Mission Statement

The mission of William Carey University is to provide quality liberal arts and professional education programs within a caring Christian academic community. The individual student is encouraged to develop his or her highest potential in scholarship, leadership, and service. The university collaborates with churches, organizations, and individuals to affirm its Baptist heritage and namesake—William Carey.

William Carey College was chartered to become William Carey University in June 2006. All references to the institution in this catalog will be William Carey University, except in historical contexts.

WILLIAM CAREY UNIVERSITY HISTORY

William Carey University claims two proud predecessors as it looks forward to a future of continued growth and development. The first of these was founded in 1906 as a private, coeducational institution known as South Mississippi College. With the legendary South Mississippi educator W. I. Thames as its president, the college quickly gained a reputation for a strong faculty, especially in art, music, history, and home economics. After a fire destroyed the immense administration building, including classrooms, library, and a 1500-seat auditorium, the young institution was forced to close.

In 1911, W. S. F. Tatum, wealthy lumberman and Methodist layman, acquired the property and offered it as a gift to the Baptists. He set two conditions: successful operation of a Christian school for girls for five years and an enrollment of at least one hundred students the first year. The property consisted of two surviving frame buildings and ten acres of cut-over land. A corporation was organized to own and control the college with nine trustees chosen from Baptist churches in Hattiesburg. In September, 1911, the school opened again with a new name, Mississippi Woman’s College, under the leadership of President W. W. Rivers. In November, 1911, the debt-free college was offered to the Mississippi Baptist Convention and was accepted.

The growth of Mississippi Woman’s College was a source of pride for Mississippi Baptists. Under the leadership of President J. L. Johnson, Jr., from 1912 to 1932, a splendid new administration building was completed in 1914 and named Tatum Court in honor of the college’s major benefactor. New brick dormitories were added (Ross and Johnson Halls) as well as an infirmary and a model home, which was used as a laboratory for domestic science classes. During this period, the campus expanded to 40 acres.

The college did not measure its progress simply with physical achievements. An early objective of Mississippi Woman’s College was to train intelligent, concerned citizens who could establish Christian homes. Curricula and activities were designed with this primary objective in mind. By 1925 college stationery boldly proclaimed on its letterhead, “Mississippi Woman’s College: The School with a Mission.” The student body dedicated itself to the mission of the college. Such dedication accounts for Mississippi Woman’s College becoming known by the late 1920s as one of the South’s outstanding Christian colleges for women. Continued growth and an emphasis on missions characterized the presidency of W. E. Holcomb from 1932 to 1940.

When the exigencies of the depression era forced the college to close in 1940, its facilities were used as army officers’ housing for nearby Camp Shelby. In 1946 Mississippi Woman’s College re-opened and underwent major renovations. Dr. I. E. Rouse was elected president in 1946 and served until 1956. In 1953 the Mississippi Baptist Convention voted to move the college into coeducational status after more than four decades of admitting only female students. This vote necessitated a new name for the institution. In 1954 the
board of trustees selected the name of William Carey College in honor of the eighteenth century English cobbler-linguist whose decades of missionary activity in India earned him international recognition as the “Father of Modern Missions.”

Under the leadership of Dr. J. Ralph Noonkester, who was elected president of the college in 1956, William Carey College enjoyed significant growth. In 14 years, a total of 14 new buildings rose on the Hattiesburg campus. The college attracted national attention with baseball, basketball, and tennis teams, the traveling chorale, the theatre performance groups, scientific honor societies, student mission efforts, a large number of mission volunteers, and a high percentage of acceptances to medical school. Dr. Noonkester served as president from 1956 to 1989.

In 1968 William Carey entered a new era when it announced a merger with the prestigious Mather School of Nursing in New Orleans. Another dimension opened for William Carey in 1976 when the college purchased the Gulf Coast Military Academy campus in Gulfport. Known now as William Carey University on the Coast, the 20-acre Gulfport campus offers selected undergraduate and graduate degrees. Phase I of construction of a new campus is schedule to be completed by fall 2009. The campus will be located in the 4800-acre Tradition Planned Community.

In June 1989 Dr. James W. Edwards was elected as the seventh president and served until 1997. Under his leadership, enrollment in church-related vocations increased, the art program at Carey on the Coast was upgraded, the college debt was restructured, salaries improved, a trimester system was inaugurated, and an MBA program in executive leadership was added to the curriculum. The Lucile Parker Gallery was opened on the Hattiesburg campus, and the Sarah Gillespie Art Gallery was upgraded and moved to Parker Hall at Carey on the Coast. A campus beautification project was inaugurated.

Dr. Larry Kennedy was appointed interim president in 1997 and president in 1998. Since 1998 the physical facilities on the Hattiesburg and Gulfport campuses have undergone major repair and renovation. The New Orleans nursing program was relocated to the New Orleans Baptist Theological Seminary campus in 1998. The Fail/Asbury School of Nursing Building was completed in January 2002, the first new building on the Hattiesburg campus in 25 years. Two soccer fields and an intramural field were dedicated in 2004. The Lorena Roseberry Smith Hall, housing education department programs, was completed in 2004 also. Donnell Hall was completed in 2006 to house the Center for the Life and Work of William Carey. Also dedicated in 2006 were Milton Wheeler Field and the restored Chain Garden. The former Bentley-Pope House was named the Donna Duck Wheeler Alumni House. Enrollment figures reached the highest levels in the university’s history. On the New Orleans campus, a new nursing building afforded expanded learning opportunities. In 2007 these dedications took place on the Hattiesburg campus: Heritage Plaza, honoring Mississippi Woman’s College alumnae; the Joseph and Nancy Fail Softball Field; and the
Larry W. Kennedy Complex. Braswell and Byrd resident halls were dedicated in the fall of 2007.

The years 2005 through 2006 brought significant challenges and advances to the institution. In the fall of 2005, all three campuses were affected by Hurricane Katrina, with the Coast campus being completely destroyed. Even while the recovery and rebuilding efforts were underway, Dr. Kennedy was struggling with a major illness which eventually took his life. To ensure adequate leadership for the college, in January 2006 the trustees appointed Dr. Tommy King as executive vice president to work alongside Dr. Kennedy. At the same time the trustees voted to change the status of the institution from college to university to honor its growth and enhance its potential in an increasingly global environment. During the same month, an announcement was made that the goal of erasing a $7.5 million debt was met—ten months ahead of schedule. Dr. King guided the institution though the revision of its charter and all the transitions with accrediting agencies necessary for changing its status. Dr. Larry Kennedy died on September 21, 2006, a month after the formal convocation at which the name was officially changed from William Carey College to William Carey University. In February 2007, Dr. Tommy King was named the ninth president of the university.

The university is organized into the following academic units: the Ralph and Naomi Noonkester School of Arts and Letters; the School of Natural and Behavioral Sciences; the School of Business; the School of Education; the School of Psychology and Counseling; the Owen and Elizabeth Cooper School of Missions and Biblical Studies; the Donald and Frances Winters School of Music; and the Joseph and Nancy Fail School of Nursing.

The dramatic developments over the years demonstrate that William Carey University has accepted William Carey’s challenging motto:

“Expect great things from God; attempt great things for God.”

GOVERNANCE

William Carey University is a nonprofit corporation operating as an institution of higher learning from its domicile in Hattiesburg, Mississippi. The university operates under the governance of a board of trustees elected by the Mississippi Baptist Convention.

LOCATIONS

William Carey University has three campuses:

HATTIESBURG is the home of the main campus, founded in 1906. On 120 acres, the university is conveniently located on the south side of the city.
Hattiesburg is known as the "Hub City" because it is located at the intersections of Interstate 59 and U.S. Highways 49, 98 and 11. The city is centrally located less than 100 miles from the state capital of Jackson, as well as the Gulf Coast, New Orleans and Mobile. With a population of nearly 50,000, Hattiesburg is the educational, retail and medical center for the southeast Mississippi region.

GULFPORT is the location of William Carey University on the Coast, which is currently operating in temporary portable facilities due to the destruction of the coast campus by Hurricane Katrina in 2005. Construction of a new campus is under way.

William Carey University operates a School of Nursing in NEW ORLEANS. The school is housed in the William Carey Building on the campus of the New Orleans Baptist Theological Seminary. "America’s most unusual city," historic New Orleans offers the student a rich mosaic of culture and tradition. The nursing program is also offered on the other two Carey campuses.

ACCREDITATION

William Carey University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, 1866 Southern Lane, Decatur, Georgia 30033-4097; (telephone number 404-679-4500), to award bachelor, master, and specialist degrees.

The Winters School of Music is an accredited institutional member of the National Association of Schools of Music. The music therapy program is accredited by the American Music Therapy Association. The Joseph and Nancy Fail School of Nursing is accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC, 20036-1120, (202-887-6792); by the board of trustees, Institutions of Higher Learning of the State of Mississippi, and approved in New Orleans by the Louisiana State Board of Nursing.

INSTITUTIONAL EFFECTIVENESS

In an effort to engage in an ongoing quest for quality, the university maintains a comprehensive system of planning and evaluation in all major aspects of the institution. The mission statement for the university is used as the foundation for this evaluation. A variety of assessment methods are used, and the results are implemented to improve both the education programs and support activities. Educational quality is determined by how effectively the institution achieves its established goals. The results of the university’s assessment procedures are incorporated annually into the university’s planning process in order to achieve continual improvement in programs and services.
NODISCRIMINATION/DISCLAIMER

In compliance with federal law, including provisions of Section 504 of the
Rehabilitation Act of 1973, William Carey University does not discriminate on
the basis of race, color, national or ethnic origin, age, or disability in
admissions or in the administration of its education policies, programs, and
activities. In compliance with Title IX of the Education Amendments of 1972,
the university does not discriminate on the basis of gender in the
administration of its education policies, programs and activities. The vice
president of academic affairs has been designated as the responsible employee
to coordinate efforts to carry out responsibilities and direct the investigation of
complaints relating to discrimination.

PRIVACY OF STUDENT RECORDS

(The policy in its entirety can be acquired from the registrar's office.)

Under the "Family Educational Rights and Privacy Act of 1974 As
Amended," William Carey University accords all rights to students who are
declared independent. No one outside the institution (other than those
exceptions permitted under the Act) shall have access to, nor will the
institution disclose any information from, students' education records without
the written consent of students. Students wishing to give their parents or a
third party access to their academic and financial records should complete the
disclosure form located in the registrar's office, the business office, or on the
WCU website. This release will remain in effect until rescinded by the student.

At its discretion, William Carey University will release "directory
information" in accordance with the provisions of the Act. This information
includes: student name, address, telephone number, date and place of birth,
major field of study, dates of attendance, degrees and awards received, the
most recent previous educational agency or institution attended by the
student, participation in officially recognized activities and sports, and weight
and height of members of athletic teams, and other similar information.
Students may withhold directory information by notifying the registrar's office
in writing on or before the first day of classes of each trimester. Forms for this
purpose are available in the registrar's office. In the event a refusal is not filed,
the institution assumes that a student does not object to the release of the
directory information designated. Request for non-disclosure will be honored
by the institution for only one academic year; therefore, authorization to
withhold directory information must be filed annually.

The law provides students the right to inspect and review information
contained in their education records.

Students have the right to seek to have corrected any parts of the education
record believed to be inaccurate, misleading, or a violation of their rights. This
right includes the right to a hearing to present evidence that the record should
be changed if this institution decides not to alter the education records according to request.

Students have the right to file a complaint with the FERPA Office; Department of Education; 400 Maryland Avenue, S.W.; Washington, D. C.; 20202.

Students have the right to obtain a copy of the written institutional policy adopted by this institution in compliance with FERPA. A copy may be obtained in person or by mail from: Registrar, William Carey University, WCU Box 4, 498 Tuscan Avenue, Hattiesburg, MS 39401.

APPLICATIONS FOR ADMISSION

The prospective student must file a complete admission application and request the appropriate school officials to mail transcripts to the university as soon as the decision to apply has been made. Applications will be accepted up to 30 days prior to the trimester the applicant wishes to enter. Both freshmen and transfer students may enter the university’s trimester system in August, November, February, or June.

There are separate requirements for admission to the School of Nursing and to the teacher education program of the School of Education and Psychology. The student should consult program descriptions for those admission requirements.

The university reserves the right to deny admission to any applicant or forbid any student’s continued enrollment without assigning a reason. The university does not discriminate in admissions on the basis of race, religion, color, national origin, sex, age, or disability.

STANDARDS FOR ADMISSION

FRESHMEN

The university solicits applications from individuals who desire to study in a learning environment committed to the achievement of personal and professional excellence and committed to traditional Christian values. Each freshman applicant for admission must file with the office of admissions a complete application consisting of the following:

1. A completed application for admission.

2. An official high school transcript, an accredited or notarized home school transcript, or GED score report (minimum average score of 45). A final transcript showing grades on all courses completed is required. An official transcript is defined as one mailed directly from one institution to another.
3. A $30 nonrefundable application fee.

4. Documented proof of two immunizations for measles, mumps, and rubella (MMR) if born on or after January 1, 1957, or one immunization within the past ten years.

5. Score reports on the American College Test (ACT) or the College Entrance Examination Board Scholastic Aptitude Test (SAT). A student who has not had one of these tests must complete the residual ACT prior to being considered for admission. The cost of the ACT will be collected at the time of testing.

The admissions committee uses the "whole student" concept in selecting applicants for admission to the university. The committee considers the following factors in its decisions to accept or reject applications of individual students:

1. \textit{Grades and College Preparatory Subjects}  
   Students must present official transcripts indicating they have achieved a minimum high school grade point average (GPA) of 2.0 on a 4.0 scale.

2. \textit{Test Scores}  
   First-time freshmen applicants are required to submit official ACT or SAT test scores (minimum score of 20 on ACT or 950 on SAT, verbal and math only). Home schooled students are required by the Department of Education to have a minimum ACT English subscore of 14 and a math subscore of 15 on the same test to be eligible for financial aid.

ACADEMIC ADVISING FOR FRESHMEN

All new students are assigned an academic advisor in their major area of interest. The academic advisor will assist the student in designing a program of study that leads to the desired degree; however, the ultimate responsibility in the selection of courses that satisfy degree requirements rests with the student. Course placement in English and math will be based on ACT/SAT subscores. Students who are accepted to the university with an ACT composite score below 20 or who have a high school grade point average below 2.0 will be assigned for special academic advising and will be limited to enrollment in 9-10 hours per trimester for the first year of enrollment.

EARLY ENTRANCE PROGRAM

The following requirements are used to determine admissibility of a student at the end of the junior year of high school. Students meeting these requirements are admitted to the freshman class without reservation and are not required to complete the senior year of high school. However, Federal
regulations require proof of high school graduation or equivalency (GED) in order for students to receive Federal financial aid.

1. Fifteen units of credit must be earned by the completion of the high school junior year.

2. A qualified student must have at least a 3.5 grade point average on the 4.0 system.

3. An ACT composite score of 25 or SAT score of 1130 or the equivalent.

4. The applicant must have a personal written recommendation from his or her high school principal specifically recommending for early entrance.

STEP-AHEAD

High school students or home schooled students who desire to take college courses for credit may participate in the Step-Ahead program. Step-Ahead is designed as a dual enrollment program for students who are enrolled in honor classes for which college credit equivalency has been established.

Eligibility for Step-Ahead requires students to have a minimum ACT score of 20 or SAT score of 950 (verbal and math only) and approval from their high school counselor or home school coordinator. Students wishing to take mathematics must have ACT subscores as follows: for College Algebra (MAT 131) 20+, Trigonometry (MAT 142) 20+, Pre-calculus (MAT 150) 25+, Calculus with Analytic Geometry I (MAT 151) 26 for Calculus I and Statistics. A high school transcript and ACT scores must accompany your registration form.

Step-Ahead is offered on the William Carey University Hattiesburg campus and is available for high schools wishing to offer this program on their campus. All Step-Ahead students are advised by the office of student support services.

FREE-THROW

First-time freshman students with an ACT score of 15-19 qualify for admission to the Free Throw program. Students may enroll in 12 hours of courses without having to pay tuition, unless the courses are later transferred. Upon completion, students may apply for admission to William Carey University and qualify for scholarships based on the grade point average (GPA) obtained in those twelve hours. Students who go on to graduate from WCU do not have to pay tuition for the Free Throw courses, but those who wish to transfer the course credit to another institution may do so by paying the current rate of tuition. More information is available in the admissions office.
CREDIT BY EXAMINATION

Advanced placement and college credit are awarded to students who have college-level subjects in high school and who have earned the minimum score required by the university on the College Entrance Examination Board Advanced placement tests. No credit will be awarded for scores less than 3, and some academic departments may require a score higher than 3. Credit for knowledge gained by nontraditional means may be substantiated by certain minimum scores on some of the CEEB College-Level Examination Program tests or the American College Test Proficiency Examination Program tests. For more detailed information, see Credit by Examination, under General Academic Regulations. For credit to be given, an official advanced placement transcript must be submitted.

TRANSFER STUDENTS

The university solicits applications from transfer students from junior or community colleges, senior colleges, or universities. Students must possess a minimum grade point average (GPA) of 2.0 on a 4.0 scale on all college work previously attempted and be in academic good standing from the last institution attended. For students with fewer than 12 transfer hours, requirements for first-time freshmen students must be met.

An applicant who has college level work must submit the following:

1. A completed application for admission.
2. A $30 nonrefundable application fee.
3. An official academic transcript from each college previously attended. An official transcript is defined as one mailed directly from one institution to another. It bears the institution’s seal, the signature of the registrar, and the date of issuance.
4. Documented proof of two immunizations for measles, mumps, and rubella (MMR) and rubella if born on or after January 1, 1957, or one immunization in the past ten years.

NONDEGREE STATUS

If a student wishes to complete certain undergraduate courses and not pursue a degree, the admissions committee may grant that person nondegree status provided the applicant submits the following:

1. Proof of high school graduation or the equivalent (GED).
2. Proof of eligibility to return to the last school attended by means of an official transcript.
3. A $30 nonrefundable application fee.

4. Documented proof of two immunizations for measles, mumps, and rubella (MMR) and rubella if born on or after January 1, 1957, or one immunization in the last ten years.

5. Certification that the student is not under suspension from any college or university. A student found guilty of nondisclosure or misrepresentation in filling out the registration form, or students who find after enrollment that they are ineligible for academic or any other reason to return to the last institution and who fail to report this immediately to the office of admissions, will be subject to disciplinary action, including possible dismissal from the university.

The student registered in nondegree status is subject to all university regulations governing registration, attendance, and academic standing. Credit earned in nondegree status is recorded on the student's permanent record and may be applied in an undergraduate degree program when the student has satisfactorily established degree status by meeting entrance requirements to the university.

Nondegree status students are not eligible for Federal financial aid or institutional scholarships.

READMISSION

A former William Carey University student (one who was not registered during the preceding trimester) must submit a completed application for readmission to the office of admissions. The applicant for readmission should meet the minimum academic standards required of current students. Those not meeting minimum academic requirements are evaluated for admission by the admissions committee. All decisions of the admissions committee are subject to appeal. A student who has been out of school only during the summer does not need to apply for readmission.

INTERNATIONAL STUDENTS

William Carey University is authorized by the U.S. Citizenship and Immigration Services (USCIS) to enroll nonimmigrant alien students.

International students who wish to be admitted to William Carey University must meet the requirements listed below. They must also meet additional requirements listed in either the freshmen or transfer subsections. Freshmen are considered those students who have attempted less than 12 hours of credit at an institution of higher learning (college or university), and transfers are students who have attempted 12 or more hours of credit at an institution of higher learning.
1. **Application**—Application for admission can be completed on the Carey website (www.wmcarey.edu). Applications may also be requested by mail through the office of international admissions on the Hattiesburg campus. A US$30 application fee, which allows for a student’s application to be processed, should be mailed to the Office of International Admissions at 498 Tuscan Avenue, Box 13, Hattiesburg, MS, 39401.

2. **Academic Records**—The following information is required for consideration for undergraduate admissions.

   - **Freshmen Students (first time college students):**
     Academic records indicating the level of secondary completion or course work completed at a foreign institution(s) must be provided.

     Scholastic Testing—A minimum American College Test (ACT) score of 20 or Scholastic Aptitude Test (SAT) score of 950 is required. Copies of these scores must be mailed to the office of international admissions.

   - **Transfer Students:**
     Academic records indicating the level of secondary completion or course work completed at a foreign institution(s) must be provided.

     Academic records indicating course progress from any institution(s) of higher education or official transcript(s) from the U.S. institution(s) attended are required. An official transcript is defined as one mailed directly from one institution to another. All records must be in English before an I-20 from William Carey University is issued.

     Transcripts from foreign institutions must be submitted to one of two foreign credential evaluation agencies: World Education Services (www.wes.org) or AACRAO Foreign Credential Services (www.aacrao.org/credentials). The results from the evaluation must be mailed to William Carey University. This process takes between 30 to 60 days.

     Students transferring from any American college or university must coordinate the transfer of their I-20 status from their current institution to William Carey University. The requirements for obtaining such transfers are established by each individual institution.

3. **Language Proficiency**—Students who are not from nations where English is considered the official or second language are required to take either the Test of English as a Foreign Language (TOEFL) or the Michigan Level Examination. A minimum score of 523 is required on the paper-based TOEFL; a minimum score of 193 on the computer based TOEFL; or a
minimum score of 70 on the internet-based TOEFL. Students who wish to take
the Michigan Level Examination must meet the minimum requirement of a
Proficiency Level II.

4. **Certification of Finances**—Proof of financial support for the duration of
the international student’s stay in the United States is required. This
document can be downloaded from the Carey website (www.wmcarey.edu).

5. **Proof of Immunizations**—William Carey University requires one
immunization for measles, mumps, and rubella (MMR) in the past ten
years or two such immunizations in a lifetime.

6. **Proof of Major Medical Coverage**—Proof of medical coverage while
attending an institution of higher education in the United States is
required. All international students are required to have a policy with the
university. Students will be assessed for the policy coverage at the
beginning of each trimester. More information on the health
insurance policy adopted by William Carey University is available
online (www.wmcarey.edu).

**Additional Information**—In order to receive an F-1 VISA, international
students are to schedule an appointment with the nearest U.S. consulate or
embassy in their country within 90 days of departure. They must take along
their documentation, letter of acceptance, and I-20 for presentation and review.
The U.S. Citizenship and Immigration Services (USCIS) recommends the
entering student be honest and have copies of all documentation sent to
William Carey University available for review by the U.S. custom official at the
consulate, embassy, or U.S. port of entry. Custom officials may at any point of
the student’s travel to the United States deny him/her entry into the country.

Copies of original documents may be faxed or mailed to the office of
international admissions.

International students should refer to the university calendar for dates of
trimester breaks and religious and national holidays (i.e. Thanksgiving,
Christmas) in preparation for travel.

Questions or concerns should be directed to the director of international
admissions on the Hattiesburg campus, 601-318-6103, 800-962-5991 (toll free),
or admissions@wmcarey.edu

**ADMISSION STATUS**

Students may attend William Carey University under several status
categories depending upon the level of compliance with published admissions
requirements.
1. An *accepted student* is one who has been officially accepted for admission, whether freshman, transfer, or readmission.

2. A *conditionally accepted student* is a freshman with a 17, 18 or 19 ACT score. The student must be advised by student support services staff.

3. A *probational student* is one who does not meet the minimum admissions standards but is allowed to attend William Carey University by action of the admissions committee. The student must meet the minimum academic standards required of current students on a minimum of six semester hours and a maximum of two trimesters.

4. A *provisional student* is one who has been provisionally accepted based on preliminary coursework and is awaiting acceptance pending receipt of all official supporting documents.

5. An *incomplete student* is one who has not supplied all necessary documents to be complete in admissions.

   Students in a provisional status may be allowed to register. The students must be prepared to pay at least 50% of all charges by the end of the first week of class and provide all documents required for admission by the end of the first term of attendance. No financial aid will be processed or paid on students who have not been officially accepted. Students who do not comply with the admission requirements, or who, upon receipt of official documents, do not meet the minimum standards for admission will be removed from classes, will receive no grades, and will be refunded according to the tuition refund policy. Permission for registration does not indicate official acceptance to William Carey University.

**ACADEMIC RENEWAL**

Academic renewal is provided for qualifying undergraduate students who were not successful with their initial college experience and who have not attended college for the previous five years. The policy allows the student to have one or more terms of previous college work forgiven. More information is available in the admissions office.

**APPLICATIONS FOR HOUSING**

The residential housing status form must be returned to the student life office. A $150 security deposit is required to reserve a room in a residence hall in Hattiesburg. The deposit is refundable if a written request is made 30 days prior to the first day of classes. The reservation and security deposit for the Hattiesburg campus apartments and Byrd and Braswell Halls is $200.
HATTIESBURG CAMPUS FACILITIES

• BASS HALL—Bass Hall is a three-story building that accommodates 150 female residents. Built in 1963, the building has a large lounge and a resident manager’s suite. Interior renovation was completed in the summer of 1999, and exterior renovations accomplished in 2006.

• BRASWELL AND BYRD HALLS—These twin dormitories were constructed during 2006 and 2007. The male and female dormitories are comprised of three levels with 98 resident rooms and two resident director apartments. Braswell Hall (the male dorm) and Byrd Hall (the female dorm) share a common lobby with a computer workstation area, TV viewing area, and lounging areas. The resident rooms are suite arrangements with two rooms sharing a semi-private bathroom.

• BRYANT HALL—Completed in 1966 and renovated in 1998, this building accommodates 110 male residents.

• CAMPUS FACILITIES BUILDING—This building houses the offices and equipment of the physical facilities department.

• CHAIN GARDEN—This area of the campus was originally dedicated in 1992 in honor of Bobby and Betty Chain. In 2006 the garden was completely renovated by the Bobby L. Chain family to include the six foot bronze statue of the Risen Christ.

• CLINTON GYMNASIUM—Constructed in 1961, this building includes a gymnasium, offices, and locker rooms. The roof was replaced in 2004 with a membrane roofing system. Interior renovations, including new office space and heating and air conditioning systems, as well as updating the building exterior, were accomplished in 2006.

• COMMON GROUNDS—Created in 1997 from a former carriage house, this facility houses a student-operated coffee house.

• CRAWFORD HALL—This eight-room structure constructed in 1936 serves as the offices and activities center for the Baptist Student Union. An exterior renovation was completed in 2005.

• FAIL-ASBURY NURSING BUILDING—Originally completed in 2002, this building contains faculty offices, classrooms, and laboratory facilities for the Joseph and Nancy Fail School of Nursing. An addition to the original building
was constructed in 2008 that provides additional faculty offices, classrooms, study rooms, and an elevated lecture hall.

- **JOSEPH AND NANCY FAIL SOFTBALL FIELD**—Dedicated in 2007, the state-of-the-art field is named to honor the Fails, longtime friends of the university.

- **FAIRCHILD HALL**—This 1970 facility houses the department of education. The building has office suites for faculty members, four classrooms, and a well equipped curriculum laboratory.

- **GREEN SCIENCE HALL**—The one-story portion of Green Science Hall accommodates chemistry and physics curricula. The two-story section houses Ross Lecture Hall, student study and work areas, laboratories, offices, and classrooms for the departments of biology, mathematics, psychology, and social sciences. The building was constructed in 1958 and renovated in 2003 and 2005.

- **JOHNSON AND ROSS HALLS**—These twin buildings were constructed in 1919 and are among the original structures on the campus. In 1984 Johnson Hall was completely renovated and converted into apartments, accommodating up to 48 female residents. In the summer of 1999, interior restoration of Johnson and Ross Halls was completed. Ross Hall accommodates approximately 60 female residents in suites containing private bathrooms. New porches were added in 2004 with additional exterior renovations completed in 2006.

- **LAWRENCE HALL**—Lawrence Hall, built in 1954, provides offices, classrooms and conference space for the Owen and Elizabeth Cooper School of Missions and Biblical Studies, student government association, student life, and student support services. Exterior renovations were completed in 2005.

- **McMILLAN HALL**—Completed in 1964, and renovated in 2004, this building houses the university bookstore and post office. Exterior renovations were completed in 2005.

- **MISSIONS PLAZA AND TOWER**—Dedicated in 1994, and prominently located in the front of Wilkes Hall, the Marjorie and Earl Kelly Missions Plaza and the Estelle Willis Missions Tower recall the legacy of William Carey and honor Southern Baptist missionaries, William Carey University alumni, faculty, staff, and students in foreign missions service. Gifts of Joseph and Nancy Fail made construction possible. The plaza and tower were renovated in 2004.

- **MISSISSIPPI WOMAN’S COLLEGE HERITAGE PLAZA**—A memorial to Margaret Hemeter Gillespie and Mississippi Woman’s College alumnae, the plaza is located between Ross and Johnson Halls. It was dedicated in January 2007.
• **LUCILE PARKER GALLERY**—Built in 1990 and located in Thomas Fine Arts Center, the Lucile Parker Gallery is named for the late William Carey University professor of art emerita whose work in watercolor brought national acclaim. Exhibitions of artists enjoying national reputations are scheduled September through May. The university’s permanent collection is exhibited June through August.

• **POLK HALL**—Originally built in 1962, this dormitory was renovated in 1998 and accommodates 98 male residents.

• **MARY ROSS BUILDING**—An original building constructed in 1920 for a campus hospital, this building now houses faculty offices and conference rooms for the School of Business. The exterior of the building was renovated in 2005.

• **THE DUMAS L. SMITH/I.E. ROUSE LIBRARY**—Located across from Tatum Court, the Smith/Rouse Library, which was built in 1957 and renovated in 2002, houses over 110,000 items. These include books, serials, microforms, and audiovisual resources. A computer lab is located within the library to provide access to the Internet. Wireless internet access, as well as 35,000 online e-books and an extensive array of scholarly research databases are now available at Smith/Rouse Library.

• **THE LORENA ROSEBERRY SMITH HALL**—Built in 2004, this education facility contains faculty offices and eight modern classrooms, equipped with state-of-the-art technology.

• **SOCCER FIELDS**—The soccer complex featuring Musco Sports lighting was dedicated in August 2004 and includes an official game field, a practice field, and an intramural field. The soccer program was moved from the Gulfport campus to Hattiesburg campus in 2003. The Jack and Carol Simmons fitness track was added during 2007 to provide a safe area for jogging and walking. The half-mile track encircles all three playing fields.

• **STUDENT CENTER**—Located in Wilkes Hall and completed in 2000, the student center provides video games, pool, table tennis, TV, a meeting room, and complete fitness facility for students, faculty, and staff.

• **TATUM COURT**—Constructed in 1914, this building of colonial design was renovated in 1974 into a facility housing administrative offices, faculty offices, classrooms, and the O. L. Quave Theatre. Additional exterior renovation was completed in 1999 and 2005. A Flemish Master Carillon, donated by Lewis and Margie Myrick to commemorate the Jubilee Celebration of the college, was installed on the rooftop of Tatum Court in 2004.
• THOMAS BUSINESS BUILDING—Completed in 1974, this facility contains the Kresge Lecture Room, the School of Business, classrooms, computer labs, continuing education, workshops, graduate classes, and the Glass Room.

• THOMAS FINE ARTS CENTER—The Fine Arts Center, dedicated in 1966, contains complete facilities for the Donald and Frances Winters School of Music, the Dumas L. Smith Auditorium, and the Lucile Parker Art Gallery.

• DONNA DUCK WHEELER ALUMNI HOUSE—A two-story colonial style residence built in 1962 and formerly named the Bentley-Pope House, was renamed in April 2006 to honor Donna Duck Wheeler, alumni director for 17 years. The building houses the offices of external relations, advancement, and alumni relations.

• MILTON WHEELER FIELD—A state-of-the-art baseball field was dedicated in 2006 and named to honor Dr. Milton Wheeler for over four decades of service to the university and as athletic advisor for 30 years.

• WILKES HALL—Built in 1967, this building includes a student dining room, a faculty dining room, the president’s dining room, a conference center, and a student center. Exterior renovations were completed in 2005.

GULFPORT CAMPUS FACILITIES

In 1976 William Carey College on the Coast opened on 20 acres on Beach Drive. In August 2005 Hurricane Katrina devastated the property and all buildings were condemned. Sixteen modular units were placed on the property in spring 2006 to house classrooms, offices, computer labs, and the library on a temporary basis until property can be obtained to move the campus inland. The campus has operated from temporary quarters in fall 2005 through the present time.

The McMullan Learning Resource Center, which is located in two of the 16 modular units on the temporary campus, houses over 12,000 books, serials and audiovisual resources, as well as 10 high-speed computers for student use. Over 35,000 online e-books are also available to students, as well as a wide array of scholarly research databases.

NEW ORLEANS CAMPUS

• WILLIAM CAREY BUILDING—The William Carey Building has an administrative suite with offices for the director of pre-nursing, nursing, the nursing secretary, and a reception area. There are 12 office/staff offices, registrar’s office, three classrooms, and a nursing skills laboratory.

Facilities of New Orleans Baptist Theological Seminary which are available to WCU students include:
• A full service health sciences library, which is affiliated with the National Network of Libraries of Medicine, is also available to all New Orleans WCU students. The library contains over 3,500 books on health sciences, biology, and nursing, as well as a wide array of serials and audiovisual resources. Four high-speed computers are provided for student use, as well as 35,000 e-books and a wide array of scholarly research databases.

• Hardin Student Center—Hardin Student Center houses the information and technology center and student lounge area.

• River City Cafeteria—Serves breakfast and lunch Tuesday though Friday.

• Leavell Chapel—Chapel services are held Tuesday through Thursday in conjunction with N.O.B.T.S.

GENERAL REGULATIONS FOR STUDENTS

HEALTH SERVICES

On the Hattiesburg campus, students have access to immediate care clinics and two hospital emergency rooms that extend 24-hour care. The clinics and emergency rooms are provided on a fee-for-service basis.

Medical service for students on the Gulfport campus is provided by an arrangement with UrgiCare on a fee-for-service basis.

On the New Orleans campus, the services of a family nurse practitioner and clinic medical assistant are available for faculty, staff, and students at the NOBTS Clinic. The clinic is open Monday through Friday. Appointments can be scheduled by calling 504-816-8596. A partial list of available services includes: immunizations, physical exams, lab tests, screening and monitoring, minor surgery, treatment of common chronic conditions, off-site referrals, diagnosis and management of common episodic problems, and prescription refills. Charges vary depending on the service provided and are posted on the patient’s account with WCU. Additional and emergency services are available at hospitals in the New Orleans area.

Information about health insurance is available to students in Hattiesburg in the office of student life, in the office of the director of student services in Gulfport, and in the office of marketing and student services in New Orleans.

VEHICLE REGISTRATION

Registration of motor vehicles is a part of the academic registration procedure at the beginning of each year for all students who are permitted to bring cars on the campus. Students who bring unregistered vehicles on campus after any registration
period must register them immediately after arrival on the campus. All university employees and students shall register their vehicles and secure a registration decal from the student life office. Failure to register a vehicle, to use the proper decal, or to observe all traffic regulations will constitute a violation and subject the violator to certain penalties.

CAMPUS SAFETY AND SECURITY

Campus security personnel are located at four stations on the Hattiesburg campus and are available 24 hours a day. Security personnel at Gulfport are located at the campus security station, and security at New Orleans is provided by the New Orleans Baptist Theological Seminary. Any crime or suspicious activity should be reported promptly to campus security: Hattiesburg (601) 318-6300; Gulfport (228) 897-7223; New Orleans (504) 944-7711, ext. 3230 or 944-4455 (after 4:00 pm).

STUDENT RIGHTS AND RESPONSIBILITIES

Every student is expected to display proper conduct. However, violations of the student code of conduct will be dealt with according to the policies and procedures outlined in The Red Book. The university reserves the right to require at any time the withdrawal of a student whose conduct or academic work does not meet university standards. Students have the right to appeal decisions through appropriate channels as outlined in The Red Book.

STUDENTS WITH DISABILITIES

Every reasonable effort will be made to meet the special needs of students who qualify under Section 504 and ADA disability criteria. Eligibility for special accommodations will be available to students who are officially enrolled at William Carey University, who meet all university program requirements, and who meet the definition of disability as defined by the Rehabilitation Act of 1973 and the Americans with Disabilities Act. The definition of disability includes any person who "...has a physical, emotional, or mental impairment which substantially limits one or more of life’s major activities; has a record of disability, or is regarded as having a disability" (P. L. 101-336).

To obtain service or for more information, contact the office of student services or refer to the policies and procedures outlined in The Red Book.
HOUSING POLICY FOR SINGLE STUDENTS

PHILOSOPHY FOR RESIDENTIAL LIFE

The university holds to the philosophy that living on campus provides an increased opportunity for developing better student relationships, encourages the exchange of cultural and intellectual thought, and promotes an environment for living and learning as part of the overall educational mission of the university.

RESIDENCE REGULATIONS

All full-time undergraduate students on the Hattiesburg campus are required to live on campus and participate in a university meal plan unless they meet one of the following criteria: age 21, commute from home of parents (50 mile radius), are married, or have children. Residence hall students who turn 21 by the start of the term in which they wish to live off campus, have senior classification, and are in good standing with the university may apply to live off campus. Any unmarried student under age 21 living off-campus without official approval will be required to pay full room and board charges for the trimester in which the violation occurs.

Students must furnish their own linens, pillows, and, if desired, window curtains. Mini-blinds are furnished. Local and long-distance telephone service is available through the university’s telecommunications system; however, students must furnish their own telephone set.

All resident students must make room reservations prior to each trimester. On the Hattiesburg campus, a one-time $150 deposit ($200 for Johnson apartments and new residence halls) is required of all new campus residents. Upon receipt of a written request from the student, the deposit will be refunded within 90 days of the student’s permanent check-out. The amount of the refunded deposit is reduced by any unpaid charges, fines, or assessments for damage to the room or its furnishings.

Housing is not provided on the Gulfport and New Orleans campuses.

The university reserves the right to inspect rooms and to move any student to another assignment for reasons of space management or for the maintenance of order. At the beginning of each school term, students without roommates may choose one of three options: 1) move together voluntarily with another student who is without a roommate, 2) be reassigned with another student who is without a roommate, or 3) pay the private room rate. Whatever the option chosen, the student must coordinate his or her actions with the resident hall director on the Hattiesburg campus.

Students will not be allowed to remain in student housing for any period of enrollment in which they are not registered for course work.

TERMS OF PAYMENT

All fees are due and payable upon registration prior to the beginning of each trimester. Returning students who pre-registered must make payment arrangements with the business office by the end of the day on Thursday before the start of each term in order to avoid a $50.00 late payment fee, unless otherwise stated. Returning students who fail to register for the next trimester during the pre-registration period will be assessed a late registration fee of $50.00. New students who register on general registration day must make payment arrangements at the time of registration in order to avoid a $50.00 late payment fee. Students registering after the pre-registration period will
not receive a bill by mail, but must come to the business office for a copy of the schedule of classes and charges.

The university offers a deferred payment plan for students who elect not to pay in full at the time of registration. There is a $35 fee assessed each trimester for the privilege of using the deferred payment plan. In order to register under this plan, a student must pay all remaining balances from previous trimesters and a minimum of one-half the tuition, fees, room, and board charges after deducting any student loans, grants, and scholarship amounts. The remaining trimester balance can be divided into two equal payments with payments due at the times specified on the Deferred Payment Agreement. Students who fail to set up on the deferred payment plan by the end of the first week of class will be automatically charged the $35 deferred payment fee plus an additional $15 processing fee. Failure to make payments by the due dates on the agreement will result in a $15 late payment charge on each of the due dates. If a student is more than 15 days late in making payment, the university reserves the right to terminate the student’s enrollment. Should a student be granted permission to re-enter, a reinstatement fee of $10 will be assessed. This fee is nonrefundable and must be paid in cash.

Account statements are mailed out monthly on all accounts with an outstanding balance. Students are responsible for notifying the business office of any address changes in order for statements to be received in a timely manner. Any changes or questions can be sent to businessoffice@wmcarey.edu or mailed to the business office at 498 Tuscan Avenue, Box 2, Hattiesburg, MS 39401. (Note: In order to change the address on file for grades, the registrar’s office should be notified.) Nonreceipt of statements will not be considered a valid excuse for nonpayment. It is the responsibility of the individual (the student) who has incurred the debt to see that it is paid promptly.

An account becomes delinquent after the second deferred payment due date has passed. If satisfactory payment arrangements cannot be made, the business office will send a registered letter to the last known address with a final request for payment. If no response is received within ten days, the account will be sent to a collection agency. The collection agency will bill for the balance owed to WCU, plus up to an additional 50% for their fee. The student will be responsible for paying the collection costs as stated on the Registration Form in the section "Acknowledgement of Financial Responsibility."

When an account is not paid in full by the deferred payment due date, the business office will place a "HOLD" on a student’s record. This "HOLD" restricts the student’s ability to receive transcripts, diploma, and to register for future academic terms. Once established, the "HOLD" will remain in place until the debt is paid in full.
WITHDRAWAL AND DROP/ADD REFUND POLICY

A portion of tuition and fees may be refunded to students who officially withdraw from the university or officially drop a course. Any claim for such refund will be based on the date on which the student files a completed request with the registrar’s office for official withdrawal or dropping of a course. No refund is made when a student is dismissed for reasons of misconduct. The general tuition refund policy is applied as follows:

- During the first week of class .............................................. 100% less $25/$50*
- During the second week ..................................................... 70% less $25/$50*
- During the third week ....................................................... 40% less $25/$50*
- After the third week.............................................................. None

*$25 fee for dropping a class/$50 fee for complete withdrawal

Refunds for amounts under $25 will be done only on request.

For classes offered on a schedule shorter than a 10-week term, the refund period will be reduced in proportion to the length of the course. The effect of holidays on this schedule will be determined by the business office.

STUDENT CREDIT BALANCE REFUND POLICY

Refunds are issued on Fridays for students with credit balances, beginning with Wednesday of the fourth week of the term and continuing every Friday until the end of the term. Financial aid, payments, or adjustments must be received in the Hattiesburg business office by the cut-off date to be considered for refunds the following week. Refunds for amounts under $25.00 will be issued only on request.

Student refunds for credit balances will be disbursed each trimester according to the dates listed in the student refunds link on the WCU website and in the business office information packet. Refunds take at least one week to process; therefore, after the first refund date, checks will be disbursed every Friday for financial aid or payments that have been received in the Hattiesburg business office by the previous Friday. If refunds have not been picked up within a week after they are disbursed, they will be mailed.

BOARD AND RENT REFUND POLICY

Students withdrawing from the university after the start of classes will not receive a refund for residence hall or board fees. Deposits are returned in accordance with the agreements under which they are made.
BOOKSTORE AND SUPPLIES

The university maintains a bookstore on each campus, through which books, class supplies, gift items, clothing, and other items may be purchased.

FINANCIAL AID TO STUDENTS

Scholarship, grants, work study, and loan funds at William Carey University are administered in conjunction with a nationally established philosophy of distributing financial aid. The basis of this philosophy is the belief that the student and parents have the primary responsibility for paying the cost of education and that financial aid from the university is available only for meeting the difference between the cost of education and the amount the students and parents can reasonably be expected to contribute. A student’s expected family contribution is determined by the Department of Education once a student has completed the Free Application for Federal Student Aid (FAFSA). William Carey’s federal school code is 002447.

The purpose of William Carey University’s financial aid program is to provide assistance to students who would be unable to attend college without such aid. Financial aid includes scholarships, grants, work study, and loans. These types of assistance are extended either singly or in combination. The financial aid award or “package” offered depends upon the student’s academic record and need for assistance. It is understandable that most students would prefer assistance through a full scholarship or gift program, but the packaging concept enables William Carey to assist more students, thereby making it possible for larger numbers to attend. Each aid applicant will be considered for all aid programs administered by the office of financial aid.

The institution requires that an online FAFSA be completed by any student who will be receiving a scholarship, loan, work study, grant or any other form of financial aid. Also, any student who receives a scholarship at William Carey University must early register each trimester in order to retain the scholarship.

FINANCIAL AID GENERAL REGULATIONS

1. Financial aid applicants must be accepted for admission to William Carey before financial assistance can be awarded.

2. Generally, financial aid is offered to the full-time student working on his or her first baccalaureate degree. If a student drops below half-time status, that student automatically becomes ineligible for most financial aid.

3. Ordinarily financial aid is awarded once per trimester of the regular academic year.
4. In order to receive financial aid, students must maintain “Standards of Satisfactory Academic Progress” toward their degrees and remain in good standing. Financial aid may also be withdrawn from students who are penalized by William Carey University for serious breaches of discipline. The financial aid office reserves the right to withhold further assistance at the time it becomes evident that a student has abused or is abusing the financial aid programs.

5. Students receiving financial aid from sources other than William Carey University must advise the director of financial aid of the amount and source of such aid.

6. An application for financial aid must be completed annually. Financial aid is NOT automatically renewed.

7. This institution is in compliance with Title VI of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972 and does not discriminate against the handicapped or on the basis of race, creed, color, sex, or national origin.

8. Nondegree students are not eligible for Federal financial aid.

9. Any student receiving all F’s or I’s in any trimester will lose all institutional scholarship aid for the next trimester of attendance.

ADDITIONAL INFORMATION ON FINANCIAL AID

The director of financial aid and appropriate staff members are available to provide additional information regarding the financial aid program of William Carey University as required by the Student Information Requirements as stated in Title I of the Education Amendments of 1976. For further assistance, please call (601) 318-6153.

William Carey University participates in all programs of the Veterans’ Administration. Information and assistance with applications may be secured from the V.A. certifying officials on the Hattiesburg, Gulfport, or New Orleans campus. V.A. officials are located in the business office or the registrar’s office.

INSTITUTIONAL SCHOLARSHIPS AND AWARDS

William Carey University makes financial aid commitments to qualified full-time undergraduate students based on academic achievements, special talents, and dependents of groups related to its institutional mission. Aid may also be based on special talent such as art, music, theatre, science, and other academic areas. Scholarships funded directly by the university from endowment, memorial gifts, and annual gifts are listed below.

All scholarship commitments are made through the office of financial aid based on recommendations from the scholarship committee, department chairs, deans of schools, and the athletic director. All applications will be considered on a funds-available basis. All scholarship recipients must complete a minimum of 9 credit hours each trimester.

PHI THETA KAPPA SCHOLARS

Members of Phi Theta Kappa may receive an additional $300 per year. Proof of membership is required.

Children, grandchildren, siblings, and spouses of alumni of William Carey University may qualify for scholarships of up to $300 per year.

TALENT SCHOLARSHIPS

William Carey University offers talent scholarships in vocal music, instrumental music, theatre, forensics, journalism, and art (Gulfport only). For all talent scholarships, auditions or portfolio viewing must be arranged with the appropriate dean or department chair.
CHURCH-RELATED VOCATION (CRV) SCHOLARSHIPS

**Baptist Student Scholarships** of up to $300 per year are available for students who are recommended by a pastor of a Southern Baptist church. This amount may be added to academic scholarships. Requires pastor nomination.

**CRV Dependent Student Scholarships** of up to $500 per year are available for sons, daughters, and spouses of pastors, and other full-time ministerial employees of local Southern Baptist churches, Southern Baptist Associations, or other Southern Baptist agencies. This amount may be added to academic scholarships.

**CRV Scholarships** of up to $5,300 of the cost of tuition on 30 hours per year for on-campus students and up to $3,700 of the cost of tuition on 30 hours per year for commuting students are available for qualifying students. A CRV student is defined as one who has made a public commitment (requires letter from church or license/ordination certificate) to a church-related vocation (ministry or missions) in a church affiliated with the Southern Baptist Convention.

Southern Baptist CRV students may also apply to the Board of Ministerial Education of the Mississippi Baptist Convention for additional financial aid. This aid is applied for in a separate process through the School of Missions and Biblical Studies at William Carey University.

Scholarship opportunities for qualifying **International Mission Board missionary dependents** are available through the Margaret Lackey Fund of the Southern Baptist Convention.

ATHLETIC SCHOLARSHIPS

For all athletic scholarships, tryouts must be arranged with the appropriate coach.

STUDENT LIFE AND CAMPUS ACTIVITIES

Student life at William Carey University is an experience in community Christian living. All student life, all organizational life, and all social life is directed to the ultimate purpose of preparing a person for well-balanced vocational and social life. The university strives to give all students the opportunity to grow creatively in all aspects of personal and community life.

All students are expected to assume responsibility for their own affairs and to respect the rights and privileges of other members of the campus community. Faculty and administrators of the university are interested in students and seek to help them to achieve mature, personal, responsible objectives.

Students' spiritual, social, moral, intellectual, and vocational maturity is increased through their participation in community housing, organizational activity, their assumption of responsibilities for campus life, and the availability of many forms of student and staff guidance.

Rules and regulations related to student campus life are set forth in The Lance, a publication of the office of student life. It governs matters of conduct and residential life and is distributed annually to all students. In addition, some academic programs provide separate handbooks related to the particular programs. These documents collectively set forth the various rights and responsibilities of students, both academically and in other matters related to matriculation. Procedures related to these rights and responsibilities, including appeals related to academic and conduct matters, are set forth in these documents.

RELIGIOUS ACTIVITIES

CHAPEL

The purpose of chapel is to provide through the regular assembly of the entire university family an opportunity for worship and inspiration, for learning in inspirational context, and for the creation of community. This will contribute to spiritual development of the student as a significant part of preparation for meaningful life. With certain exceptions, all undergraduate students on the Hattiesburg campus are required to attend. Requests for exemptions from the chapel requirement may be made by completing an exemption request form, which is available in the Cooper School of Missions and Biblical Studies, Room 112 of Lawrence Hall on the Hattiesburg campus.

Chapel programs are presented each Tuesday morning on the Gulfport campus, and with certain exceptions, all undergraduate students are required to attend. Exemptions from the chapel requirement may be made by petition to the office of student services on the Gulfport campus.
Students and faculty on the New Orleans campus attend general assembly, in which a varied program of professional, cultural, and/or religious nature planned by a student-faculty committee is presented. With certain exceptions, all undergraduate students on the New Orleans campus are required to attend. Requests for exemptions from the chapel requirement may be made by contacting the director of marketing and student services on the New Orleans campus.

WILLIAM CAREY LECTURES

The William Carey Lectures are held annually on the Hattiesburg campus, honoring the university’s namesake and the Christian missions effort. A Religious Emphasis Day is held on the Gulfport campus. Outstanding leaders and scholars from the Christian community are brought to the campuses for these emphases.

BAPTIST STUDENT UNION

The Baptist Student Union (BSU) is a ministry for the campus which is designed to facilitate and enrich spiritual growth, to share Christ with all students, to encourage individual and group Bible study, to encourage church membership and loyalty, and to learn about and be involved in mission projects. The BSU seeks to provide a wholesome Christian fellowship through which all students can involve themselves in ministry and personal growth activities.

The BSU is supported by area churches and affiliated with the Collegiate Ministry of the Mississippi Baptist Convention Board and the National Collegiate Ministry, a ministry of Lifeway Christian Resources of the Southern Baptist Convention.

STUDENT GOVERNMENT ASSOCIATION

William Carey University has adopted student government because of its democratic and creative implications. Each student who enrolls in the university automatically becomes a member of the Student Government Association. Each member is given an opportunity to participate in student government by voting in SGA elections, by the voice of representatives in the Student Government Council, and by the right of personal petition. The officers of the SGA work closely with the director of student activities in planning and implementing student programs and activities. Both the New Orleans and the Gulfport campuses have autonomous Student Government Associations.
INTERCOLLEGIATE ATHLETICS

The William Carey University intercollegiate athletic program provides student athletes with the opportunity to represent the institution in intercollegiate athletic competition. The athletic program has a rich tradition of excellence and is a member of the National Association of Intercollegiate Athletics (NAIA) and the Gulf Coast Athletic Conference (GCAC). The Lady Saders and Crusaders compete in women’s basketball, women’s soccer, fastpitch softball, men’s basketball, men’s soccer, men’s golf, and baseball. All William Carey students with a valid ID are admitted free to regular season home events.

William Carey University offers a program of graduate studies leading to degrees in selected areas of teacher education (M.Ed., Ed.S.), business (M.B.A.), nursing (M.S.N.) and psychology (M.S.). All degrees are available in Hattiesburg and Gulfport. Information related to the graduate programs of the university is set forth in a separate catalog.

For information or a graduate catalog, contact the Graduate Office, William Carey University, 498 Tuscan Avenue, WCU #155, Hattiesburg, MS 39401.

ACADEMIC GUIDANCE PROGRAM

William Carey University provides a guidance program for students through faculty conferences. Conferences are designed to assist students in the choice and mastery of academic subjects.

1. Each student is assigned to a member of the faculty who serves as advisor. Chairs or deans of the various departments or schools of the university are responsible for assigning advisors for their major students.
2. A program of orientation for new students is provided.
   (a) An introduction to student life is provided by the vice president of student services.
   (b) Diagnostic tests are administered to new students prior to registration. Tests are administered in the following areas: English composition, reading, and mathematics.
   (c) Results of the required placement tests are used to recommend appropriate courses for students.

CLASSIFICATION OF STUDENTS

The undergraduate academic work of William Carey University is organized into four classes: the freshman class (29 semester hours or less), the sophomore class (30-59 hours), the junior class (60-89 hours), and the senior class (at least 90 hours or graduating the following summer).

GENERAL ACADEMIC REGULATIONS

REQUIREMENTS AND REGULATIONS FOR ALL DEGREES

1. **English Proficiency Examination.** All students must register for and take the English Proficiency Examination (ENG 000) in the first trimester following completion of ENG 101-102. Transfer students must register for and take the examination during their first trimester of work at William Carey. Students who do not take the EPE as scheduled may be prevented from registering for classes in the following trimester. Any student who fails the examination must register for and satisfactorily complete English 103 or 105 in subsequent trimesters.

2. **Computer proficiency.** All students must demonstrate computer proficiency by passing a computer skills proficiency examination or by completing at least one computer course. The computer course must focus on some aspect of computing that requires knowledge and skills in the basic use of computers.

3. **Writing intensive courses.** All students must take a minimum of three hours of courses at William Carey University that are designated as writing intensive. Writing intensive courses are listed on page 89.

4. **Service Learning Requirement.** All students must complete an approved service learning activity in order to graduate.

5. **Graduation requirements may be met under any catalog in effect during the student’s enrollment within six years of graduation.** Community/junior college students transferring directly to William Carey University under admissions standards in the current catalog may elect to follow the
academic policies in the immediately preceding catalog, provided they were enrolled at the community/junior college at that time. Students seeking teacher or nursing licensure should follow currently approved programs.

6. Students who earn a degree at WCU may earn a second degree by completing the following: any remaining degree requirements, a second major (and minor, if the major requires one), any current core requirements not fulfilled in the first degree, and all graduation requirements, including the residency requirement.

Students who hold a baccalaureate degree from another accredited college or university may earn a degree at WCU by completing all course work for the degree including core courses, a major (and minor, if the major requires ones), and all graduation requirements, including the residency requirement. Courses in the prior degree that match WCU requirements will be waived.

7. Courses used to satisfy requirements in one category (core, major, minor) may be used to satisfy the requirements in another category, but the hours only count once. This applies to earning a single degree, major, and minor or any additional degrees, majors, or minors.

8. **Upper-level hours.** Forty hours in courses numbered 300 or above are required. (Courses transferred from community/junior colleges will not be counted as upper-level hours.)

9. **Upper-level hours in the major field or concentration(s) field.** At least 50% of the required hours in the major field or a B.G.S. concentration must be upper-level hours.

10. **The last 32 semester hours** for any degree must be done at William Carey University.

11. **Upper-level hours in the major or concentration(s) earned at William Carey University** must total at least 12; students with two concentrations in the B.G.S. may achieve this upper-level requirement through any combination of the 12 hours.

12. **Hours in the minor or concentrations** earned at William Carey University must total at least six.

13. **A minimum GPA of 2.0** is required in each of these categories: total academic hours attempted, all work done at William Carey University, courses in the major and in the minor. Individual programs may require a higher GPA.

14. **Application for degree.** Students who are candidates for May degrees on the Hattiesburg and Gulfport campuses and February degrees on the New
Orleans campus are required to file applications for their degrees in the registrar’s office by October 15 prior to graduation. Candidates for August graduation must file application for their degrees by March 31. Late applications may be taken within 30 working days of these deadlines. There will be a $50 late fee in addition to the graduation fee.

15. **Graduation ceremony. Degrees are not conferred in absentia,** except by special permission of the vice president of academic affairs.

16. **A maximum of nine hours in directed readings and independent study courses** may count toward a baccalaureate degree.

17. **Only eight activity credit** hours from PEG courses may count toward a degree. Activity credit for PEG courses are those semester hours awarded for participation in cheerleading, intercollegiate baseball, softball, basketball, golf, and soccer.

18. Nursing students must have a grade of C or above in all nursing courses. Education students must have a grade of C or above in all education courses.

19. The **first eighteen hours** of repeated courses, including those transferred and taken at William Carey University, will count as grade replacements and will not count in the grade point average. Thereafter, all grades will be calculated in the grade point average.

20. A maximum of **64 semester hours** earned in a community/junior college may be applied toward a degree at William Carey University.

21. Students who wish to repeat courses taken at William Carey University must repeat those courses at the university in order to receive the repeated course’s credit and quality points. The last William Carey University grade earned on a repeated course is the grade counted toward the degree requirements and in the grade point average.

22. When courses are repeated, whether resident or transfer credits, the last grade earned is the one that is counted for degree requirements, but previous grades will remain on the record, even if they have been marked as repeated.

**TRIMESTER CALENDAR**

*William Carey University operates on a trimester calendar. The semester hour is the unit of credit.*

All courses meet one hour and 15 minutes per week for each semester credit hour unless different meeting hours are specified in the course descriptions. The trimester is 11 weeks long, consisting of ten weeks of class
followed by final examinations, except during the summer when the term consists of a total of ten weeks.

TRANSFER CREDITS

A maximum of 64 academic credit semester hours earned in a community/junior college may be applied toward a degree at William Carey University. Once students have enrolled at William Carey University, they may not transfer a course from any other senior or community/junior college except by special permission of the vice president of academic affairs. William Carey University will accept transfer credit only from regionally accredited institutions or from a recognized accrediting agency.

Students enrolled at William Carey University who wish to earn credits at another college must make an application in advance to the vice president of academic affairs through their dean/advisor. The student must be in good standing at William Carey before permission will be granted to take a course elsewhere during any term.

Grades of D will not transfer if the student has a cumulative grade point average on all transfer credit for all college work attempted of less than 2.0.

William Carey University has an articulation agreement with Mississippi Gulf Coast Community College. Graduates from MGCCC interested in pursuing a bachelors’ degree at William Carey should contact the admissions office at the Gulfport campus for more information.

CREDIT BY EXAMINATION

William Carey University awards college credit to students through CLEP examinations and Advanced Placement Testing. Requirements are listed below.

Credit obtained by any combination of CLEP, Advanced Placement examinations, and International Baccalaureate (IB) higher level course scores may not exceed 30 hours. Credit by CLEP may not be earned for a subject in which more advanced credit has been earned. Credit by CLEP may not be earned for a course if the prerequisite courses have not been taken. Decisions regarding IB credit are made on a case-by-case basis for each applicant by the appropriate academic department. A minimum score of 5 is required for consideration.

**CLEP Examinations**—Humanities, college mathematics, natural science, social science, and history examinations are elective credit only. Students may, prior to or during their first term of enrollment (for part-time or summer students prior to having completed 15 hours), obtain degree credit for satisfactory performance (minimum score—scaled score of 500) on one or more
of the exams named above, provided the student has not been enrolled in a comparable course for more than 30 calendar days. Six semester hours of credit may be obtained for each of the four examinations areas: humanities, mathematics, natural sciences, and social sciences/history.

**CLEP Subject Examinations.** William Carey University grants credit for CLEP Subject Examinations in lieu of enrollment in equivalent courses which are applicable to the degree program in which the student is enrolled. The acceptable scaled score for each subject examination is determined by the appropriate academic department, but must be a minimum of 50. Students may take subject examinations at any time during their college career, provided they have not been enrolled in the equivalent course for more than 30 calendar days. Credit may not be received for both the subject examination and its equivalent, either in another examination or in a course taken for credit. To receive credit for Freshman English 101, a student must take Freshman College Composition with essay. The essay portion of the CLEP Subject Examination will be graded by the department of language and literature at the university.

Credit by examination may not exceed eight semester hours in any area or discipline except in foreign language which has a maximum of 12 hours. Such credit may be entered on a record only after the student has earned 12 hours of credit in classroom courses at William Carey University.

**Advanced Placement.** Credit may be granted by examination on the College Board Advanced Placement Testing Program. No credit will be awarded for scores less than 3, and some academic departments may require a higher score than 3.

**CORRESPONDENCE CREDIT**

Correspondence credit will not be accepted in the department of the student’s major unless it is in addition to the minimum credit required for the major. All correspondence credit must be approved by the chairman of the major department and the vice president of academic affairs and must carry a grade of at least C. Transcripts for correspondence credits to be used to meet graduation requirements must be received by the registrar at least two weeks prior to the date of graduation. Correspondence credit is limited to six semester hours for a degree.

**ONLINE ENHANCED COURSES**

The increased availability and use of Internet technology is spurring growth in the use of these tools for online teaching and learning. In order to encourage and promote the technological literacy of its students, William Carey University has developed several online-enhanced courses. For information regarding course offerings, contact the individual departments.
DIRECTED READINGS AND INDEPENDENT STUDY

Directed readings courses are available for superior, responsible students interested in reading beyond the usual course offerings at the university. Independent studies may be used with appropriate courses in situations where the required course is not otherwise available. A learning contract, signed by student, instructor, and dean is required for all directed study and independent study courses. A maximum of 9 hours of directed readings and/or independent studies may count toward a baccalaureate degree. An additional fee is charged.

AUDITING COURSES

A student who does not need or wish to obtain credit may attend a class as an auditor. Students who audit a course are expected to attend class on a regular basis and meet other requirements prescribed by the instructor. The credit option (audit to credit or credit to audit) may not be changed after the deadline for adding courses for credit. The fee for auditing is one-half the regular tuition.

LISTENER’S LICENSE

With permission of the instructor using the appropriate form from the registrar’s office, regular classes may be taken as a listener. Class participation is limited, and the course does not appear on the transcript. There is no fee to be a listener at William Carey University.

EXAMINATIONS, GRADES, AND QUALITY POINTS

1. Examinations are given during the last week of each trimester.
   a. No final examination may be held at any other time than that designated by the administration. A final examination by special arrangement may be given only by permission of the vice president of academic affairs.
   b. All fees must be paid before examinations may be taken.
2. No student will be granted a transcript of any kind until his or her account is settled in the business office.
3. Grades are issued to students only.

</tbody>
</table>

A grade of "I" (incomplete) will be assigned only when unavoidable circumstances prevent completion of the work of the course on schedule. In order to be eligible for a grade of "I," a student must be doing passing work, must have completed 80% of the required work for the class, and must provide appropriate documentation for requesting the incomplete. Requests are made using the Incomplete Grade Request Form obtained from the registrar's office and must be approved by the instructor and academic dean. When the work is completed satisfactorily, the "I" may be changed to any grade by the instructor. If a grade of "I" is not changed to a passing grade by the end of the next trimester, it will automatically be changed to "F."

Any junior or senior student is permitted to take one course each trimester on a pass/fail basis. Approval of the instructor, using the appropriate form from the registrar's office, is required. The course must be selected at the time of registration, and it must not be in the student's major or minor fields or in the core curriculum requirements for any degree. A total of four courses may be taken on this basis.

Students taking developmental courses (English 100, English 105, Mathematics 100 or Study Skills) will receive grades of "P" for passing and will receive credit for the course, or a grade of "F." Students taking ENG 103 will receive a "P," "F," or "R."

### COMPUTATION OF GRADES

Grade point averages are based on the number of hours attempted rather than the number of hours passed. This will include all hours attempted at William Carey University and all transfer credits. Grades of "I" (current) "P," "R," "W," and "WP" will not be counted in the total hours attempted.
ACADEMIC DISCIPLINE

Academic standing is determined at the end of each trimester and is based on cumulative grade point average. The following table shows the cumulative grade point average (CGPA) required to be in good standing, based upon the number of hours attempted.

<table>
<thead>
<tr>
<th>Total Hours attempted</th>
<th>CGPA required to be in good standing</th>

</tr>
<tr>
<td>15-29</td>
<td>1.75</td>
</tr>
<tr>
<td>30 and above</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Students not meeting the minimum CGPA for good standing will be assigned one of the following designations.

Probation—Upon initially failing to achieve good standing, the student is placed on probation and is limited to a load of 10 hours for the subsequent trimester.

Continued Probation—If a student has not achieved good standing after a trimester on probation but has a term grade point average (GPA) that is above 2.0 and shows significant progress toward good standing, the student may be continued on probationary status.

Suspension—If, after one trimester on probationary status, the student fails to make significant progress toward good standing and has a term GPA below 2.0, the student is subject to suspension.

Letters of probation and suspension will be mailed shortly after the end of each trimester excluding the summer session. Suspended students who feel they have extenuating circumstances may appeal to the suspension appeals committee. A student who is suspended may apply for readmission after one academic trimester. The applicant for readmission should meet the minimum academic standards required of current and transfer students (see Standards for Admission—Readmission).

Students who attend another institution while suspended from WCU may not transfer those credits to WCU if readmitted; however, the achievement of the student at the other institution may be considered in the admission decision if the student reapplies to WCU.

GRADE APPEAL

A student who believes that a final course grade is unfairly or incorrectly determined and who wishes to appeal the grade should request a “Form for Grade Appeal” from the academic affairs office (or comparable offices on the Coast or New Orleans campuses).
The form is used to guide the grade appeal process through successive reviews, as needed, by the instructor, department chair, dean, and Academic Appeals Committee. The appeal may be resolved at any level or withdrawn by the student at any time.

The appeal must be initiated within 30 working days (excluding official student holidays) of the beginning of the subsequent term.

This procedure and deadline is to be followed for all grade changes, including changes to “W” and “WP/WF.”

**SCHOLASTIC HONORS**

**President’s List and Dean’s List.** Those meeting the following requirements are included in the President’s List and Dean’s List:

1. The student must carry no less than nine semester hours of work exclusive of MUG, PED activity courses, PEG courses and THE 160, 260, 261, 360, and 361 during the trimester on which the scholastic average is based.
2. The scholastic average must be 4.0 for the President’s List and at least 3.5 for the Deans’ List.
3. The grades for the trimester on which the scholastic average is based must include no grade lower than C or an incomplete.

**Graduation Distinctions.** To receive graduation distinctions, a student must earn grades on at least 60 hours in college.

1. A student who has earned a 3.6 grade point average graduates *cum laude*.
2. A student who has earned a 3.8 grade point average graduates *magna cum laude*.
3. A student who has earned a 3.9 grade point average, with no grade below B, graduates *summa cum laude*.

Placement in each graduating class is determined for students who have completed a minimum of 64 hours at William Carey University.

**Graduation Honors.** To receive graduation honors, students must complete an honors thesis in their major area of study. A student may register for honors thesis only by invitation of a faculty member who wishes to supervise the thesis. Students must register for the honors course numbered 499 in their major area. Students may register for the thesis course two or three times, as their work continues for two or three trimesters. Each thesis, if finally approved by the student’s major area faculty and the honors committee, is recognized for either three or six hours credit, entitling the student to graduate with honors in the major area.
ACADEMIC CREDITS AND COURSE LOADS

The maximum course load on the trimester system is 12 semester hours. Students on the Dean’s List (scholarship average 3.5 or better) may take up to 15 semester hours with the approval of the appropriate dean. No student may take more than 15 hours during any trimester from any combination of courses.

A full-time student is one taking a minimum of nine semester hours during a trimester. A half-time student is one taking a minimum of five semester hours but less than nine during a trimester.

The maximum amount of work which may be earned in one five-week term of the summer session is seven hours. Loads for mini-term and specially scheduled courses vary with length of courses.

A student should attempt to complete all core curriculum by the end of the second year in college. First-trimester freshmen and transfer students must take ENG 101-102 consecutively and sequentially. After successful completion of ENG 101-102, all students must take the English Proficiency Exam (ENG 000) in the next trimester. Transfer students must take the examination during their first trimester of work at William Carey. Students who do not take the EPE as scheduled may be prevented from registering for classes in the following trimester. Students who do not pass the English Proficiency Examination (ENG 000) must register for and satisfactorily complete ENG 103 or 105 in subsequent trimesters.

ATTENDANCE REGULATIONS

Students are expected to attend classes. Excessive absences may seriously affect the work of the whole class as well as that of the individual students who are absent. Individual faculty members set their own attendance regulations for their classes and inform their students of them; however, students must attend a minimum of 75% of the class meetings in order to receive credit for the course. The total number of absences of each student shall be reported for each class by each faculty member at time of filing trimester grade rosters.

CHANGE OF CLASS SCHEDULE (Dropping and Adding Courses)

1. No change of schedule, either in dropping a course or adding a course, may be made except by permission of the student's academic advisor and dean. Schedule changes that affect total hours may impact financial aid.

2. No student may register for a course after 10% of class meetings have occurred.

3. Courses dropped within the first three weeks of a trimester will be recorded as “W” (withdrawn). Courses dropped after three weeks and before the
middle of a trimester are recorded as “WP” (withdrawn passing) or “WF” (withdrawn failing), and courses dropped after the midterm will receive a grade of “F.” Any student dropping a course at any time without the required approval receives an “F” in that course.

4. Courses offered in mini-terms or with special schedules will have add/drop dates proportionate to length of course.

5. For related fees/refunds, see Financial Information—Student Expenses and Tuition Refund Policy.

WITHDRAWAL FROM THE UNIVERSITY

1. All students who desire to withdraw from the university must file a written request form from the registrar’s office and obtain permission from the vice president of academic affairs. Resident students must also obtain permission of the vice president of student services.

2. Refunds upon withdrawal will be made only on condition that official permission has been granted. (See Tuition Refund Policy.)

COURSE NUMBERING SYSTEM

Each course is identified by a three-digit number. Generally, the first digit indicates the level of instruction: “1” for freshman, “2” for sophomore, “3” for junior, and “4” for senior. The letter “H” added to any course number indicates an honors section.

The numbers 190, 290, 390, and 490 are used throughout the university’s curriculum to designate courses that are named when taught. These numbers may be repeated within an academic area as long as the content/title is different.

The numbers 193, 293, 393, and 493 are used in some departments to designate workshops that are named when offered. A workshop numbered in this manner gives one to three hours of credit.

The numbers 149, 249, 349, and 449 are used to designate courses in independent study or directed readings. Only nine hours of such numbered courses may be used toward a degree.

The number 480 designates courses in curricular practica.

The number 497 designates courses in curricular internships.

The number 499 is used to designate an honors thesis or a leadership project. A student may register for it only on invitation of a faculty member who wishes to supervise it. Normally the student registers for 499 two or three times, and the work continues for two or three trimesters. Each thesis or
project, if finally approved by the student’s department and the honors committee, is recognized for either three or six hours credit and entitles the student to graduate with honors in the major subject.

TRANSCRIPTS

Transcripts are issued by the registrar’s office.

1. An official transcript is one bearing the signature of the registrar and the seal of the university and is mailed directly to whatever official may be designated by the student.

2. When a transcript bearing the stamp “Issued to Student” is given to the person whose credits are transcribed thereon, the university assumes no responsibility for its accuracy after it leaves the registrar’s office.

3. Transcripts of credit will not be issued for those students who have any type of administrative holds on their records.

4. There is a per transcript issued fee. See Financial Information—Student Expenses.

VOCATIONAL/TECHNICAL COURSES

Vocational and technical courses cannot be used toward a degree except in certain cases where technical courses may be used toward a Bachelor of General Studies degree. Developmental/remedial courses may be considered for use as general elective hours.

UNDERGRADUATE DEGREES

William Carey University offers seven undergraduate degrees: Bachelor of Arts (B.A.), Bachelor of Fine Arts (B.F.A.), Bachelor of Science (B.S.), Bachelor of Music (B.M.), Bachelor of Science in Business (B.S.B.), Bachelor of Science in Nursing (B.S.N.), and Bachelor of General Studies (B.G.S.). All degrees require the successful completion of at least 128 semester hours.
CORE CURRICULA

BACHELOR OF ARTS CORE CURRICULUM
(60 hours)

The Bachelor of Arts (B.A.) degree is required for a major in art (with a concentration in art or art education), English, history, religion, or speech communication and theatre. With the exception of biology, health related professions, and nursing, the B.A. may be earned for any other major, specifically including communication and music.

Religion 101-102 6
English 101-102 6
( these courses must be taken in sequence upon initial enrollment)
Literature with an ENG prefix 3
Foreign Language at the Intermediate Level 6
(students with no foreign language proficiency must take twelve hours in one foreign language)
Philosophy 201 or Literature with an ENG prefix 3
Communication 101 or 230 3
History 101-102 6
Philosophy, Literature with an ENG prefix, or History 3
Courses selected from one area of the following four areas: 6
computing, fine arts, foreign language, natural/physical science
Social and Behavioral Science 6
government, political science, sociology, psychology, and/or economics
Laboratory Science—one four-hour laboratory science course 4
(biology, chemistry, physics, or physical science)
Mathematics 131 or higher 3
Fine Arts 3
ART 200, MUM 101, or THE 135 (art, music, and theatre majors must consult with their advisers regarding this requirement)
Physical Education 2
(two activity courses or HEA 300; military science may be used to satisfy one hour of physical education; varsity sports, marching band, and cheerleading will not meet physical education requirements.)
BACHELOR OF FINE ARTS CORE CURRICULUM
(63 hours)

The Bachelor of Fine Arts (B.F.A.) degree is the required degree for theatre majors or art majors concentrating in painting, graphic design, or combined studio. The B.F.A. is an option for the speech communication and drama teacher licensure program.

Religion 101-102 6
English 101-102 6
   (these courses must be taken in sequence upon initial enrollment)
Literature with an ENG prefix 6
Philosophy 201 or Literature with an ENG prefix 3
Communication 101 or 230 3
History 101-102 or 201-202 6
   (history requirement must be met by taking two trimesters of the same history sequence)

Courses selected from **one area** of the following four areas: 6
   computing, fine arts, foreign language, natural/physical science
Social and Behavioral Science 6
   geography, political science, sociology, psychology, and/or economics
Laboratory Science—one four-hour laboratory science course 4
   (biology, chemistry, physics, or physical science)
Mathematics 131 or higher 3
Fine Arts 12
   (art, music, and theatre majors must consult with their advisers regarding this requirement)

Physical Education 2
   (two activity courses or HEA 300; military science may be used to satisfy one hour of physical education; varsity sports, marching band, and cheerleading will **not** meet physical education requirements.)
**BACHELOR OF SCIENCE CORE CURRICULUM**  
*(57-59 hours)*

The Bachelor of Science (B.S.) degree is required for the major in biology (including pre-professional curricula) and health related professions (including medical technology).

The B.S. may be earned in business administration, chemistry, communication, elementary education, mathematics, physical education, psychology, and social science.

MAJORS, MINORS AND CONCENTRATIONS

The major represents the primary area of academic emphasis. With the exception of the Bachelor of General Studies degree, majors are required in all academic programs. Academic majors have a maximum of 42 semester hours except for those majors affected by accreditation standards (i.e. education, music, nursing) or professional competency expectations (i.e. art, business, theatre). A minor is a secondary area of emphasis outside the major, and minors are required of all students whose majors have 42 hours or less. Students who complete a double major may use the second major in the place of a minor. A concentration is an area of emphasis within a major. Concentrations are not offered in all academic programs. The number of hours required in majors, minors, and concentrations vary, and specific requirements are listed by school and department.

The Bachelor of General Studies degree requires either one 36-hour or two 18-hour emphasis areas. The emphasis areas within the Bachelor of General Studies degree are also called concentrations and courses may be taken from any major, minor, or departmental concentration except for education and nursing. No minor is required for this degree.

The following majors, minors, and concentrations are offered.

*Available at both Hattiesburg and Gulfport  
**Available at Hattiesburg, Gulfport, and New Orleans  
***Available at Gulfport only

ACADEMIC PROGRAM FOR THE GULFPORT CAMPUS

William Carey University on the Coast offers all of the university’s undergraduate degrees except the Bachelor of Music (B.M.). All academic programs are designed to prepare graduates for positions of leadership in their communities and entry in their chosen professions. Majors currently offered on the Gulfport campus include art, business administration, elementary education, health related professions, nursing, and psychology. Licensure to teach in the State of Mississippi is available on the Gulfport campus in elementary education and art education.

The Bachelor of General Studies (B.G.S.) degree program is also available for students desiring a nontraditional blend of studies. The B.G.S. degree offers more flexibility in the core requirements, and dual areas of concentration from approved academic or technical courses of study may be selected in the B.G.S. degree.
ACADEMIC PROGRAM FOR THE NEW ORLEANS CAMPUS

The William Carey University campus in New Orleans is located in a new state of the art facility (built in 2005) on the grounds of the New Orleans Baptist Theological Seminary. The campus offers programs of study for the completion of the Bachelor of Science in Nursing (B.S.N.) degree and/or the Bachelor of General Studies (B.G.S.) degree, with areas of concentration in biology and psychology.

THE WILLIAM CAREY UNIVERSITY LIBRARY SYSTEM

Patricia H. Furr, M.L.I.S., Director of Libraries and Learning Resources
Public Services Librarian Myers; Technical Services Librarian Yuen; Assistant Technical Services Librarian Coleman; Acquisitions Specialist Powell; Regional Librarian Gossage; New Orleans Library Assistant Domino; Administrative Assistant Rouse

Mission Statement—The goal of Carey University Libraries is to advance the level of learning, research, and teaching at William Carey University through the provision of the most timely and complete information possible in both print and electronic formats. We believe that providing quality library services is essential to academic success, and that a high level of information literacy in both the print and electronic format is necessary for success in a 21st century, information-rich world.

These goals also include:

1) Challenging individuals to the highest ethical standards in the conduct of research and the means by which the information is shared and exchanged;
2) Developing in each individual student a life-long love of learning, an appreciation and love of the printed word, a university level competence in electronic information-seeking and an appropriate level of skill in reading and writing.

Carey University library resources are primarily available to the students, staff, and faculty of William Carey University and sanctioned visitors and guests. Sanctioned visitors may include a spouse or family member of a WCU student, staff, or faculty member when accompanied by that person; members of the local clergy or support staff of a local church; any prospective students visiting the campus for a tour; special guests of the WCU president or board of trustees; and alumni of William Carey University. These constituents may borrow books from any of the three Carey University Libraries facilities and use other library resources as they are available. Interlibrary loan services are maintained for faculty, staff, and currently registered students in order to provide access to the resources of the more than three billion books at 10,000 other member libraries of the OCLC WorldCat network. They are not
available to sanctioned visitors except by special permission of the director of libraries.

Professional librarians are available in person at the Hattiesburg and Gulfport locations, and during certain regular hours at the New Orleans Health Sciences Library. A cooperative agreement provides expeditious loan services for William Carey University students between the libraries at Hattiesburg, Gulfport, and New Orleans and member libraries of the OCLC WorldCat Network. More up-to-date information may be obtained at any time on the William Carey University Libraries web page at: http://library.wmcarey.edu.

THE DUMAS L. SMITH/I. E. ROUSE LIBRARY

Smith/Rouse Library, on the Hattiesburg campus, holds approximately 95,000 items including books, periodicals, music scores, microforms, and other library materials that support the academic program. An online catalog, called WILLIAM, is available at: http://library.wmcarey.edu/search. The library has a computer lab with Internet access, microform readers, photocopy services, audio-visual resources, and a conference room that faculty and students may use for on-campus meetings. Online databases provide access to thousands of online journal articles. Over 35,000 e-books are also available for students and faculty to use for online research off and on-campus.

Smith/Rouse Library also houses the Clarence Dickinson Special Collection which contains over 5,000 books, including many rare hymnals and psalters, scores, manuscripts, recordings, an antique piano, six European paintings, and memorabilia relating to the history of hymnology.

THE MCMULLAN LEARNING RESOURCES CENTER

The McMullan Learning Resources Center on the Gulfport campus houses over 12,000 books, serials, and audiovisual resources. Ten library computers provide access to the Internet, as well as providing an extensive array of online research databases with thousands of journal articles. Quiet study areas, as well as photocopying services, are available for students and faculty.

THE NEW ORLEANS HEALTH SCIENCES LIBRARY

The New Orleans School of Nursing and the new Health Sciences Library are located on the campus of the New Orleans Baptist Theological Seminary. This facility serves students and faculty of the School of Nursing with over 1,600 titles and a high-speed computer lab which provides Internet access for Carey students. Photocopying and printing services are available. The collection focuses primarily on health science publications, nursing education books and periodicals, but also contains items that support pre-nursing classes, such as biology and sociology. For more information, please contact Director of Libraries Patricia Furr (pfurr@wmcarey.edu) in Hattiesburg.
Carey University Libraries is a member of OCLC WorldCat and the National Network of Libraries of Medicine. All Carey patrons have access to both OCLC and DOCLINE interlibrary loan services through the ILLIad online interlibrary loan network.

KEESLER AIR FORCE BASE LIBRARY

William Carey University has an ongoing agreement with the McBride Library at Keesler Air Force Base to provide students and staff in the WCU Keesler program borrowing privileges, reference service, access to public-service databases, and use of computers designated for patron use.

CENTER FOR STUDY OF THE LIFE AND WORK OF WILLIAM CAREY, D. D. (1761-1834)

Donnell Hall, Hattiesburg Campus
http://www.wmcarey.edu/carey/
Bennie R. Crockett, Jr. and Myron C. Noonkester, Co-directors

The life and work of William Carey, D. D. (1761-1834) define the mission of William Carey University. A self-educated cobbler and pastor from the English midlands, Carey heralded the formation of the Baptist Missionary Society in 1792 with his watchword "Expect great things; attempt great things" and his missions pamphlet An Enquiry into the Obligations of Christians to Use Means for the Conversion of the Heathens (1792). The following year, in 1793, he and his family journeyed to India to undertake Christian mission work. Over the next 41 years spent primarily in Serampore, Bengal, Carey labored to show himself approved as an evangelist, Bible translator, social reformer, educator, linguist, and botanist. "Serampore" became synonymous with earnest spirituality, intellectual renaissance, and social improvement. Directed by Carey and colleagues William Ward and Joshua and Hannah Marshman, the Serampore mission printed the Bible in numerous Indian dialects, pioneered the education of Indian women, campaigned against caste and widow-burning, and brought numerous converts to a saving knowledge of Christ.

Carey’s understanding of mission prompted him to publish grammars and dictionaries of several Indian languages. He also edited two important botanical works, Hortus Bengalensis (1814) and Flora Indica (2 vols., 1820, 1824). Putting to practice his scholarly work, Carey and his colleagues founded Serampore College (1818) and the Agricultural and Horticultural Society of India (1820). Carey also helped to start savings banks in India, brought one of the first steam engines to India, and published India's first periodical, The Friend of India. In recognition of Carey’s accomplishments, Brown University awarded him the Doctor of Divinity degree (1806) and the Linnaean Society of London registered him as a fellow. Carey’s comprehensive vision of Christian
faith and practice forms a model that faculty and students at William Carey University strive to attain.

Initiated in the summer of 2000, the purpose of the Center for Study of the Life and Work of William Carey is to promote an understanding of the accomplishments of William Carey (1761-1834) and to enhance appreciation of the religious, cultural, scientific, and historical contexts in which Carey worked in Britain and India. Carey, a figure of international significance, and his work as a Christian missionary, social reformer, linguist, botanist, and educator in India, 1793-1834, are the interests of the Center.

Specific objectives of the Center include the following:

- to map and inventory sources of knowledge regarding Carey’s mission in repositories such as the Carey Library at Serampore College, the Angus Library at Regent’s Park College, Oxford and the Northamptonshire Record Office, United Kingdom;
- to present knowledge regarding Carey’s mission, primarily through a website, which includes (a) photographic images of Carey, Carey biographies, Serampore memorabilia, and letters and journals relevant to Carey; (b) an annotated bibliography of works regarding Carey’s mission featuring reviews and, if available under copyright law, the works themselves; (c) a devotional section; (d) up-to-date scholarship regarding Carey’s mission; and (e) a remarks page;
- to preserve in appropriate form as many texts and artifacts related to Carey’s mission as feasible;
- to seek external funding support from foundations, denominational agencies and philanthropists, particularly in order to facilitate the travel necessary to reconnoiter and acquire in appropriate form the diverse sources relative to Carey’s mission that are scattered from Serampore to Denmark, from Rhode Island to the United Kingdom;
- to sponsor research related to the mission of William Carey.

Related to William Carey University’s identity, the Center’s activities are designed to:

- identify the Christian, scholarly, and mission aims of William Carey University;
- involve numerous disciplines taught by the university;
- promote collegiality by offering faculty and students an opportunity to interact in a common inter-disciplinary purpose; and
- offer the college a visible and distinguished stake in realms of scholarship and mission activity.

The Center for Study of the Life and Work of William Carey, D.D. (1761-1834) has received local, national, and international acclaim. Soon after the
public release of the Center's web site in March, 2001, the Australian-based Asian Studies Monitor, a clearinghouse for academic study of Asian-related materials, awarded the Center a "five-star, essential rating."

The Center has had the opportunity of providing primary and secondary source materials for local churches, Christian mission enthusiasts, students of all ages, scholars, and international researchers as they have sought information about William Carey and the Serampore mission. In addition, the Center's web site receives an average of over 300 visits per day from persons all over the world. After eight years of the Center's existence, over 1.5 million persons from 167 countries on all continents have used the Center's web site. Such significant and widespread interest in the Center underscores the international importance that William Carey (1761-1834) continues to hold.

On May 3, 2006, the Center opened and dedicated its permanent home in Donnell Hall. The initial exhibit in the museum, “Beyond Expectation, William Carey Revealed...,” contained 116 items (i.e., artifacts, historic Bibles, books, manuscripts, portraits, and prints) in five categories: Bible Translator, Missionary, Linguist, Social Reformer, and Scientist.

*Studio courses requiring art fee.

**101. Drawing I:** (3 hours) An introduction to drawing as a process of perception and practice. Media include charcoal, conte, and the graphite pencil.

**102. Drawing II:** (3 hours) An introduction to the study of the human figure as an expression and reflection of nature.* Prerequisites: ART 101, ART 108.

**108. 2-D Design:** (3 hours) A basic course in the study of two dimensional work, this course includes a study of vocabulary and the elements of two dimensional design.

**109. 3-D Design:** (3 hours) A basic course in the study of the third dimension, this course includes vocabulary, techniques, materials, and the elements of three-dimensional design.*

**121. Sculpture I:** (3 hours) Introduction to sculpture including plaster, modeling, metal casting, and stone carving.* Prerequisite: ART 109.

**131. Painting I:** (3 hours) An introduction to the basic concepts and procedures in painting. Prerequisite: ART 102.

**200. Art Appreciation:** (3 hours) An introduction to the visual arts of the Western World. Lecture and discussion on the materials, forms and processes of art with the aim of giving insight into the functions and content of art objects.
215. Photography: (3 hours) A creative approach to photography with emphasis on understanding materials and technique. (Students will be expected to provide all required photography equipment.)* Prerequisite: ART 108 or consent of the instructor.

221. Sculpture II: (3 hours) An introduction to mold making, including plaster, silicone, and urethanes.*

231. Painting II: (3 hours) A continuation of Painting I with an emphasis on color, abstraction, and visual harmonics.

241. Ceramics I: (3 hours) Introduction to ceramic materials and processes. Various hand building techniques including pinch, coil, and slab will be emphasized. Basic technical information will be introduced as well as the uses of slips and glazes.* Prerequisite: ART 109.

242. Ceramics II: (3 hours) Introduction to the techniques of pottery making and sculpture utilizing the potter's wheel. Glaze making and the glaze firing process will be introduced.*

253. Typography: (3 hours) The history and use of type as it applies to advertising design and visual problem solving. Acquaints the student with type and typespacing, and basic production techniques for one color and full color printing.* Prerequisites: ART 101, ART 102, and ART 108.

254. Computer Graphics: (3 hours) A study of the fundamentals of computer assisted graphic design, basic computer literacy and keyboarding. This course introduces the student to the computer through the Mac basics. Trouble shooting and maintenance will be emphasized. Prerequisite to graphic design courses requiring computer use.* Prerequisite: ART 101, 102, and 108 or consent of the instructor.

301. Drawing III: (3 hours) An in-depth study of specific concepts and processes. Students explore the development of content and composition.

302. Drawing IV: (3 hours) This course involves each student developing a body of drawings with an emphasis on individual vision and expression.

303, 304. Drawing V, VI: (3 hours each) These courses concentrate on development of a personal technique. A mastery of materials and content is also emphasized. Larger scale and advanced techniques are explored as the student progresses.

319. Art in the Elementary School: (3 hours) A study of the basic elements of art and how art can be used by the elementary classroom teacher.

322. Sculpture III: (3 hours) A continuation of sculptural skills with a concentration in carving wood and stone. Pneumatic tools are introduced.*

323. Sculpture IV: (3 hours) Welding techniques are introduced. Metal fabrication is studied.* Prerequisite: ART 221.

SCHOOL OF BUSINESS
Cheryl Dale, Ph.D. (Dean)

Professors Brown, Ellis; Associate Professors Dale, Forrest, Lewis, Turnquist; Assistant Professors L. Glaze, Madaris, McCoy; Instructors Brockway, Schamber-Jones; Lecturers Andrews, Bracey

The School of Business strives to provide an environment that promotes student learning in the field of business in a caring, Christian community. Graduates of baccalaureate-level programs in business administration will develop a depth of understanding of business principles and are given the opportunity to develop to their fullest potential in preparing for a career and/or undertaking post-baccalaureate studies.

GENERAL INFORMATION

A student who majors in the School of Business may earn the Bachelor of Science in Business (B.S.B.) degree, the Bachelor of Science (B.S.) degree, or the Bachelor of Arts (B.A.) degree. Concentrations are offered in accounting, computer information systems, finance, and management/marketing. Accounting, computer information systems, and management/marketing concentrations are available on the Gulfport campus.

The concentration in accounting provides students the accounting education required for careers as professional accountants in financial institutions, government, industry, nonprofit organizations, and public practice. The program also prepares students for graduate study in business or accounting. Students desiring to sit for the CPA exam in Mississippi and many other states must have completed 150 hours of academic credit before applying to sit for the examination, including 24 upper-level hours in accounting. The additional hours above the bachelor degree necessary to sit for the CPA exam may be acquired through graduate study in business, such as the M.B.A. offered by William Carey University, or through graduate study in accounting offered by many other colleges and universities.

The university offers the M.B.A. on both the Hattiesburg and Gulfport campuses. For information, a separate catalog on that degree program may be obtained by writing the School of Business, William Carey University, 498 Tuscan Avenue, Hattiesburg, MS 39401-5499.

Business Administration Major: The business administration major requires the completion of 60-66 hours of business courses. All students majoring in business administration must complete 45 hours of professional core requirements and 15-18 hours of a concentration area in business.

Required Professional Core: ACC 221, 222, 320 or 332; BUS 209, 216, 310, 311, 313, 314, 315, 417, 480, 485; ECO 201-202.

Areas of Concentration: Each student must select one of the following areas of concentration in business:

- Accounting: ACC 321, 322, 333, 421, 422, 433, and 471. Students planning to sit for the CPA exam are advised to take BUS 410.
• **Finance:** BUS 319, 415, 419, 448; ECO 301 or 307.

• **Management/Marketing:** BUS 318, 322 or 324, 414, 412 or 415, 425.

• **Workforce Training and Management** (Gulfport campus only): BUS 318, 405, 414, PSY 318, 350, 475.

**Business Administration Minor:** For students who are not majoring in business administration, a minor in business administration is available. The business administration minor requires eighteen hours including the following courses: ACC 221, BUS 309, 311, 314, 315, ECO 201.

**Computer Information Systems Minor:** A minor in computer information systems is available, consisting of the following 18 hours: BUS 202, 303, 312, 400, 402, 486.

**Workforce Training and Management Minor** (Gulfport campus only): A minor in workforce training management is available consisting of the following 18 hours: BUS 318, 405, 414, PSY 318, 350, 475.

Students completing the B.G.S. degree with an 18-hour concentration in business administration shall select those business courses for the concentration consistent with the advice and approval of the director or dean of the School of Business.

**WORKFORCE TRAINING AND MANAGEMENT**

William Carey University on the Coast and the Mississippi Gulf Coast Community College have entered into an articulation agreement which ensures a seamless transition of credit from the associate degree in workforce training and development at MGCCC to the bachelor’s degree in general studies with a concentration in the School of Business in workforce training and management. The requirements for this degree in general studies will consist of the same six courses (18 hours) as required for the area of concentration for “Workforce Training and Management (Gulfport Campus Only),” and as required for the business minor, “Workforce Training and Management Minor (Gulfport Campus Only).”

The purpose of the department of education is to provide professional training and study that will prepare the education student to pursue a career in the field of education. This training is characterized by course content, field assignments, practica, and clinical experiences.

Our mission: To develop caring, reflective decision makers.

The department of education is responsible for the development of undergraduate and graduate curricula in (1) elementary education, (2) secondary education, and (3) other add-on certification areas and for supervision and preparation of teachers with majors in those areas.

TEACHER EDUCATION COMMITTEE

Teacher education is considered to be an institution-wide function at William Carey University. The teacher education committee broadly represents the departments interested in the preparation of teachers for elementary and secondary schools.

The teacher education committee formulates policies for teacher education consistent with state law and subject to the approval of the university administration. These policies deal with philosophy and objectives, organization and administration, curricula and student personnel services. Curriculum changes must be approved by the academic council and/or the graduate committee.

SELECTIVE ADMISSION AND RETENTION IN TEACHER EDUCATION

POLICIES AND PROCEDURES

I. Admission procedures:

A. Students need to make application for admission to the professional program in teacher education prior to taking courses in education.

1. Students should make application for admission by the end of their sophomore year in college. Transfer students should make application prior to registering for their first trimester of courses at Carey.

2. All students must be formally admitted before they will be permitted to take more than six hours (secondary majors) or nine hours (elementary majors)
of 300 level education courses. A student who has not been admitted will not be permitted to take 400 level education courses.

B. All applications for admission will be processed by the department of education faculty. A file will be maintained on each student.

C. Students who make proper application will be admitted to teacher education when they meet these requirements for Transition Point One (admission/core):

1. Achieve and maintain an overall grade-point average of 2.75 or better on the teacher education liberal arts core as defined in the Teacher Education Handbook.

2. Achieve the required score on PRAXIS I (Pre-Professional Skills Test) which includes all subtests (Reading, Writing, Mathematics). A student may also meet these tests’ requirements with a score of 21 or better on the ACT with no score below an 18 on any subtest.

3. Achieve a grade of C or better in English 101 and 102. (Students who have earned a D in English 101 and 102 may be conditionally admitted to the professional program in teacher education. However, they must remove the condition by rescheduling English 101 and/or 102 and earning a grade of C or better the following regular trimester or summer session they enroll at William Carey University.)

II. Retention procedures:

The Education Professional Standards Committee will review the status of students formally admitted to the professional program in teacher education and will take proper action in the following instances:

A. when advisors or other faculty members request to review the continued eligibility of a student;

B. when the grades of a student warrant such a review (consistent failing grades, a failure to make normal progress); Transition Point Two (interdisciplinary, specialty, clinical, and professional coursework);

C. when the student makes application for student teaching; Transition Point Three (student teaching);

D. when the supervising teacher, the school principal, or the director of student teaching indicates unsatisfactory progress in student teaching; Transition Point Three.

E. Final review of program; Transition Point Four (graduation and licensure).

NOTE: All students, including teacher assistants, are required to complete student teaching.

STUDENT TEACHING REQUIREMENTS

A student may take directed teaching (EDU 483, EDU 484, EDU 496) in one of the cooperating school districts during his/her senior year provided the following requirements have been met:

1. Be a senior (completed at least 90 semester hours).

2. Have been admitted to teacher education for one trimester.

3. Pass the required English Proficiency Examination.

4. Have earned an overall grade point average of 2.75 or better.

5. Have earned grades of C or better in all professional education courses.

6. Have earned a grade of C or better in all courses in major teaching field.

7. Make an application for spring student teaching by September 15 or make an application for fall student teaching by March 1 preceding.

8. Have approval of the chair of the education department and director of student teaching.

9. In addition to admission to teacher education requirements, the student must also achieve the required scores on PRAXIS II (Principles of Learning and Teaching and Specialty Area). The student must have the scores on all of these tests reported to the Mississippi Department of Education.

10. Have a statement from the student's advisor certifying the student's competency in the subject area in which the student is seeking certification.

11. Must have completed all specialty and professional courses with a minimum grade of C or better in each course. Special permission from the chairman, department of education must be secured to take courses after student teaching.
Student teachers are required to spend 65 full calendar school days in the assigned classroom. The student is required to complete the seminars on the STA I or INTASC prior to or during the student teaching experience.

**SPECIALIZATION REQUIREMENTS**

**Elementary Education Major.** Students majoring in elementary education earn a Bachelor of Science (B.S.) degree. Elementary education majors are required to complete coursework for K-3 licensure and are recommended to complete coursework to obtain K-6 licensure. Additional coursework may be taken to complete a 4-8 endorsement.

**K-3 candidate program of study:** All elementary education majors are required to complete the teacher education liberal arts core (44 hours); additional university requirements (11-12 hours); an interdisciplinary concentration (21 hours); specialty/clinical courses (33 hours); and professional education courses (12 hours).

**K-6 candidate:** 18 semester hours of academic content courses, a total of which can include three semester hours of academic pedagogy courses in each of the concentration areas and EDU 474.

**7-12 endorsement:** 21 hours of academic content courses, total of which can include three hours of pedagogy AND EDU 474.

**Special Education (Mild/Moderately Handicapped) Add-on Endorsements**

An elementary education or secondary education major can add certification in special education (mild/moderately handicapped) by completing the following additional courses: EDU 460, EDU 461, EDU 462, EDU 463, and EDU 464.

**Secondary Education Requirements For Teaching High School Subjects**

Students who plan to teach at the high school level should major in a secondary subject matter field. Secondary teaching certification requirements include the university core (outlined elsewhere in this catalog for the B.A., B.S., or B.M. degree), additional teacher education core courses, the specialty area courses (outlined under the respective department sections of this catalog), and all professional education courses including EDU 300, EDU 300.1, EDU 436, EDU 450, EDU 372, EDU 446, EDU 484, PSY 203 and PSY 204. Students completing these courses also receive a minor in secondary education.

Secondary teaching licensure is offered in biology/general science, English, mathematics, social studies, and speech/drama.

**Special Subject Areas**

Students who want to teach in the areas of art, music (vocal), and physical education are licensed to teach grades K-12.

Those students pursuing degree programs that meet K-12 licensure requirements must complete the university core (outlined elsewhere in this catalog for the B.A., B.S., B.F.A., and B.M. degrees), additional teacher education core courses, the specialty area courses listed within the respective departments, and professional courses including EDU 300, EDU 300.1, EDU 372, EDU 436, EDU 496, PSY 202, 203, or 305, and PSY 204.
LICENSURE PROCEDURE

Students are responsible for making the proper application to the Mississippi Department of Education, for requesting their licensure. Forms are available in the registrar's office or the department of education office. The student must also fill out a release-of-records form.

Completion of the teacher education program does not guarantee licensure. The student must meet all requirements specified by the Mississippi Department of Education and current law.

NOTE: All education programs and requirements are subject to change due to requirements set forth by the Mississippi Department of Education and state law. The current requirements for licensure—if different from this catalog—will supersede the catalog descriptions. New federal legislation requires each state to submit a definition for highly qualified teachers which adheres to federal guidelines. This legislation, No Child Left Behind Act, will result in changes in requirements during the 2005-2006 calendar year.

COURSE DESCRIPTIONS FOR EDUCATION (EDU & EDR)

EDU 300. Introduction and Foundations of Education: (3 hours) An overview of the teaching profession with emphasis on functions of the school, school policies, school law, and the effects of court decisions on educational practice. Satisfies the writing intensive course requirement.

EDU 300.1. Pre-teaching Field Experience: (0-1 hour) A 21-hour field experience in a local school taken concurrently with EDU300. Transfer students must take this course for one-hour credit if field experiences were not required. (Pass/Fail grade)

EDR 308. Early Literacy Instruction I: (3 hours) A study of concepts, materials, and teaching strategies for oral language development and systematic early reading and writing instruction, specific to concepts about print, phonemic awareness, and phonics.

EDR 311. Early Literacy Instruction II: (3 hours) A study of concepts, materials, and teaching strategies for oral language development and systematic early reading and writing instruction, specific to vocabulary, fluency, and comprehension.

EDU 325. Technology in Education: (3 hours) This course is designed to provide an overview of concepts and terminology related to technology in education. The student is given hands-on experiences using technology including understanding of the Internet. This class may be online enhanced.

EDU 338. Child Development: (3 hours) A survey of the physical, social, emotional, and cognitive development of young children. Required to add kindergarten endorsement to existing elementary certificate.

EDR 344. Literature for Children: (3 hours) A study of the classic and current literature for children in print and non-print media. The integration of literature into the elementary school curriculum is emphasized.

EDU 345. Social Studies in the Elementary School: (3 hours) The scope and sequence of the elementary social studies curriculum is examined. An emphasis is placed on the
development of concepts and generalizations appropriate for the elementary child. A field experience in an elementary school is a component of this course. Prerequisites: social science core.

EDU 346. Science in the Elementary School: (3 hours) An integrated approach to teaching science through discovery and hands-on experiences. A field experience in an elementary school is a component of this course. Prerequisites: Science core.

EDU 372. Survey of the Exceptional Child: (3 hours) A study of individuals with exceptionalities from the gifted to the profoundly disabled. Includes a multicultural component which explores the diverse ethnic, cultural, and linguistic backgrounds of students and techniques for providing an effective relevant education. This class may be online enhanced.

NOTE: Admission to teacher education is required for enrollment in any 400 level education class.

EDR 407. Communication in the Elementary School: (3 hours) Emphasis is placed on helping the elementary teacher develop skill in teaching oral and written communication skills. The use of an integrated approach with an emphasis on children's literature is stressed. Prerequisites: EDR 308, EDU 311, EDU 345, EDU 346. This class may be online enhanced.

EDU 409. Principles of Early Childhood: (3 hours) An in-depth study of the theory, organization, curriculum, and development of early childhood programs. Required of students who wish to add kindergarten certification to an existing elementary license.

EDU 413. Mathematics in the Elementary School: (3 hours) Methodology based on current research and practice is explored using an NCTM Standards-based program with an emphasis on mathematical understandings, using manipulatives, and acquiring problem-solving skills. A field experience in an elementary school is a component of this course. Prerequisites: MAT 116, 131, 316 and admission to teacher education.

EDU 436. Classroom Management: (3 hours) This course provides information to help students develop pro-active strategies to manage the classroom environment and student behavior. Emphasis is placed on students’ development of a personal and unique classroom management plan. Prerequisite: Admission to Teacher Education.

EDU 440. Kindergarten Education and Practicum: (3 hours) A study of appropriate educational practices and programs in kindergarten with an emphasis on Mississippi guidelines. The class includes seminars and teaching experiences in a local kindergarten class. Prerequisites: EDR 308, 311, and admission to teacher education. This class may be online enhanced.

EDR 441. Diagnosis and Correction of Reading Disability: (3 hours) A study of the diagnosis and remediation of reading disabilities. Students diagnose and evaluate the skills of an individual child in a clinical setting and develop and carry out a plan of remediation based on the diagnosis. Prerequisites: EDR 308, EDR 311, and admission to teacher education.
EDU 446. Teaching in the Secondary School: (3 hours) The study of methods and problems related to teaching in the student’s major field. Prerequisite: Admission to teacher education.

EDU 450. Tests, Measurements, and Evaluation: (3 hours) The study of the measurement and evaluation of student learning with both criterion and norm-referenced procedures. Prerequisite: Admission to teacher education.

EDU 460. Organizational Procedures for Special Education: (3 hours) This course addresses organizational procedures of special education as required by the Mississippi State Department of Education. In addition, legislative and court decisions associated with special education are covered. This class may be online enhanced. Prerequisite: EDU 372.

EDU 461. Mental Retardation: (3 hours) This course is an overview of mental retardation including definitional perspectives, etiology and syndromes, theoretical research bases, and social, emotional, physical, and intellectual characteristics. This class may be online enhanced. Prerequisite: EDU 372.

EDU 462. Teaching the Individuals with Mild Retardation: (3 hours) This course addresses basic assessment procedures, selection and utilization of instructional methods, materials, and individualized programming for individuals with mild mental retardation. Prerequisites: EDU 372 and EDU 461.

EDU 463. Learning Disabilities: (3 hours) This course is an overview of the field of learning disabilities including historical development, theoretical research bases, and social, emotional, physical and learning characteristics. This class may be online enhanced. Prerequisite: EDU 372.

EDU 464. Teaching the Individuals with Learning Disabilities: (3 hours) This course addresses basic assessment procedures, selection and utilization of instructional methods, materials, and individual programming for individuals with specific learning disabilities. Prerequisites: EDU 372 and EDU 463.

EDR 474. Reading in the Middle and Secondary School: (3 hours) The development of reading skills in the content areas is explored. Emphasis is on helping the middle and secondary school student read more effectively. Prerequisite: Admission to teacher education.

EDU 483. Directed Teaching in the Elementary School: (12 hours) The student is assigned to an approved supervising teacher in a local school for 65 school days. Attendance at scheduled seminars on the STAI or INTASC is required.

EDU 484. Directed Teaching in the Secondary School: (9 hours) The student is assigned to an approved supervising teacher in a local school for 65 school days. Attendance at scheduled seminars on the STAI or INTASC is required.

EDU 496. Directed Teaching in Special Subject Areas (Art, Health and Physical Education, and Music): (9 hours) The student is assigned to an approved supervising teacher in a local school for 65 school days. Attendance at scheduled seminars on the STAI or INTASC is required.
The purpose of the department is to provide opportunity for the individual to learn activities which are invigorating and enjoyable and will lead to positive physical, emotional, mental, and spiritual growth. Emphasis is placed on physical growth by stressing the importance of developing and maintaining a strong, sound body. The emotional, mental and spiritual growth of the student is enhanced through development of sport skills which will enable the student to participate in worthwhile recreational activities. Through these activities, students will be able to make emotional and mental adaptations.

It is also the aim of the department to give physical education majors, minors, and coaches a clear understanding of procedures, methods, techniques, and materials for effective, competent teaching and coaching.

REQUIREMENTS

Physical Education Major: Thirty-six semester hours from any theory courses in health or physical education. The student may elect either the Bachelor of Arts (B.A.) or the Bachelor of Science (B.S.) degree.

The university provides intercollegiate competition in basketball, soccer, and golf for both men and women, baseball for men, and softball for women. A varsity athlete may receive a maximum of four semester hours’ credit for intercollegiate competition in each of these sports with no more than eight hours total.

Health and Physical Education Minor: Eighteen semester hours, including PED 337 or PED 339. Fifteen semester hours may be elected from any other theory courses.

Teacher Licensure: Forty-five semester hours, including: HEA 230, HEA 300, HEA 323, PED 231, PED 324, PED 325, PED 331, PED 333, PED 336, PED 432, PED 433, PED 436, and PED 437. PED 337 and PED 339 must be taken as methods courses. Additional licensure requirements are listed under special subject areas in the education department.

Health, Physical Education, and Recreation Major: Fifty-four semester hours from the following areas: Nine hours in health from HEA 230, HEA 240, HEA 300, HEA 3210, HEA 3230; 24 hours in physical education from PED 222, PED 231, PED 324, PED 325, PED 326, PED 329, PED 331, PED 333, PED 334, PED 336, PED 337, PED 338, PED 339, PED 432, PED 433, PED 436, and PED 437; nine hours in recreation from REC 301, REC 302, REC 303, REC 304, REC 305, REC 306, and REC 307; and 12 hours of electives from the courses listed above.
Coaching Minor: Twenty-one semester hours, including PED 222, 329, 432, and six hours from the following PED 331, 333, or 334. Six additional hours may be elected from any PED theory course.

Recreation Minor: Eighteen semester hours of recreation courses.

COURSE DESCRIPTIONS FOR PHYSICAL EDUCATION (PED)

222. Organization of Practice and Scouting of Team Sports: (3 hours) Principles for organizing and administering a practice session. Scouting techniques for football, basketball, and baseball.

231. History and Introduction to Physical Education: (3 hours) Physical education in America from the Colonial days to the present. Satisfies writing intensive course requirement.

324. Anatomy-Physiology: (3 hours) A study of the physical structure of the body and how each system relates in its function.

326. Motor Learning: (3 hours) Practical application and analysis of motor learning.

329. Philosophy and Psychology of Coaching: (3 hours) A study of how sports became a part of the school and society; an analysis of the purpose, values, nature, and scope of coaching.

331. The Theory and Practice of Coaching Basketball: (3 hours)

333. The Theory and Practice of Coaching Baseball: (3 hours)

334. The Theory and Practice of Coaching Soccer: (3 hours)

336. Kinesiology: (3 hours) The scientific principles of movement, muscles and muscular actions, and mechanical principles, such as levers, laws of motion, stability, and momentum.

337. Methods of Teaching Health and Physical Education in Elementary Schools: (3 hours) A study of principles of learning, principles of teaching, class organization, teaching techniques, and materials of elementary school.

338. Health and Physical Education in Elementary Schools: (3 hours) A study of how physical education, physical fitness, health and wellness, and movement can be effectively used in the elementary grades.

339. Methods of Teaching Health and Physical Education in Secondary Schools: (3 hours) A study of principles of learning, principles of teaching, class organization, teaching techniques, and materials of secondary school.

432. The Care and Prevention of Sports Injuries: (3 hours) Basic fundamentals and techniques in the prevention, diagnosis, treatment, and care of injuries.
433. **Organization and Administration of Physical Education**: (3 hours) General principles of administration and their effects upon the organization of a physical education program.

436. **Tests and Measurements in Physical Education**: (3 hours) Techniques of constructing, administering, and analyzing written and skill test in health and physical education.

437. **Physical Education for the Exceptional Child**: (3 hours) The nature of certain physical and mental handicaps and methods for working with handicapped students in a physical education program.

**COURSE DESCRIPTIONS FOR HEALTH EDUCATION (HEA)**

230. **First Aid**: (3 hours) Methods of caring for injuries and applying first aid to the injured, together with methods of preventing injuries and accidents.

240. **Nutrition and Diet Therapy**: (3 hours) Role of nutrition in high level wellness. Therapeutic diets prescribed for common medical problems.

300. **Health and Exercise for a New Lifestyle**: (3 hours) This course is designed to teach the student how to be totally healthy, including information on healthy diets and types of exercise that are best for achieving and maintaining optimal strength.

321. **Methods of Safety**: (3 hours) Methods of preventing automotive, pedestrian, and school accidents.

323. **Consumer Health**: (3 hours) A study of the effects tobacco, alcohol and other drugs have on the body; drug abuse in today’s society; the eating habits of today’s young people; and family relationships.

**COURSE DESCRIPTIONS FOR RECREATION (REC)**

301. **Outdoor Recreation**: (3 hours) This course is designed to give students an overview of outdoor recreation. Emphasis will be given in camping, canoeing, fishing, and hiking.

302. **Intramural**: (3 hours) This course is designed to give students the knowledge of how to organize an intramural program in a recreational setting.

303. **Recreation for Children**: (3 hours) This course is designed to give students the knowledge of recreational games for children and young adults.

304. **Recreation for Adults**: (3 hours) This course is designed to give the students the knowledge of recreational games for adults and how to administer a program for senior citizens.

305. **Practicum in Recreation**: (3 hours) Practical field experience under the supervision of a specialist.

306. **Leisure Services**: (3 hours) This course is designed to inform the student of available services in public and private recreation.
Recreation for Persons with Handicapping Conditions: (3 hours) This course is designed to give the student a knowledge of the organization and administration of a recreation program for persons with a handicap.

ACTIVITY COURSES (PED)

Students who do not wish to take activity courses may take HEA 300.

111. Aerobics: (1 hour) Three hours per week.

112. Human Wellness: (1 hour) Three hours a week.

113. Soccer: (1 hour) Two hours per week.

114. Golf: (1 hour) Three hours a week.

117. Badminton: (1 hour) Three hours a week.

118. Tennis: (1 hour) Three hours a week.

119. Bowling: (1 hour) Three hours a week.

160. General Movement and Dance for Theatre: (1 hour) Same as THE 160.

162. Movement and Dance for the Musical Theatre: Jazz: (1 hour) Same as THE 261.

163. Movement and Dance for the Musical Theatre: Tap: (1 hour) Same as THE 260.

164. Movement and Dance for the Musical Theatre: Modern: (1 hour) Same as THE 360.

166. Stage Combat: (1 hour) Same as THE 166.

167. Weight Training: (1 hour) Two hours per week.

168. Fitness and Stress: (1 hour) Two hours per week.

ACTIVITY CREDIT (PEG)

Note: A maximum of eight semester hours of elective credit from the following courses may count toward a degree.

101, 102, 103, 104. Intercollegiate Basketball: (1 hour)

121, 122, 123, 124. Cheerleading: (1 hour)

141, 142, 143, 144. Intercollegiate Soccer: (1 hour)

151, 152, 153, 154. Intercollegiate Softball: (1 hour)
Visiting Professor Martin; Associate Professors Harris, Rauch; Assistant Professors Daniels, Singletary, Smith; Visiting Assistant Professor Bailey; Clinical Professors Knight, Benson

The department of biological sciences provides core curriculum courses in the biological sciences and appropriate undergraduate-level training for students planning careers in biological science, health related science, and science education. Students majoring in biological science will acquire a broad knowledge of the general principles of biological science to include the interrelationships of living organisms within the biosphere and the ways human populations impact these relationships. In the laboratories students develop skills in the use of the techniques and instrumentation used in modern biological science. These experiences provide optimum preparation for graduate study or careers as a professional biologist or a biology teacher. Health related programs or pre-programs provide counseling and training relative to gaining admission to the clinical phases of the programs or career advancement within a particular health related profession.

Bachelor of Science degrees are offered with majors in biology and health related professions. All majors must fulfill the core curriculum requirements for the Bachelor of Science (B.S.) degree.

REQUIREMENTS

Biology Major: A minimum of 40 hours (at least 20 upper-level) is required of BIO/HRP courses. A minor in either chemistry or mathematics is strongly recommended; however, a chemistry minor is required for students in the pre-professional track (see below). All biology majors must take the following biological sciences core curriculum: BIO 111, 112, and 498; a minimum of 15 hours of chemistry to include CHE 111-112, 200, and 211; a minimum of six hours of mathematics to include MAT 131 or any two courses higher than MAT 131; and PSY 351.

Students may choose one of the following tracks to ensure the completion of relevant or necessary courses for certain careers in biology.

Biology Major, Pre-professional track (pre-medicine, pre-dentistry, pre-graduate, pre-physical therapy, pre-occupational therapy, pre-veterinary medicine): The following courses are required in addition to the biological sciences core: CHE 212 and 405, PHY 101-102, and MAT 132. To complete the biology major, pre-professional students will select a minimum of 29 hours, including at least 17 upper-level, of BIO/HRP courses (with the exception of BIO 101 and 220). The following courses are highly recommended: BIO 234-235, 306, 325, 310, 312, 320, 409, 415, 419, 420, 470, HRP 201, and MAT 151. Students will be advised as to other requirements for a particular professional school.

Biology Major, Teacher Licensure (secondary education) track: The following courses are required in addition to the biological sciences core: BIO 234-235, 260, 310, 320, 340; PHS 151 and 201. To complete the biology major, teacher licensure students will select from the following courses: BIO 325, 405, 406, 416, 419, and 430. Students may also
wish to use summer courses at the Gulf Coast Research Laboratory as part of their hours in the major. Teacher licensure students must also complete all professional requirements mandated by the State of Mississippi licensure standards, as advised by the Department of Education.

**Biology Major, Microbiology track:** Students following this track will be eligible to sit for the National Registry of Microbiologists exam as a conditional registrant (i.e. no work experience). Exams are offered in the areas of clinical and public health microbiology, or consumer products and quality assurance microbiology. In addition to the biological sciences core, the student must select at least 20 hours from the following courses: BIO 260, 310, 415, 416, 419, 420, and 470. To complete the biology major, the following courses are highly recommended: BIO 306, 320, and HRP 201.

**Biology Major, Environmental Biology track:** The following courses are required in addition to the biological sciences core: BIO 250, 320, and 430. To complete the biology major, the student will select a minimum of 13 hours chosen from relevant biology courses; BIO 301, 330, and 331 are highly recommended. Students may also wish to use summer courses at the Gulf Coast Research Laboratory to complete the hours in the major.

**Biology Minor:** Students must take a minimum of 18 semester hours of BIO/HRP courses. At least six hours must be upper level (300/400).

---

**DEGREE PROGRAMS IN THE HEALTH PROFESSIONS**

**Health Related Professions Major:** This curriculum provides a Bachelor of Science degree for individuals who are certified (registered or licensed) in a health related profession by an approved agency. To qualify for this program the student's professional education must equal at least 48 academic semester hours (one lecture hour, two laboratory hours; three clinical hours will be considered to equal 1/15th of an academic semester hour). As an alternative, students with fewer than 48 hours may apply these hours toward a minor in biology.

1. **Major Requirements**

   A maximum of 30 semester hours in the major can be awarded as a result of certification. The specific number awarded will be one-half the number of academic semester hours calculated from the student’s professional education up to the 30-hour maximum. Relevant upper-level biological science courses will be taken as advised to provide a minimum total of 40 semester hours in the major. The hours should include the following courses: HRP 302, 303, 304.

2. **General Health Related Professions Requirements**

   At least 30 hours in science are required, including two courses in anatomy and physiology, one course in microbiology, one course in pharmacology, one course in pathology, one course in genetics or cell physiology, and two courses in chemistry or chemistry/physics. Equivalent professional coursework will be given consideration when possible.

3. **Secondary Area of Concentration**

   A secondary area of concentration in business, psychology, or gerontology is strongly recommended. A minimum of 18 semester hours should be taken in the
selected area and at least six hours must be upper-level. These courses may be used to fill minor and/or core requirements.

4. University Core Requirements

See the core curriculum for the Bachelor of Science degree.

Microcomputer applications, statistics and counseling psychology are recommended electives.

Health Related Professions Major, Medical Technology Emphasis: Before entering the clinical phase of the program, students must have completed all university requirements for the Bachelor of Science degree. Twenty-two hours of biology (10 hours of which must be upper-level) are required and must include HRP 302, 303, 304, BIO 260 and BIO 415. The remaining hours in biology must be selected from BIO 234, 235, 310, 416, and 470. Twenty hours of chemistry are required, to include CHE 111, 112, and 211. The remaining hours in chemistry must be selected from CHE 212, 301, and 405. All upper-level biology and chemistry courses are to be taken at William Carey University. The total number of hours taken at William Carey University before entering the clinical phase must be at least 30.

The senior year will be taken at a hospital site and consists of 12 months of professional didactic and clinical training in a medical technology program accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS). The clinical site is Mississippi Baptist Medical Center in Jackson, Mississippi. Students must carry personal health insurance during their clinical year. Admission is competitive and requires a minimum GPA of 2.7 overall and in the science courses with at least a C in an required science courses. During the clinical phase of the program students will take MTC 420, 430, 440, and 450 for a total of 36 semester hours (each course is 9 hours). Upon satisfactory completion of the clinical phase of the program students will be eligible for national certifying exams including those administered by the American Society of Clinical Pathologists and the National Certification Agency.

PRE-PROGRAMS IN THE HEALTH PROFESSIONS

Pre-Medicine: Course requirements for admission to various medical schools are similar. They include specified courses in biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally, the Medical College Admission Test (MCAT) is taken in the spring of the junior year and applications for medical school are submitted the following summer. Pre-medical students who are not majoring in the sciences should have both an academic and pre-medical advisor. Minimum course requirements are as follows: BIO 111-112; CHE 111-112, 211-212; ENG 101-102; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 8 hours of advanced science electives (laboratory required) and 37 additional hours of approved general electives.

Pre-Dentistry: Course requirements for admission to various dental schools are similar. They include specified courses in the behavioral sciences, biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally the American Dental Association Dental Admission Test (DAT) is taken in the spring of the junior year and applications for dental school are submitted the following summer. Pre-dental students who are not majoring in the sciences should have both an academic and a pre-dental advisor. Minimum course
requirements are as follows: 6 hours of behavioral science (PSY 201, SOC 101); BIO 111-112; CHE 111-112, 211-212; ENG 101-102, 211-212; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 4 hours of advanced biology or chemistry (laboratory required) and 29 additional hours of approved general electives.

Additionally, pre-professional curricula for the Health Related Professions including pre-cytotechnology, pre-optometry, pre-pharmacy, and pre-respiratory therapy are available. The pre-professional advisor will assist the student in meeting the specific requirements for admission to a particular professional school.

COURSE DESCRIPTIONS FOR BIOLOGY (BIO)

100. Introduction to Biology: (3 hours) An introduction to the biological sciences. Concepts such as the cell, Medelian genetics, basic chemistry, general microbiology, ecology, and vertebrate anatomy and physiology are considered. The course includes basic laboratory experiments in these areas as well as field experiences. This course is intended for students with a minimal background in science.

101. General Biology: (4 hours) A course introducing students to biological principles including: the chemistry of life; the structure and function of cells, tissues, and organisms; heredity; and ecology. A one semester hour laboratory experience is included.

111. Principles of Biological Science I: (4 hours) An introduction to the biological sciences in which foundational principles and processes are emphasized, including cellular structure, metabolism, and function, as well as broader topics such as basic ecology and evolution. A one semester hour laboratory experience is included. This course is intended primarily for majors in the biological sciences, although non-majors may take it to satisfy core curriculum laboratory science requirements.

112. Principles of Biological Science II: (4 hours) Morphologic and phylogenetic relationships of animals from protists through mammals. A one semester hour laboratory experience is included. Prerequisite: BIO 101 or 111.

220. Conservation Biology: (4 hours) A survey of the biology of plant and animal populations impacted by human-induced changes to environments. Conservation strategies and the design and management of protected areas are studied. A one semester hour laboratory/field experience is included. Students with a minimal science background may take this course. This course satisfies all core curricula laboratory science requirements.

234. Anatomy and Physiology I: (4 hours) A general study of the anatomy and physiology of the cells, tissues, the skeletal system, the cardiovascular system, and muscles of the human body. A one semester hour laboratory experience is included.

235. Anatomy and Physiology II: (4 hours) A study of the nervous, digestive, respiratory, endocrine, and urogenital systems. A one semester hour laboratory experience is included. Prerequisite: BIO 234.

250. Botany: (4 hours) A course introducing structures, function, classification, and genetics of plants. A one semester hour laboratory experience is included. Prerequisite: BIO 101 or 111.
260. General Microbiology: (4 hours) A general survey of bacteria and allied microorganisms. The role of microorganisms in nature, health, food preservation, and industry is considered. Basic techniques of preparation of media, culturing, sterilization and staining are taught in the laboratory. A one semester hour laboratory experience is included.

301. Marine Biology: (4 hours) An introduction to the study of life in the ocean and associated marine environments. Physical characteristics of the oceans are reviewed and special emphasis is given to the ecology of the northern Gulf of Mexico. A one semester hour laboratory experience is included, which involves several Saturday field trips. Prerequisites: BIO 111, 112, and 113 or equivalents.

306. Introduction to Pharmacology: (3 hours) An overview of the physiological action of drug groups including intended action, side effects and toxicology. Practical information on dispensing dosages, administration, and regulation is included.

310. Genetics: (4 hours) An introduction to the fundamental principles of heredity with applications to human traits, diseases, behavior, populations, and evolution. A one semester hour laboratory experience is included. Prerequisite: BIO 101 or 111.

311. Molecular Biology: (4 hours) A course exploring the molecular genetics of cells. Detailed attention will be given to the mechanisms of DNA replication, transcription, and translation as critical cellular processes. Molecular mechanisms of genetic diseases will also be addressed. A one semester hour laboratory experience is included. Prerequisite: BIO 310.

312. Introduction to Pathology: (3 hours) An introduction to the basic processes of disease on the systems, organs, and cells of the human organism. Prerequisite: BIO 234-235 or 309.

320. Ecology: (4 hours) A survey of the major subdisciplines of ecology including population, community, ecosystem, landscape, physiological, and behavioral ecology. A one semester hour laboratory/field experience is included. Prerequisite: 8 hours of biology credit.

325. Comparative Anatomy of Vertebrates: (4 hours) A comparative study of vertebrate anatomy and organ systems. Dissection of various vertebrates, including the dogfish shark and the cat, constitute the one semester hour laboratory experience included. Prerequisite: BIO 111 and 112, or equivalents.

330. Herpetology: (4 hours) An introduction to the anatomy, physiology, ecology, and evolutionary relationships of amphibians and reptiles. A one semester hour laboratory/field experience is included. Prerequisites: BIO 111 and 112 or equivalents.

331. Ichthyology: (4 hours) An introduction to the study of fishes. This course covers the anatomy, physiology, ecology, and evolutionary relationships of these vertebrates. A one semester hour laboratory/field experience is included. Prerequisites: BIO 111 and 112 or equivalents.

340. Teaching Biology in the Secondary School: (4 hours) A course introducing students to techniques and methods in teaching biology at the secondary level. A one semester hour laboratory experience is included. Prerequisite: junior standing.
405-406. Biological Research: (1-4 hours each) Provides students the opportunity to pursue further study in a specialized area in collaboration with a faculty mentor. Prerequisite: Permission of instructor.

407. Vertebrate Embryology: (4 hours) An introductory study of vertebrate development. Special emphasis is given to the early development of the frog, the chick, and the pig. A one semester hour laboratory experience is included. Prerequisite: BIO 112.

409. Vertebrate Histology: (4 hours) A study of the microanatomy of vertebrate tissues and organs. A one semester hour laboratory experience is included. Prerequisite: BIO 234 and 235.

415. Diagnostic Bacteriology: (4 hours) Clinical methods and techniques for identification of pathogenic organisms are presented including specimen handling, preparation of media, culturing, sterilization, quality control and laboratory safety. A one semester hour laboratory experience is included. Prerequisite: BIO 260.

416. Applied Microbiology: (4 hours) A study of microorganisms and techniques of significance in industrial and environmental microbiology. The laboratory provides experience with these organisms and procedures. A one semester hour laboratory experience is included. Prerequisite: BIO 260.

419. Immunology: (4 hours) A study of the principles of acquired and natural immunity with references to antigens, antibodies, immune response, complement, and susceptibility. The concepts of mediated immunities and immunopathology are also considered. A one semester hour laboratory experience is included. Prerequisite: BIO 235, 260.

420. Virology: (4 hours) A general study of viruses, their roles in disease, and their applications in molecular genetics and biotechnology. Laboratory experiences demonstrate the basic principles of viral replication and activity. A one semester hour laboratory experience is included. Prerequisite: BIO 260.

430. Field Biology: (4 hours) An introduction to the recognition, taxonomy, and ecological relationships of naturally occurring organisms in Mississippi. This course is completely field-based and will consist of up to two extended field trips (five or more days each). Prerequisites: BIO 111, 112, and 113. Students must obtain the permission of the instructor before registering for this course.

470. Cell Physiology: (3 hours) A study of the molecular biology of the cell. Prerequisite: 12 hours of biology credit. Satisfies writing intensive course requirement.

498. Biology Capstone: (3 hours) A capstone course required for biology majors. A survey of biological concepts including the cell and its metabolism, basic anatomy and physiology of plants and animals, evolutionary theory, classical and molecular genetics, microbiology, and ecology. Prerequisite: senior standing or permission of the instructor.
COURSE DESCRIPTIONS FOR THE HEALTH RELATED PROFESSIONS (HRP)

201. Medical Terminology: (1 hour) A study of the construction and use of medical terms. (May be taken as MTC 201)

302. Ethics in the Health Related Professions (1 hour) A basic introduction to theories in ethics and their application to ethical dilemmas in health care including patients rights, euthanasia, allocation of limited resources, and other related topics. (May be taken MTC 302)

303. Education in the Health Related Professions: (1 hour) The methods of instruction and measurement are presented as a basis for their application in adult learning situations such as clinical training and patient instruction often required in health careers. (May be taken as MTC 303)

304. Management in the Health Related Professions: (1 hour) The theories of management and task maturity are presented as a basis for their application in health professions as encountered in supervision, employee development and departmental planning. (May be taken as MTC 304)

COURSE DESCRIPTIONS FOR MEDICAL TECHNOLOGY (MTC)

420., 430., 440., 450. Laboratory Science I, II, III, IV. (9 hours each) Coursework includes didactic study and clinical experience primarily in the four major disciplines of clinical chemistry, immunology, hematology and microbiology but also consists of a total exposure to the professional clinical laboratory. Coursework will cover a continuous full-time calendar year divided into four segments coinciding with school registration. Prerequisites outlined in discussion of major.

GULF COAST RESEARCH LABORATORY PROGRAM

William Carey University is affiliated with the Gulf Coast Research Laboratory (GCRL) in Ocean Springs, Mississippi. The GCRL is a component of the University of Southern Mississippi’s Institute of Marine Sciences. The 50-acre site in Ocean Springs is adjacent to the Mississippi Sound and is surrounded by bayous and salt marshes that provide a natural laboratory for researchers and students. The GCRL focuses on marine research in the disciplinary areas of biology, chemistry, geology, and physics of coastal and continental shelf waters. Research emphasis areas include marine aquaculture, aquatic animal health, aquatic biodiversity and systematics, coastal ecology, fate and effects of environmental pollutants, and fisheries sciences.

The GCRL offers undergraduate summer courses in two 5-week terms which may be taken by William Carey University students for academic credit. Students may enroll in only one course each term, but may earn up to twelve semester hours credit during the summer. Interested students should obtain more information and application forms from their academic advisor, or from the GCRL website at http://www.usm.edu/gcrl/.
Assistant Professor McNatt

The courses in this department are designed to meet the interest and needs of the following students: (1) those wishing to acquaint themselves with some of the fundamental principles of the physical sciences, (2) those whose professional goals require a foundation in chemistry and physics, including those preparing to teach, and (3) those whose major interest is in chemistry.

REQUIREMENTS

Chemistry Major: The courses required for a major are composed of a minimum of 35 hours in chemistry, including CHE 111, 112, 200, 211, 212, and 16 hours of upper-level chemistry courses. Students are encouraged strongly to complete courses in biology, physics, and mathematics. Chemistry majors earn the Bachelor of Science (B.S.) degree or Bachelor of Arts (B.A.) degree.

Chemistry Minor: Twenty-one semester hours, including CHE 111, 112, 200, 211, 212 and one of the following: CHE 301, 302, 405, 410, 415, 490, and physical chemistry. Transfer students requiring 6 hours from William Carey University in their minor may also count CHE 480 and 481 (one hour each).

Pre-Medicine: Course requirements for admission to various medical schools are similar. They include specified courses in biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally, the Medical College Admission Test (MCAT) is taken in the spring of the junior year and applications for medical school are submitted the following summer. Pre-medical students who are not majoring in the sciences should have both an academic and pre-medical advisor. Minimum course requirements are as follows: BIO 111-112; CHE 111-112, 211-212; ENG 101-102; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 8 hours of advanced science electives (laboratory required) and 37 additional hours of approved general electives.

Pre-Dentistry: Course requirements for admission to various dental schools are similar. They include specified courses in the behavioral sciences, biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally the American Dental Association Dental Admission Test (DAT) is taken in the spring of the junior year and applications for dental school are submitted the following summer. Pre-dental students who are not majoring in the sciences should have both an academic and a pre-dental advisor. Minimum course requirements are as follows: 6 hours of behavioral science (PSY 201, SOC 101); BIO 111-112; CHE 111-112, 211-212; ENG 101-102, 211-212; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 4 hours of advanced biology or chemistry (laboratory required) and 29 additional hours of approved general electives.
COURSE DESCRIPTIONS FOR CHEMISTRY (CHE)

101. **General Chemistry I**: (4 hours) An introduction to inorganic chemistry designed for the non-chemistry major.

111. **Inorganic Chemistry I**: (4 hours) The study of the fundamental principles of atomic structure, bonding, gas laws, liquids, solids, and electrochemistry.

112. **Inorganic Chemistry II**: (4 hours) An introduction to thermodynamics, kinetics, acids, bases, and chemical equilibrium. Prerequisite: CHE 111.

200. **Introduction to Organic Chemistry**: (3 hours) An introduction to organic chemistry. Prerequisite: CHE 111 and 112.

211. **Organic Chemistry I**: (4 hours) A systematic study of the compounds of carbon covering hydrocarbons, stereochemistry, aromatic compounds and organic instrumentation. Prerequisite: CHE 111-112, 200.

212. **Organic Chemistry II**: (4 hours) A continuation of CHE 211 covering the basic functional groups encountered in organic chemistry. Prerequisite: CHE 211.

301. **Analytical Chemistry I**: (4 hours) Principles and methods of qualitative analysis. Prerequisite: CHE 112.

302. **Analytical Chemistry II**: (4 hours) Principles and methods of quantitative analysis. Prerequisite: CHE 301.

311. **Physical Chemistry I**: (4 hours) A thorough, relatively advanced treatment of the first major branch of P-Chem, that of thermodynamics. Derived thermodynamic relations will be applied to gases, liquids, solids, and multiphase systems. Three hours of lecture and three hours of laboratory per week. Prerequisites: CHE 111 and 112, MAT 251.

312. **Physical Chemistry II**: (4 hours) The second major branch of physical chemistry, that of quantum chemistry. It will give a thorough introduction to chemistry’s foundational connections to quantum mechanics/physics. Topics will include basic statistics, fundamental postulates of quantum mechanics, single quantum particles, the atom, simple molecules, spectroscopy, and some computational chemistry. Satisfies writing intensive course requirements. Prerequisites: PHY 101 and 102; MAT 251; CHE 111 and 112.

313. **Physical Chemistry III**: (4 hours) The continuation and tying together of Physical Chemistry I and II into the third branch of P-Chem, that of statistical thermodynamics. Satisfies writing intensive course requirements. Prerequisites: CHE 311 and CHE 312.

405. **Biochemistry**: (4 hours) A one-semester introduction to the chemistry of biological systems. Satisfies writing intensive course requirement. Prerequisite: CHE 211.

410. **Qualitative Organic Analysis**: (4 hours) Emphasis on the systematic identification of pure organic compounds and the analysis of mixtures. Prerequisite: CHE 212.

415. **Instrumental Analysis**: (4 hours) An introduction to instrumental methods of analysis. Prerequisite: CHE 112.
480-481. Chemistry Seminar: (1 hour each) Reading and discussion of papers from scientific journals. Students will also make presentations from an area of current research in chemistry. Prerequisites: CHE 111, 112, 211, and 212.

COURSE DESCRIPTIONS FOR PHYSICS (PHY)

101-102. General Physics: (4 hours each) A study of the fundamental principles of mechanics and sound the first trimester; of heat, light, magnetism, and electricity the second trimester. Prerequisite: MAT 131, 132. Three hours lecture and three hours laboratory a week, both trimesters.

103. Introduction to Modern Physics: (3 hours credit) An extension of, and addition to the material covered in PHY 101-102. It is to start with the fundamentals of optics leading to the wave-particle duality of quantum mechanics, lasers, relativity, atomic, nuclear and particle physics. Prerequisites: MAT 131, 132, and PHY 101 and 102.

211-212. Engineering Physics: (4 hours each) A study of the principles of physics with calculus designed especially for pre-engineering students. Prerequisite: MAT 151. Three hours lecture and three hours laboratory a week, both trimesters. Offered on demand.

COURSE DESCRIPTIONS FOR PHYSICAL SCIENCE (PHS)

151. Physical Science: (3 hours) A basic study of chemistry and physics. Three hours lecture.

201. Earth and Space Science: (3 hours) An introduction to astronomy, geology and meteorology.

PRE-ENGINEERING

Two years at William Carey University followed by two years in residence at a school of engineering will provide the opportunity of earning a degree in engineering. The specific program of study for each pre-engineering student is planned with the consultation and approval of the pre-engineering advisor. Details concerning this program can be obtained from the chair of the department of mathematics and physics.
The aims of the department of mathematics are: (1) to give each student enrolled in the department an insight into the nature of mathematics and to acquaint students with some of its fundamental principles, (2) to offer the appropriate mathematical preparation to students pursuing a course of study for which certain mathematics courses are prerequisites, and (3) to provide training for those students whose major interest is mathematics, including those preparing to teach mathematics in secondary schools, those seeking industrial employment, and those planning to do graduate work in mathematics.

Requirements

**Mathematics Major:** A major consists of 33 semester hours including MAT 151, 152, 251, 252, and eighteen additional hours in courses numbered above 252, excluding MAT 316 and MAT 345. Mathematics majors are required to take three of the four seminar courses, MAT 109, 209, 309, and 409. MAT 109 is required, and the other two may be chosen from the remaining three. The specific program of study for each student is planned with the consultation and approval of the faculty advisor. Students may elect either the Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) degree.

**Mathematics Minor:** A minor consists of eighteen semester hours including MAT 151, 152 and six semester hours numbered above 252. No course numbered below 131 is to be used in meeting the requirements for a minor in mathematics.

**Mathematics Major, Teacher Licensure:** To be licensed to teach mathematics at the secondary level, a student must meet the following requirements: 1) completion of all core curriculum requirements for the B.A. or B.S. degree, 2) completion of all professional requirements mandated by the State of Mississippi licensure standards, 3) completion of the requirements for a major in mathematics that includes MAT 335, 336 or 337, 341, 436, 441, and three hours of approved mathematics electives numbered above MAT 252. Students must be advised from both the department of mathematics and the department of education.

**Course Descriptions for Mathematics (MAT)**

No student will be allowed to enroll in a mathematics course numbered below MAT 131 after earning credit in a mathematics course numbered MAT 131 or above unless such a course is required by the program in which the student is enrolled.

**100. Elementary Mathematics:** (3 hours) A course that is designed to provide basic skills in arithmetic, algebra, and geometry. Whole numbers, fractions, decimals, percentage problems, beginning algebra, formulas and measurement. The class meets five times a week. May not be used for core curriculum requirements. Grade: Pass/Fail.
109. **Mathematics Seminar I**: (1 hour) How to use graphing calculators or computer programs to explore mathematics topics.

116. **Fundamental Mathematics I**: (3 hours) In this course special attention is given to the nature of mathematics as well as to the structure and properties of the real number system. Topics include logical reasoning, problem solving, the real number system and its subsystems: natural numbers, integers, and rational numbers.

121. **Intermediate Algebra**: (3 hours) A course that treats beginning and intermediate topics in algebra including quadratic equations and systems of linear equations. Prerequisite: one unit of high school algebra.

131. **College Algebra**: (3 hours) Linear and quadratic equations, graphs of relations and functions, systems of equations, polynomial functions, logarithmic and exponential functions. Prerequisite: Two units of high school algebra or MAT 121.

132. **Trigonometry**: (3 hours) Trigonometric functions, applications, trigonometric identities and equations, graphs, inverse trigonometric functions, and triangle solution. Prerequisite: Two units of high school algebra or MAT 121.

150. **Precalculus**: (3 hours) A modified study of polynomial, rational, exponential, logarithmic, trigonometric, and two-variable functions. Emphasis is on analyzing and graphing these functions using analytic methods as well as with the use of graphing calculators. Prerequisite: Two units of high school algebra and one unit of geometry or MAT 131 or permission of the instructor.

151. **Calculus with Analytic Geometry I**: (3 hours) Topics will include limits, derivatives and applications of derivatives. Prerequisite: MAT 150.

152. **Calculus with Analytic Geometry II**: (3 hours) Topics will include the definite integral, analytic geometry, and transcendental functions. Prerequisite: MAT 151 (trigonometry required as a prerequisite or corequisite).

209. **Mathematics Seminar II**: (1 hour) A sophomore level course, primarily for mathematics majors or minors but open to all students. Sample topics: computer algebra systems, problem-solving.

220. **Elementary Statistics**: (3 hours) Frequency distributions, central tendency, dispersion, normal distribution, and sampling. Prerequisite: MAT 131.

251. **Calculus with Analytic Geometry III**: (3 hours) Topics will include applications of integration, indeterminate forms, improper integrals, and infinite series. Prerequisite: MAT 152.

252. **Calculus with Analytic Geometry IV**: (3 hours) Topics include vectors, analytic geometry in three dimensions, partial derivatives, and multiple integrals. Prerequisite: MAT 251.

309. **Mathematics Seminar III**: (1 hour) A junior level course for mathematics majors or minors. Sample topics: famous theorems, readings in mathematics.

316. **Fundamental Mathematics II**: (3 hours) Topics will include basic concepts of geometry, measurement, probability, and statistics, with an emphasis on reasoning, problem solving, and communication of mathematical ideas. Prerequisite: MAT 116.
335. **Foundations of Mathematics:** (3 hours) Logic, sets, relations, functions, denumerable sets, cardinal numbers, and ordered sets, with emphasis throughout on the nature and technique of mathematical proof. Prerequisite: MAT 152 and consent of instructor.

336. **Probability:** (3 hours) An introduction to probability with some statistical applications. Equally likely events, finite sample spaces, and random variables. Prerequisite: MAT 152.

337. **Mathematical Statistics:** (3 hours) A study of statistical theory and applications with emphasis on inferential statistics. Topics include confidence intervals, hypothesis testing, correlation and regression, analysis of variance, and other topics. Prerequisite: MAT 152.

338. **Discrete Mathematics:** (3 hours) Topics will include sets, mathematical induction, relations and functions, algorithms, difference equations, graphs, combinatorics, and Boolean algebra. Prerequisite: MAT 152.

341. **Linear Algebra I:** (3 hours) A first course in linear algebra. Systems of linear equations, matrices, determinants, vector inner product, vector cross product, and applications of linear algebra, with an introduction to vector spaces and linear transformations. Prerequisite: MAT 131 or MAT 150.

342. **Linear Algebra II:** (3 hours) A continuation of MAT 341. An in-depth study of linear algebra topics and applications with emphasis on vector spaces, inner product spaces, linear transformations, eigenvectors, eigenvalues, and an introduction to numerical methods. Prerequisite: MAT 341.

345. **Teaching Mathematics in the Secondary School:** (3 hours) The study of methods and problems related to teaching mathematics in secondary school.

353. **Differential Equations:** (3 hours) A first course in differential equations. Differential equations of the first order, applications, linear differential equations and series methods. Prerequisite: MAT 252.

409. **Mathematics Seminar IV:** (1 hour) A capstone course for mathematics majors. A comprehensive overview of the mathematics curriculum with emphasis on a thorough knowledge of key concepts and an exploration of relationships between topics.

436. **Geometry:** (3 hours) Euclidean and non-Euclidean geometries with emphasis given to their logical development from basic assumptions. Prerequisite: MAT 151, and trigonometry.

441. **Abstract Algebra:** (3 hours) The algebraic structure of the rational, real, and complex numbers. Prerequisite: MAT 335 or permission of instructor.

451. **Advanced Calculus:** (3 hours) An intensive and detailed study of continuous and differentiable functions. Prerequisite: MAT 252. Offered on demand.

471. **History and Philosophy of Mathematics:** (3 hours) The origins, philosophy, and chronological development of the mathematical sciences with emphasis on mathematical concepts and their interrelations. Prerequisite: MAT 252 or permission of instructor.
The purposes of the department of psychology are:

1. To offer an undergraduate major in psychology that will serve as a concentration for the liberal arts student.

2. To prepare students for graduate study leading to an advanced degree for the professional psychologist.

3. To enable students to gain a better understanding of themselves and others and to learn to cope effectively with their environments.

4. To provide services for other departments and schools within the university to supplement their curricula and to enable their students to fulfill the requirements for certification in their respective fields such as education, medicine, music, nursing, and religion.

Students majoring in psychology may choose a degree program suitable to their plans for the future, and they may work toward the Bachelor of Arts (B.A.) or the Bachelor of Science (B.S.) degree.

Laboratory fees are $30.00 per term for PSY 351 and PSY 441.

REQUIREMENTS

Psychology Major: Thirty-five hours, including PSY 201, 204, 327, 351, 410, 430, 441, 480, 497 and six additional hours in PSY.

Psychology Minor: Twenty-one hours, including PSY 201, 204, 351, 410, and eight additional hours in PSY.

The fastest growing segment of the population in the United States is individuals 60 years of age and above. To ensure personnel are prepared to assist in meeting the needs of this population, William Carey University is providing training in the field of gerontology. Coursework provides the student with not only textbook oriented courses but also practical experience through practica served. Such training may lead to a certificate and an academic minor in the field of gerontology, depending upon the desires of the student.
COURSE DESCRIPTIONS FOR PSYCHOLOGY (PSY)

201. **General Psychology**: (3 hours) The fundamentals of psychology. Emphasis on learning, motivation, emotion, perception, psychological measurement, personality behavior disorders and physiological bases of behavior. This course is a prerequisite for all other courses in psychology.

202. **Child Psychology**: (3 hours) Significant aspects of child growth and development from the standpoint of psychology and related disciplines. Emphasis on principles of growth, stages of physical growth, motor development, and behavior pertaining to social, intellectual, and personality development.

203. **Adolescent Psychology**: (3 hours) Significant aspects of adolescent behavior and development. Emphasis on physical, mental, social, emotional, and moral development of adolescents.

204. **Educational Psychology**: (3 hours) The study of the process of learning and the behavior of children in school. Emphasis on teacher personality; the relationships of growth, learning and teaching; the nature of the learner; intelligence and individual differences; and the improvement of the teaching-learning situation.

228. **Introduction to Marriage and Family Counseling**: (3 hours) A study of relationship changes over the family life cycle with an emphasis on counseling. (Same as SOC 228.)

305. **Developmental Psychology**: (3 hours) A life-span approach to the study of human development emphasizing the physical, social, and cultural influences on the cognitive and psychological processes of the individual.

306. **Dynamics of Personality**: (3 hours) A study of personality theories and human behavior for effective living.

318. **Social Psychology**: (3 hours) The role of psychology in the investigation and evaluation of interpersonal relationships.

327. **Counseling Psychology**: (3 hours) This course is designed to provide students with an orientation to counseling psychology. Emphasis on counseling theories and practices. Prerequisites: 12 hours of psychology or consent of instructor.

333. **Introduction to Christian Counseling**: (3 hours) This course introduces and provides experiences in sound principles of psychology which are consistent with counseling in a Christian setting. Offered spring trimester of even-numbered years.

334. **Psychology of Religion**: (3 hours) A study of religious beliefs, practices, and customs in light of historical and current psychological thought. Offered spring trimester of odd-numbered years.

350. **Introduction to Industrial/Organizational Psychology**: (3 hours) A practical and theoretical introductory course dealing with various work groups. Theories from organizational and social psychology provide a context for skill building related to training and development and basic research.

351. **Introduction to Psychological Statistics**: (4 hours) (Lab Course) A foundation for more advanced courses in statistics. Computation of measures of central tendency, variability, and correlation. Tests of significance and introduction to analysis of
variance. No mathematical ability is assumed beyond the basic skills of arithmetic and algebraic manipulations.

360. **Principles and Theories of Learning:** (3 hours) An empirical and theoretical analysis of learning theory, memory, and cognitive processes.

366. **Psychology of Addiction:** (3 hours) Addictions are examined from psycho/social/spiritual perspectives with implications for therapeutic relationships. Particular attention is given to the dynamics of addiction and the psychological factors involved in recovery.

370. **Introduction to Gerontology:** (3 hours) Same as GER 370.

371. **Social Aspects of Aging:** (3 hours) Same as GER 371. Prerequisites: PSY 201, PSY/GER 370.

372. **Psychological Aspects of Aging:** (3 hours) Same as GER 372. Prerequisites: PSY 201, PSY/GER 370.

373. **Biology/Physiology/Health Aspects of Aging:** (3 hours) Same as GER 373. Prerequisites: PSY 201, PSY/GER 370.

374. **Introduction to Case Management:** (3 hours) Same as GER 374.

375. **Use and Interpretation of Tests:** (3 hours) Theory of individual and group tests of intelligence, personality, interests, and attitudes.

389. **Introduction to Sign Language:** (3 hours) This course covers signing and deaf culture, as well as deaf history and the origins of American Sign Language.

399. **Survey of Autism:** (3 hours) This course covers the autism spectrum disorders and their causes, diagnosis strategies, treatments, and interventions.

410. **Abnormal Psychology:** (3 hours) The dynamics of normal and abnormal behavior, major psychiatric disorders, and a survey of modern therapy.

430. **History and Systems of Psychology:** (3 hours) A historical survey of psychology with special reference to schools of psychology.

441. **Experimental Psychology:** (4 hours) (Lab Course) Introduction to psychological experimental techniques. Prerequisites: PSY 201 and 351.

475. **Psychology of Workforce Training:** (3 hours) The need for learning and creativity in organizations from a broad perspective and the development of skills in thinking and problem solving are emphasized. The course covers the topics of organizational learning, knowledge management, creativity, and adaptive systems.

480. **Practicum in Psychology:** (1-6 hours) Directed work in the psychology laboratory or other suitable supervised practical work experience.

497. **Internship in Psychology:** (1-6 hours) Actual work experience which is supervised by the employer and the academic advisor. Prerequisites: PSY 327 and 480.
COURSE DESCRIPTIONS FOR GERONTOLOGY (GER)

370. **Introduction to Gerontology**: (3 hours) This course provides an introduction to the area of gerontology helping the student to see this age as another stage of development of the person. Emphasis is on an interdisciplinary approach to the assessment and provision of services. An introduction is given to the health, psychology, and sociology aspects of this stage. Same as PSY 370. Prerequisite for all other GER courses.

371. **Social Aspects of Aging**: (3 hours) The purpose of this course is to expand upon the sociological aspects of aging discussed in the Introduction to Gerontology course. The role of the social worker as well as sociological factors surrounding the person who is aging will be emphasized. Same as PSY 371.

372. **Psychological Aspects of Aging**: (3 hours) The purpose of this course is to expand upon the psychological aspects of aging discussed in the Introduction to Gerontology course. The role of the psychologist as well as the psychological factors surrounding the person who is aging will be emphasized. The importance of planning for this stage of life in order to remain psychologically healthy will be discussed. Same as PSY 372. Prerequisites: PSY 201, PSY/GER 370.

373. **Physiology/Health Aspects of Aging**: (3 hours) The purpose of this course is to expand upon the health aspects of aging discussed in the Introduction to Gerontology course. The role of the health professionals as well as ways in which to remain healthy will be emphasized. Material will relate both to healthy as well as pathological aging. Same as PSY 373. Prerequisites: PSY 201, PSY/GER 370.

374. **Introduction to Case Management**: (3 hours) The course will begin with a discussion of case management from a generic standpoint. The student will be able to use case management as an approach to service delivery which ensures that aging persons with complex, multiple needs receive the needed services in a timely and appropriate manner. Emphasis will be placed on networking and linkage using varied roles and techniques. Same as PSY 374.

480. **Practicum in Gerontology**: (1-6 hours) Directed experience with elderly persons.

497. **Internship in Gerontology**: (1-6 hours) This course provides the student with practice in applying material obtained in other courses to persons who are elderly. Experience is provided both with well elderly persons as well as persons experiencing physical, psychiatric, or cognitive difficulties.
The Cooper School of Missions and Biblical Studies seeks (1) to inform and enrich every student's understanding of the Judeo-Christian historical, literary, and theological heritage, (2) to instruct undergraduate religion majors from a liberal arts perspective as to prepare them for graduate level study, and (3) to prepare students for missions service or ministerial leadership roles.

DONALD AND FRANCES WINTERS  
SCHOOL OF MUSIC  
Mark Malone, Ph.D. (Dean)

Professors Cotten, Keever, Roberts, Winters; Associate Professor D’Arpa; Assistant Professors Elder, Vail; Visiting Instructor Cameron

Music study at the Winters School of Music is designed to realize the purpose and specific objectives of the university. Students are challenged to discover and develop their own musical capacities and interests so they may fully realize their own self-expression, may enjoy music as recreation, or may utilize music as a profession.

William Carey University is an accredited institutional member of the National Association of Schools of Music.

Graduates with the Bachelor of Music education degree will have fulfilled all requirements leading to licensure with the Mississippi State Department of Education for teaching K through 12. The Bachelor of Music degree with a major in music therapy is approved by the American Music Therapy Association, affording graduates of the music therapy program certification by that organization.

ADMISSION TO MUSIC CURRICULA

1. MUSIC AUDITION. Prior to admission, each candidate is required to perform selections of vocal and/or instrumental music that represents the student’s highest level of proficiency before a committee comprised of the music faculty. In certain instances, a student may be admitted as a provisional music major who has not had the formal training necessary to perform the suggested literature but who demonstrates exceptional talent.

2. EVALUATION OF TRANSFER CREDITS. Advanced standing in applied music is granted only upon successful completion of upper-level and/or proficiency examinations (see below). Transfer credit will not be given for a grade of “D” in any music course towards a music major or minor.

REQUIREMENTS

Bachelor of Arts with a Major in Music. (133-136 hours) General core: 60 hours; Music Core: 36 hours (Freshman and Sophomore Music Theory—19 hours; Music History and Literature—9 hours; Ensemble—8 hours); Music Major: 20 hours; Outside Minor: 18-21 hours (obtain curriculum plan from the School of Music).

NOTE: The Bachelor of Arts degree does not meet the requirements for public school teaching, nor does it meet prerequisite requirements for graduate study in music education.

Bachelor of Music with a Major in Church Music. (130 hours) General core: 42 hours (9 additional hours of fine arts are included in music courses); Music Core: 38 hours (Freshman and Sophomore Music Theory—18 hours; Music History and Literature—9 hours; Conducting 1—2 hours; Ensemble—8 hours); Church Music Major: 50 hours (obtain curriculum plan from the School of Music).
Bachelor of Music with a Major in Music Education—Vocal Certification. (142 hours); General Core: 45 hours (9 additional hours of fine arts are included in music courses); Music Core: 38 hours (Freshman and Sophomore Music Theory—18 hours; Music History and Literature—9 hours; Conducting I—2 hours; Ensemble—8 hours); Music Education Major: 38 hours; Professional Education: 21 hours, including 12 hours for student teaching (obtain curriculum plan from the School of Music).

Bachelor of Music with a Major in Music Therapy. (139 hours) General Core: 52 hours (9 hours of fine arts are included in music courses); Music Core: 38 hours (Freshman and Sophomore Music Theory—18 hours; Music History and Literature—9 hours; Conducting I—2 hours; Ensemble—8 hours); Music Therapy Major: 49 hours, including 2 hours for a six-month internship in an AMTA approved facility (obtain curriculum plan from the School of Music).

Bachelor of Music with a Major in Performance—Concentration in Guitar, Organ, Piano, or Voice. (131-133 hours). General core: 42-54 hours (9 additional hours of fine arts are included in music courses; vocal performance majors must take Elementary French and German); Music Core: 38 hours (Freshman and Sophomore Music Theory—18 hours; Music History and Literature—9 hours; Conducting I—2 hours; Ensemble—8 hours); Performance Major: 41-43 hours; Free Electives: 8 hours (obtain curriculum plan from the School of Music).

Music Minor: (21-23 hours) MUT 161, 162, 163; two of three: MUM 310, 311, 312; two years of applied music study leading to successful completion of a proficiency exam; two years of ensemble and recital attendance.

ADDITIONAL REQUIREMENTS

1. All music majors must participate in a major ensemble each trimester of study, regardless of the number of credit hours accumulated. Music education and music therapy majors are not required to participate in an ensemble while in the process of student teaching or completing an internship.

2. RECITALS. All students pursuing the B.M. degree will perform at least a half recital (25 to 30 minutes) in the senior year. Music education majors may elect to complete an appropriate music project in lieu of the senior recital.

Performance majors will perform at least a half recital in the junior year and a full recital (45 to 55 minutes) in the senior year.

Each student pursuing the B.M. degree will register for Applied Music Concentration until all recital requirements have been met.

3. RECITAL ATTENDANCE. Attendance at recitals and school concerts is considered an integral part of each student's development as both a performer and an informed listener. Music majors will register for MUR 000—recital class (no credit) each trimester of study, requiring attendance at 75% of all weekly student recitals, degree recitals, faculty recitals, and special concerts presented by the School of Music. During the final trimester of study, students will register for MUR 001—Recital class completion.
4. **UPPER-LEVEL EXAMINATIONS.** Following the completion of the sophomore theory (form and analysis) and the completion of two full years of applied study, a special examination will be given to determine each student’s eligibility for upper-level music study. Transfer students who have had two years of study do not have to complete form and analysis before taking the upper level. This exam will consist of a 12-minute program in the applied concentration and a short sight-singing proficiency. A student must continue to register for applied music at the sophomore level until the exam is successfully completed.

Transfer students with two previous years of college credit in their concentrations will be allowed to register for upper-level study, but must pass the upper-level exam by the end of their first trimester of study at William Carey University to receive advanced course credit.

5. **PROFICIENCY EXAMINATIONS.** All students pursuing the Bachelor of Music degree must pass the piano proficiency exam. All music majors and minors must pass a proficiency exam in their secondary area of applied music.

6. Music majors and minors must make a grade of “C” or better in all music courses.

**NOTE:** For additional information regarding School of Music requirements and policies, refer to the Winters School of Music Student Handbook, available in the music office.

JOSEPH AND NANCY FAIL  
SCHOOL OF NURSING

Professors Cooksey, Mitchell, J. Williams, Wirfs; Associate Professors Dubuisson, Walley; Assistant Professors Chatham, DeLaune, Dennis, Mansell, Nesbitt; Instructors Battle, Brady, Commagere, Davis, Freeman, Hand, Jamison, Sicard, Taylor; Visiting Associate Professor Daggett

As an integral part of William Carey University, the School of Nursing shares the overall purpose and objectives of the university. It seeks to prepare individuals for self-directed practice and continuing growth in professional nursing; for formal graduate study; and for service to people as an expression of the Christian life and commitment.

Nursing is offered on all three campuses of the university. The overall operations of the School of Nursing are administered by the dean of nursing.

The School of Nursing is accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC, 20036-1120, (202.887.6792); by the Board of Trustees, Institutions of Higher Learning of the State of Mississippi, and approved in New Orleans by the Louisiana State Board of Nursing.

GRADUATE COMPETENCIES

Upon completion of the program of study in William Carey University School of Nursing, the professional nurse graduate is expected to be able to perform the following competencies:

• Synthesize knowledge from a liberal arts education, the Christian domain, and nursing to assist clients in a variety of health care settings.

• Use the nursing process as a provider of care to clients in varying states of health throughout the lifespan.

• Facilitate attainment of optimal levels of wellness by coordinating restorative, palliative, health promotion and maintenance, illness prevention, and rehabilitative functions.

• Using core knowledge and competencies, systematically identify and facilitate a positive response to the environmental systems that impact health.

• Integrate principles and skills of communication to provide nursing care for clients from diverse and multicultural populations.

• Use nursing research and critical thinking skills to advance professional nursing practice.

• Use leadership skills and knowledge of political systems to enhance the quality of nursing care.
• Demonstrate responsibility and accountability as a member of the nursing profession, the health care team, and the community.

• Integrate Christian principles and professional values—altruism, autonomy, human dignity, integrity, and social justice—in service to clients.

ADMISSION OF STUDENTS

Applicants to the School of Nursing must be students in good standing at William Carey University and must have completed designated core courses, with a grade of at least a “C” in each course. All applicants seeking the B.S.N. must apply for admission to the School of Nursing on the campus to which application is being made. An application will be considered on one campus only per admission period. Applicants are responsible for completing the entire application and having it notarized. No incomplete applications will be considered. Applications for the School of Nursing are available twice per year. Once admitted to nursing on one campus, all nursing courses must be taken on that campus.

In addition to completion of the designated courses, each applicant must have a cumulative grade point average of 2.5 or higher on pre-nursing coursework (including those repeated), a composite score of 75 or above on the pre-entrance examination, and minimum scores on the following sections of the pre-entrance examination: Reading (80); Math (75); Grammar (75); and Vocabulary (75). Hours taken at William Carey University are also considered in the application process. Admission to the School of Nursing is competitive, and these requirements are minimum. Students being admitted to the university or meeting these minimum requirements are not guaranteed admission to the School of Nursing. Students having recently made two Ds or Fs in nursing clinical courses are ineligible. Students having recently made two Ds or Fs in the same nonclinical course are ineligible. If the Ds or Fs were made five or more years previously, a written appeal to reapply may be presented to the nursing APG Committee.

The following 47 hours are required for admission to the School of Nursing: BIO 234, 235, 260, 306; CHE 101; COM 101; ENG 101, 102; HEA 240; MAT 131; PSY 201, 305, 351; SOC 101. In addition, all except nine hours of the remaining core curriculum courses must be completed.

Each nursing applicant must pass the English Proficiency Exam (EPE). If the EPE is failed, ENG 103 or 105 must be successfully completed prior to enrolling in Level II of the nursing major.

In order to establish computer proficiency, each applicant must pass an exam or have taken one approved computer course prior to enrolling in Level II of the nursing major.

Criminal background check. All students enrolled in nursing must have clearance of criminal background checks prior to participating in nursing clinical courses. This is a mandatory requirement as part of the Mississippi state law, Section 43-13-11 of Mississippi Code of 1972 and in accordance with R.S. 37:921, LAC 64:XLVII.3403 and LAC 46:XLVII.3331 of the Louisiana State Board of Nursing.

After initial enrollment, any subsequent disciplinary action, arrest, charge, addiction, or impairment shall also be reported immediately to the dean of nursing. Students in Louisiana must also report to the Louisiana State Board of Nursing (LSBN) in the same manner as in the initial application for progression for determination of
continuance in the clinical courses. Failure to report any and all subsequent disciplinary actions, arrests, or impairment will constitute falsification of records and may result in denial of licensure as a registered nurse.

**Drug testing.** All students enrolled must provide evidence of a negative drug screen prior to participating in nursing clinical courses. Random drug screening will be done for students enrolled in clinical courses. Refusal by a student to submit to testing will result in denial of admission for new students and immediate dismissal from the School of Nursing for continuing students.

Any admitting student who tests positive for illegal drugs must withdraw from clinical nursing courses. The student may reapply for admission in one year and will be admitted based on admission criteria as any new student making application. Students in Louisiana must also be cleared for admission and progression by the LSBN.

Any continuing student who tests positive for illegal drugs must withdraw from clinical nursing courses. The student may make a written appeal for re-admission in six months to the Nursing APG Committee. Students in Louisiana must also be cleared for readmission and progression by the LSBN.

All costs associated with drug testing and criminal background checks are the responsibility of the student.

1. Total Nursing 52
2. Core Curriculum 79

**TOTAL HOURS** 131

The faculty reserves the right to make curricular changes to maintain standards consistent with the changing needs of society and of the profession.
301. **Junior Enrichment Seminar:** (2/2.5) This course is designed to provide junior level, at-risk nursing students the opportunity to improve study, test-taking, and critical-thinking skills in order to facilitate successful completion of the nursing school curriculum. Based on identified strengths and weaknesses, a course of study is developed that includes a variety of teaching-learning strategies to meet individual student needs. Prerequisite: Students who scored less than 800 on the Mid-term HESI and awarded a grade of Incomplete in NUR 326 are required to successfully pass this course prior to progression.

303. **Fundamentals of Nursing:** (4/3.75/3.75) A course designed to familiarize the student with the nature of nursing and the nurse’s role in health care. Emphasis is placed upon critical thinking, nursing process, study and practice of basic techniques and skills of nursing care and the application of appropriate scientific principles. Prerequisite: Admission to nursing major.

304. **Assessment and Health Promotion:** (4/3.75/3.75) A study of basic concepts and the development of skills to assess the health status of the individual adult client, including the older adult. Emphasis is placed on obtaining health history, physical examination techniques for the different body systems as well as communication and documentation. Health promotion concepts are introduced. Prerequisite: Admission to nursing major.

305. **Dosage Calculation:** (1/1.25) Includes systems of measurements for drugs and calculation of dosages and solutions. Prerequisite: Admission to nursing major.

306. **Nursing of the Adult I:** (4/2.5/7.5) Organized around the nursing process, this course provides theory and clinical application in the bio-psycho-social-spiritual adaptation of body systems in the adult. It covers a broad range of common conditions experienced by adults. Prerequisites: NUR 303, 304, 305.

307. **Pathophysiology:** (2/2.50) A study of the disturbances of normal physiology, the mechanisms producing these disturbances and the ways in which they are expressed symptomatically. Prerequisites: NUR 303, 304, 305, or consent of the instructor.

308. **Introduction to Professional Nursing:** (2/2.50) An overview of professional nursing with emphasis on health care delivery, health promotion, nursing theory, and regulatory requirements. Prerequisite: Admission to nursing major.

314. **Mental Health Nursing:** (4/2.5/7.5) Exploration of the theories of mental health/illness and clinical applications using the nursing process. Emphasis is placed on nursing interventions to promote mental health with the individual, family, group, and community. Chemical dependency and child, adolescent, and geropsychiatric nursing are also included. Prerequisites: NUR 306, 307, 308.

315. **Concepts of Baccalaureate Nursing:** (4/5) A bridge course to assist the RN in making the transition to baccalaureate nursing. Basic clinical skills are assessed and emphasis is placed on the current issues of health care, health care delivery and the changing roles of health care givers. Roles and opportunities for baccalaureate nurses are explored. Prerequisites: RN and consent of the instructor.
321. **Nursing of the Childbearing Family**: (4/2.5/7.5) Emphasis is on the role of the nurse in the management of families experiencing childbirth. The birth process from preconception to post partum is explored. Prerequisite: NUR 306, 307, 308.

322. **Nursing of the Childrearing Family**: (4/2.5/7.5) Focuses on the needs of the childrearing family utilizing the stages of human growth and development as the foundation for formulating nursing care; fosters the integration of concepts and the use of the nursing process with children and their families from infancy through adolescence. Prerequisite: NUR 306, 307, 308.

326. **Nursing of the Adult II**: (4/2.5/7.5) Organized around the nursing process, this course provides theory for clinical application of the bio-psycho-social-spiritual application. It covers a broad range of common conditions experienced by adults, building on concepts learned in NUR 306. Prerequisite: NUR 306, 307, 308.

330. **Community Service**: (1 to 3 hours) This course is designed to allow students to give service to individuals/groups in the surrounding community through existing community agencies. The student will choose the type of service desired from a group of agencies agreeing to participate with William Carey University’s School of Nursing for this elective experience. This course may be repeated a maximum of three times. Prerequisite: Admission to nursing major.

391. **Applied Pharmacology: Pharmacotherapeutics Across the Life Span**: (2/2.50) Nursing elective. Applies critical-thinking approaches to understanding pharmacotherapeutics across the life span. General principles of pharmacology and the nursing process are applied from a clinical perspective (health promotion and disease management) in the context of individual patient-centered scenarios. Prerequisite: Admission to nursing major.

392. **Nursing Extras**: (2/2.50) Nursing elective. Applies critical thinking skills in order to develop a basic proficiency to complex nursing content and skills. Focuses on nursing process, developing care plans, documentation, nursing implications of medication administration, and nursing implications of diagnostic testing. Prerequisite: Admission to nursing major.

393. **Women’s Health Issues** (2/2.50) Nursing elective. Exploration of the latest development in women’s health. The student will investigate selected topics through Internet, journal, and library searches. The student should receive an appreciation for current issues that affect women and the health care system that serves them. Prerequisite: Admission to nursing major.

394. **Death and Dying** (2/2.50) Nursing elective. Addresses needs of the patient and the patient’s extended support system during the processes of dying, death, grief, and bereavement. Explores needs across the life span as well as some of the transcultural and spiritual aspects surrounding death and dying. Designed to enhance the knowledge base of the future health care worker in order to provide care for the patient and their support system faced with issues at the end of life such as grief, bereavement, loss, palliative care, and legal and ethical aspects of the death and dying process. The course also addresses theories and terminology surrounding end of life issues and explores the concepts of hospice, palliative care, and advanced directives. Prerequisite: Admission to nursing major.

395. **Legal and Ethical Aspects of Nursing Practice** (2/2.50) Nursing elective. Designed to encourage students to formulate health care decisions based on legal parameters
and ethical principles. Examines legislation that impacts nursing and provides guidelines for providing safe effective care within legal boundaries. Ethical theories and principles are analyzed as they are applied to dilemmas frequently encountered in nursing practice. Prerequisite: Admission to nursing major.

396. **Study Skills and Test Taking Strategies for Nursing Students** (2/2.50) *Nursing elective*. Provides an introduction to the strategies necessary for reading assigned texts, comprehending the content and successful test taking sills. Focuses on identifying personal learning style, time-management skills, improving concentration; vocabulary development; reading comprehension; study skills; and test-taking strategies. Prerequisite: Admission to nursing major.

397. **Environmental Health Nursing** (2/2.50) *Nursing elective*. Focuses on an apolitical approach to understanding how the environment works. Major aspects of our environment will be explored utilizing concepts from biology, chemistry, and health sciences. Causative factors of environmental damage and possible solutions will be explored. Emphasis is on primary prevention of environmental health stressors and integration of knowledge that can be applied to individuals, families, groups and communities. The proposed solutions and interventions will be addressed not only through the aspect of the professional nurse, but also from that as an informed and concerned citizen of the world. Prerequisite: Admission to nursing major.

398. **Nursing Care of Older Adults** (2/2.50) *Nursing elective*. Exploration of the needs and nursing care of older adults. Examines the science of gerontological nursing. The focus is on implications related to myths, misconceptions, and current issues of aging that influence the nursing care of older adults. Prerequisite: Admission to nursing major.

401. **Senior Enrichment Seminar**: (2/2.5) This course is designed to provide senior level, at-risk students the opportunity to improve nursing knowledge and skills to facilitate successful completion of the nursing school curriculum. Based on identified strengths and weaknesses, a course of study is developed that includes a variety of teaching-learning strategies to meet individual student needs. Prerequisite: Students who scored less than 900 on the Exit HESI after two attempts and awarded a grade of Incomplete in NUR 444 are required to successfully pass this course prior to progression.

412. **Introduction to Research**: (2/2.50) A course studying various nursing theorists and the role of the professional nurse in research. An understanding of research design is utilized in critiquing current nursing research. The basic steps to developing a proposal for a nursing problem in a selected population will be learned. Applies toward the writing intensive course requirement. Prerequisite: NUR 314, 321, 322, 326, English Proficiency Exam or ENG 105, and PSY 351.

414. **Writing and Reporting Research**: (1/1.25) The writing, oral presentation and evaluation of the research proposals begun in NUR 412 will be done in this course. Prerequisite: NUR 412. Applies toward the writing intensive course requirement.

423. **Complex Health Problems** (4/2.5/7.5) The nursing needs of individuals experiencing complex health problems with unpredictable outcomes are studied. The concepts of humankind, society, health, and nursing with their subconcepts and theories are built upon and expanded. A broad range of complex biophysical and psychosocial disorders are discussed, building upon the content of previous
courses. The nursing process is used as a model for nursing care, and students are encouraged to explore creative approaches of meeting the changing health needs of society. Selected clinical and laboratory experiences with emphasis on critical care areas are utilized to meet course objectives. Prerequisite: NUR 314, 321, 322, 326.

424. Managing Health Care: (2/2.50) The study of basic leadership theories and skills, models for health care delivery and the political, socioeconomic and professional issues of the workplace. Prerequisite: NUR 314, 321, 322, 326.

425. Managing Health Care for RNs: (3/2.5/3.75) The study of basic leadership theories and skills, models for health care delivery and the political, socioeconomic, and professional issues of the workplace. Prerequisites: RN and consent of the instructor.

431. Community Nursing: (4/2.5/7.5) Underscores the utilization of the nursing process outside the acute care setting. Community nursing theory is taught and implemented. Man, nursing, health, and environment are analyzed as to their effect on community health. Prerequisites: NUR 314, 321, 322, 326.

432. Community Nursing for RNs: (3/2.5/3.75) Focuses on the nursing process outside the acute care setting. Man, nursing, health, and environment are analyzed as to their effect on community health. Prerequisites: RN and consent of the instructor.

444. Professional Nursing Preceptorship: (3/-/-/37.5 hrs per week x 3 wks) An opportunity at the end of the program for the student to begin to synthesize and utilize previously acquired knowledge and experience. This assists in the exploration of career options and the transition to the workplace setting. Prerequisite: NUR 414, 423, 424, 431.

INSURANCE

All students in nursing courses must have malpractice insurance before entering the clinical setting. These fees are assessed during course registration.

ATTENDANCE

Refer to School of Nursing Student Handbook and individual course syllabi.

HEALTH STATUS REQUIREMENTS

All students entering nursing courses are required to have a completed School of Nursing health examination form. All students must submit the results of appropriate screening for TB annually. Failure to comply with all health requirements will result in the inability to attend the clinical portion of a course and failure of the course.

All students must complete (re)certification of CPR for the Health Professional either annually or every two years, depending on the clinical facilities used by your campus. This will be done at an institution of the student’s choice. Students are responsible for submitting evidence of current certification to the nursing office for their file. Failure to do so will result in the inability to attend the clinical portion of a course and failure of the course.
PROGRESSION

Students must complete all nursing courses with a grade of C or better. In the event two grades of D or F are earned in clinical nursing courses, the student is ineligible to continue in nursing. Should the student fail any one required nonclinical nursing course two times, the student is ineligible to continue in nursing.

Students must meet the prerequisite requirements for each course. No student may progress through clinical courses without successfully completing with a grade of C or better the clinical course(s) previously attempted.

Progression through the courses in the nursing major is in three levels. Level I courses must be completed before progressing to Level II. No student may progress to clinical courses in Level III without successfully completing, with a grade of C or better, all required courses in Level II. If a student does not progress on schedule and becomes a part of a subsequent class, the student must adhere to the policies governing the current (new) class.

Two enrichment courses are offered in the School of Nursing for at-risk nursing students. NUR 301 and NUR 401 are designed to provide these students the opportunity to improve remediation, retention and success.

Students who score less than 800 on the Mid-term HESI will be awarded a grade of Incomplete in NUR 326 (or the last Level II clinical course taken). These students are required to successfully pass NUR 301 prior to progression in the nursing major.

Students who score less than 900 on the Exit HESI after two attempts will be awarded a grade of Incomplete in NUR 444. These students are required to successfully pass NUR 401 prior to progression in the nursing major.

REQUIREMENTS FOR GRADUATION

To be eligible for the degree of Bachelor of Science in Nursing, the student must have fulfilled all requirements of the university for graduation, completed NUR 305 with a grade of 90%, all other nursing courses with at least a "C" and be recommended by the dean and faculty. Graduates are eligible to apply to write the registered nurse licensure examination (NCLEX-RN) following successful completion of the curriculum. Graduation does not guarantee eligibility to write for NCLEX-RN.
ADVANCED PLACEMENT FOR REGISTERED NURSES

Registered nurses wishing to pursue a baccalaureate degree in nursing may complete the nursing component within 12 months at William Carey University. Non-nursing courses may be completed at an individualized pace within six years of initial enrollment at William Carey University.

Requirements for admission to Advanced Standing in Nursing are: (1) graduation from a nationally accredited associate degree or diploma nursing program, (2) unencumbered licensure as a registered nurse, (3) good standing at William Carey University, (4) successful completion of the English Proficiency Examination or English 103 (or 105), (5) cumulative grade point average of 2.5 on all courses taken towards meeting the nursing degree requirements.

Based on licensure as a registered nurse, students are awarded 31 hours of credit applicable toward hours required for the degree.

Requirements for graduation are the same as those for the generic students.
SPECIAL PROGRAMS

THE CENTER FOR CREATIVE SCHOLARS

Mary Read Diket, Ph.D., Director

Located on the Hattiesburg campus, the Center for Creative Scholars provides an array of workshops, seminars, and professional development resources for students, teachers, and other education professionals.

Creativity Exploration Workshops are designed for participants ranging from second grade to high school. Area teachers assist in designing unique creative environments with a publication focus. The Creativity Write-Down is designed for gifted students from the second through sixth grades and provides a variety of classes that offer students an array of diverse opportunities for out-of-school learning. The Teachers Exchange meets the needs of teachers of the gifted by providing collegial and resource support. Exchanges bring teachers to the campus to share curriculum ideas, unit plans, and to meet with representatives from museums, libraries, and other community resources.

As part of the university emphasis on student-oriented professional research, the center provides extended support for student-oriented projects. Scholarly undergraduates at William Carey University design projects which lead to in-depth understanding of cutting edge topics in their respective fields. Graduate students, particularly those in education, conduct group and individual research projects and benefit from the publication focus of the Center. Professional documents published through the Center for Creative Scholars appear on the ERIC database and as journals. The center also provides opportunities for work-study students to develop expertise in the area of desktop publishing and editing. Technological opportunities with the center include Creativity Workshop publication on the Internet by teenage contributors from Mississippi, Louisiana, and Alabama.

COURSE DESCRIPTION FOR UNDERGRADUATE SCHOLARS (HON)

301. Experience for Proposal Writers in the Disciplines (1 hour) The developing scholar determines a researchable problem in a major or minor area of undergraduate study and develops the methodological and management strengths necessary for advancement into professional life. The course concludes with authorship of an original, tightly crafted written proposal for research or a project in a field or domain.
BACHELOR OF GENERAL STUDIES

The Bachelor of General Studies degree is a flexible degree oriented toward the nontraditional student. The B.G.S. degree serves the nontraditional student with a diversity of educational experiences. It also serves the student from technical and other backgrounds not easily integrated into a traditional degree program.

The B.G.S. degree requires 36 semester hours in one area or two areas of 18 semester hours each, excluding hours in clinical courses. Courses must be taken from approved majors or minors or departmental concentrations. No special/specific courses are required in the general studies concentration(s). Credit may be given for transfer students from technical programs. In the concentration(s), 50 percent of the courses must be upper-level courses.

The Bachelor of General Studies degree is not available for students who must meet state or national certification (i.e. nursing, teacher licensure).

KEESLER CENTER

William Carey University is committed to the educational needs of adult students who serve in the defense of our nation. The university currently offers the following degree programs at Keesler Air Force Base: the Bachelor of General Studies (B.G.S.), the Bachelor of Arts (B.A.), the Bachelor of Science (B.S.), the Bachelor of Science in Business (B.S.B.), and the Master of Business Administration (M.B.A.). The B.A., B.S., and B.S.B. may be earned in business with concentrations in management/marketing or computer information systems. The B.G.S. degree program may be completed with approved concentrations by the program director. The B.G.S. degree allows students to maximize their military training credits earned through the Community College of the Air Force and/or other military branch service. Completion of the B.A., B.S., B.S.B., or B.G.S. will enable an individual to pursue the M.B.A. degree. For more information concerning these programs, please contact the program director at 228-377-0090.

FOREIGN STUDY

William Carey University offers study tours to Europe, Israel, Asia, the Near East, and Latin America. In addition, William Carey students enter competition for Fulbright, Rotary, and other prestigious programs, for foreign study.

Credit for a course taken by a student enrolled in a foreign university course of study (including course number, lectures, examinations) will be treated the same as transfer credit from another institution in this country.

Courses of foreign study, limited to six hours toward degree requirements, require prior approval by the vice president of academic affairs, and they are counted as elective credit.
STUDENT SUPPORT SERVICES
Wendy, Moore (Director)

Student Support Services is a federally funded program designed for a target group including college students who are first generation, disabled, or from low income families. Services include reading and study skills improvement, academic classes, a computer laboratory, tutorial services, academic advisement, vocational and personal counseling, new student mentoring, and referrals to appropriate agencies or schools when needed.

COURSE DESCRIPTIONS FOR STUDY SKILLS

SSS 100. Study Skills Improvement: (3 hours) A course designed to meet the individual needs of each student in reading comprehension and study techniques. Emphasis is given to vocabulary development. This course will not fulfill any core curriculum requirement. Grade: Pass/Fail.

HUM 200. Strategies in Learning: (3 hours) A course designed to provide techniques for effective reading comprehension and critical thinking. Emphasis is given to time management, notetaking techniques, patterns of paragraph organization and development, and evaluation of written material. This course will not fulfill any core curriculum requirement.

SERVICEMEMBER OPPORTUNITY COLLEGE

William Carey University has met criteria established by the Department of Defense to be recognized as a Servicemember Opportunity College; therefore, active duty military personnel are extended educational opportunities that are sometimes distinct from common institutional practice. Policy stipulates flexibility essential to the improvement of access by servicemembers to undergraduate educational programs, and further, that institutional policies and practices be fair, equitable, and effective in recognizing special and often limiting conditions faced by military students. Academic residency is satisfied by 30 hours of the undergraduate degree courses being completed with William Carey University.

One of the most valuable assets any institution of higher learning has is its alumni. This is certainly true of William Carey University as our former students spread our name abroad, give vocal and financial support, and tell the university about prospective students. The William Carey University Alumni Association includes all graduates of the university.

OFFICERS

President ............................................................... Dave Ann Wheat ’58
Vice President ...................................................... Mandy Tilley Nace ’03, MBA ’07
Gulfport Campus Representative ......................... Ricky Easterling ’02, MBA ’08
Past President .......................................................... Adam Watkins ’02

The Carey Magazine is the official publication of the Carey Alumni Association and is mailed to over 15,000 alumni and friends whose current addresses are on file in the alumni office.

Continued alumni support is vital to the future of Christian education at William Carey University. The time and money you give in support of Carey is not spent—it is invested!
