Master of Business Administration (M.B.A.), Master of Science in Nursing (M.S.N.), M.B.A.–M.S.N. (dual degree), and Master of Science (M.S.) in counselor education.

THE WILLIAM CAREY UNIVERSITY LIBRARY SYSTEM

Smith/Rouse Library: Reese Powell, Director of Libraries and Learning Resources; Joy Rouse, Administrative Assistant; Nicole Aranda, Public Services Librarian; Hugh Donohoe, Reference and Instruction Librarian; Jim Myers, Serials Librarian; and Jim Coleman, Catalog Librarian.

Tradition Campus Library: Peggy Gossage, Regional Librarian; Bettye Duhon, Library Assistant.

The mission of the William Carey University Libraries is to provide a learning environment that meets the information needs of the university’s students, faculty, and staff. This mission is accomplished through the provision of information resources and services that support the teaching, learning, research, and service needs of the university community.

William Carey University Libraries’ resources are available to the university’s students, faculty, and staff, as well as to sanctioned visitors and guests. Sanctioned visitors and guests may include members of the local clergy or staff of a local church, special guests of the WCU president or board of trustees, and alumni of William Carey University. Upon registration with WCU Libraries, sanctioned visitors and guests may check out books and may use WCU Library facilities.
WCU Libraries’ online collection includes 65 research databases comprising e-journals and e-books. This online collection is accessible through the WCU Libraries website from any WCU on-campus computer. WCU students, faculty, and staff can also access online collections from any off-campus location via the WCU Libraries website by utilizing their WCU email addresses and passwords as logins when prompted for full-text access. Licenses for databases, electronic books and journals, and other online materials prohibit access to these materials by individuals who are not WCU students, faculty, or staff.

The WCU Libraries’ physical collections are located at the Dumas L. Smith/I.E. Rouse Library on the Hattiesburg campus and at the Tradition Campus Library. Smith/Rouse Library houses over 75,300 print and media items. The Tradition Campus Library houses over 9,000 print and media items. An online catalog, accessible through the WCU Libraries website, provides information about all library holdings, including the location of physical items. All circulating items in the collection are available for checkout at any WCU Library. Requests for items from another library location can be made by filling out the Interlibrary Loan form on the library’s website http://library.wmcarey.edu.

WCU Libraries develops and maintains services that support the missions of the library and the university. Library hours at each facility are available on the libraries’ website at http://library.wmcarey.edu. Regular hours for fall, winter, and spring trimesters and summer session are posted on the website. Special hours for trimester breaks, holidays and mini-sessions are also available on the website. Other services available at all library locations include interlibrary loan for requesting materials that are not owned by WCU Libraries, reference and information services provided by experienced library staff, workshops in the use of library and information resources, and email and text reference services.

THE DUMAS L. SMITH / I. E. ROUSE LIBRARY

The Smith/Rouse Library on the Hattiesburg campus houses books, periodicals, music scores, microforms, and other library materials that support the university’s curriculum. A computer lab is available in Smith/Rouse, with access to the Internet as well as to word processing, spreadsheet, and presentation software. Printing and photocopying services are provided, as well as a microform reader/printer, and audiovisual equipment. Group study rooms for two to six persons are available on a first come first served basis, and a classroom equipped with student computers is available for targeted reference instruction.

The Smith/Rouse Library also houses the Clarence Dickinson Collection, which contains over 1,700 books, including many rare hymnals and psalters, scores, manuscripts, recordings, an antique piano, paintings, and memorabilia
relating to the history of hymnology. Additionally, Smith/Rouse Library is the home of the William Carey University archives, which documents and preserves materials relating to the history of the institution.

The collection at the Tradition Campus Library includes books, journals, and audiovisual materials that support the curriculum offered at this campus. Computers with Internet connections and access to word processing, spreadsheet, and presentation software are also available. Printing and photocopying services are provided, and small study rooms can be used for groups of two to six.

CENTER FOR STUDY OF THE LIFE AND WORK OF WILLIAM CAREY, D. D. (1761-1834)

Donnell Hall, Hattiesburg Campus

http://www.wmcarey.edu/carey/

Bennie R. Crockett, Jr. and Myron C. Noonkester, Co-directors

The life and work of William Carey, D. D. (1761-1834) define the mission of William Carey University. A self-educated cobbler and pastor from the English midlands, Carey heralded the formation of the Baptist Missionary Society in 1792 with his watchword "Expect great things; attempt great things" and his missions pamphlet An Enquiry into the Obligations of Christians to Use Means for the Conversion of the Heathens (1792). The following year, in 1793, he and his family journeyed to India to undertake Christian mission work. Over the next 41 years spent primarily in Serampore, Bengal, Carey labored to show himself approved as an evangelist, Bible translator, social reformer, educator, linguist, and botanist. "Serampore" became synonymous with earnest spirituality, intellectual renaissance, and social improvement. Directed by Carey and colleagues William Ward and Joshua and Hannah Marshman, the Serampore mission printed the Bible in numerous Indian dialects, pioneered the education of Indian women, campaigned against caste and widow-burning, and brought numerous converts to a saving knowledge of Christ.

Carey’s understanding of mission prompted him to publish Bibles, grammars, and dictionaries of several Indian languages. He also edited two important botanical works, Hortus Bengalensis (1814) and Flora Indica (2 vols., 1820, 1824). Putting to practice his scholarly work, Carey and his colleagues founded Serampore College (1818) and the Agricultural and Horticultural Society of India (1820). Carey also helped to start savings banks in India, brought one of the first steam engines to India, and published India’s first periodical, The Friend of India. In recognition of Carey’s accomplishments, Brown University awarded him the Doctor of Divinity degree (1806) and the Linnaean Society of London registered him as a fellow. Carey’s comprehensive
vision of Christian faith and practice forms a model that faculty and students at William Carey University strive to attain.

Initiated in the summer of 2000, the purpose of the Center for Study of the Life and Work of William Carey is to promote an understanding of the accomplishments of William Carey (1761-1834) and to enhance appreciation of the religious, cultural, scientific, and historical contexts in which Carey worked in Britain and India. Carey, a figure of international significance, and his work as a Christian missionary, social reformer, linguist, botanist, and educator in India, 1793-1834, are the interests of the Center.

Specific objectives of the Center include the following:

- to map and inventory sources of knowledge regarding Carey’s mission in repositories such as the Carey Library at Serampore College, the Angus Library at Regent’s Park College, Oxford and the Northamptonshire Record Office, United Kingdom;
- to present knowledge regarding Carey’s mission, primarily through a website, which includes (a) photographic images of Carey, Carey biographies, Serampore memorabilia, and letters and journals relevant to Carey; (b) an annotated bibliography of works regarding Carey’s mission featuring reviews and, if available under copyright law, the works themselves; (c) a devotional section; (d) up-to-date scholarship regarding Carey’s mission; and (e) a remarks page;
- to preserve in appropriate form as many texts and artifacts related to Carey’s mission as feasible;
- to seek external funding support from foundations, denominational agencies and philanthropists, particularly in order to facilitate the travel necessary to reconnoiter and acquire in appropriate form the diverse sources relative to Carey’s mission that are scattered from Serampore to Denmark, from Rhode Island to the United Kingdom;
- to sponsor research related to the mission of William Carey.

Related to William Carey University’s identity, the Center’s activities are designed to:

- identify the Christian, scholarly, and mission aims of William Carey University;
- involve numerous disciplines taught by the university;
- promote collegiality by offering faculty and students an opportunity to interact in a common inter-disciplinary purpose; and
- offer the university a visible and distinguished stake in realms of scholarship and mission activity.
The Center for Study of the Life and Work of William Carey, D.D. (1761-1834) has received local, national, and international acclaim. Soon after the public release of the Center’s web site in March, 2001, the Australian-based Asian Studies Monitor, a clearinghouse for academic study of Asian-related materials, awarded the Center a “five-star, essential rating.”

The Center has had the opportunity of providing primary and secondary source materials for local churches, Christian mission enthusiasts, students of all ages, scholars, and international researchers as they have sought information about William Carey and the Serampore mission. In addition, since 2001, the Carey Center’s web site has received millions of visits from people throughout the world.

Such widespread interest in the Center underscores the international importance that William Carey (1761-1834) continues to hold. On May 3, 2006, the Center opened and dedicated its permanent home in Donnell Hall. The initial exhibit in the museum, “Beyond Expectation, William Carey Revealed...,” contained 116 items (i.e., artifacts, historic Bibles, books, manuscripts, portraits, and prints) in five categories: Bible Translator, Missionary, Linguist, Social Reformer, and Scientist.

Examples of significant items held in the Carey Center include many period manuscripts, books, maps, prints, botanical and engraved prints, coins, medals, stamps, and a tea infuser; William Carey’s Serampore Press Bible translations and his personal 1766 childhood spelling dictionary; Joshua Marshman’s *Clavis Sinica: Elements of Chinese Grammar*; William Ward’s *A View of the History, Literature, and Religion of the Hindoos*; David Brainerd’s *Journal Among the Indians*; the Baptist Missionary Society’s *Periodical Accounts*; and bound volumes of *The Boston Recorder*, the earliest religious periodical in America. In addition, microfilm copies of the Baptist Missionary Society records (1792-1914) add a significant resource for missionary, historical, and theological researchers.

The goals of the department of art are 1) to provide an opportunity to practice, understand, and gain a high level of technical skill with several art media; 2) to offer future teachers of art a thorough foundation and broad experience in several areas; 3) to prepare majors for graduate work and/or a career. The Tradition campus facilities include a Macintosh computer lab, digital photo studio, and painting and drawing studio. The Hattiesburg campus offers both a major and minor in art with opportunities in theatre and design as course options.

REQUIREMENTS

The department of art at the Tradition campus offers a major and minor in art with programs leading to the Bachelor of Fine Arts degree or the Bachelor of Arts degree. A major or minor in art leading to the Bachelor of Arts degree or Bachelor of Fine Arts in combined studio is offered on the Hattiesburg campus. All applicants for a four-year art degree must present an acceptable art portfolio prior to enrolling.

The following art core courses are required for the B.F.A. and the B.A. degrees:

221. Sculpture II: (3 hours) An introduction to mold making, including plaster, silicone, and urethanes.*

231. Painting II: (3 hours) A continuation of Painting I with an emphasis on color, abstraction, and visual harmonics.*

241. Ceramics I: (3 hours) Introduction to ceramic materials and processes. Various hand building techniques including pinch, coil, and slab will be emphasized. Basic technical information will be introduced as well as the uses of slips and glazes.* Prerequisite: ART 109.

242. Ceramics II: (3 hours) Introduction to the techniques of pottery making and sculpture utilizing the potter's wheel. Glaze making and the glaze firing process will be introduced.*
253. **Typography:** (3 hours) The history and use of type as it applies to advertising design and visual problem solving. Acquaints the student with letterforms, type and typespacing, digital font formats, and implementing type for print and web.* Prerequisites: ART 101, ART 102, and ART 108.

254. **Computer Graphics:** (3 hours) A study of the fundamentals of computer assisted graphic design, basic computer literacy, and keyboarding. This course introduces the student to techniques for visual communication and creating imagery using graphics software within the Macintosh environment. Trouble shooting and maintenance will be emphasized. Prerequisite to graphic design courses requiring computer use.* Prerequisite: ART 101, 102, and 108 or consent of the instructor.

301. **Drawing III:** (3 hours) An in-depth study of specific concepts and processes. Students explore the development of content and composition.*

302. **Drawing IV:** (3 hours) This course involves each student developing a body of drawings with an emphasis on individual vision and expression.*

303, 304, 305, 306, 307, 310. **Drawing V, VI, VII, VIII, IX, X:** (3 hours each) The development of a personal technique and mastery of drawing media with an emphasis on content. Larger scale and advanced techniques are explored as the student progresses.*

319. **Art in the Elementary School:** (3 hours) A study of the basic elements of art and how art can be used by the elementary classroom teacher. Field hours are required for the completion of this course.

320. **Art in the Secondary School:** (3 hours) A study of the elements of art and how art can be used by the secondary classroom teacher. Field hours are required for the completion of this course.

322. **Sculpture III:** (3 hours) A continuation of sculptural skills with a concentration in carving wood and stone. Pneumatic tools are introduced.*

323. **Sculpture IV:** (3 hours) Welding techniques are introduced. Metal fabrication is studied.* Prerequisite: ART 221.

324, 325, 421, 422, 423, 424. **Sculpture V, VI, VII, VIII, IX, X:** (3 hours each) The development of a personal technique and mastery of material with an emphasis on content. As the student progresses, larger scale works and advanced techniques are explored.*

332. **Painting III:** (3 hours) Development of composition and experimentation with painting techniques are emphasized in this course.*

333. **Painting IV:** (3 hours) This course involves each student in developing a body of painting that emphasizes individual vision and expression.*

334, 335, 431, 432, 433, 434. **Painting V, VI, VII, VIII, IX, X:** (3 hours each) These courses concentrate on development of a personal technique. A mastery of materials and content is also emphasized. Larger scale and advanced techniques are explored as the student progresses.*

339. **Scenic Rendering:** (3 hours) Techniques of rendering for design in theatre. Same as THE 339.
341. **Ceramics III**: (3 hours) Continued development upon hand building and/or potter's wheel. Studio assignments will expand on skills covered in Ceramics I and II. There will be a focus on glaze formulation and development. The student will complete an individual investigation on an aspect of ceramic history.*

342. **Ceramics IV**: (3 hours) Emphasis on craftsmanship and scale within the given hand built/wheel thrown assignments. Emphasizes on the quality of the hand made object as well as the concepts of utility, usage, and sculpture in the ceramic medium. The student will be expected to continue to investigate glaze formulation with an emphasis on various surface treatments.*

343, 344, 441, 442, 443, 444. **Ceramics V, VI, VII, VIII, IX, X**: (3 hours) Advanced ceramic courses designed to offer the serious ceramics student time and direction to complete an in-depth investigation cumulating in a cohesive body of work. The instructor must agree upon the direction taken by the student. The course will also cover areas of ceramic history, contemporary issues in art, and the student’s professional development.*

350. **Printmaking Studio**: (3 hours). Development of design and figural compositions with relief printing and serigraphy processes. Course combines individual imagery, expression, and multi stage use of media. Prerequisite: ART 108, ART 102.*

351. **Serigraphy**: (3 hours) An introduction to screen printing including photostencil methods.* Prerequisite: ART 108, ART 102.

352. **Intaglio**: (3 hours) An introduction to printmaking using intaglio/etching methods and nontoxic materials.* Prerequisite: ART 108, ART 102.

353. **Advertising Design I**: (3 hours) An introduction to the principles, techniques, media tools, and skills used in graphic design field. An overview of the advertising industry. Creative brainstorming from thumbnails to rough layouts to finished art will be emphasized.* Prerequisite: ART 254.

SCHOOL OF BUSINESS
Cheryl Dale, Ph.D. (Dean)

Professors Ellis; Associate Professors Dale, Turnquist; Assistant Professors L. Glaze, P. Jones, Madaris, McCay; Instructors Brockway, Cousins, Schamber-Jones; Lecturers Andrews, Bracey

The School of Business strives to provide an environment that promotes student learning in the field of business within a caring Christian Community. The educational experience in the School of Business is focused on providing students with the knowledge, skills, and ethical principles to assume leadership positions in their workplaces, communities, and the global business environment.

REQUIREMENTS FOR A MAJOR IN BUSINESS ADMINISTRATION

A student who majors in the School of Business may earn the Bachelor of Science in Business (B.S.B.) degree, the Bachelor of Science (B.S.) degree, or the Bachelor of Arts (B.A.) degree. Concentrations are offered in accounting, computer information systems, finance, and management/marketing. Management/marketing, computer information systems, and workforce training and management concentrations are available on the Tradition campus.

Degree Requirements: The business administration major requires the completion of 120 hours for a concentration in international business and the completion of 128 hours for concentrations in accounting, computer information systems, finance, management/marketing, and workforce training and management. All students majoring in business administration must complete 45 hours of professional core requirements and 15-18 hours of a concentration area in business. Core curricula requirements are listed earlier in this catalog.

Professional Core Requirements: ACC 221, 222 and 320 or 332; BUS 209, 216, 299, 310, 311, 313, 314, 315, 417, 481, 485; ECO 201, 202. Students seeking an accounting concentration should take ACC 332.

Concentration Requirements: Each student must select one of the following areas of concentration in business.

Accounting: ACC 321, 322, 333, 421, 422, 433, and 471. Students planning to sit for the CPA exam are advised to take BUS 410. The concentration in accounting provides students the accounting education required for careers as professional accountants in financial institutions, government, industry, nonprofit organizations, and public practice. The program also prepares students for graduate study in business or accounting. Students desiring to sit for the CPA exam in Mississippi must complete 150 semester hours of academic credit and hold a baccalaureate or higher degree from a regionally accredited college or university. The 150 hours must include 24 hours of upper-level or graduate business related courses and 24 hours of upper-level or graduate accounting courses. Accounting courses must include at least three semester hours in each of these areas: financial accounting, auditing, taxation, management accounting, and government/not-for-profit accounting courses.

Finance: BUS 319, 415, 419, 448; ECO 301 or 307.

International Business: BUS 350, 351, 412, 413, 415, ECO 405

Management/Marketing: BUS 318, 322 or 324, 414, 412 or 415, 425.

Workforce Training and Management: BUS 318, 405, 414, PSY 318, 350, 475.
William Carey University and the Mississippi Gulf Coast Community College have an articulation agreement for transfer of credit from the associate’s degree in workforce training and development at MGCCC to the bachelor’s degree in general studies with a concentration in workforce training and management through the School of Business at the Tradition campus. The requirements for this concentration in general studies will consist of the six courses required for a minor or concentration in workforce training and management. The concentration in workforce training and management is only available on the Tradition campus.

REQUIREMENTS FOR A MAJOR
IN CROSS CULTURAL BUSINESS MANAGEMENT

A student who majors in cross cultural business management (CCBM) may earn a Bachelor of Science in Business (B.S.B.) degree. The major combines the general education requirements for a B.S.B. with 48 hours of business courses and 30 hours of intercultural studies to meet the need for entrepreneurial mission work. Students who major in CCBM will be equipped with the necessary business skills to enter the private sector as well as the theological, missiological, and cultural knowledge necessary to be a career missionary.

Required Business Courses: ACC 200 or BUS 302, ACC 221, ACC 222, BUS 209, BUS 216, BUS 299, BUS 310, BUS 311, BUS 313, BUS 315, BUS 351, BUS 412, BUS 413, BUS 414, BUS 415, ECO 201, ECO 202.

Required Religion Courses: REL 310, REL 320, REL 405, REL 470, REL 480, REL 483, REL 484, REL 497.

MINORS IN THE SCHOOL OF BUSINESS

The School of Business offers minors in the following areas: business administration, computer information systems, and workforce training and management. Students pursuing a minor in the School of Business should make an appointment to meet with an academic advisor in the School of Business to discuss requirements and course offerings.

Business Administration Minor: A minor in business administration is available for students who are nonbusiness majors. A business administration minor requires 18 hours including the following courses: ACC 221, BUS 230, 304, 311, 314, ECO 201.

Computer Information Systems Minor: A minor in computer information systems is available consisting of the following 18 hours: BUS 202, 303, 312, 400, 402, 486.
Workforce Training and Management Minor: The workforce training and management minor is offered on the Tradition campus only. The workforce training and management minor requires the following 18 hours: BUS 318, 405, 414; PSy 318, 350, 475.

The purpose of the School of Education is to provide professional training and study that will prepare the education student to pursue a career in the field of education. This training is characterized by course content, field assignments, practica, and clinical experiences. All teacher candidates are evaluated on content knowledge, pedagogy, and dispositions.

Our mission: To develop caring, reflective decision makers.

The School of Education is responsible for the development of undergraduate and graduate curricula in (1) elementary education, (2) secondary education, and (3) other add-on certification areas and for supervision and preparation of teachers with majors in those areas.

TEACHER EDUCATION COMMITTEE

Teacher education is considered to be an institution-wide function at William Carey University. The teacher education committee broadly represents the departments interested in the preparation of teachers for elementary and secondary schools.

The teacher education committee formulates and reviews policies for teacher education consistent with state law and subject to the approval of the university administration. These policies deal with dispositions, philosophy and objectives, organization and administration, curricula and student personnel services. Curriculum changes must be approved by the academic council and/or the graduate committee.

SELECTIVE ADMISSION AND RETENTION IN TEACHER EDUCATION

POLICIES AND PROCEDURES

I. Admission procedures:

A. Students need to make application for admission to the professional program in teacher education prior to taking courses in education.
   1. Students should make application for admission by the end of their sophomore year in college. Transfer students should make application prior to registering for their first trimester of courses at Carey.
2. All students enrolled in education must have clearance of criminal background checks prior to participating in clinical activities (field-based practica). After initial enrollment, any subsequent disciplinary actions, arrests, charges, addiction or impairment (alcohol or drugs) shall also be reported immediately to the dean of education. Failure to report any and all subsequent disciplinary actions, arrests, charges, addiction or impairment will constitute falsification of records and may result in denial of licensure as an educator. All students must complete a certified background check. After the report has been processed, the student will receive a Certified Background Check ID card which is to be worn during all field practica and the final internship.

3. All students must purchase liability insurance from one of the following professional organizations: American Federation of Teachers, Mississippi Association of Educators, or Mississippi Professional Educators.

4. TK20 is the School of Education’s electronic portfolio. All students must purchase a TK20 (tk20.wmcarey.edu) account.

5. All students must be formally admitted before they will be permitted to take more than six hours (secondary majors) or nine hours (elementary majors) of 300 level education courses. A student who has not been admitted will not be permitted to take 400 level education courses.

6. EDU 300 and 300.1 and EDU 372 must be taken scoring a “C” or better in the first nine hours of teacher education course work.

7. All teacher candidates must score emerging or higher on WCU’s Professional Dispositions before admission to teacher education.

B. All applications for admission will be processed by the School of Education faculty. A file will be maintained on each student.

C. Students who make proper application will be admitted to teacher education and be referred to as teacher candidates when they meet these requirements for Transition Point One (admission/core):

1. Achieve and maintain an overall grade-point average of 2.75 or better on the teacher education liberal arts core as defined in the Teacher Education Handbook.

2. Achieve the required score on PRAXIS Core Academic Skills for Educators which includes all subtests (Reading, Writing, Mathematics). The required score is set by the Mississippi Department of Education. A student may also meet these tests’ requirements with a score of 21 or better on the ACT with each subscore 18 or higher. After September 1, 2013, ETS will replace PRAXIS I with PRAXIS Core Subjects Examination. Admission requirements are subject to change should the Mississippi Department of Education change licensure requirements.

3. Achieve a grade of C or better in English 101 and 102.

4. EDU 300 and 300.1 and EDU 372 must be taken, scoring a “C” or better before admission to teacher education.

5. Must have completed a certified background check.
II. Retention procedures:

The Education Professional Standards Committee will review the status of students formally admitted to the professional program in teacher education and will take proper action in the following instances:

A. when advisors or other faculty members request to review the continued eligibility of a student;

B. when advisors, faculty, or host school personnel recognize continual disposition related infractions by a teacher candidate;

C. when the grades of a teacher candidate warrant such a review (consistent failing grades, a failure to make normal progress); Transition Point Two (interdisciplinary, specialty, clinical, and professional coursework);

D. when the student makes application for Residency I; Transition Point Three (Residency I and II);

E. when the supervising teacher, the school principal, or the director of student teaching indicates unsatisfactory progress in Residency I or student teaching (Residency II); Transition Point Three.

F. Final review of program; Transition Point Four (graduation and licensure).

**Secondary Education Requirements For Teaching High School Subjects**

Teacher candidates who plan to teach at the high school level should major in a secondary subject matter field. Secondary teaching certification requirements include the university core (outlined elsewhere in this catalog for the B.A., B.S., or B.M. degree), additional teacher education core courses, the specialty area courses (outlined under the respective department sections of this catalog), and all professional education courses including EDU 300, EDU 300.1, EDU 436, EDU 450, EDU 372, EDU 446, EDU 484, PSY 203 and PSY 204. Students completing these courses also receive a minor in secondary education.

Secondary teaching licensure is offered in biology/chemistry, English, mathematics, and social studies.

**Special Subject Areas**

Teacher candidates who want to teach in the areas of art, music (vocal and instrumental), and physical education are licensed to teach grades K-12.

Those teacher candidates pursuing degree programs that meet K-12 licensure requirements must complete the university core (outlined elsewhere in this catalog for the B.A., B.S., B.F.A., and B.M. degrees), additional teacher education core courses, the specialty area courses listed within the respective departments, and professional courses including EDU 300, EDU 300.1, EDU 372, EDU 436, EDU 478, EDU 496, PSY 202, 203, or 305, and PSY 204.

**LICENSURE PROCEDURE**

Teacher candidates are responsible for making the proper application to the Mississippi Department of Education, for requesting their licensure. Forms are available in the department of curriculum and instruction office. The student must also fill out a release-of-records form.

Completion of the teacher education program does not guarantee licensure. The student must meet all requirements specified by the Mississippi Department of Education and current law.

**NOTE:** All education programs and requirements are subject to change due to requirements set forth by the Mississippi Department of Education and state law. The current requirements for licensure—if different from this catalog—will supersede the catalog descriptions. New federal legislation requires each state to submit a definition for highly qualified teachers which adheres to federal guidelines.
EDU 300. Introduction and Foundations of Education: (2 hours) An overview of the teaching profession with emphasis on functions of the school, school policies, school law, and the effects of court decisions on educational practice. Satisfies the writing intensive course requirement.

EDU 300.1. Pre-teaching Field Experience: (1 hour) A 30+ hour field experience in a local school taken concurrently with EDU300. Transfer students must take this course for one-hour credit if field experiences were not required. (Pass/Fail grade)

EDR 308. Early Literacy Instruction I: (3 hours) A study of concepts, materials, and teaching strategies for oral language development and systematic early reading and writing instruction, specific to concepts about print, phonemic awareness, and phonics. (10+ hours of field experience)

EDR 311. Early Literacy Instruction II: (3 hours) A study of concepts, materials, and teaching strategies for oral language development and systematic early reading and writing instruction, specific to vocabulary, fluency, and comprehension. (16+ hours of field experience)

EDU 325. Technology in Education: (3 hours) This course is designed to provide an overview of concepts and terminology related to technology in education. The student is given hands-on experiences using technology including understanding of the Internet. This class may be online enhanced.

EDR 344. Literature for Children: (3 hours) A study of the classic and current literature for children in print and non-print media. The integration of literature into the elementary school curriculum is emphasized. (4+ hours of field experience)

EDU 345. Social Studies in the Elementary School: (3 hours) The scope and sequence of the elementary social studies curriculum is examined. An emphasis is placed on the development of concepts and generalizations appropriate for the elementary child. A field experience in an elementary school is a component of this course. Prerequisites: social science core. (4+ hours of field experience)

EDU 346. Science in the Elementary School: (3 hours) An integrated approach to teaching science through discovery and hands-on experiences. A field experience in an elementary school is a component of this course. Prerequisites: Science core. (2+ hours of field experience)

EDU 372. Survey of the Exceptional Child: (3 hours) A study of individuals with exceptionalities from the gifted to the profoundly disabled. Includes a multicultural component which explores the diverse ethnic, cultural, and linguistic backgrounds of students and techniques for providing an effective relevant education. This class may be online enhanced. (16+ hours of field experience)

NOTE: Admission to teacher education is required for enrollment in any 400 level education class.

EDR 407. Communication in the Elementary School: (3 hours) Emphasis is placed on helping the elementary teacher develop skill in teaching oral and written communication skills. The use of an integrated approach with an emphasis on children’s literature is stressed. Prerequisites: EDR 308, EDU 311, EDU 345, EDU 346. These classes may be online enhanced. (10+ hours of field experience)
EDU 409. Principles of Early Childhood: (3 hours) An in-depth study of the theory, organization, curriculum, and development of early childhood programs. Required of students who wish to add kindergarten certification to an existing elementary license.

EDU 413. Mathematics in the Elementary School: (3 hours) Methodology based on current research and practice is explored using an NCTM Standards-based program with an emphasis on mathematical understandings, using manipulatives, and acquiring problem-solving skills. A field experience in an elementary school is a component of this course. Prerequisites: MAT 116, 131, 316 and admission to teacher education. (30+ hours of field experience)

EDU 436. Classroom Management: (3 hours) This course provides information to help students develop pro-active strategies to manage the classroom environment and student behavior. Emphasis is placed on students’ development of a personal and unique classroom management plan. Prerequisite: Admission to Teacher Education.

EDU 440. Kindergarten Education and Practicum: (3 hours) A study of appropriate educational practices and programs in kindergarten with an emphasis on Mississippi guidelines. The class includes seminars and teaching experiences in a local kindergarten class. Prerequisites: EDR 308, 311, and admission to teacher education. This class may be online enhanced. (25+ hours of field experience)

EDR 441. Diagnosis and Correction of Reading Disability: (3 hours) A study of the diagnosis and remediation of reading disabilities. Students diagnose and evaluate the skills of an individual child in a clinical setting and develop and carry out a plan of remediation based on the diagnosis. Prerequisites: EDR 308, EDR 311, and admission to teacher education. (30+ hours of field experience)

EDU 446. Teaching in the Secondary School: (3 hours) The study of methods and problems related to teaching in the student’s major field. Prerequisite: Admission to teacher education.

EDU 450. Tests, Measurements, and Evaluation: (3 hours) The study of testing, measuring and evaluating student learning with both criterion-referenced and norm-referenced assessments. Prerequisite: Admission to teacher education.

EDU 460. Organizational Procedures for Special Education: (3 hours) This course addresses organizational procedures of special education as required by the Mississippi State Department of Education. In addition, legislative and court decisions associated with special education are covered. This class may be online enhanced. Prerequisite: EDU 372.

EDU 463. Learning Disabilities: (3 hours) This course is an overview of the field of learning disabilities including historical development, theoretical research bases, and social, emotional, physical and learning characteristics. This class may be online enhanced. Prerequisite: EDU 372.

EDU 464. Teaching the Individuals with Learning Disabilities: (3 hours) This course addresses basic assessment procedures, selection and utilization of instructional methods, materials, and individual programming for individuals with specific learning disabilities. Prerequisites: EDU 372 and EDU 463. (12+ hours of field experience)
EDU 468. Intellectual Disabilities: (3 hours) This course is an overview of intellectual disabilities including definitional perspectives, etiology and syndromes, theoretical research bases, and social, emotional, physical, and intellectual characteristics. This class may be online enhanced. Prerequisite: EDU 372. (2+ hours of field experience)

EDU 469. Teaching the Individuals with Mild Intellectual Disabilities: (3 hours) This course addresses basic assessment procedures, selection and utilization of instructional methods, materials, and individualized programming for individuals with mild intellectual disabilities. Prerequisites: EDU 372 and EDU 468.

EDR 474. Reading in the Middle and Secondary School: (3 hours) The development of reading skills in the content areas is explored. Emphasis is on helping the middle and secondary school student read more effectively. Prerequisite: Admission to teacher education. (16+ hours of field experience)

EDU 478. The Teaching Residency I: (3 hours) This course is designed to implement theory, develop a philosophy of education, and foster professional growth and development through creation of a teacher performance assessment. This residence will be approximately 240 hours of supervised teaching experience in a qualified school.

EDU 483. Student Teaching Internship in the Elementary School: (6-12 hours) The student is assigned to an approved supervising teacher in a local school for 75 school days. Attendance at scheduled seminars is required.

EDU 484. Student Teaching Internship in the Secondary School: (6-12 hours) The student is assigned to an approved supervising teacher in a local school for 75 school days. Attendance at scheduled seminars is required.

EDU 496. Student Teaching Internship in Special Subject Areas (Art, Health and Physical Education, and Music): (6-12 hours) The student is assigned to an approved supervising teacher in a local school for 75 school days. Attendance at scheduled seminars is required.
The purpose of the department is to provide individuals seeking a degree with the knowledge necessary to educate others about wellness for life. It is also the aim of the department to give physical education majors, minors, and coaches a clear understanding of procedures, methods, techniques, and materials for effective, competent teaching and coaching.

The department offers minors in coaching; health and physical education; and recreation. The three avenues towards a degree are as follows:

**Physical Education Major:** Thirty-six semester hours from any theory courses in health or physical education. The student may elect either the Bachelor of Arts (B.A.) or the Bachelor of Science (B.S.) degree.

**Health and Physical Education Minor:** Eighteen semester hours, including PED 337 or PED 339. Fifteen semester hours may be elected from any other theory courses.

**Teacher Licensure:** Forty-five semester hours, including six hours from PED 330, 331, 333, or 334, and the rest from HEA 230, HEA 300, HEA 323, PED 231, PED 324, PED 325, PED 336, PED 432, PED 433, PED 436, and PED 437. PED 337 and PED 339 must be taken as methods courses. Additional licensure requirements are listed under special subject areas in the education department.

**Health, Physical Education, and Recreation Major:** Fifty-four semester hours from the following areas: Nine hours in health from HEA 230, HEA 240, HEA 300, HEA 3230; 24 hours in physical education from PED 222, PED 231, PED 324, PED 325, PED 329, PED 330, PED 331, PED 333, PED 334, PED 336, PED 337, PED 338, PED 339, PED 432, PED 433, PED 436, and PED 437; nine hours in recreation from REC 301, REC 302, REC 303, REC 304, REC 305, REC 306, and REC 307; and 12 hours of electives from the courses listed above.

**Coaching Minor:** Twenty-one semester hours, including PED 222, 329, 432, and six hours from the following PED 330, PED 331, 333, or 334. Six additional hours may be elected from any PED theory course.

**Recreation Minor:** Eighteen semester hours of recreation courses.
COURSE DESCRIPTIONS FOR PHYSICAL EDUCATION (PED)

222. **Organization of Practice and Scouting of Team Sports**: (3 hours) Principles for organizing and administering a practice session. Scouting techniques for football, basketball, and baseball.

231. **History and Introduction to Physical Education**: (3 hours) Physical education in America from the Colonial days to the present.

324. **Anatomy-Physiology**: (3 hours) A study of the physical structure of the body and how each system relates in its function.

325. **Motor Development and Creative Rhythms for Elementary School**: (3 hours) The development and refinement of skillful performance in gymnastics, rhythms, and games.

329. **Philosophy and Psychology of Coaching**: (3 hours) A study of how sports became a part of the school and society; an analysis of the purpose, values, nature, and scope of coaching.

330. **The Theory and Practice of Coaching Football**: (3 hours)

331. **The Theory and Practice of Coaching Basketball**: (3 hours)

333. **The Theory and Practice of Coaching Baseball**: (3 hours)

334. **The Theory and Practice of Coaching Soccer**: (3 hours)

336. **Kinesiology**: (3 hours) The scientific principles of movement, muscles and muscular actions, and mechanical principles, such as levers, laws of motion, stability, and momentum.

337. **Methods of Teaching Health and Physical Education in Elementary Schools**: (3 hours) A study of principles of learning, principles of teaching, class organization, teaching techniques, and materials of elementary school.

338. **Health and Physical Education in Elementary Schools**: (3 hours) A study of how physical education, physical fitness, health and wellness, and movement can be effectively used in the elementary grades.

339. **Methods of Teaching Health and Physical Education in Secondary Schools**: (3 hours) A study of principles of learning, principles of teaching, class organization, teaching techniques, and materials of secondary school.

432. **The Care and Prevention of Sports Injuries**: (3 hours) Basic fundamentals and techniques in the prevention, diagnosis, treatment, and care of injuries.

433. **Organization and Administration of Physical Education**: (3 hours) General principles of administration and their effects upon the organization of a physical education program.

436. **Tests and Measurements in Physical Education**: (3 hours) Techniques of constructing, administering, and analyzing written and skill test in health and physical education.
437. **Physical Education for the Exceptional Child**: (3 hours) The nature of certain physical and mental handicaps and methods for working with handicapped students in a physical education program.

**COURSE DESCRIPTIONS FOR HEALTH EDUCATION (HEA)**

230. **First Aid**: (3 hours) Methods of caring for injuries and applying first aid to the injured, together with methods of preventing injuries and accidents.

240. **Nutrition and Diet Therapy**: (3 hours) Role of nutrition in high level wellness. Therapeutic diets prescribed for common medical problems.

300. **Health and Exercise for a New Lifestyle**: (3 hours) This course is designed to teach the student how to be totally healthy, including information on healthy diets and types of exercise that are best for achieving and maintaining optimal strength.

323. **Consumer Health**: (3 hours) A study of the effects tobacco, alcohol and other drugs have on the body; drug abuse in today’s society; the eating habits of today’s young people; and family relationships. Satisfies writing intensive course requirement.

**COURSE DESCRIPTIONS FOR RECREATION (REC)**

301. **Outdoor Recreation**: (3 hours) This course is designed to give students an overview of outdoor recreation. Emphasis will be given in camping, canoeing, fishing, and hiking.

302. **Intramural**: (3 hours) This course is designed to give students the knowledge of how to organize an intramural program in a recreational setting.

303. **Recreation for Children**: (3 hours) This course is designed to give students the knowledge of recreational games for children and young adults.

304. **Recreation for Adults**: (3 hours) This course is designed to give the students the knowledge of recreational games for adults and how to administer a program for senior citizens.

305. **Practicum in Recreation**: (3 hours) Practical field experience under the supervision of a specialist.

306. **Leisure Services**: (3 hours) This course is designed to inform the student of available services in public and private recreation.

307. **Recreation for Persons with Handicapping Conditions**: (3 hours) This course is designed to give the student a knowledge of the organization and administration of a recreation program for persons with a handicap.
ACTIVITY COURSES (PED)

Students who do not wish to take activity courses may take HEA 300.

111. Aerobics: (1 hour) Three hours per week.

112. Human Wellness: (1 hour) Three hours a week.

113. Soccer: (1 hour) Two hours per week.

114. Golf: (1 hour) Three hours a week.

115. Softball: (1 hour) Three hours a week.

117. Badminton: (1 hour) Three hours a week.

118. Tennis: (1 hour) Three hours a week.

119. Bowling: (1 hour) Three hours a week.

120. Isometric /Isometric Exercise: (1 hour) Three hours a week.

160. General Movement and Dance for Theatre: (1 hour) Same as THE 160.

162. Movement and Dance for the Musical Theatre: Jazz: (1 hour) Same as THE 162.

163. Movement and Dance for the Musical Theatre: Tap: (1 hour) Same as THE 163.

164. Movement and Dance for the Musical Theatre: Modern: (1 hour)
     Same as THE 164.

165. Movement and Dance for the Musical Theatre: Ballet (1 hour) Same as THE 165.

166. Stage Combat: (1 hour) Same as THE 166.

167. Weight Training: (1 hour) Two hours per week.

168. Fitness and Stress: (1 hour) Two hours per week.

ACTIVITY CREDIT (PEG)

The university provides intercollegiate competition in basketball, soccer, golf, tennis, and cross country for both men and women; baseball for men; and softball for women. A varsity athlete may receive a maximum of four semester hours’ credit for intercollegiate competition in each of these sports with no more than eight hours total.

Note: A maximum of eight semester hours of elective credit from the following courses may count toward a degree.

101, 102, 103, 104. Intercollegiate Basketball: (1 hour)

121, 122, 123, 124. Cheerleading: (1 hour)

141, 142, 143, 144. Intercollegiate Soccer: (1 hour)

151, 152, 153, 154. Intercollegiate Softball: (1 hour)

161, 162, 163, 164. Intercollegiate Golf: (1 hour)

171, 172, 173, 174. Intercollegiate Tennis: (1 hour)
THE SCHOOL OF
NATURAL AND BEHAVIORAL SCIENCES
Frank Baugh, Ph.D. (Dean)

DEPARTMENT OF BIOLOGICAL SCIENCES
Thomas J. Rauch, Ph.D. (Chair)

Professors Daniels, Rauch, Singletary; Associate Professor May; Assistant Professors Fairley, Hodges, Lipka, S. Scott; Instructor Griffis

The department of biological sciences provides core curriculum courses in the biological sciences and appropriate undergraduate-level training for students planning careers in biological science and health related science. Students majoring in biological science will acquire a broad knowledge of the general principles of biological science to include the interrelationships of living organisms within the biosphere and the ways human populations impact these relationships. In the laboratories students develop skills in the use of the techniques and instrumentation used in modern biological science. These experiences provide optimum preparation for graduate study or careers as a professional biologist. Health related programs or pre-programs provide counseling and training relative to gaining admission to the clinical phases of the programs or career advancement within a particular health related profession.

Bachelor of Science degrees are offered with majors in biology and health related professions. All majors must fulfill the core curriculum requirements for the Bachelor of Science (B.S.) degree.

REQUIREMENTS

Biology Major: A minimum of 40 hours (at least 20 upper-level) is required of BIO/HRP courses. A minor in either chemistry or mathematics is strongly recommended; however, a chemistry minor is required for students in the pre-professional track (see below). All biology majors must take the following biological sciences core curriculum: BIO 114, and 498; a minimum of 12 hours of chemistry to include CHE 111-112 and 211; a minimum of six hours of mathematics to include MAT 131 or any two courses higher than MAT 131; and PSY 351.

Students may choose one of the following tracks to ensure the completion of relevant or necessary courses for certain careers in biology.

Biology Major, Pre-professional track (pre-medicine, pre-dentistry, pre-graduate, pre-physical therapy, pre-occupational therapy, pre-veterinary medicine, pre-optometry): The following courses are required in addition to the biological sciences core: CHE 212 and 405, PHY 101-102, and MAT 132. To complete the biology major, pre-professional students will select a minimum of 29 hours, including at least 17 upper-level, of BIO/HRP courses (with the exception of BIO 101 and 220). The following courses are highly recommended: BIO 234-235, 306, 310, 312, 326, 407, 409, 415, 419, 420, 470, HRP 201, and MAT 151. Students will be advised as to other requirements for a particular professional school.

Biology Major, Microbiology track: Students following this track will be eligible to sit for the National Registry of Microbiologists exam as a conditional registrant (i.e. no work experience). Exams are offered in the areas of clinical and public health microbiology, or consumer products and quality assurance microbiology. In addition to
the biological sciences core, the student must select at least 20 hours from the following courses: BIO 260, 310, 415, 416, 419, 420, and 470. To complete the biology major, the following courses are highly recommended: BIO 306, 320, and HRP 201.

**Biology Major, Environmental Biology track:** The following courses are required in addition to the biological sciences core: BIO 250, 320, and 430. To complete the biology major, the student will select a minimum of 13 hours chosen from relevant biology courses; BIO 301, 431, and 432 are highly recommended. Students may also wish to use summer courses at the Gulf Coast Research Laboratory to complete the hours in the major.

**Biology Minor:** Students must take a minimum of 18 semester hours of BIO/HRP courses. At least six hours must be upper level (300/400).

**Biology Education with Chemistry Endorsement, Teacher Licensure:** To be licensed to teach biology and chemistry at the secondary level, a student must meet the following requirements: 1) completion of all core curriculum requirements for the Bachelor of science (B.S.) degree, 2) completion of all professional requirements mandated by the State of Mississippi licensure standards, and 3) completion of the content course requirements including BIO 114, BIO 234, BIO 235, BIO 250, BIO 470, BIO 320, BIO 340 and choose from one upper level biology course, CHE 111, CHE 112, CHE 211, CHE 212, CHE 301, CHE 405, and PHS 201 or PHS 151. Students must be advised by the School of Education secondary coordinator. Students wishing to be a teacher candidate must meet all School of Education admission standards including EDU 300, EDU 300.1, and EDU 372. Other required education courses include EDU 436, EDU 450, EDU 478, and EDU 484.

**DEGREE PROGRAMS IN THE HEALTH PROFESSIONS**

**Health Related Professions Major:** This curriculum provides a Bachelor of Science degree for individuals who are certified (registered or licensed) in a health related profession by an approved agency. To qualify for this program the student’s professional education must equal at least 48 academic semester hours (one lecture hour, two laboratory hours; three clinical hours will be considered to equal 1/15th of an academic semester hour). As an alternative, students with fewer than 48 hours may apply these hours toward a minor in biology.

1. **Major Requirements**

   A maximum of 30 semester hours in the major can be awarded as a result of certification. The specific number awarded will be one-half the number of academic semester hours calculated from the student’s professional education up to the 30-hour maximum. Relevant upper-level biological science courses will be taken as advised to provide a minimum total of 40 semester hours in the major. The hours should include the following courses: HRP 302, 303, 304.

2. **General Health Related Professions Requirements**

   At least 30 hours in science are required, including two courses in anatomy and physiology, one course in microbiology, one course in pharmacology, one course in pathology, one course in genetics or cell physiology, and two courses in chemistry or chemistry/physics. Equivalent professional coursework will be given consideration when possible.
3. Secondary Area of Concentration

A secondary area of concentration in business, psychology, or gerontology is strongly recommended. A minimum of 18 semester hours should be taken in the selected area and at least six hours must be upper-level. These courses may be used to fill minor and/or core requirements.

4. University Core Requirements

See the core curriculum for the Bachelor of Science degree.

Microcomputer applications, statistics and counseling psychology are recommended electives.

PRE-PROGRAMS IN THE HEALTH PROFESSIONS

Pre-Medicine: Course requirements for admission to various medical schools are similar. They include specified courses in biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally, the Medical College Admission Test (MCAT) is taken in the spring of the junior year and applications for medical school are submitted the following summer. Pre-medical students who are not majoring in the sciences should have both an academic and pre-medical advisor. Minimum course requirements are as follows: BIO 111-114; CHE 111-112, 211-212; ENG 101-102; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 8 hours of advanced science electives (laboratory required) and 37 additional hours of approved general electives.

Pre-Dentistry: Course requirements for admission to various dental schools are similar. They include specified courses in the behavioral sciences, biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally the American Dental Association Dental Admission Test (DAT) is taken in the spring of the junior year and applications for dental school are submitted the following summer. Pre-dental students who are not majoring in the sciences should have both an academic and a pre-dental advisor. Minimum course requirements are as follows: 6 hours of behavioral science (PSY 201, SOC 101); BIO 111-114; CHE 111-112, 211-212; ENG 101-102, 211-212; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 4 hours of advanced biology or chemistry (laboratory required) and 29 additional hours of approved general electives.

Pre-Physical Therapy: Course requirements for admission to various doctor of physical therapy programs are similar. They include specified courses in behavioral science, biology, chemistry, English, mathematics and physics. Students should plan to complete a baccalaureate degree with the major and minor of their choice. Normally the Graduate Record Exam (GRE) is taken in the spring or summer of the junior year, and applications for physical therapy school are submitted the following fall. Pre-physical therapy students who are not majoring in the sciences should have both an academic and a pre-physical therapy advisor. In addition to the core and educational requirements for the major, minimum course requirements are as follows: BIO 234-235; CHE 111-112; PHY 101-102; and choice of MAT 270 or PSY 351. Finally, PSY 201, 305, and 410 are highly recommended.

Additionally, pre-professional curricula for the Health Related Professions including pre-cytotechnology, pre-optometry, pre-pharmacy, and pre-respiratory therapy are available. The pre-professional advisor will assist the student in meeting the specific requirements for admission to a particular professional school.
COURSE DESCRIPTIONS FOR BIOLOGY (BIO)

100. Introduction to Biology: (3 hours) An introduction to the biological sciences. Concepts such as the cell, Mendelian genetics, basic chemistry, general microbiology, ecology, and vertebrate anatomy and physiology are considered. The course includes basic laboratory experiments in these areas as well as field experiences. This course is intended for students with a minimal background in science.

101. General Biology: (4 hours) A course introducing students to biological principles including: the chemistry of life; the structure and function of cells, tissues, and organisms; heredity; and ecology. A one semester hour laboratory experience is included.

111. Principles of Biological Science I: (4 hours) An introduction to the biological sciences in which foundational principles and processes are emphasized, including cellular structure, metabolism, and function, as well as broader topics such as basic ecology and evolution. A one semester hour laboratory experience is included. This course is intended primarily for majors in the biological sciences, although non-majors may take it to satisfy core curriculum laboratory science requirements.

114. Zoology: (4 hours) An introduction to the morphologic and phylogenetic relationships of animals from protists through mammals. A one semester hour laboratory experience is included.

150. Foundations of Biology: (4 hours) This course is offered to pre-medical, pre-dentistry, pre-optometry, or pre-veterinary medicine majors and provides an introduction to the study of cell biology, genetics, molecular biology, information transfer, and biochemistry. A one-hour laboratory experience is included.

218. Vertebrate Biology. (4 hours) This course introduces the student to the study of vertebrate zoology. The major goal of this course is to present a basic understanding of the anatomy and ecology of the five major classes of vertebrates—fish, amphibians, reptiles, birds and mammals. The course will include basic concepts of biology from cellular functions to evolutionary theory.

220. Conservation Biology: (4 hours) A survey of the biology of plant and animal populations impacted by human-induced changes to environments. Conservation strategies and the design and management of protected areas are studied. A one semester hour laboratory/field experience is included. Students with a minimal science background may take this course. This course satisfies all core curricula laboratory science requirements.

234. Anatomy and Physiology I: (4 hours) A general study of the anatomy and physiology of the cells, tissues, integumentary, skeletal, and muscular systems of the human body, along with basic human genetics. A one semester hour laboratory experience is included.

235. Anatomy and Physiology II: (4 hours) A study of the cardiovascular, nervous, digestive, respiratory, endocrine, and urogenital systems, along with basic human nutrition. A one semester hour laboratory experience is included. Prerequisite: BIO 234.
244. **Human Anatomy I**: (4 hours) An in-depth study of human anatomy designed to prepare students for medical school anatomy. Lecture topics will include: vocabulary, orientation, body cavities, and arrangement of the human body. Additionally, a detailed study of the integumentary system including skin and accessory structures, histology, the skeletal system, skeletal muscles and their associated nerves, and the nervous system, including CNS, PNS, special senses, and ANS. The laboratory will include hands-on learning of the human skeleton using real and model bones, study of the skeletal muscles and their associated nerves on human cadavers, and study of the human brain, cranial nerves and spinal cord on human cadavers.

245. **Human Anatomy II**: (4 hours) An in-depth study of human anatomy designed to prepare students for medical school anatomy. Lecture topics will include a detailed study of the endocrine system; the glands and their hormones; the cardiovascular system; the heart, blood vessels and the blood; human immunity and the lymphatic system; the respiratory system, including lungs and all passageways; the digestive system; alimentary canal and accessory digestive structures; and the urinary and reproductive systems. The laboratory work will be entirely with human cadavers and will include study of the cardiovascular system (heart, major arteries and veins), lymphatics observable on cadavers (thoracic duct, possibly lymph nodes, and spleen), the respiratory system (lungs, bronchi, trachea, larynx, pharynx, nasal cavity), the alimentary canal and accessory digestive organs, the urinary system (kidneys, ureters, bladder, urethra), and the reproductive system; subject to gender of the cadavers available (male and female genitalia, if possible, uterus, ovaries, uterine tubes).

250. **Botany**: (4 hours) A course introducing structures, function, classification, and genetics of plants. A one semester hour laboratory experience is included.

275. **Human Physiology**: (4 hours) This course is designed to provide students with an understanding of the function and regulation of the human body and physiological integration of the organ systems to maintain homeostasis. Course content will include neural & hormonal homeostatic control mechanisms, as well as the study of the musculoskeletal, circulatory, respiratory, digestive, urinary, immune, reproductive, and endocrine organ systems. Prerequisites: One year of general or inorganic chemistry, one year of organic chemistry, and one year of human anatomy or equivalent.

260. **General Microbiology**: (4 hours) A general survey of bacteria and allied microorganisms. The role of microorganisms in nature, health, food preservation, and industry is considered. Basic techniques of culturing, aseptic technique, and staining are taught in the laboratory. A one semester hour laboratory experience is included.

301. **Marine Biology**: (4 hours) An introduction to the study of life in the ocean and associated marine environments. Physical characteristics of the oceans are reviewed and special emphasis is given to the ecology of the northern Gulf of Mexico. A one semester hour laboratory experience is included, which involves several Saturday field trips. Prerequisites: BIO 112 or equivalent.

306. **Introduction to Pharmacology**: (3 hours) An overview of the physiological action of drug groups including intended action, side effects and toxicology. Practical information on dispensing dosages, administration, and regulation is included. Prerequisites BIO 234, 235.
310. **Genetics:** (4 hours) An introduction to the fundamental principles of heredity with applications to human traits, diseases, behavior, populations, and evolution. A one semester hour laboratory experience is included. Prerequisite: 12 hours BIO.

311. **Molecular Biology:** (4 hours) A course exploring the molecular genetics of cells. Detailed attention will be given to the mechanisms of DNA replication, transcription, and translation as critical cellular processes. Molecular mechanisms of genetic diseases will also be addressed. A one semester hour laboratory experience is included. Prerequisite: BIO 310.

312. **Introduction to Pathology:** (4 hours) An introduction to the basic processes of disease on the systems, organs, and cells of the human organism. Prerequisite: BIO 234, 235.

320. **Ecology:** (4 hours) A survey of the major subdisciplines of ecology including population, community, ecosystem, landscape, physiological, and behavioral ecology. A one semester hour laboratory/field experience is included. Prerequisite: 8 hours of biology credit.

326. **Comparative Anatomy of Vertebrates:** (4 hours) A comparative study of vertebrate anatomy and organ systems. Dissection of various vertebrates, including the dogfish shark and the cat, constitute the one semester hour laboratory experience included. Prerequisite: BIO 111, 112, or equivalents.

340. **Teaching Science in the Secondary School:** (4 hours) A course introducing students to techniques and methods in teaching science at the secondary level. A one semester hour laboratory experience is included. Prerequisite: junior standing.

341. **Zoo Education:** (3-4 hours) A field experience course that applies biology content knowledge to a hands-on practicum at the Hattiesburg Zoo. This course incorporates content knowledge with an informal education setting. Prerequisites: 4 hours of BIO credit and biology or elementary education majors only.

355. **Bioethics:** (3 hours) A basic introduction to theories in ethics and their application to ethical dilemmas in health care and the biomedical sciences. Topics include moral reasoning, patient autonomy, confidentiality, reproductive technologies and genetics, euthanasia, and allocation of limited healthcare resources. This course is designed to give students the tools to successfully navigate the varied ethical dilemmas which are becoming more prevalent in modern healthcare.

405-406. **Biological Research:** (1-4 hours each) Provides students the opportunity to pursue further study in a specialized area in collaboration with a faculty mentor. Prerequisite: Permission of instructor.

407. **Vertebrate Embryology:** (4 hours) An introductory study of vertebrate development. Special emphasis is given to the early development of the frog, the chick, and the pig. A one semester hour laboratory experience is included. Prerequisite: BIO 234, 235, 310.

409. **Vertebrate Histology:** (4 hours) A study of the microanatomy of vertebrate tissues and organs. A one semester hour laboratory experience is included. Prerequisite: BIO 234, 235.
410. **Neurobiology**: (4 hours) The anatomical structure of the brain and nervous system will be studied as a basis for investigating the principles of neurological diseases, behavioral neuroscience, and the neural basis of individuality and human behavior. A one-hour laboratory experience is also included in this course. Prerequisites: BIO 234, 235.

415. **Diagnostic Bacteriology**: (4 hours) Clinical methods and techniques for identification of pathogenic organisms are presented including specimen handling, preparation of media, culturing, sterilization, quality control and laboratory safety. A one semester hour laboratory experience is included. Prerequisite: BIO 260.

416. **Applied Microbiology**: (4 hours) A study of microorganisms and techniques of significance in industrial and environmental microbiology. The laboratory provides experience with these organisms and procedures. A one semester hour laboratory experience is included. Prerequisite: BIO 260.

417. **Medical Microbiology**: (4 hours) The course is designed to give students a solid foundation in the major infectious disease agents including bacteria, fungi, protozoa, viruses, and helminths. Pathogenesis and etiology of each agent will be discussed in detail including organism characteristics, virulence factors, signs and symptoms of disease, and diagnostic methods. In addition relevant topic areas such as routes of transmission, epidemiology, antibiotic resistance, and nosocomial infections are covered.

419. **Immunology**: (4 hours) A study of the principles of acquired and natural immunity with references to antigens, antibodies, immune response, complement, and susceptibility. The concepts of mediated immunities and immunopathology are also considered. A one semester hour laboratory experience is included. Prerequisite: BIO 235, 260.

420. **Virology**: (4 hours) A general study of viruses, their roles in disease, and their applications in molecular genetics and biotechnology. Laboratory experiences demonstrate the basic principles of viral replication and activity. A one semester hour laboratory experience is included. Prerequisite: BIO 260.

430. **Field Biology**: (4 hours) An introduction to the recognition, taxonomy, and ecological relationships of naturally occurring organisms in Mississippi. This course is completely field-based and will consist of up to two extended field trips (five or more days each). Prerequisites: 6 hours BIO. Students must obtain the permission of the instructor before registering for this course.

431. **Ichthyology**: (4 hours) An introduction to the study of fishes. This course covers the anatomy, physiology, ecology, and evolutionary relationships of these vertebrates. A one semester hour laboratory/field experience is included. Prerequisites: BIO 112 or equivalents.

432. **Herpetology**: (4 hours) An introduction to the anatomy, physiology, ecology, and evolutionary relationships of amphibians and reptiles. A one semester hour laboratory/field experience is included. Prerequisites: BIO 112 or equivalents.

450. **Advanced Physiology**: (3 hours) Research-based study of anatomical and physiological disorders which affect the normal functioning of the body systems, as well as medical practices observed during different historical periods. Prerequisites: BIO 234, 235.
470. **Cell Physiology:** (3 hours) A study of the molecular biology of the cell. Prerequisite: Junior standing. Satisfies writing intensive course requirement.

498. **Biology Capstone:** (3 hours) A capstone course required for biology majors. A survey of biological concepts including the cell and its metabolism, basic anatomy and physiology of plants and animals, evolutionary theory, classical and molecular genetics, microbiology, and ecology. Prerequisite: senior standing or permission of the instructor.

**COURSE DESCRIPTIONS FOR THE HEALTH RELATED PROFESSIONS (HRP)**

201. **Medical Terminology:** (1 hour) A study of the construction and use of medical terms. (May be taken as MTC 201)

302. **Ethics in the Health Related Professions** (1 hour) A basic introduction to theories in ethics and their application to ethical dilemmas in health care including patients rights, euthanasia, allocation of limited resources, and other related topics. (May be taken MTC 302)

303. **Education in the Health Related Professions:** (1 hour) The methods of instruction and measurement are presented as a basis for their application in adult learning situations such as clinical training and patient instruction often required in health careers. (May be taken as MTC 303)

304. **Management in the Health Related Professions:** (1 hour) The theories of management and task maturity are presented as a basis for their application in health professions as encountered in supervision, employee development and departmental planning. (May be taken as MTC 304)

**GULF COAST RESEARCH LABORATORY PROGRAM**

William Carey University is affiliated with the Gulf Coast Research Laboratory (GCRL) in Ocean Springs, Mississippi. The GCRL is a component of the University of Southern Mississippi’s Institute of Marine Sciences. The 50-acre site in Ocean Springs is adjacent to the Mississippi Sound and is surrounded by bayous and salt marshes that provide a natural laboratory for researchers and students. The GCRL focuses on marine research in the disciplinary areas of biology, chemistry, geology, and physics of coastal and continental shelf waters. Research emphasis areas include marine aquaculture, aquatic animal health, aquatic biodiversity and systematics, coastal ecology, fate and effects of environmental pollutants, and fisheries sciences.

The GCRL offers undergraduate summer courses in two 5-week terms which may be taken by William Carey University students for academic credit. Students may enroll in only one course each term, but may earn up to twelve semester hours credit during the summer. Interested students should obtain more information and application forms from their academic advisor, or from the GCRL website at http://www.usm.edu/gcrl/.
The courses in this department are designed to meet the interest and needs of the following students: (1) those wishing to acquaint themselves with some of the fundamental principles of the physical sciences, (2) those whose professional goals require a foundation in chemistry and physics, including those preparing to teach, and (3) those whose major interest is in chemistry.

**REQUIREMENTS**

**Chemistry Major:** The courses required for a major are composed of a minimum of 35 hours in chemistry, including CHE 111, 112, 211, 212, and 19 hours of upper-level chemistry courses. Students are encouraged strongly to complete courses in biology, physics, and mathematics. Chemistry majors earn the Bachelor of Science (B.S.) degree or Bachelor of Arts (B.A.) degree.

**Chemistry Minor:** Twenty-one semester hours, including CHE 111, 112, 211, 212 and two of the following: CHE 301, 405, 406, 410, 415, 490, 492, and physical chemistry. Transfer students requiring 6 hours from William Carey University in their minor may also count CHE 480 and 481 (one hour each).

**Pre-Medicine:** Course requirements for admission to various medical schools are similar. They include specified courses in biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally, the Medical College Admission Test (MCAT) is taken in the spring of the junior year and applications for medical school are submitted the following summer. Pre-medical students who are not majoring in the sciences should have both an academic and pre-medical advisor. Minimum course requirements are as follows: BIO 111-112; CHE 111-112, 211-212; ENG 101-102; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 8 hours of advanced science electives (laboratory required) and 37 additional hours of approved general electives.

**Pre-Dentistry:** Course requirements for admission to various dental schools are similar. They include specified courses in the behavioral sciences, biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally the American Dental Association Dental Admission Test (DAT) is taken in the spring of the junior year and applications for dental school are submitted the following summer. Pre-dental students who are not majoring in the sciences should have both an academic and a pre-dental advisor. Minimum course requirements are as follows: 6 hours of behavioral science (PSY 201, SOC 101); BIO 111-112; CHE 111-112, 211-212; ENG 101-102, 211-212; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 4 hours of advanced biology or chemistry (laboratory required) and 29 additional hours of approved general electives.
Pre-Physical Therapy: Course requirements for admission to various doctor of physical therapy programs are similar. They include specified courses in behavioral science, biology, chemistry, English, mathematics and physics. Students should plan to complete a baccalaureate degree with the major and minor of their choice. Normally the Graduate Record Exam (GRE) is taken in the spring or summer of the junior year, and applications for physical therapy school are submitted the following fall. Pre-physical therapy students who are not majoring in the sciences should have both an academic and a pre-physical therapy advisor. In addition to the core and educational requirements for the major, minimum course requirements are as follows: BIO 234-235; CHE 111-112; PHY 101-102; and choice of MAT 270 or PSY 351. Finally, PSY 201, 305, and 410 are highly recommended.

COURSE DESCRIPTIONS FOR CHEMISTRY (CHE)

101. General Chemistry I: (4 hours) An introduction to inorganic chemistry designed for the non-chemistry major.

111. Inorganic Chemistry I: (4 hours) The study of the fundamental principles of atomic structure, bonding, gas laws, liquids, solids, and electrochemistry.

112. Inorganic Chemistry II: (4 hours) An introduction to thermodynamics, kinetics, acids, bases, and chemical equilibrium. Prerequisite: CHE 111.

211. Organic Chemistry I: (4 hours) A systematic study of the compounds of carbon covering hydrocarbons, stereochemistry, aromatic compounds and organic instrumentation. Prerequisite: CHE 111-112.

212. Organic Chemistry II: (4 hours) A continuation of CHE 211 covering the basic functional groups encountered in organic chemistry. Prerequisite: CHE 211.

301. Analytical Chemistry: (4 hours) Principles and methods of quantitative analysis. Prerequisite: CHE 112.

311. Physical Chemistry I: (4 hours) A thorough, relatively advanced treatment of the first major branch of P-Chem, that of thermodynamics. Derived thermodynamic relations will be applied to gases, liquids, solids, and multiphase systems. Three hours of lecture and three hours of laboratory per week. Prerequisites: CHE 111 and 112, MAT 251.

312. Physical Chemistry II: (4 hours) The second major branch of physical chemistry, that of quantum chemistry. It will give a thorough introduction to chemistry’s foundational connections to quantum mechanics/physics. Topics will include basic statistics, fundamental postulates of quantum mechanics, single quantum particles, the atom, simple molecules, spectroscopy, and some computational chemistry. Satisfies writing intensive course requirements. Prerequisites: PHY 101 and 102; MAT 251; CHE 111 and 112.

313. Physical Chemistry III: (4 hours) The continuation and tying together of Physical Chemistry I and II into the third branch of P-Chem, that of statistical thermodynamics. Satisfies writing intensive course requirements. Prerequisites: CHE 311 and CHE 312.
406-407. **Chemical Research:** (1 to 4 hours per semester, not to exceed 6 hours) Research involving library and laboratory work that allow students the opportunity to pursue study in a specialized area in collaboration with a faculty member. Prerequisite: Permission of instructor.

410. **Qualitative Organic Analysis:** (4 hours) Emphasis on the systematic identification of pure organic compounds and the analysis of mixtures. Prerequisite: CHE 212.

411. **Biochemistry I:** (4 hours) A study of the structure and function of biological molecules such as amino acids, proteins, carbohydrates, lipids, and nucleic acids. Includes enzymes, enzyme kinetics, and an introduction to metabolic pathways. Four hours of lecture and three hours of lab per week. Prerequisite: CHE 211.

412. **Biochemistry II:** (3 hours) An in-depth study of biochemistry topics such as the major metabolic pathways and energy considerations, genes and transcription, structure and function of membranes, and signal transduction. Four hours of lecture per week. Prerequisite: CHE 411.

415. **Instrumental Analysis:** (4 hours) An introduction to instrumental methods of analysis. Prerequisite: CHE 112.

480-481. **Chemistry Seminar:** (1 hour each) Reading and discussion of papers from scientific journals. Students will also make presentations from an area of current research in chemistry. Satisfies writing intensive requirements. Prerequisites: CHE 111, 112, 211, and 212.

492. **Special Topics in Chemistry:** (1 to 8 hours) Current developments in chemistry. Prerequisite: Permission of instructor.

**COURSE DESCRIPTIONS FOR PHYSICS (PHY)**

101-102. **General Physics:** (4 hours each) A study of the fundamental principles of mechanics and sound the first trimester; of heat, light, magnetism, and electricity the second trimester. Prerequisite: MAT 131, 132. Three hours lecture and three hours laboratory a week, both trimesters.

103. **Introduction to Modern Physics:** (3 hours credit) An extension of, and addition to the material covered in PHY 101-102. It is to start with the fundamentals of optics leading to the wave-particle duality of quantum mechanics, lasers, relativity, atomic, nuclear and particle physics. Prerequisites: MAT 131, 132, and PHY 101 and 102.

211-212. **Engineering Physics:** (4 hours each) A study of the principles of physics with calculus designed especially for pre-engineering students. Prerequisite: MAT 151. Three hours lecture and three hours laboratory a week, both trimesters. Offered on demand.
COURSE DESCRIPTIONS FOR PHYSICAL SCIENCE (PHS)

151. Physical Science: (3 hours) A basic study of chemistry and physics. Three hours lecture.

201. Earth and Space Science: (3 hours) An introduction to astronomy, geology and meteorology.

PRE-ENGINEERING

Two years at William Carey University followed by two years in residence at a school of engineering will provide the opportunity of earning a degree in engineering. The specific program of study for each pre-engineering student is planned with the consultation and approval of the pre-engineering advisor. Details concerning this program can be obtained from the chair of the department of mathematics.
The criminal justice major will prepare students to enter careers in various federal, state, and local law enforcement, corrections, and court related agencies. Students will also be prepared to enter similar career paths in the private sector or to pursue graduate study. The major is available in either the B.A. or the B.S. degree program. Students who anticipate graduate study are advised to consider the B.A. degree option.

REQUIREMENTS

The criminal justice major consists of 45 hours, including 36-39 hours of required courses and 6-9 hours of elective courses. In addition to the general undergraduate admission and graduation requirements for William Carey University, students majoring in criminal justice who have attended and successfully completed the National FBI Academy or the Southern Police Institute may receive up to 30 hours of credit in criminal justice courses. Students majoring in criminal justice who have graduated from any state certified law enforcement academy may receive up to 12 hours of credit in criminal justice courses.

A criminal justice minor consists of 18 hours of criminal justice courses, excluding CRJ 497 and CRJ 498.

PROGRAM OF STUDY

Required courses in the criminal justice major (36-39 hours)

CRJ 220 Introduction to Criminal Justice
CRJ 310 Foundations and Theory of Criminal Justice
CRJ 320 Introduction to Corrections
CRJ 330 Introduction to Police Administration
CRJ 340 Criminal Investigation
CRJ 350 Introduction to Juvenile Justice
CRJ 360 Criminal Law
CRJ 361 Constitutional Law
CRJ 420 Research Methods
CRJ 440 Evidence, Search, and Seizure
CRJ 497 Criminal Justice Internship (3-6 hours)
CRJ 498 Senior Capstone Seminar

Elective courses in the criminal justice major (6-9 hours)

CRJ 210 Introduction to Criminology
CRJ 355 Gangs and Deviant Behavior
CRJ 380 Forensic Science, Drug Identification
CRJ 431 Homeland Security I, Domestic Threats
CRJ 432 Homeland Security II, International Threats
CRJ 433 Cybernetics, Security, and Law Enforcement
CRJ 434 Institutional Security Management
Course Descriptions for Criminal Justice (CRJ)

210. Introduction to Criminology: (3 hours) An introduction to nature of crime, crime causation, crime trends, and theories of crime.

220. Introduction to Criminal Justice: (3 hours) A survey of agencies, processes, and subdivisions involved in and that make up the entirety of the criminal justice system, including courts, law enforcement, and corrections.

310. Foundations and Theories of Criminal Justice: (3 hours) A comparative analysis of theories of criminal justice as they have evolved and been applied in Western Civilization. Prerequisite: CRJ 220.

320. Introduction to Corrections: (3 hours) The historical development and evolution of punishment, correctional institutions and practice, and community corrections.

330. Introduction to Police Administration: (3 hours) An examination of the organization and administration of law enforcement functions. Prerequisite: CRJ 220

340. Criminal Investigation: (3 hours) Principles of fundamental criminal investigation, including crime scene evidence collection and preservation, interrogation techniques, and surveillance. Prerequisite: CRJ 220

355. Gangs and Deviant Behavior: (3 hours) A historical survey of street gangs and other deviant groups in America. Students will obtain a working knowledge of street gangs.

360. Criminal Law: (3 hours) Elements and principal rules of criminal liability particularly as it relates to the law enforcement function.

380. Forensic Science, Drug Identification: (3 hours) An overview of the forensic properties and identification of drug properties. Designed to acquaint students with a wide range of illicit street drugs, prescription drugs, and over the counter drugs used in making illegal drugs.

431. Homeland Security I—Domestic Threats: (3 hours) The prevention of threats and response to acts of domestic terrorism is emphasized including the criminal justice system’s role in homeland security.

432. Homeland Security II—International Threats: (3 hours) The prevention of threats and response to acts of international terrorism is emphasized including the criminal justice system’s role in homeland security.

433. Cybernetics, Security, and Law Enforcement: (3 hours) An exploration of electronic technology in the criminal justice system, including the uses of technology in crime and the role of technology in law enforcement.
434. **Institutional Security Management:** (3 hours) An examination of the challenges of maintaining safety and security in institutional settings, including educational institutions.

420. **Criminal Justice Research:** (3 hours) Overview of research methods in criminal justice, formulation and testing of hypotheses, sampling, collection, analysis, and interpretation of data.

440. **Evidence, Search and Seizure:** (3 hours) Rules of evidence; criminal procedure in arrest, search, and seizure. Supreme Court and 5th Circuit Court of Appeals decisions affecting law enforcement are closely analyzed.

450. **Comparative Criminal Justice:** (3 hours) Contrasts and similarities between American and European criminal justice systems.

497. **Criminal Justice Internship:** (3-6 hours) The student gains practical experience in a criminal justice agency under the supervision of qualified personnel. Prerequisite: Must be a criminal justice major with senior status.

498. **Senior Capstone Seminar, Critical Issues in Criminal Justice:** (3 hours) Analysis and discussion of topics relating to crime and justice in America as conveyed by required CRJ courses. Prerequisite: Must be a criminal justice major with senior status.
The aims of the department of mathematics are: (1) to give each student enrolled in the department an insight into the nature of mathematics and to acquaint students with some of its fundamental principles, (2) to offer the appropriate mathematical preparation to students pursuing a course of study for which certain mathematics courses are prerequisites, and (3) to provide training for those students whose major interest is mathematics, including those preparing to teach mathematics in secondary schools, those seeking industrial employment, and those planning to do graduate work in mathematics.

REQUIREMENTS

Mathematics Major: A major consists of 33 semester hours including MAT 151, 152, 251, 252, and eighteen additional hours in courses numbered above 252, excluding MAT 316 and MAT 345. Mathematics majors are also required to take at least three one-hour or one credit hour courses from MAT 109, 209, 210, 309, 310, 409, and 411. Majors in the secondary education program must take MAT 210, 310, and 411. The specific program of study for each student is planned with the consultation and approval of the faculty advisor. Students may elect either the Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) degree.

Mathematics Minor: A minor consists of eighteen semester hours including MAT 151, 152 and six semester hours numbered above 252. No course numbered below 131 is to be used in meeting the requirements for a minor in mathematics.

Mathematics Major, Teacher Licensure: To be licensed to teach mathematics at the secondary level, a student must meet the following requirements: 1) completion of all core curriculum requirements for the B.A. or B.S. degree, 2) completion of all professional requirements mandated by the State of Mississippi licensure standards, 3) completion of the requirements for a major in mathematics that includes MAT 210; 310; 411; 335; 270 or 336 or 337; 341; 436; 441 or 342 or 338; and three additional hours of approved mathematics electives numbered above MAT 252. Students must be advised from the both the department of mathematics and the department of education.
COURSE DESCRIPTIONS FOR MATHEMATICS (MAT)

100. Elementary Mathematics: (3 hours) A course that is designed to provide basic skills in arithmetic, algebra, and geometry. Whole numbers, fractions, decimals, percentage problems, beginning algebra, formulas and measurement. The class meets five times a week. May not be used for core curriculum requirements. Grade: Pass/Fail.

109. Mathematics Seminar I: (1 hour) How to use graphing calculators or computer programs to explore mathematics topics.

116. Fundamental Mathematics I: (3 hours) In this course special attention is given to the nature of mathematics as well as to the structure and properties of the real number system. Topics include logical reasoning, problem solving, the real number system and its subsystems: natural numbers, integers, and rational numbers.

121. Intermediate Algebra: (3 hours) A course that treats beginning and intermediate topics in algebra including quadratic equations and systems of linear equations. Prerequisite: one unit of high school algebra.

131. College Algebra: (3 hours) Linear and quadratic equations, graphs of relations and functions, systems of equations, polynomial functions, logarithmic and exponential functions. Prerequisite: Two units of high school algebra or MAT 121.

132. Trigonometry: (3 hours) Trigonometric functions, applications, trigonometric identities and equations, graphs, inverse trigonometric functions, and triangle solution. Prerequisite: Two units of high school algebra or MAT 121 or MAT 131.

150. Precalculus: (3 hours) A modified study of polynomial, rational, exponential, logarithmic, trigonometric, and two-variable functions. Emphasis is on analyzing and graphing these functions using analytic methods as well as with the use of graphing calculators. Prerequisite: Two units of high school algebra and one unit of geometry or MAT 131 or permission of the instructor.

151. Calculus with Analytic Geometry I: (3 hours) Topics will include limits, derivatives and applications of derivatives. Prerequisite: MAT 150.

152. Calculus with Analytic Geometry II: (3 hours) Topics will include the definite integral, analytic geometry, and transcendental functions. Prerequisite: MAT 151 (trigonometry required as a prerequisite or corequisite).

209. Mathematics Seminar II: (1 hour) A sophomore level course, primarily for mathematics majors or minors but open to all students. Sample topics: computer algebra systems, problem-solving, properties and graphs of functions.

210. Field Experience I: (1 hour) Twenty hours of supervised field experience in public school including tutoring, small group instruction, grading, and other assessment activities as deemed appropriate by the classroom teacher.

251. Calculus with Analytic Geometry III: (3 hours) Topics will include applications of integration, indeterminate forms, improper integrals, and infinite series. Prerequisite: MAT 152.
252. **Calculus with Analytic Geometry IV**: (3 hours) Topics include vectors, analytic geometry in three dimensions, partial derivatives, and multiple integrals. Prerequisite: MAT 251.

270. **Elementary Statistics**: (3 hours) Frequency distributions, central tendency, dispersion, normal distribution, and sampling. Prerequisite: MAT 131.

309. **Mathematics Seminar III**: (1 hour) A junior level course for mathematics majors or minors. Sample topics: famous theorems, readings in mathematics, complex numbers.

310. **Field Experience II**: (1 hour) Twenty hours of supervised field experience in public school including tutoring, small group instruction, grading, and other assessment activities as deemed appropriate by the classroom teacher.

316. **Fundamental Mathematics II**: (3 hours) Topics will include basic concepts of geometry, measurement, probability, and statistics, with an emphasis on reasoning, problem solving, and communication of mathematical ideas. Prerequisite: MAT 116 or permission of the instructor.

335. **Foundations of Mathematics**: (3 hours) Logic, sets, relations, functions, denumerable sets, cardinal numbers, and ordered sets, with emphasis throughout on the nature and technique of mathematical proof. Prerequisite: MAT 152 and consent of instructor.

336. **Probability**: (3 hours) An introduction to probability with some statistical applications. Equally likely events, finite sample spaces, and random variables. Prerequisite: MAT 152.

337. **Mathematical Statistics**: (3 hours) A study of statistical theory and applications with emphasis on inferential statistics. Topics include confidence intervals, hypothesis testing, correlation and regression, analysis of variance, and other topics. Prerequisite: MAT 152.

338. **Discrete Mathematics**: (3 hours) Topics will include sets, mathematical induction, relations and functions, algorithms, difference equations, graphs, combinatorics, and Boolean algebra. Prerequisite: MAT 152.

341. **Linear Algebra I**: (3 hours) A first course in linear algebra. Systems of linear equations, matrices, determinants, vector inner product, vector cross product, and applications of linear algebra, with an introduction to vector spaces and linear transformations. Prerequisite: MAT 131 or MAT 150.

342. **Linear Algebra II**: (3 hours) A continuation of MAT 341. An in-depth study of linear algebra topics and applications with emphasis on vector spaces, inner product spaces, linear transformations, eigenvectors, eigenvalues, and an introduction to numerical methods. Prerequisite: MAT 341.

409. **Senior Seminar I:** (1 hour) A capstone course for mathematics majors. A comprehensive overview of the mathematics curriculum with emphasis on a thorough knowledge of key concepts and an exploration of relationships between topics.

411. **Field Experience III:** (1 hour) Twenty hours of supervised field experience in public school including tutoring, small group instruction, grading, and other assessment activities as deemed appropriate by the classroom teacher.

436. **Geometry:** (3 hours) Euclidean and non-Euclidean geometries with emphasis given to their logical development from basic assumptions. Prerequisite: MAT 151, and trigonometry, or permission of instructor.

441. **Abstract Algebra:** (3 hours) The algebraic structure of the rational, real, and complex numbers. Prerequisite: MAT 335 or permission of instructor.

451. **Advanced Calculus:** (3 hours) An intensive and detailed study of continuous and differentiable functions. Prerequisite: MAT 252. Offered on demand.

471. **History and Philosophy of Mathematics:** (3 hours) The origins, philosophy, and chronological development of the mathematical sciences with emphasis on mathematical concepts and their interrelations. Prerequisite: MAT 252 or permission of instructor.
The purposes of the department of psychology and counseling are:

1. To offer an undergraduate major in psychology that will serve as a concentration for the liberal arts student.

2. To prepare students for graduate study leading to an advanced degree for the professional psychologist.

3. To enable students to gain a better understanding of themselves and others and to learn to cope effectively with their environments.

THE HOLLOWAY CENTER
FOR BIVOCATIONAL MINISTRY
T. Brett Golson, Ph.D., Director

The Holloway Center was established as a resource center for busy pastors who wish to continue sharpening their skills in preaching, leadership, and pastoral ministry. The center hosts a number of events each year from various ministry related areas such as how to prepare and preach an expository sermon. For more information visit our website at www.http://wmcarey.edu/hollowaycenter.

THE OWEN AND ELIZABETH COOPER INSTITUTE OF MISSIONS
Tim Glaze, D.Min., Director

Named for the outstanding Mississippi Baptist industrialist Owen Cooper and his wife Elizabeth, the institute promotes missions awareness, conducts missions seminars, provides training, assists with planning of university affiliated mission trips, and evaluates the disbursement of missions funds. By providing opportunities for local, national, and international mission experiences, the institute prepares students to communicate the Gospel responsibly in an intercultural context. Owen Cooper was the only Mississippian to serve as the president of the Southern Baptist Convention and one of only two laymen to serve in that position.
Music study at the Winters School of Music and Ministry Studies is designed to realize the purpose and specific objectives of the university. Students are challenged to discover and develop their own musical capacities and interests so they may fully realize their own self-expression, may enjoy music as recreation, or may utilize music as a profession.

William Carey University is an accredited institutional member of the National Association of Schools of Music and the American Music Therapy Association.

Graduates with the Bachelor of Music education degree will have fulfilled all requirements leading to licensure with the Mississippi State Department of Education for teaching K through 12. The Bachelor of Music degree with a major in music therapy is approved by the American Music Therapy Association, affording graduates the right to sit for the national examination and, upon successful completion of such, to be board certified.

ADMISSION TO MUSIC CURRICULUM

1. MUSIC AUDITION. Prior to admission, each candidate is required to perform selections of vocal and/or instrumental music that represents the student’s highest level of proficiency before a committee comprised of the music faculty. In certain instances, a student may be admitted as a provisional music major who has not had the formal training necessary to perform the suggested literature but who demonstrates exceptional talent.

2. EVALUATION OF TRANSFER CREDITS. Advanced standing in applied music is granted only upon successful completion of upper-level and/or proficiency examinations (see below). Transfer credit will not be given for a grade of “D” in any music course towards a music major or minor.

**ADDITIONAL REQUIREMENTS**

1. All music majors must participate in a major ensemble based on their applied
concentration each semester enrolled as a music major. Major ensembles include
Chorale, Chapel Choir, Symphonic Winds, or Concert Band. Music education and
music therapy majors are not required to participate in an ensemble while in the
process of student teaching or completing an internship.
2. Performance majors will perform at least a half recital (25 to 30 minutes) in the junior year and a full recital (45 to 55 minutes) in the senior year. All other B.M. students may elect to perform a half recital in the junior or senior year OR complete an appropriate final project approved by the major professor in respective degrees. Students must register for Applied Music Concentration until recital requirements have been met.

3. RECITAL ATTENDANCE. Music majors will register for MUR 000—recital class (no credit) each trimester of study, requiring attendance at 80% of all recitals presented by the School of Music. During the final trimester of study, students will register for MUR 001—Recital class completion.

4. UPPER-LEVEL EXAMINATIONS. Following the completion of the sophomore theory (form and analysis) and the completion of two full years of applied study, a special examination will be given to determine each student’s eligibility for upper-level music study. Transfer students who have had two years of study do not have to complete form and analysis before taking the upper level. This exam will consist of a 12-minute program in the applied concentration and a short sight-singing proficiency. A student must continue to register for applied music at the sophomore level until the exam is successfully completed.

Transfer students with two previous years of college credit in their concentrations will be allowed to register for upper-level study, but must pass the upper-level exam by the end of their first trimester of study at William Carey University to receive advanced course credit.

5. PROFICIENCY EXAMINATIONS. All music majors must pass the piano proficiency exam. Students must remain enrolled in piano classes until the proficiency exam is completed. All music majors and minors must pass a proficiency exam in their secondary area of applied music.

6. Music majors and minors must make a grade of “C” or better in all music courses.

SCHOOL OF NURSING
Janet K. Williams, R.N., Ph.D. (Dean)

Professors Cooksey, Loveless, J. Williams; Associate Professors Brady, Chatham, Dennis, Krebs, Nesbitt, Sicard; Assistant Professors Barton, F. Browning, Earl, Gatlin, Hancock, W. Jones, Jupiter-McCon, McGill, Mansell, E. Scott; Instructors Langley, Jill Smith

As an integral part of William Carey University, the School of Nursing shares the overall purpose and objectives of the university. It seeks to prepare individuals for self-directed practice and continuing growth in professional nursing; for formal graduate study; and for service to people as an expression of the Christian life and commitment.

Nursing is offered on all three campuses of the university. The overall operations of the School of Nursing are administered by the dean of nursing.

The School of Nursing is accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC, 20036-1120, (202.887.6792); by the Board of Trustees, Institutions of Higher Learning of the State of Mississippi, and approved by the Louisiana State Board of Nursing.

GRADUATE OUTCOMES FOR PRELICENSURE BSN AND RN TO BSN STUDENTS

Upon completion of the program of study in William Carey University School of Nursing, the professional nurse graduate is expected to be able to perform the following competencies:

• Synthesize knowledge from a liberal arts education, the Christian domain, and nursing to assist clients in a variety of health care settings.

• Implement holistic, culturally competent, patient-centered care that reflects an understanding of pathophysiology, pharmacology, therapeutic modalities, and nursing management across the health-illness continuum, across the lifespan, and in all healthcare settings.

• Utilize evidence-based practices to guide health promotion activities.

• Incorporate inter- and intrapersonal communication and collaborative skills to deliver evidence-based, patient-centered care.

• Integrate the concepts of theory, practice, and research in order to demonstrate effective clinical reasoning.

• Apply leadership concepts, skills, and decision making in the provision of high quality nursing care, healthcare team coordination, and the oversight and accountability for care delivery in a variety of settings.

• Apply safeguards and decision making support tools embedded in patient care technologies and information systems to support a safe practice environment for both patients and healthcare workers.
• Explain the impact of socio-cultural, economic, legal, and political factors on health care delivery systems and nursing practice.
• Demonstrate the professional standards of moral, ethical, and legal conduct.
• Assume accountability for personal and professional behaviors.
• Integrate Christian principles and professional values—altruism, autonomy, human dignity, integrity, and social justice—into service to clients.

The School of Nursing graduate outcomes reflect the expectations of the nursing profession and the community of interest as stated in The Essentials of Baccalaureate Education for Professional Nursing Practice (AACN, 2008).

PRE-LICENSE NURSING PROGRAM

ADMISSION OF STUDENTS

Applicants to the School of Nursing must be students in good standing at William Carey University and must have completed designated pre-requisite courses with a grade of at least “C” in each course. Applicants must also have completed all but 9 hours of designated core courses with a “C” average. All applicants seeking the B.S.N. degree must submit an application to the campus they plan to attend. An application will be considered on one campus only per admission period. Applicants are responsible for completing the entire application and having it notarized. No incomplete applications will be considered. Although applications for the School of Nursing are available all year, they are accepted only twice a year for consideration for admission. A student who is reapplying to the School of Nursing must submit a new, notarized application. Once admitted to nursing on one campus, all nursing courses must be taken on that campus.

The following rule pertains to BIO 234, 235, 260, 306, CHE 101, and HEA 240. Any student with two or more Ds or Fs in the same course or a combination of Ds or Fs in two courses are not eligible for admission to the nursing program.

In addition to completion of the designated courses, each applicant must have a cumulative grade point average of 2.75 or higher on pre-nursing coursework (including those repeated), and meet the benchmarks on the pre-entrance examination. Hours taken at William Carey University are also considered in the application process. Admission to the School of Nursing is competitive, and those requirements are minimum. Students being admitted to the university or meeting these minimum requirements are not guaranteed admission to the School of Nursing. Students having recently made two Ds or Fs in nursing clinical courses are ineligible. Students having recently made two Ds or Fs in the same nonclinical course are ineligible. If the Ds or Fs were made three or more years previously, a written appeal to reapply may be presented to the nursing leadership team committee.

Students who are in good standing and withdraw from the program may readmit to the program within one year of the exit date. Students who withdraw and do not readmit within one year of their exit date are not eligible to progress and must apply for readmission to the program. Readmission will be based on current admission requirements.
Students wishing to transfer to the School of Nursing from another institution must provide a letter of good standing from the school of nursing at that institution and must meet admission requirements equivalent to the Joseph and Nancy Fail School of Nursing. A transfer credit request form, with relevant syllabus must be completed (by the student) before transfer credit will be considered.

Only transferable courses (courses that are equivalent to the Joseph and Nancy Fail School of Nursing courses) will count in the nursing GPA. If a student is unsuccessful in a transferable nursing course, that course will count as one nursing failure for admission and progression.

The following courses are required for admission to the School of Nursing: BIO 234, 235, 260, 306; CHE 101; COM 101; ENG 101, 102; HEA 240; MAT 131; PSY 201, 305, 351; SOC 101, NUR 101. Applicants must be able to meet the core performance standards found on WCU website www.wmcarey.edu.

In order to establish computer proficiency, each applicant must pass an exam or have taken one approved computer course prior to enrolling in NUR 309 of the nursing major.

**Criminal background check.** All students enrolled in nursing must receive a clear criminal background check. This is a mandatory requirement as part of the Mississippi state law, Section 43-13-11 of Mississippi Code of 1972 and in accordance with R.S. 37:921, LAC 64:XLVII.3403 and LAC 46:XLVII.3331 of the Louisiana State Board of Nursing.

The School of Nursing will offer fingerprinting services for students to acquire a criminal background check as part of the admissions process. All fees associated with the criminal background check and fingerprinting process are the responsibility of the student and must be paid through the William Carey University Business Office. Criminal background check fees are nonrefundable.

After initial enrollment, any subsequent disciplinary action, arrest, charge, addiction, or impairment shall also be reported immediately to the academic coordinator. Failure to report any and all subsequent disciplinary actions, arrests, or impairment will constitute falsification of records and may result in denial of licensure as a registered nurse.

**Drug testing.** All students enrolled must provide evidence of a negative drug screen prior to participating in nursing clinical courses. Failure to provide a sufficient hair sample or refusal to submit to testing will result in denial of admission for new students and immediate dismissal from the School of Nursing for continuing students. Random drug screening will be done for students enrolled in clinical courses.

Any admitting student who tests positive for illegal drugs must withdraw from clinical nursing courses. The student may reapply for admission in six months and will be admitted based on admission criteria as any new student making application.

Any continuing student who tests positive for illegal drugs must meet with the campus program coordinator to determine the course of action. If the action taken is for the student to withdraw from the program, the student may make a written appeal for re-admission in six months to the nursing leadership team.
All costs associated with drug testing and criminal background checks are the responsibility of the student. Substance testing fees are nonrefundable.

**COURSE DESCRIPTIONS FOR NURSING (NUR)**

(Credit hours/Lecture hours/Lab hours = Credit hours x 1.25 clock hours = ___ x 3 hours = lab)

101. **Introduction to Nursing Art and Science:** (3/3.75) This course is designed to introduce selected concepts, principles, and content basic to the practice of nursing in order to prepare students for entry into and progression through nursing school. Dosage calculation and clinical reasoning/decision making skills utilizing the nursing process are emphasized.

300. **Theories of Mental Health Nursing:** (2/2.5) Review of the theories of mental health/illness and clinical applications using the nursing process. Emphasis is placed on promotion of mental health with individuals, families, groups and communities.

303. **Fundamentals of Nursing:** (4/3.75/3.75) A course designed to familiarize the student with the nature of nursing and the nurse’s role in health care. Emphasis is placed upon critical thinking, nursing process, study and practice of basic techniques and skills of nursing care and the application of appropriate scientific principles. Prerequisite: Admission to nursing major.

304. **Assessment and Health Promotion:** (4/3.75/3.75) A study of basic concepts and the development of skills to assess the health status of the individual adult client, including the older adult. Emphasis is placed on obtaining health history, physical examination techniques for the different body systems as well as communication and documentation. Health promotion concepts are introduced. Prerequisite: Admission to nursing major.
307. Pathophysiology: (2/2.50) A study of the disturbances of normal physiology, the mechanisms producing these disturbances and the ways in which they are expressed symptomatically. Prerequisite: Successful completion of NUR 303 or NUR 304.

309. Introduction to Professional Writing: (2/2.50) A writing intensive course that includes clinical practice guidelines and scholarly journals to introduce concepts of professional writing including APA style. Students will be formally introduced to information technology in nursing, health, and healthcare. They will develop an understanding of the foundations of applied informatics including the ethical use of electronic health records in nursing documentation. This course is focused upon gaining foundational informatics literacy. Prerequisite: Admission to nursing major.

310. Adult Health Nursing I: (6/3.75/12) Focuses on the care of adult clients with health alterations that require medical and/or surgical intervention. Emphasis is placed on the care of clients with alterations in selected body function. Contemporary nursing concepts are used as a framework to facilitate client-centered, culturally competent care to a diverse patient population. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe client care to adults in a variety of settings, within the scope of practice of the baccalaureate prepared registered nurse. Prerequisites: NUR 303, 304, 309.

311. Gerontological and Mental Health Nursing: (5/3.75/8) Focuses on the care of clients experiencing cognitive, mental and behavioral disorders. Also focuses on incorporating evidenced-based, client-centered, culturally competent and developmentally appropriate interventions to facilitate maintenance of physiological and psychological integrity for the older adult client. Emphasis is placed on promoting and maintaining care for geriatric clients, as well as clients facing emotional and psychological stressors. Contemporary nursing concepts are used to facilitate crisis intervention, therapeutic communication, and coping skills for clients and families from diverse populations. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe client care to older adult clients and clients in selected mental health settings. Prerequisites: NUR 307, 310.

312. Women’s and Children’s Health Nursing: (6/5/8) Focuses on providing an integrative, family-centered approach to the care of mothers, newborns, children and adolescents. Emphasis is placed on normal and high-risk pregnancies, normal growth and development, family dynamics, common pediatric disorders and the promotion of healthy behaviors in clients and their families. Common women’s health issues across the lifespan will be addressed. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe client care to mothers, newborns, and children in a variety of acute care and community settings. Prerequisites: NUR 311, 313.

313. Consumers of Evidence-Based Practice: (2/2.50) A writing intensive course that will expound on the use of evidence-based nursing practice. This course will provide students with an understanding of the issues pertaining to global health. Focus will be placed on utilization of scientific inquiry to achieve cost-effective, high quality patient outcomes. Emphasis will be placed on economic, social, political, and professional trends in relation to their implications for a continually changing practice and utilization of the research process. Prerequisites: NUR 307, 310.
330. **Community Service**: (1 to 3 hours) This course is designed to allow students to provide volunteer service to individuals/groups in the surrounding community through existing community agencies. The student will choose the type of service desired from a group of agencies agreeing to participate with William Carey University’s School of Nursing for this elective experience. This course may be repeated a maximum of 5 times for a maximum of 9 hours. Prerequisite: Admission to nursing major.

387. **Clinical Applications of Laboratory Tests**: (1/1.25) *Nursing elective*. This course teaches clinical laboratory diagnostic tests and procedures as they relate to the identification and diagnosis of systemic disorders of the human body. This includes blood chemistry, hematology, urinalysis, and a variety of other laboratory tests.

388. **Intravenous Nursing**: (1/1.25) *Nursing elective*. This course applies critical thinking approaches to understanding intravenous management across the life span. General principles of intravenous maintenance and pharmacology with utilization of the nursing process are applied from a clinical perspective (health promotion and disease management) in the context of individual patient-centered scenarios.

391. **Applied Pharmacology: Pharmacotherapeutics Across the Life Span**: (2/2.50) *Nursing elective*. Applies critical-thinking approaches to understanding pharmacotherapeutics across the life span. General principles of pharmacology and the nursing process are applied from a clinical perspective (health promotion and disease management) in the context of individual patient-centered scenarios. Prerequisite: Admission to nursing major.

392. **Nursing Extras**: (2/2.50) *Nursing elective*. Applies critical thinking skills in order to develop a basic proficiency to complex nursing content and skills. Focuses on nursing process, developing care plans, documentation, nursing implications of medication administration, and nursing implications of diagnostic testing. Prerequisite: Admission to nursing major.

393. **Women’s Health Issues**: (2/2.50) *Nursing elective*. Exploration of the latest developments in women’s health. The student will investigate selected topics through Internet, journal, and library searches. The student should receive an appreciation for current issues that affect women and the health care system that serves them. Prerequisite: Admission to nursing major.

394. **Death and Dying**: (2/2.50) *Nursing elective*. Addresses needs of the patient and the patient’s extended support system during the processes of dying, death, grief, and bereavement. Explores needs across the life span as well as some of the transcultural and spiritual aspects surrounding death and dying. Designed to enhance the knowledge base of the future health care worker in order to provide care for the patient and their support system faced with issues at the end of life such as grief, bereavement, loss, palliative care, and legal and ethical aspects of the death and dying process. The course also addresses theories and terminology surrounding end of life issues and explores the concepts of hospice, palliative care, and advanced directives. Prerequisite: Admission to nursing major.

395. **Legal and Ethical Aspects of Nursing Practice**: (2/2.50) *Nursing elective*. Designed to encourage students to formulate health care decisions based on legal parameters and ethical principles. Examines legislation that impacts nursing and provides guidelines for providing safe effective care within legal boundaries. Ethical theories
and principles are analyzed as they are applied to dilemmas frequently encountered in nursing practice. Prerequisite: Admission to nursing major.

396. **Study Skills and Test Taking Strategies for Nursing Students** *(2/2.50) Nursing elective.* Provides an introduction to the strategies necessary for reading assigned texts, comprehending the content and successful test taking skills. Focuses on identifying personal learning style, time-management skills, improving concentration; vocabulary development; reading comprehension; study skills; and test-taking strategies. Prerequisite: Admission to nursing major.

397. **Environmental Health Nursing** *(2/2.50) Nursing elective.* Focuses on an apolitical approach to understanding how the environment works. Major aspects of our environment will be explored utilizing concepts from biology, chemistry, and health sciences. Causative factors of environmental damage and possible solutions will be explored. Emphasis is on primary prevention of environmental health stressors and integration of knowledge that can be applied to individuals, families, groups and communities. The proposed solutions and interventions will be addressed not only through the aspect of the professional nurse, but also from that as an informed and concerned citizen of the world. Prerequisite: Admission to nursing major.

398. **Nursing Care of Older Adults** *(2/2.50) Nursing elective.* Exploration of the needs and nursing care of older adults. Examines the science of gerontological nursing. The focus is on implications related to myths, misconceptions, and current issues of aging that influence the nursing care of older adults. Prerequisite: Admission to nursing major.

399. **Basic EKG Interpretation for Nurses:** *(2/2.50) Nursing elective.* This course applies critical-thinking approaches to understanding the dynamics of the cardiac cycle. General principles of anatomy, physiology, and pharmacology are applied to the management of clients with cardiac dysrhythmias within the framework of the nursing process.

426. **Adult Health Nursing II:** *(6/3.75/12)* Focuses on advanced nursing care of adult clients with complex, multi-system medical/surgical health alterations. Emphasis is placed on facilitating effective care and coping skills for clients/families with complex alterations in body functions. Contemporary nursing concepts and interdisciplinary collaboration are used as a framework to facilitate client-centered, culturally competent care to a diverse patient population. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe client care to adults and selected groups in a variety of settings, within the scope of practice of the baccalaureate prepared registered nurse.

438. **Community Health Nursing:** *(3/2.5/3.75)* The concepts of humankind, society, environment, health, and nursing are integrated throughout the course. Humankind is viewed as a community consisting of individuals, families and groups. The impact of society on the community as viewed through culture is explored. The extent to which environment affects the health of the community is explored. Theories of communication, teaching/learning, change, and group process are discussed in relationship to society's influence on the community. Health promotion and maintenance of all age groups and cultures are emphasized. Epidemiological concepts applied to communicable diseases are emphasized. The role of the community health nurse is explored from the perspective of the Christian viewpoint.
Nursing Management of Client Care: (9/5/20) This course focuses on effective utilization of clinical reasoning necessary for professional nursing practice. Emphasis is placed on contemporary issues and management concepts, as well as development of the skills of delegation, conflict management, time management and leadership necessary to managing the care of multiple clients and collaborating with the interdisciplinary team. This course focuses on advanced nursing care of clients across the lifespan with complex multi-system health problems. Concepts of clinical judgment, priority setting, decision making, legal and ethical practice are integrated throughout the course. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe care to clients and selected groups in a variety of settings. This course will prepare the student for ACLS/PALS certification. Emphasis is placed on preparation and remediation for successful completion of the NCLEX-RN examination.

INSURANCE

All students in nursing courses must have malpractice insurance before entering the clinical setting. This fee is assessed during course registration.

ATTENDANCE

Refer to School of Nursing Undergraduate Student Handbook and individual course syllabi.

HEALTH STATUS REQUIREMENTS

All students entering nursing courses are required to have a completed School of Nursing history and physical form. All students must submit evidence of immunization compliance. Students must also submit the results of appropriate screening for TB and evidence of influenza vaccination annually. Failure to comply with all health requirements will result in the inability to attend the clinical portion of a course and failure of the course.

All students must complete (re)certification of CPR for the Health Care Providers course. Only certification by American Heart Association will be accepted. This will be done at an institution of the student's choice; however, only certification by American Heart Association or American Red Cross will be accepted. Students are responsible for the cost of certification. Students are responsible for submitting evidence of current certification to the nursing office for their file. Failure to do so will result in the inability to attend the clinical portion of a course and failure of the course.

Refer to School of Undergraduate Nursing Student Handbook for health status requirements for the School of Nursing.

PROGRESSION

Students must complete all nursing courses with a grade of C or better. In the event two grades of D or F are earned in clinical nursing courses, the student is ineligible to continue in nursing. Should the student fail any one required nonclinical nursing course two times, the student is ineligible to continue in nursing.
Students must meet the prerequisite requirements for each course. No student may progress through clinical courses without successfully completing with a grade of C or better the clinical course(s) previously attempted.

Progression through the courses in the nursing major is in three levels. Level I courses must be completed before progressing to Level II. No student may progress to clinical courses in Level III without successfully completing, with a grade of C or better, all required courses in Level II. If a student does not progress on schedule and becomes a part of a subsequent class, the student must adhere to the policies governing the current (new) class.

Students are required to participate in the Assessment Technologies Institute (ATI) comprehensive assessment and remediation (CARP) program throughout the nursing program. Students are required to take an ATI standardized comprehensive examination at the beginning of the final term of the nursing program. Further information is provided in the School of Nursing Undergraduate Handbook and the course syllabi.

REQUIREMENTS FOR GRADUATION

To be eligible for the degree of Bachelor of Science in Nursing, the student must have fulfilled all requirements of the university for graduation, completed all nursing courses with at least a "C" and be recommended by the dean and faculty. Graduates are eligible to apply to write the registered nurse licensure examination (NCLEX-RN) following successful completion of the curriculum. Graduation does not ensure eligibility for licensure.

RN-BSN COMPLETION PROGRAM

This program of study is designed to assist registered nurses who wish to earn a BSN. In order to meet the needs of the working registered nurse, courses are offered in a web-enhanced format requiring only three class meetings per term. The BSN degree requires successful completion of 66 hours of pre-requisite and core courses and 30 hours of upper division nursing course work. The remaining 24 hours are awarded as credit by merit of RN licensure. The pre-requisite/core course can be taken prior to or with the nursing curriculum, with the exception of PSy 351—Psychological Statistics, which must be taken prior to NUR 412—Introduction to Research or NRN 4600—Evidence Based Practice for RNs. Graduates of this program are expected to be able to perform the graduate outcomes for prelicensure BSN and RN to BSN students, listed at the beginning of the School of Nursing section of this catalog.
The RN-BSN student can complete the nursing component of the program of study in 12 months. Non-nursing courses can be completed at an individual pace within six years of initial enrollment at William Carey University.

ADMISSION OF STUDENTS

Requirements for admission into the RN-BSN program are: (1) graduation from a nationally accredited associate degree or diploma nursing program, (2) unencumbered licensure as a registered nurse in all states where licensed with no pending legal action, (3) good standing at William Carey University, and (4) cumulative grade point average of 2.5 on all courses taken toward meeting the nursing degree requirements.

All students wishing to enter the RN-BSN completion program must submit an RN-BSN application. No incomplete application will be considered. Applications are available online at the William Carey University website.

A grade of “C” or better is required in each prerequisite course. A “C” average is required on core courses. RNs entering the program are given credit for NUR 300, 303, 310, 311, and 426. Only 60 hours from a community college can be counted toward the remaining coursework required for the BSN degree. The last 30 hours must be completed at William Carey University.

William Carey University prelicensure BSN credit will not be applied as RN-BSN credit for students who have previously been unsuccessful in the William Carey University prelicensure BSN program. To be eligible for degree, all RNs admitted to the William Carey University BSN program must successfully complete all courses listed in the RN-BSN plan of study.

Criminal background check. All students enrolled in nursing must receive a clear criminal background check. This is a mandatory requirement as part of the Mississippi state law, Section 43-13-11 of Mississippi Code of 1972 and in accordance with R.S. 37:921, LAC 64:XLVII.3403 and LAC 46:XLVII.3331 of the Louisiana State Board of Nursing. RN-BSN students may provide evidence of a clear criminal background check upon entry, or the School of Nursing will offer fingerprinting services for students to acquire a criminal background check as part of the admissions process. All fees associated with the criminal background check and fingerprinting process are the responsibility of the student and must be paid through the William Carey University business office. Criminal background check fees are nonrefundable.

After initial enrollment, any subsequent disciplinary action, arrest, charge, addiction, or impairment shall also be reported immediately to the academic coordinator. Students in Louisiana must also report to the Louisiana State Board of Nursing (LSBN) in the same manner as in the initial application for progression for determination of continuance in the clinical courses. Failure to report any and all subsequent disciplinary actions, arrests, or impairment will constitute falsification of records and may result in denial of licensure as a registered nurse.

Drug testing. All students enrolled must provide evidence of a negative drug screen prior to participating in nursing clinical courses. Failure to provide a sufficient hair or urine sample or refusal to submit to testing will result in denial of admission for new students and immediate dismissal from the School of Nursing for continuing students. Random drug screening will be done for students enrolled in clinical courses.
Any admitting student who tests positive for illegal drugs must meet with the campus program coordinator to determine the course of action. If the action taken is for the student to withdraw from the program, the student may reapply for admission in six months and will be admitted based on admission criteria as any new student making application.

Any continuing student who tests positive for illegal drugs must withdraw from nursing courses. The student may make a written appeal for re-admission in six months to the nursing leadership team.

All costs associated with drug testing and criminal background checks are the responsibility of the student. Substance testing fees are nonrefundable.

COURSE DESCRIPTIONS FOR RN-BSN NURSING (NRN)
(Credit hours/Lecture hours/Lab hours
Credit hours x 1.25 clock hours = ___ x 3 hours = lab)

NUR 332 Pathophysiology for RNs: (2/2.50) Examines the disturbances of normal physiology, the mechanisms producing these disturbances and the ways in which they are expressed symptomatically. Prerequisite: Admission into the RN-BSN program.

345. Introduction to Baccalaureate Nursing: (3/3.75) Assists the RN in understanding the role of the baccalaureate nurse. Current issues of healthcare, healthcare delivery, the changing roles of healthcare providers, and opportunities for baccalaureate nurses are explored. Prerequisites: RN licensure and admission to nursing program.
346. **Applied Assessment and Health Promotion for RNs**: (4/3.75/3.75) A study focusing on building upon the basic concepts and the advancement of RN skills to assess the health status of the individual adult client, including the older adult. Emphasis is placed on obtaining health history, physical examination techniques for the different body systems, communication, documentation, health promotion concepts, and application of assessment skills to clinical reasoning. Prerequisites: RN licensure and admission to nursing program.

347. **Introduction to Professional Writing and Informatics for RNs**: (2/2.50) A writing intensive course that includes clinical practice guidelines and scholarly journals to introduce concepts of professional writing including APA style. RN students will be formally introduced to information technology in nursing, health, and healthcare. They will develop an understanding of the foundations of applied informatics including the ethical use of electronic health records in nursing documentation. This course is focused upon gaining foundational informatics literacy that can enhance their current nursing practice. Prerequisites: RN licensure and admission to nursing program.

348. **Gerontology Nursing for RNs**: (3/3.75) The focus of this course provides didactic guidance and application in assessment, diagnostic reasoning, and decision making regarding patient advocacy and health promotion of the geriatric client. Prerequisites: RN licensure and admission to nursing program.

**NUR 425 Managing Health Care for RNs**: (3/2.5/3.75) The study of basic leadership theories and skills, models for health care delivery and the political, socioeconomic, and professional issues of the workplace. Prerequisites: RN and consent of the instructor.

**NUR 432 Community Nursing for RNs**: (3/2.5/3.75) focuses on the nursing process outside the acute care setting. Man, nursing, health, and environment are analyzed as to their effect on community health. Prerequisites: RN and consent of the instructor.

460. **Evidence-Based Practice for RNs**: (2/2.50) A writing intensive course that will expound upon the role of the professional nurse in evidence-based practice. This course will provide RN students with an understanding of issues pertaining to global health. Focus will be placed on utilization of scientific inquiry to achieve cost-effective, high quality patient outcomes. Emphasis will be placed on economic, social, political, and professional trends in relation to their implications for a continually changing practice and utilization of the research process to enhance their current nursing practice. Prerequisites: RN licensure and admission to nursing program.

461. **The Role of the RN in Interdisciplinary Teams**: (2/2.50) The knowledge and skills nurses need to contribute to shaping the future of health care. Health care delivery systems, the nurse’s role in interprofessional/interdisciplinary teams, and organizational development from a nursing perspective. Prerequisites: RN licensure and admission to nursing program.
Transition to Baccalaureate Nursing: (4/5.0) Builds on previous knowledge & skills applicable to the practice of professional nursing. This course provides an integration of professional concepts basic to the development of professionalism in nursing practice. Emphasis is placed on changes in the health care environment and the impact on the professional nurse’s role. Accountability and responsibility issues as they relate to professional nursing are discussed. Prerequisites: RN licensure and admission to nursing program.

INSURANCE

All students in nursing courses must have malpractice insurance before entering the clinical setting. This fee is assessed during fall registration.

ATTENDANCE

Refer to School of Nursing Undergraduate Student Handbook and individual course syllabi.

HEALTH STATUS REQUIREMENTS

All students entering nursing courses are required to have a completed School of Nursing history and physical form. All students must submit evidence of immunization compliance. Students must also submit the results of appropriate screening for TB and evidence of influenza vaccination annually. Failure to comply with all health requirements will result in the inability to attend the clinical portion of a course and failure of the course.

All students must complete (re)certification of CPR for the Health Care Providers course either annually or every two years, depending on the clinical facility used by your campus or the agency teaching the CPR course. Only certification by American Heart Association will be accepted. This will be done at an institution of the student's choice. Students are responsible for the cost of certification. Students are responsible for submitting evidence of current certification to the nursing office for their file. Failure to do so will result in the inability to attend the clinical portion of a course and failure of the course.

Refer to School of Undergraduate Nursing Student Handbook for health status requirements for the School of Nursing.

PROGRESSION

The requirements for successful progression through the RN-BSN program are listed below.

1. Complete all nursing courses with a grade of “C” or better. Two failing grades in the same theory course or any two failures in a clinical course renders the student ineligible to continue in nursing.
2. Successful completion of core courses with a “C” average.
3. Successful completion BUS 102, its equivalent, or the Computer Proficiency Examination.
GRADUATION REQUIREMENTS

The requirements for graduation are listed below.

1. Complete at least 30 hours of credit at William Carey University.
2. Complete the last 30 hours at William Carey University.
3. Fulfill all requirements for the university for graduation.
4. Be recommended for graduation by the dean and faculty.

The following hours are required for graduation from the School of Nursing: ENG 101, 102; MAT 131; COM 101; PSY 201, 305, 351; SOC 101; BIO 234, 235, 260; HEA 240; CHE 101, BIO 306. Additional core courses in BSN curriculum (A “C” average is required): REL 101, 102; ENG Literature; HIS 101 or 201; HIS 102 or 202; fine arts elective; PED (physical education).
DEPARTMENT OF
HEALTH INFORMATION MANAGEMENT

Angela Garrett, Program Director

Associate Professor Walley; Assistant Professor Garrett

The Bachelor of Science (B.S.) in Health Information Management (H.I.M.) is designed to graduate professionals who can competently manage healthcare data and maintain information systems. Essential skills of graduates will include, but not be limited to, gathering and maintaining information, data analysis and interpretation, and maintaining health information systems. Also, graduates will have expertise in health informatics and technology as well as ethical, legal, and regulatory requirements of the profession. The curriculum is a synthesis of content from information technology, business, biomedical sciences, healthcare organization and delivery, and health data courses. The curriculum will be supported by teaching-learning strategies that facilitate the development of the learner for the professional attributes necessary to attain organizational objectives through the appropriate use of health care data.

GRADUATE OUTCOMES

Upon completion of the program of study in health information management, the graduate will be able to:

1. articulate and promote the need for and uses of quality data and information requirements across the lifespan;
2. organize, analyze, and manage health care data in order to improve health care outcomes, implement standards, and control costs;
3. function as an agent to manage the content, integrity, accessibility, use, and protection of information resources;
4. use a core set of critical skills in order to adapt to multiple roles and work settings;
5. collect health care data in compliance with national and regional standards;
6. identify and use current quality improvement, risk management, and utilization review methodologies and models;
7. accurately implement and manage applications and processes for clinical classification and coding;
8. analyze and respond to the information needs of internal and external customers throughout the health care continuum; and
9. advocate confidentiality, privacy, and integrity of health care data.

ADMISSION REQUIREMENTS

Applicants to the health information management major must be students in good standing at William Carey University and must have completed designated pre-requisite courses with a grade of at least “C” in each course. The pre-requisite courses are ENG 101, ENG 102, PSY 201, PSY 351, MAT 131, BIO 101, BIO 234, BIO 235, BIO 260, BUS 312, COM 101, and HEA 240. Three HIM courses are also considered prerequisite to
admission to the major: HIM 201, HIM 202, and HIM 203. Applicants are responsible for completing the entire application and having it notarized. No incomplete applications will be considered. Each student must have a 2.75 GPA or higher on all course work taken prior to admission to the major.

PROGRESSION

Students in the H.I.M. program are required to maintain a GPA of at least 2.5 on HIM major courses and no grades lower than a “C.” One repeat is allowed on any one major course, with no more than three repeats total.

COURSE DESCRIPTIONS FOR HEALTH INFORMATION MANAGEMENT (HIM)

201. Legal Aspects of Health Information and Risk Management: (2 hours) The study of the principles of law, confidentiality, and ethics, and their application in the healthcare field with reference to health records and risk management.

202. Medical Terminology: (2 hours) The review of current medical terminology as applies to health records.

203. Pathophysiology: (2 hours) The review of applicable pathophysiology as related to health records.

301. Introduction to Health Information Management: (4 hours) Analysis and management of health care data using health information systems. Prerequisite: Admission to the health information management major.

302. Pharmacology: (3 hours) The review of applicable pharmacology as related to interpreting and understanding healthcare records. Prerequisite: Admission to the health information management major.

303. Coding and Classification Systems: (4 hours) Introduction to nomenclatures and classification systems with emphasis on diagnosis coding with limited introduction to procedural coding. Prerequisite: Admission to the health information management major, HIM 202, 203, 302.

304. Analysis of Health Data: (3 hours) Healthcare and research statistics including data display, evaluation, and interpretation of health care data. Prerequisite: Admission to the health information management major and HIM 301.

305. Coding and Reimbursement System: (4 hours) Application and analysis of specialized diagnosis and procedure classification systems for healthcare reimbursement processes. Prerequisite: Admission to the health information management major and HIM 303, 307.

306. Health Care Finance: (3 hours) An introduction to the principles of healthcare finance, sources of healthcare revenue, expenses, and budgeting. Prerequisite: Admission to the health information management major.
307. **Coding and Classification Systems II:** (3 hours) Introduction to nomenclatures and classification systems with emphasis on inpatient and outpatient procedural coding. Prerequisite: Admission to the health information management major and HIM 303.

401. **Principles of Management:** (3 hours) Principles of management with emphasis on business functions, procedures, personnel management, work force development, and productivity measurements as applied to a variety of healthcare settings. Prerequisite: Admission to the health information management major.

402. **Quality Evaluation and Management:** (4 hours) Examination of process, internal and external to an organization, used to measure, evaluate, and improve quality, efficiency, and effectiveness of health care. Prerequisite: Admission to the health information management major, HIM 301, 304.

403. **Professional Practice:** HIM Clinical Internship: (6 hours) This supervised professional practice experience requires the student to practice health information management skills in a variety of affiliated health care organizations. Projects completed will relate to didactic courses taken previously. Prerequisite: Admission to the health information management major, HIM 201, 202, 203, 301, 302, 303, 304, 305, 306, 307, 401, and 402.

404. **Professional Practice:** HIM Management Internship: (9 hours) Application of advanced HIM skills in a health related setting geared toward the career concern of the student.
DEPARTMENT OF
HEALTH ADMINISTRATION AND
EDUCATION

The Bachelor of Science (B.S.) degree in health administration and education combines administration and education courses in a healthcare curriculum to allow degree completion and career advancement for the student with an associate’s degree in a health-related career. The degree provides the graduate with a sound foundation to enter the health industry or the academic environment. The curriculum places emphasis on the foundational skills needed in the development of managers, educators, and administrators in a variety of healthcare settings. Graduates will be prepared to educate entry-level practitioners as well as function as leaders and managers in a variety of health-related areas including businesses, government and volunteer agencies, outpatient clinics, hospitals, and industry. The B.S. degree in health administration and education will provide the graduate with the ability to advance to higher degrees in education, business, and administration.

GRADUATE OUTCOMES

Upon completion of the program of study in health administration and education, graduates will be able to:

1. demonstrate the ability to effectively utilize management/leadership skills within their area of professional clinical practice;
2. demonstrate competency to teach in certification programs and/or associate degree programs within their own clinical discipline;
3. demonstrate ability to apply healthcare models and theories to current issues in healthcare delivery;
4. demonstrate awareness of the needs of diverse populations in the healthcare environment; and
5. communicate effectively, verbally and in writing, on topics related to issues in healthcare delivery.

ADMISSION, PROGRESSION, AND GRADUATION REQUIREMENTS

ADMISSION OF STUDENTS

Prospective students for the health administration and education (HAE) program will meet the following qualifications:

1. must submit a health administration and education application to the School of Nursing;
2. must be in good standing at William Carey University and must have completed designated core and prerequisite courses with a grade of “C” or better in each course;
3. must hold an associate’s degree in a health-related field or be certified, registered or licensed in a health-related field;
4. must have a cumulative grade point average of 2.5;
5. evidence of a clear criminal background check; and
6. evidence of a negative drug screen prior to participating in a practicum course.

PROGRESSION

Students must achieve a grade of a “C” or better in each HAE course. Students may enter the program during the fall term only. Prerequisite and co-requisite requirements must be fulfilled per course descriptions.

GRADUATION

Students must meet all requirements of the university in attaining the degree of health administration and education including:
1. completion of HAE curriculum;
2. successful completion of the Computer Proficiency Exam or BUS 102;
3. complete at least 30 hours of credit at William Carey University;
4. complete the last 30 hours of credit at William Carey University;
5. graduation requirements as outlined in the 2014-2015 undergraduate catalog with the exception of a recommendation of a 30-hour residency requirement for HAE majors.

### COURSE DESCRIPTIONS FOR HEALTH ADMINISTRATION AND EDUCATION (HAE)

(Credit hours/Lecture hours
Credit hours x 1.25 clock hours = ___)

**301. Introduction to Administration and Education for Health Professionals:** (3 hours)
This course provides an introduction to administrative, organizational, and financing concepts utilized in the healthcare setting. A survey of teaching methods appropriate for health education programs is also included.

**304. Teaching Strategies:** (3 hours) This course provides undergraduate students with a strong focus on teaching strategies used in the clinical and classroom setting. A variety of traditional and innovative methods of instruction will be explored to guide the learner through fundamental principles of teaching.

**307. Testing and Grading in Higher Education:** (3 hours) This course provides students with the principles of test development and evaluation in an educational setting. Sound grading practices are explored. The student explores the possible methods of evaluating students in the clinical setting.

**310. Introduction to Leadership and Management:** (3 hours) This course provides an overview of basic leadership theories and management styles to prepare the student for a leadership role in the healthcare setting. The student also studies models for healthcare delivery and political, socioeconomic and professional issues of the workplace.
313. **Statistics for Healthcare Professionals:** (3 hours) This course introduces students to the conceptual foundation of statistical analysis and reasoning of health-related data. Students are prepared to interpret measures of central tendency, variation and correlation. No mathematical ability is assumed beyond the basic skill of arithmetic and algebraic manipulations.

401. **Curriculum Development for Health Professional Education:** (3 hours) This course is designed to help the health professional educator develop curricula and courses in higher education settings. Students will examine the principles and processes of curriculum development in professional education. Students will learn principles of syllabus and course development.

404. **Classroom and Clinical Supervision of the Health Professional Student:** (3 hours) This course provides the student with the skills for classroom management and to develop appropriate clinical experiences for the health-related professional student. Legal aspects of supervising students in the clinical settings are discussed. Students learn the requirements of scheduling and supervising students in the clinical environment. Prerequisites: 301, 304, 307, 401.

407. **Human Resources and Budgets:** (3 hours) This course provides an introduction to the management of human resources in the healthcare setting. The student explores job information systems, recruitment and selection of new employees, and the legal framework of the human resource system. The student learns the concept of basic budget development in the workplace.

410. **Introduction to Research and Evidence-Based Practice:** (3 hours) Students will explore basic concepts of research in the healthcare setting. This is a writing intensive course that will expound on the use of evidence-based practice in the healthcare setting. Emphasis will be placed on economic, social, political, and professional trends in relation to their impact on the healthcare community. Prerequisite: 313.

413. **Administration and Classroom Practicum:** (3 hours) This course allows the student to apply principles of health administration and education to practicum experiences. The role of the healthcare educator or administrator is practiced under the supervision of a preceptor. This course includes 80 clock hours.

416. **Cultural Competency for the Healthcare Professional:** (3 hours) This course allows the student to develop and assess a cultural competence. The course focuses on increasing students’ levels of awareness, acceptance, and understanding of the role of culture on healthcare perceptions. Emphasis is placed on providing culturally congruent and competent healthcare to individuals, groups and communities.
SPECIAL PROGRAMS

THE PRESIDENTIAL HONORS PROGRAM

Scott Hummel, Ph.D., Director

The Presidential Honors Program at William Carey University is designed for academically advanced students whom the university administration recognizes as Carey Scholars. Students in this program demonstrate abilities for advanced academic pursuits, interdisciplinary study, critical thinking, and independent research. The format of the program fosters the formation of a close-knit community of scholars who are learning how to develop their highest potential in scholarship, leadership, and service.

GENERAL ASPECTS OF THE HONORS PROGRAM

This program is only available to Carey Scholars (recipients of the comprehensive WCU scholarship), and all Carey Scholars are required to participate. Carey Scholars must complete all core curriculum requirements of the university, but selected “honors” core curriculum courses are required. Honors courses reflect an accelerated academic pace, as well as a higher level of thought and analysis. The completion of the honors program requirements allows a student to receive an honors diploma.

The curriculum in the honors program is composed of selected core curriculum courses offered in an honors format, as well as required honors colloquium courses.

HONORS CURRICULUM REQUIREMENTS

Scholars must complete a total of 21 hours of honors coursework, as follows:

18 hours of Honors Core Curriculum:
REL 101.8: Introduction to the Old Testament Honors
REL 102.8: Introduction to the New Testament Honors
ENG 101.8: Composition Honors
ENG 102.8: Research and Composition Honors
HIS 101.8: World History to 1500 Honors
HIS 102.8: World History since 1500 Honors

(At the discretion of the Honors Committee, one or more of the above courses may be waived for scholars who bring in the appropriate CLEP or AP credit.)

3 hours total of Honors Colloquium (HON 100, 200, 300):
Throughout the academic year, scholars will participate in a variety of events that are designed to enrich their undergraduate education. The university will provide opportunities for scholars to:

1. discuss important ideas, books, or current events, often in conjunction with invited speakers;
2. be exposed to cultural offerings of the university and the greater community;
3. travel to culturally significant locations in the Southeast; and
4. engage in a group service project.
Students will receive one hour of semester credit for participation in honors colloquium activities throughout the academic year. A total of three hours of credit in honors colloquium is required for Carey Scholars.

COURSE DESCRIPTIONS FOR HONORS (HON)

100, 200, 300: Honors Colloquium: (1 hour each) A course including a variety of experiences, such as discussion, travel, cultural events, and service learning, that are designed to provide leadership development as well as academic, cultural, and spiritual enrichment.

REL 101.8 Introduction to the Old Testament Honors: (3 hours) An introduction to the history, literature, and theology of the Old Testament, including a more intensive summary of current research in Old Testament studies. Students who enroll in this class must be participants in the honors program.

REL 102.8 Introduction to the New Testament Honors: (3 hours) An introduction to the history, literature, and theology of the New Testament, including a more intensive summary of current research in New Testament studies. Students who enroll in this class must be participants in the honors program.

HIS 101.8 World History to 1500 Honors: (3 hours) An enhanced study of the development of civilizations in the ancient and medieval worlds. Students who enroll in this class must be participants in the honors program.

HIS 102.8 World History since 1500 Honors: (3 hours) An enhanced study of the political, theological, social and commercial aspects of globalization in the modern world. Students who enroll in this class must be participants in the honors program.

ENG 101.8. Composition Honors: (3 hours) Critical readings of nonfiction texts with attention to rhetorical conventions aids students in development of written texts for a variety of audiences and purposes. Students apply appropriate conventions in composing personal, analytical, and persuasive texts. Students who enroll in this class must be participants in the honors program.

ENG 102.8. Research and Composition Honors: (3 hours) Students apply appropriate strategies in conducting and reporting research, developing logical arguments, and analyzing a variety of literary genres. Students who enroll in this class must be participants in the honors program. Prerequisite: ENG 101 or 101.8.
THE CENTER FOR CREATIVE SCHOLARS
Mary Read Diket, Ph.D., Coordinator

Located on the Hattiesburg campus, the Center for Creative Scholars provides an array of workshops, seminars, and professional development resources for students, teachers, and other education professionals.

Creativity Exploration Workshops are designed for participants ranging from second grade to high school. Area teachers assist in designing unique creative environments with a publication focus. The Creativity Write-Down is designed for gifted students from the second through sixth grades and provides a variety of classes that offer students an array of diverse opportunities for out-of-school learning. The Teachers Exchange meets the needs of teachers of the gifted by providing collegial and resource support. Exchanges bring teachers to the campus to share curriculum ideas, unit plans, and to meet with representatives from museums, libraries, and other community resources.

As part of the university emphasis on student-oriented professional research, the center provides extended support for student-oriented projects. Scholarly undergraduates at William Carey University design projects which lead to in-depth understanding of cutting edge topics in their respective fields. Graduate students, particularly those in education, conduct group and individual research projects and benefit from the publication focus of the Center. Professional documents published through the Center for Creative Scholars appear on the ERIC database and as journals. The center also provides opportunities for work-study students to develop expertise in the area of desktop publishing and editing. Technological opportunities with the center include Creativity Workshop publication on the Internet by teenage contributors from Mississippi, Louisiana, and Alabama.

BACHELOR OF GENERAL STUDIES

The Bachelor of General Studies degree is a flexible degree oriented toward the nontraditional student. The B.G.S. degree serves the nontraditional student with a diversity of educational experiences. It also serves the student from technical and other backgrounds not easily integrated into a traditional degree program.

The B.G.S. degree requires 36 semester hours in one area or two areas of 18 semester hours each, excluding hours in clinical courses. Courses must be taken from approved majors or minors or departmental concentrations. No special/specific courses are required in the general studies concentration(s). Credit may be given for transfer students from technical programs. In the concentration(s), 50 percent of the courses must be upper-level courses.

The Bachelor of General Studies degree is not available for students who must meet state or national certification (i.e. nursing, teacher licensure).
William Carey University is committed to the educational needs of adult students who serve in the defense of our nation. The university currently offers the following degree programs at Keesler Air force Base: the Bachelor of General Studies (B.G.S.), the Bachelor of Arts (B.A.), the Bachelor of Science (B.S.), the Bachelor of Science in Business (B.S.B.), and the Master of Business Administration (M.B.A.). The B.A., B.S., and B.S.B. may be earned in business with concentrations in management/marketing or computer information systems. The B.G.S. degree program may be completed with approved concentrations by the program director. The B.G.S. degree allows students to maximize their military training credits earned through the Community College of the Air force and/or other military branch service. For more information concerning these programs, please contact the program director at 228-376-8480.

William Carey University offers study tours to Europe, Israel, Asia, the Near East, and Latin America. In addition, William Carey students enter competition for Fulbright, Rotary, and other prestigious programs, for foreign study. Students may also attend programs of study at the University of Seville in Spain and at Linyi University in China.

Credit for a course taken by a student enrolled in a foreign university course of study (including course number, lectures, examinations) will be treated the same as transfer credit from another institution in this country.

Courses of foreign study, limited to six hours toward degree requirements, require prior approval by the vice president of academic affairs, and they are counted as elective credit.

Student Support Services is 100% federally funded by a grant from the U.S. Department of Education. It is an academic support program for students who are first generation, disabled, or from low income families. Services include reading and study skills improvement, academic classes, a computer laboratory, tutorial services, career services, academic advisement, vocational and personal counseling, new student mentoring, as well as referrals to appropriate agencies or schools when needed.

200. Strategies in Learning: (3 hours) A course designed to provide techniques for effective reading comprehension and critical thinking. Emphasis is given to time management, notetaking techniques, patterns of paragraph organization and development, and evaluation of written material. This course will not fulfill any core curriculum requirement.
The English Language Center (ELC) at William Carey University is designed to assist prospective undergraduate international students in meeting English language proficiency requirements in order to attend an American institution of higher learning. This is a highly skilled, noncredit, content-based English language instruction program in the main areas of reading/vocabulary, writing/grammar, and listening/speaking at the beginning, intermediate, and advanced ELC levels.

Students interested in participating in this program are required to attend three ELC classes daily, for one entire trimester (10 weeks) or more, as ELC instructors deem necessary, for a total of 20 classroom hours per week (four classroom hours per day). In addition to attending mandatory class meetings, students are also expected and required to complete daily homework assignments. ELC courses can not be used as electives at William Carey University.

COURSE DESCRIPTIONS FOR ENGLISH LANGUAGE CENTER (ELC)

001. Beginning Reading/Vocabulary: (3 hours) An introductory course designed for the ELC student with limited vocabulary and little knowledge of the English language. The course provides exposure to basic reading skills and strategies necessary for improvement in basic English comprehension through guided reading practice and activities aimed at vocabulary development.

002. Beginning Writing/Grammar: (3 hours) An introductory course designed to expose beginning English students with limited vocabulary and grammar in the development of paragraphs through subjective topics (i.e., American customs and holidays, shopping, eating at restaurants, asking for directions, etc.). Students are exposed to punctuation, spelling, capitalization, topic sentences and supporting sentences, adjectives, idioms and other parts of speech.

003. Beginning Listening/Speaking: (3 hours) An introductory course based on exposure to authentic listening situations in English through television programs, songs, videos and discussions, in order to develop the ability to follow short spoken exchanges found in everyday life experiences. English conversational strategies and vocabulary essential to basic life skills and casual conversations are introduced. Students will practice American pronunciation through various speaking activities.

004. Intermediate Reading/Vocabulary: (3 hours) Course designed for the ELC student with intermediate reading/vocabulary skills. Students learn reading strategies for comprehending longer readings from sources such as texts and magazines. Course covers strategies for efficient reading: skimming, scanning, identifying main idea and support, as well as making inferences and summarizing. Increased exposure to academic vocabulary with the goal of incorporation into writing exercises and discussions based upon readings are emphasized.
005. **Intermediate Writing/Grammar:** (3 hours) Course designed to guide the intermediate level ELC student from personal to objective writing in response to a source. Editing strategies are expanded, and the skills necessary to move from the paragraph level to the composition of short essays are introduced. Course focuses on writing well-organized and effectively developed paragraphs, as well as continued improvement of accuracy over a wider range of grammatical structures and paragraphs.

006. **Intermediate Listening/Speaking:** (3 hours) Intermediate level ELC course designed to develop the student’s abilities to obtain information from longer spoken sources such as news programs, educational shows and interviews. Refinement of interaction in formal and informal conversational settings continues through spoken exercises in the classroom. The goal of the course is to develop the ability to have in-depth conversations and learn strategies for small group interactions.

007. **Advanced Reading/Vocabulary:** (3 hours) Students continue strategies learned in previous courses through intensive and extensive reading from a variety of texts: fiction, autobiography, articles of general interest, and selections from university-level textbooks. Advanced reading strategies are introduced for textbook selections and academic articles and expansion of active academic vocabulary is continued. Students at the advanced level are expected to use conversation and writing skills to fully analyze readings and to demonstrate comprehension in verbal and written form.

008. **Advanced Writing/Grammar:** (3 hours) Advanced level course that exposes students to basic library skills, develops abilities to draw information from multiple sources, and hones independent editing strategies. Use of grammar to write longer, source-based essays, suitable for the academic setting is refined.

009. **Advanced Listening/Speaking:** (3 hours) Course designed for the advanced student's continued refinement of interactional abilities in formal and large-group situations. Students practice comprehension skills through live lectures and taped presentations of academic topics; they continue to develop strategies in discussing and synthesizing spoken information from current events and academic topics. Strategies for giving formal presentations in front of a group are presented and practiced in class. Note-taking strategies are refined.
SERVICEMEMBER OPPORTUNITY COLLEGE

William Carey University has met criteria established by the Department of Defense to be recognized as a Servicemember Opportunity College; therefore, active duty military personnel are extended educational opportunities that are sometimes distinct from common institutional practice. Policy stipulates flexibility essential to the improvement of access by servicemembers to undergraduate educational programs, and further, that institutional policies and practices be fair, equitable, and effective in recognizing special and often limiting conditions faced by military students. Academic residency is satisfied by 30 hours of the undergraduate degree courses being completed with William Carey University.

RESERVE OFFICERS’ TRAINING CORPS (ROTC)

William Carey University does not host its own ROTC program but cooperates with the Army and Air Force ROTC programs in cross-town agreements with The University of Southern Mississippi and Tulane University to make courses available in military leadership and aerospace studies Courses from those ROTC programs are accepted in transfer at WCU. For more information, see the USM ROTC website at www.usm.edu/afrotc/ and the Tulane website at www.det320.com.

WILLIAM CAREY UNIVERSITY
ALUMNI ASSOCIATION

Cindy Cofield, Alumni Relations Director

One of the most valuable assets any institution of higher learning has is its alumni. This is certainly true of William Carey University as our former students spread our name abroad, give vocal and financial support, and tell the university about prospective students. The William Carey University Alumni Association includes all graduates of the university.

OFFICERS

President .................................................................................................................................Lori Edney ('83)
Vice President ........................................................................................................................Lisa Bunn ('13)
Secretary ..............................................................................................................................Bernie Cousins ('03)
Past President .......................................................................................................................Suzan Bounds ('82)

The Carey Magazine is the official publication of the Carey Alumni Association and is mailed to over 23,000 alumni and friends of William Carey University.

Continued alumni support is vital to the future of Christian education at William Carey University. The time and money you give in support of Carey is not spent—it is invested!
